Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

The information set forth in Item 2.01 is incorporated by reference into this Item 1.01.

Section 2 Financial Information

Item 2.01. Completion of Acquisition or Disposition of Assets.

As previously disclosed, on April 19, 2016, Callon Petroleum Company (Callon or the Company) and its wholly owned subsidiary, Callon Petroleum Operating Company (CPOC), entered into a purchase and sale agreement (the Big Star Purchase Agreement) with BSM Energy LP (BSM), Crux Energy, LP and Zaniah Energy, LP (collectively, the Sellers) for the purchase of certain oil and gas producing properties and undeveloped acreage in the Midland Basin (the Big Star Acquisition).

On May 26, 2016, the Company completed the Big Star Acquisition for an aggregate, as adjusted purchase price of approximately \$220 million in cash and 9,333,333 shares of the Company's common stock (the Equity Consideration), of which 2,333,333 shares are held in escrow to satisfy potential indemnification claims arising under the Big Star Purchase Agreement. To the extent not returned to the Company in connection with such indemnification claims, the shares held in escrow will be released to BSM twelve (12) months after the closing date or such later time as all claims against the escrow fund have been settled as contemplated by the Big Star Purchase Agreement. The Big Star Purchase Agreement provides for customary adjustments to the purchase price based on an effective date of May 1, 2016. The Big Star Acquisition was funded with a combination of the net proceeds from a recently completed equity offering, borrowings under our senior secured revolving credit facility and cash on hand.

The acquired properties include approximately 17,298 gross (14,089 net) surface acres, primarily located in Howard County, Texas, with additional acreage in Martin, Borden and Dawson counties, Texas. Callon owns an estimated 81% average working interest (61% average net revenue interest) in the acquired properties and expects to assume operatorship of over 80% of the acquired acreage.

On May 26, 2016, in connection with the closing of the Big Star Acquisition, the Company entered into a registration rights agreement (the Registration Rights Agreement) with BSM and certain of its designees (Rights Holders) under which the Company agreed to register with the Securities and Exchange Commission the shares constituting the Equity Consideration. The Company agreed to use its reasonable best efforts to file a resale registration statement and to cause such registration statement to be declared effective within 30 days from the closing of the Big Star Acquisition. The Rights Holders are also entitled to piggyback registration rights under the Registration Rights Agreement. Under the terms of the Registration Rights Agreement, if the Company registers any of its securities either for its own account or for the account of other security holders, the Rights Holders are entitled to include their shares in the registration, provided that they elect to include a minimum of \$10 million of such shares in the aggregate in the registration statement. The underwriters of any underwritten offering have the right to limit the number of shares that may be registered by the Rights Holders, subject to certain limitations.

The foregoing description is qualified in its entirety by reference to the full text of the Big Star Purchase Agreement and the Registration Rights Agreement, which have been filed as Exhibit 2.1 to the Current Report on Form 8-K dated April 15, 2016 and Exhibit 10.1 to this Report, respectively, and are incorporated in this Report by reference.
