FORM 6-K

On May 18, 2016 SAP SE (SAP) delivered a presentation to financial analysts at SAP's Sapphire conference at which SAP's management discussed among other things Q1 2016 performance and provided an updated currency estimate based on April 2016 rates. A copy of the slides used in the presentation is attached hereto as Exhibit 99.1

Any statements contained in this document that are not historical facts are forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Words such as anticipate, believe, estimate, expect, forecast, intend, may, plan, project, predict, should and will and similar expressions as they relate to SAP are used to identify such forward-looking statements. SAP undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect SAP's future financial results are discussed more fully in SAP's filings with the U.S. Securities and Exchange Commission (the SEC), including SAP's most recent Annual Report on Form 20-F for 2015 filed with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates.
