Although we recommend that you read the complete Joint Proxy Statement/Prospectus, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving the enclosed Joint Proxy Statement/Prospectus?

A. You are receiving the Joint Proxy Statement/Prospectus as a holder of common shares of a Fund in connection with the annual shareholder meetings of Nuveen AMT-Free Municipal Income Fund (the Acquiring Fund), Nuveen Performance Plus Municipal Fund, Inc. (Performance Plus), Nuveen Municipal Market Opportunity Fund, Inc. (Market Opportunity) and Nuveen Premium Income Municipal Fund 2, Inc. (Premium Income 2 and together with Performance Plus and Market Opportunity, the Target Funds or each individually, a Target Fund).

At the annual meetings, common shareholders of the Funds will vote on the following proposals, as applicable:

(All Funds) the election of members of each Fund s Board of Directors or Board of Trustees, as applicable (each, a Board or the Board) (the list of specific nominees is contained in the enclosed Joint Proxy Statement/Prospectus);

(Target Funds only) the reorganization of each of Performance Plus, Market Opportunity and Premium Income 2 into the Acquiring Fund (each, a Reorganization and together, the Reorganizations); and

(Acquiring Fund only) the issuance of additional common shares by the Acquiring Fund in connection with the Reorganizations.

Your Fund s Board, including the independent Board members, unanimously recommends that you vote FOR each proposal applicable to your Fund.

Proposals Regarding the Reorganizations

Q. Why has each Fund s Board recommended the Reorganization proposal(s)?

Edgar Filing: NUVEEN AMT-FREE MUNICIPAL INCOME FUND - Form N-14 8C/A

- A. Nuveen Fund Advisors, LLC (Nuveen Fund Advisors), the Funds investment adviser, recommended the proposed Reorganizations as part of a broad initiative to restructure the

product offerings of Nuveen's leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. For the reasons set forth below, each Fund's Board has determined that its respective Reorganization(s) would be in the best interests of its Fund and has approved its Fund's Reorganization(s).

Upon the closing of the Reorganizations, the Acquiring Fund's name will be changed to Nuveen Enhanced AMT-Free Quality Municipal Income Fund.

Q. What are the anticipated benefits of the proposed Reorganizations to common shareholders?

A. Based on information provided by Nuveen Fund Advisors, each Fund's Board believes that the proposed Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund's greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses (excluding the costs of leverage), as certain fixed costs are spread over a larger asset base.

Q. What proposals will shareholders of the Funds be asked to vote on in connection with the proposed Reorganizations?

A. Shareholders of each Target Fund will be asked to vote on an Agreement and Plan of Reorganization, with common shareholders and preferred shareholders voting together as a single class and preferred shareholders also voting separately. Shareholders of the Acquiring Fund will be asked to vote on the issuance of additional common shares in connection with the Reorganizations, with common shareholders and preferred shareholders voting together as a single class and common shareholders also voting separately. In addition, preferred shareholders of the Acquiring Fund will be asked to vote on the Agreement and Plan of Reorganization. The Funds are separately soliciting the votes of the holders of their preferred shares through separate proxy statements.

Q. As a result of the Reorganizations, will shareholders of the Target Funds receive new shares in exchange for their current shares?

A. Yes. Upon the closing of the Reorganizations, Target Fund shareholders will become shareholders of the Acquiring Fund. Holders of common shares of each Target Fund will receive newly issued common shares of the Acquiring Fund, with cash being distributed in lieu

of fractional common shares. The aggregate net asset value, as of the close of trading on the business day immediately prior to the closing of the Reorganizations, of the Acquiring Fund common shares received by Target Fund shareholders (including, for this purpose, fractional Acquiring Fund common shares to which shareholders would be entitled) will be equal to the aggregate net asset value of the common shares of such Target Fund held by its shareholders as of such time. Fractional shares will be aggregated and sold on the open market, and shareholders will receive cash in lieu of such fractional shares.

Shareholders of the Acquiring Fund will remain shareholders of the Acquiring Fund following the Reorganizations. Following the Reorganizations, common shareholders of the Funds will hold a smaller percentage of the outstanding common shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations, and thus, a reduced percentage of ownership in the larger combined entity than they held in the Acquiring Fund or Target Fund individually.

Q. How will the Reorganizations impact fees and expenses?

A. The pro forma expense ratio (including the costs of leverage) of the combined fund, expressed as a percentage of net assets applicable to common shares as of October 31, 2015, is estimated to be lower than the total expense ratio of each of Performance Plus and Market Opportunity. However, because the combined fund is expected to make greater use of regulatory leverage (i.e., leverage attributable to preferred shares and bank borrowings) than the Acquiring Fund and Premium Income 2, the pro forma total expense ratio of the combined fund is estimated to be equal to the total expense ratio of Premium Income 2 and is five basis points (i.e., 0.05%) higher than the total expense ratio of the Acquiring Fund. In addition, the pro forma operating expenses per common share (i.e., total expenses excluding the costs of leverage) of the combined fund are expected to be lower than each stand-alone Fund. See the Comparative Fee Table on page 40 of the enclosed Joint Proxy Statement/Prospectus.

Q. How will preferred shareholders be affected by the Reorganizations?

A. The Acquiring Fund has one series of Variable Rate MuniFund Term Preferred Shares (VMTP Shares) and two series of Variable Rate Demand Preferred Shares (VRDP Shares) outstanding as of the date of the enclosed Joint Proxy Statement/Prospectus. Each Target Fund has one series of either VMTP Shares or VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement/Prospectus. Upon the closing of the Reorganization of Performance Plus, holders of VMTP Shares of Performance Plus will receive, on a one-for-one basis, newly issued VMTP Shares of the Acquiring Fund having substantially identical terms, as of the closing of the Reorganizations, as the VMTP Shares of Performance Plus exchanged therefor. Upon the closing of the Reorganizations of Market Opportunity and Premium Income 2, holders of VRDP Shares of Market Opportunity and Premium Income 2 will receive, on a one-for-one basis, newly issued VRDP Shares of the Acquiring Fund having substantially similar terms, as of the closing of the Reorganizations, as the VRDP Shares of Market Opportunity or Premium Income 2, as applicable, exchanged therefor. The outstanding preferred shares of the Acquiring Fund and the preferred shares to be issued by the Acquiring Fund in the Reorganizations will have equal priority with each other and with any other preferred shares that the Acquiring Fund may issue in the future as to the payment of dividends and the distribution of assets upon the dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

Following the Reorganizations, holders of preferred shares of the combined fund will hold a smaller percentage of the outstanding preferred shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations. Additionally, the combined fund will have multiple series of preferred shares outstanding and multiple types of preferred shares outstanding. The different types of preferred shares have different characteristics and features, which are described in more detail in the Joint Proxy Statement/Prospectus. See Proposal No. 2 C. Information About the Reorganizations Description of VMTP Shares to Be Issued by the Acquiring Fund beginning on page 77, Proposal No. 2 C. Information About the Reorganizations Description of VRDP Shares to Be Issued by the Acquiring Fund beginning on page 79, Additional Information About the Acquiring Fund Description of Outstanding Acquiring Fund VMTP Shares beginning on page 101 and Additional Information About the Acquiring Fund Description of Outstanding Acquiring Fund VRDP Shares beginning on page 103. In addition, the voting power of certain series of preferred shares may be more concentrated than others. All of the VMTP Shares of the Acquiring Fund and Performance Plus are currently owned by a single institutional investor.

Q. Will the Reorganizations impact Fund distributions to common shareholders?

A. In considering the Reorganizations, each Fund's Board took into account information from the Funds' investment adviser indicating that the Reorganizations are expected to result in the same or higher distribution rates for common shareholders of each Fund (as common shareholders of the combined fund following the Reorganizations) in the short-term. The Board also took into account information from the Funds' investment adviser that the Reorganizations, and certain policy changes that took effect in February 2016, are expected to result in higher common share net earnings over time, which may support higher distribution rates in the future.

Q. Do the Funds have similar investment objectives, policies and risks?

A. Yes. The Funds have similar investment objectives, policies and risks. While there are certain wording differences among the Funds' investment objectives, each Fund seeks to provide current income exempt from regular federal income tax (and, in the case of the Acquiring Fund, the federal alternative minimum tax applicable to individuals) and to enhance portfolio value relative to the municipal bond market by investing in tax-exempt municipal securities that the Fund's investment adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued.

The Acquiring Fund has a fundamental investment policy requiring it to invest at least 80% of its managed assets in securities the income from which is exempt from both regular federal income tax and the federal alternative minimum tax applicable to individuals. Each Target Fund has a fundamental investment policy requiring it to invest at least 80% of its managed assets in securities the income from which is exempt from regular federal income tax.

Each Fund may invest up to 35% of its managed assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower) by at least one nationally recognized statistical rating organization, which includes below-investment-grade securities, or unrated securities judged to be of comparable quality by the Fund's sub-adviser. In addition, as a non-fundamental investment policy, the Acquiring Fund is required to invest 100% of its managed assets in securities the income from which is exempt from the federal alternative minimum tax applicable to individuals.

Each Fund is a diversified, closed-end management investment company and currently employs leverage through the issuance of preferred shares and the use of inverse floating rate securities.

Q. Do the Reorganizations constitute a taxable event for the Target Funds' shareholders?

A. No. Each Reorganization is intended to qualify as a tax-free reorganization for federal income tax purposes. It is expected that Target Fund shareholders will recognize no gain or loss for federal income tax purposes as a direct result of the Reorganizations, except to the extent that a Target Fund shareholder receives cash in lieu of a fractional Acquiring Fund common share. Prior to the closing of the Reorganizations, each Target Fund expects to declare a distribution of all of its net investment income and net capital gains, if any. All or a portion of such distribution may be taxable to a Target Fund's shareholders for federal income tax purposes. Prior to the closing of the Reorganizations, each Target Fund is expected to sell the municipal securities in its portfolio that generate income subject to the federal alternative minimum tax applicable to individuals. Such sales are expected to be less than 5% of the assets of each Target Fund. To the extent that portfolio securities of a Target Fund are sold prior to the closing of the Reorganizations, such Fund may realize gains or losses, which may increase or decrease the net capital gains or net investment income to be distributed by such Fund.

Q. What will happen if the required shareholder approvals are not obtained?

A. The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund and Performance Plus under the purchase agreements relating to such VMTP Shares and liquidity providers with respect to the outstanding VRDP Shares of the Acquiring Fund, Market Opportunity and Premium Income 2. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund's Board may take such actions as it deems in the best interests of its Fund.

Q. Will shareholders of the Funds have to pay any fees or expenses in connection with the Reorganizations?

A. Yes. Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. Preferred shareholders will not bear any costs of the Reorganizations. The total costs of the Reorganizations are estimated to be \$2,330,000, and each Fund's allocable share of such costs will be reflected in its net asset value at or before the close of trading on the business day immediately prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$690,000 (0.06%) for the Acquiring Fund, \$575,000 (0.06%) for Performance Plus, \$435,000 (0.06%) for Market Opportunity and \$630,000

(0.06%) for Premium Income 2 (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended October 31, 2015). The allocation of the costs of the Reorganizations will be based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e. total expenses excluding the costs of leverage) and improved secondary market trading, if any, to each Fund during the first year following the Reorganizations. The Reorganizations are expected to result in operating cost savings (i.e. total expenses excluding the costs of leverage) for common shareholders of each Fund (as shareholders of the combined fund following the Reorganizations) and the potential for increased distributions over time for the common shareholders of each Fund in their capacity as common shareholders of the combined fund following the Reorganizations. Distribution increases, if any, would be realized following the recoupment of the expenses of the Reorganizations.

A shareholder's broker, dealer or other financial intermediary (each, a Financial Intermediary) may impose its own shareholder account fees for processing corporate actions, which could apply as a result of the Reorganizations. These shareholder account fees, if applicable, are not paid or otherwise remitted to the Funds or the Funds' investment adviser. The imposition of such fees is based solely on the terms of a shareholder's account agreement with his, her or its Financial Intermediary and/or is in the discretion of the Financial Intermediary. Questions concerning any such shareholder account fees or other similar fees should be directed to a shareholder's Financial Intermediary.

Q. What is the timetable for the Reorganizations?

A. If the shareholder approval and other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about July 11, 2016, or as soon as practicable thereafter.

Q. How does each Fund's Board recommend that shareholders vote on the Reorganizations?

A. After careful consideration, each Fund's Board has determined that the Reorganizations are in the best interests of its Fund and recommends that you vote FOR your Fund's proposal.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Annual Meeting. The Funds understand that, under the rules of the New York Stock Exchange (the NYSE), such broker-dealer firms may, for certain routine matters, grant discretionary authority to the proxies designated by each Board to vote without instructions from their customers and clients if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Proposal No. 1 is a routine matter, and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal No. 1.

VRDP Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons otherwise entitled to vote as of one business day before the Annual Meeting, or, if adjourned or postponed, one business day before the day to which the Annual Meeting is adjourned or postponed, and that would otherwise be treated as broker non-votes may, pursuant to NYSE Rule 452, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of VRDP Shares who have voted on the proposal. Rule 452 permits proportionate voting of a Fund's VRDP Shares with respect to a particular item if, among other things, (1) a minimum of 30% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares with respect to such item, (2) less than 10% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares against such item and (3) for any proposal as to which holders of common shares and preferred shares vote as a single class, holders of common shares approve the proposal. For the purpose of meeting the 30% test, abstentions will be treated as shares voted, and for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Those persons who were shareholders of record of the Acquiring Fund as of the close of business on March 18, 2016 and those persons who were shareholders of record of a Target Fund as of the close of business on April 18, 2016 will be entitled to one vote for each share held and, with respect to holders of common shares, a proportionate fractional vote for each fractional common share held.

As of March 18, 2016 for the Acquiring Fund, and as of April 18, 2016 for each Target Fund, the shares of the Funds issued and outstanding are as follows:

Fund (Ticker Symbol)	Common Shares⁽¹⁾	VMTP Shares⁽¹⁾	VRDP Shares⁽¹⁾
Acquiring Fund (NEA)	78,883,061.395	1,510 ⁽²⁾	3,499
Performance Plus (NPP)	60,025,455	5,350	
Market Opportunity (NMO)	45,874,035.23		3,509
Premium Income 2 (NPM)	70,692,850.81		4,895

- (1) The common shares of the Acquiring Fund, Performance Plus, Market Opportunity and Premium Income 2 are listed on the NYSE. Upon the closing of the Reorganizations, it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE. Neither the VMTP Shares of the Acquiring Fund or Performance Plus nor the VRDP Shares of the Acquiring Fund, Market Opportunity or Premium Income 2 are listed on any exchange.
- (2) The outstanding VMTP Shares of the Acquiring Fund have a liquidity account initial date of June 30, 2016 and a term redemption date of December 30, 2016. It is expected that the Acquiring Fund's VMTP Shares will be refinanced on or prior to the liquidity account initial date with the proceeds of the issuance of one or more new series of VMTP Shares and/or other preferred shares of the Acquiring Fund with an aggregate liquidation preference at least equal to the aggregate liquidation preference of the Fund's outstanding VMTP Shares. The refinancing of the Acquiring Fund's outstanding VMTP Shares may take place prior to the closing of the Reorganizations.

The proposed reorganizations are part of a broad initiative to restructure the product offerings of Nuveen's leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. Upon the closing of the Reorganizations, the Acquiring Fund's name will be changed to Nuveen Enhanced AMT-Free Quality Municipal Income Fund.

The terms of the reorganization of each Target Fund into the Acquiring Fund are set forth in an Agreement and Plan of Reorganization by and among the Acquiring Fund and each Target Fund. The Agreement and Plan of Reorganization provides for: (1) the Acquiring Fund's acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VMTP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, or newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, as applicable, and the Acquiring Fund's assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law (each, a Reorganization and together, the Reorganizations). The aggregate net asset value of the Acquiring Fund common shares as of the Valuation Time (as defined in the Agreement and Plan of Reorganization) received by each Target Fund in connection with a

Reorganization will equal the aggregate net asset value of the Target Fund common shares held by shareholders of such Target Fund as of such time. Prior to the Valuation Time, the net asset value of each Target Fund and the Acquiring Fund will be reduced by the costs of the Reorganizations borne by such Fund. No fractional Acquiring Fund common shares will be distributed to a Target Fund's common shareholders in connection with a Reorganization and, in lieu of such fractional shares, each Target Fund's common shareholders entitled to receive a fractional share will receive cash in an amount equal to a pro rata share of the proceeds from the sale of such fractional shares in the open market, which may be higher or lower than net asset value. Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VMTP Shares or VRDP Shares, as applicable, having substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The Agreement and Plan of Reorganization may be amended by the Funds, as specifically authorized by each Fund's Board, provided that following receipt of shareholder approval of the Agreement at the Annual Meeting, no such amendment may change the provisions for determining the number of Acquiring Fund shares to be issued to Target Fund shareholders to the detriment of such shareholders without their further approval.

The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement/Prospectus.

With respect to the Reorganization of each Target Fund into the Acquiring Fund, the Reorganization is required to be approved by the affirmative vote of the holders of a majority of the Target Fund's outstanding common and preferred shares, voting together as a single class, and by the affirmative vote of a majority of the Target Fund's outstanding preferred shares, voting separately. The affirmative vote of a majority of the common and preferred shareholders of the Acquiring Fund, voting together as a single class, and the affirmative vote of a majority of the common shareholders of the Acquiring Fund, voting separately, are required to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations. In addition, the Reorganizations are required to be approved by the affirmative vote of a majority of the Acquiring Fund's outstanding preferred shares, voting separately.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund and Performance Plus under the purchase

agreements relating to such VMTP Shares and liquidity providers with respect to the outstanding VRDP Shares of the Acquiring Fund, Market Opportunity and Premium Income 2. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund's Board may take such actions as it deems in the best interests of its Fund.

PROPOSAL NO. 1 THE ELECTION OF BOARD MEMBERS

(COMMON SHAREHOLDERS OF EACH FUND)

AMT-Free Income:

Pursuant to the organizational documents of AMT-Free Income (the Massachusetts Fund), the Board is divided into three classes (Class I, Class II and Class III), to be elected by the holders of the outstanding common shares and any outstanding preferred shares, voting together as a single class, to serve until the third succeeding annual meeting of shareholders subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. Under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified.

- a. Three (3) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Stockdale, Stone and Wolff have been designated as Class I Board Members and are nominees for election at the Annual Meeting to serve for a term expiring at the 2019 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Adams, Evans, Kundert, Nelson, Schreier and Toth are current and continuing Board Members. Board Members Adams, Kundert, Nelson and Toth have been designated as Class II Board Members to serve for a term expiring at the 2017 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Evans and Schreier have been designated as Class III Board Members to serve for a term expiring at the 2018 annual meeting of shareholders or until their successors have been duly elected and qualified.
- b. Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares to serve for a term expiring at the next annual meeting of shareholders or until their successors have been duly elected and qualified.

Performance Plus, Market Opportunity and Premium Income 2:

At the Annual Meeting of each of Performance Plus, Market Opportunity and Premium Income 2 (the Minnesota Funds), Board Members are to be elected to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified. Under the terms of each Minnesota Fund's organizational documents, under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members, and the remaining Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class.

- a. Eight (8) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Adams, Evans, Kundert, Nelson, Stockdale, Stone, Toth and Wolff are nominees for election by all shareholders.
- b. Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed in the table below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by that Fund's then-present Board.

For the Massachusetts Fund, Class I Board Members Stockdale and Stone, nominees for election by holders of common and preferred shares, were last elected at the annual meeting of shareholders held on August 7, 2013. Effective February 15, 2016, Board Member Wolff, also a nominee for election by holders of common and preferred shares, was appointed as a Board Member and designated as a Class I Board Member with respect to the Massachusetts Fund. Class II Board Members Adams, Kundert, Nelson and Toth were last elected at the Massachusetts Fund's annual meeting of shareholders held on August 5, 2014. Class III Board Members Evans and Schreier were last elected at the Massachusetts Fund's annual meeting of shareholders held on August 5, 2015. Board Members Hunter and Schneider were last elected by holders of preferred shares at the annual meeting of shareholders held on August 5, 2015.

For each Minnesota Fund, each Board Member was last elected to the Fund's Board at the annual meeting of shareholders held on August 5, 2015, with the exception of Board Member Wolff, who was appointed as a Board Member of each Minnesota Fund effective February 15, 2016.

Other than Messrs. Adams and Schreier (for all Funds), each of the Board Members and Board Member nominees is not an interested person, as defined in the 1940 Act, of the Funds or of Nuveen Fund Advisors, LLC (Nuveen Fund Advisors or the Adviser), the investment adviser to each Fund, and has never been an employee or director of Nuveen Investments, the Adviser's parent company, or any affiliate. Accordingly, such Board Members are deemed Independent Board Members.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect each Board Member of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members.

The Board of each Fund unanimously recommends that shareholders vote FOR the election of each Board Member identified in the table below as having an annual term or designated as a Class I Board Member, as applicable.

- (1) Length of Time Served indicates the year in which the individual became a Board Member of a fund in the Nuveen Fund complex.
- (2) Mr. Schneider is one of several owners and managing members in two limited liability companies and a general partner and one member of the governing body of a general partnership, each engaged in real estate ownership activities. The individual properties for which a receiver has been appointed represent an immaterial portion of the portfolio assets owned by these entities.
- (3) Mr. Toth serves as a director on the Board of Directors of the Mather Foundation (the Foundation) and is a member of its investment committee. The Foundation is the parent of the Mather LifeWays organization, a non-profit charitable organization. Prior to Mr. Toth joining the Board of the Foundation, the Foundation selected Gresham Investment Management (Gresham), an affiliate of Nuveen Fund Advisors, to manage a portion of the Foundation's investment portfolio, and pursuant to this selection, the Foundation has invested that portion of its investment portfolio in a private commodity pool managed by Gresham.

In order to create an appropriate identity of interests between Board Members and shareholders, the boards of directors/trustees of the Nuveen funds have adopted a governance principle pursuant to which each Board Member is expected to invest, either directly or on a deferred basis, at least the equivalent of one year of compensation in the funds in the Nuveen complex.

(1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Board Member in the Funds and in all Nuveen funds overseen by the Board Member.

(2) Ms. Wolff was appointed to the Board effective February 15, 2016.

No Independent Board Member or his or her immediate family member owns beneficially or of record any security of Nuveen Fund Advisors, Nuveen Asset Management, LLC, the Funds' sub-adviser (Nuveen Asset Management or the Sub-Adviser), Nuveen Investments or any person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Nuveen Fund Advisors, Nuveen Asset Management or Nuveen Investments.

As of December 31, 2015, Board Members and executive officers as a group beneficially owned approximately 1,700,000 shares of all funds managed by the Adviser (including shares held by the Board Members through the deferred compensation plan for Independent Board Members and by executive officers in Nuveen's 401(k)/profit sharing plan), and each Board Member's individual beneficial shareholdings of each Fund constituted less than 1% of the outstanding shares of such Fund. As of December 31, 2015, the Board Members and officers of each Fund as a group beneficially owned less than 1% of the total outstanding common shares and less than 1% of the total outstanding preferred shares of each Fund. Information regarding beneficial owners of more than 5% of any class of shares of any Fund is provided under General Information Shareholders of the Acquiring Fund and the Target Funds.

Compensation

Effective January 1, 2016, Independent Board Members receive a \$170,000 annual retainer plus: (1) a fee of \$5,500 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (2) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled meetings of the Board where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person

attendance is not required; (3) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (4) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (5) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (6) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required, and \$100 per meeting when the Executive Committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held; and (7) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held. In addition to the payments described above, the Independent Chairman of the Board receives \$80,000 and the chairpersons of the Audit Committee, the Dividend Committee, the Compliance Committee, the Nominating and Governance Committee and the Closed-End Funds Committee receive \$12,500 each as additional retainers. Independent Board Members also receive a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no Board meeting is held. When ad hoc committees are organized, the Nominating and Governance Committee will at the time of formation determine compensation to be paid to the members of such committees; however, in general, such fees will be \$1,000 per meeting for attendance in person or by telephone at ad hoc committee meetings where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the Nuveen funds on the basis of relative net assets, although management may, in its discretion, establish a minimum amount to be allocated to each fund.

The Funds do not have retirement or pension plans. Certain Nuveen funds (the Participating Funds) participate in a deferred compensation plan (the Deferred Compensation Plan) that permits an Independent Board Member to elect to defer receipt of all or a portion of his or her compensation as an Independent Board Member. The deferred compensation of a participating Independent Board Member is credited to a book reserve account of the Participating Fund when the compensation would otherwise have been paid to such Independent Board Member. The value of the Independent Board Member's deferral account at any time is equal to the value that the account would have had if contributions to the account had been invested and reinvested in shares of one or more of the eligible Nuveen funds. At the time for commencing distributions from an Independent Board Member's deferral account, the Independent Board Member may elect to receive distributions in a lump sum or over a period of five years. The Participating Fund will not be liable for any other fund's obligations to make distributions under the Deferred Compensation Plan.

The Funds have no employees. The officers of the Funds and each Board Member of the Funds who is not an Independent Board Member serve without any compensation from the Funds.

The table below shows, for each Independent Board Member, the aggregate compensation paid by each Fund to the Board Member for its last fiscal year:

Board Leadership Structure and Risk Oversight

The Board of each Fund oversees the operations and management of the Fund, including the duties performed for the Funds by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of board members who serve on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Nuveen funds' business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme that raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee

common policies and procedures, which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. Accordingly, the Board Members have elected William J. Schneider as the Independent Chairman of the Board. Specific responsibilities of the Chairman include: (1) presiding at all meetings of the Board and of the shareholders; (2) seeing that all orders and resolutions of the Board Members are carried into effect; and (3) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund's operations. The Board has established six standing committees: the Executive Committee; the Dividend Committee; the Audit Committee; the Compliance, Risk Management and Regulatory Oversight Committee; the Nominating and Governance Committee; and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

Executive Committee. The Executive Committee, which meets between regular meetings of the Board as necessary, is authorized to exercise all of the powers of the Board. As of February 15, 2016, the members of the Executive Committee are William J. Schneider, Chair, William Adams IV and Terence J. Toth. During the fiscal year ended October 31, 2015, the Executive Committee of Performance Plus met one time and the Executive Committee of AMT-Free, Market Opportunity and Premium Income 2 did not meet.

Dividend Committee. The Dividend Committee is authorized to declare distributions on each Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. As of February 15, 2016, the members of the Dividend Committee are William C. Hunter, Chair, Judith M. Stockdale and Terence J. Toth. During the fiscal year ended October 31, 2015, the Dividend Committee met three times.

Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen Funds that are registered as closed-end management investment companies (Closed-End Funds). The committee may review and evaluate

matters related to the formation and the initial presentation to the Board of any new Closed-End Fund and may review and evaluate any matters relating to any existing Closed-End Fund. The committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of February 15, 2016, the members of the Closed-End Funds Committee are Carole E. Stone, Chair, William Adams IV, Jack B. Evans, John K. Nelson, William J. Schneider and Terence J. Toth. During the fiscal year ended October 31, 2015, the Closed-End Funds Committee met four times.

Audit Committee. The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Exchange Act, that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the NYSE or NYSE MKT, as applicable. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the quality and integrity of the financial statements of the Funds; the Funds' compliance with legal and regulatory requirements relating to the Funds' financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds' portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds' pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds' securities brought to its attention, and considers the risks to the Funds in assessing the possible resolutions of these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review, in a general manner, the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds' financial statements. The Audit Committee operates under a written Audit Committee Charter (the "Charter") adopted and approved by the Board, which Charter conforms to the listing standards of the NYSE or NYSE MKT, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. A copy of the Charter is attached as [Appendix B](#) to this Joint Proxy Statement/Prospectus. As of February 15, 2016, the members of the Audit Committee are Jack B. Evans, Chair, David J. Kundert, John K. Nelson, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Funds. During the fiscal year ended October 31, 2015, the Audit Committee met four times.

Compliance, Risk Management and Regulatory Oversight Committee. The Compliance, Risk Management and Regulatory Oversight Committee (the "Compliance Committee") is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' compliance and risk matters. As part of its duties, the Compliance Committee: reviews the policies and procedures relating

to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responds thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to: particular issuers, market sectors or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds' Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds' and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of February 15, 2016, the members of the Compliance Committee are John K. Nelson, Chair, William C. Hunter, Judith M. Stockdale and Margaret L. Wolff. During the fiscal year ended October 31, 2015, the Compliance Committee met five times.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that, as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Funds' business.

In addition, the Nominating and Governance Committee, among other things: makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation, including the compensation of the Independent Chairman of the Board. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Member at the time of consideration of the nominees. However, all candidates must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx, and is composed entirely of Independent Board Members, who are also independent as defined by NYSE or NYSE MKT listing standards, as applicable. Accordingly, the members of the Nominating and Governance Committee are William J. Schneider, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, John K. Nelson, Judith M. Stockdale, Carole E. Stone, Terence J. Toth and Margaret L. Wolff. During the fiscal year ended October 31, 2015, the Nominating and Governance Committee met six times.

During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx.

Board Diversification and Board Member Qualifications. In determining that a particular Board Member was qualified to serve on the Board, the Board considers each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An

effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the SEC, do not constitute holding out the Board or any Board Member as having any special expertise or experience and will not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

PROPOSAL NO. 2 REORGANIZATION OF EACH TARGET FUND INTO

THE ACQUIRING FUND

(COMMON SHAREHOLDERS OF EACH TARGET FUND)

A. SYNOPSIS

The following is a summary of certain information contained elsewhere in this Joint Proxy Statement/Prospectus with respect to the proposed Reorganizations. More complete information is contained elsewhere in this Joint Proxy Statement/Prospectus and in the Reorganization SAI and the appendices hereto and thereto. Shareholders should read the entire Joint Proxy Statement/Prospectus carefully.

Background and Reasons for the Reorganizations

The boards of directors/trustees of Nuveen's leveraged national municipal closed-end funds, including the Board of each of the Funds, have approved a series of proposals that are intended to benefit shareholders in a number of ways by streamlining and differentiating Nuveen's product offerings. The proposals included the Reorganization of each Target Fund into the Acquiring Fund. Each Board has determined that the Reorganization(s) proposed for its Fund would be in the best interests of such Fund. The Target Funds and the Acquiring Fund have similar investment objectives, policies and risks and invest exclusively in municipal securities and other investments the income from which is exempt from regular federal income tax.

Based on information provided by Nuveen Fund Advisors, LLC (previously defined as Nuveen Fund Advisors or the Adviser), the investment adviser to each Fund, each Fund's Board believes that the Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund's greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses (excluding the costs of leverage), as certain fixed costs are spread over a larger asset base. The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of

the outstanding VMTP Shares of the Acquiring Fund and Performance Plus under the purchase agreements relating to such VMTP Shares and liquidity providers with respect to the outstanding VRDP Shares of the Acquiring Fund, Market Opportunity and Premium Income 2. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund's Board may take such actions as it deems in the best interests of its Fund. For a fuller discussion of the Boards' considerations regarding the approval of the Reorganizations, see C. Information About the Reorganizations' Reasons for the Reorganizations.

Material Federal Income Tax Consequences of the Reorganizations

As a condition to closing, each Fund will receive, with respect to its proposed Reorganization(s), an opinion of Vedder Price P.C., subject to certain representations, assumptions and conditions, substantially to the effect that the proposed Reorganization(s) will qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). Accordingly, it is expected that no Fund will recognize gain or loss for federal income tax purposes as a direct result of the Reorganizations. It is also expected that shareholders of a Target Fund who receive Acquiring Fund shares pursuant to a Reorganization will recognize no gain or loss for federal income tax purposes as a result of such exchange, except to the extent a common shareholder of a Target Fund receives cash in lieu of a fractional Acquiring Fund common share. Prior to the closing of the Reorganizations, each Target Fund expects to declare a distribution of all of its net investment income and net capital gains, if any. All or a portion of such a distribution may be taxable to a Target Fund's shareholders for federal income tax purposes. If shareholders of the Funds approve the Reorganizations, prior to the closing of the Reorganizations, each Target Fund is expected to sell the municipal securities in its portfolio that generate income subject to the federal alternative minimum tax applicable to individuals. Such sales are expected to be less than 5% of the assets of each Target Fund. To the extent that portfolio securities of a Target Fund are sold prior to the closing of the Reorganizations, such Fund may realize gains or losses, which may increase or decrease the net capital gains or net investment income to be distributed by such Fund.

The foregoing discussion and the tax opinion discussed above to be received by the Funds regarding certain aspects of the Reorganizations, including that the Reorganizations will qualify as tax-free reorganizations under the Code, will rely on the position that the Acquiring Fund preferred shares will constitute equity of the Acquiring Fund. See C. Information About the Reorganizations' Material Federal Income Tax Consequences of the Reorganizations.
