NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

Advanced Drainage Systems, Inc. (the Company) is unable to file its Annual Report on Form 10-K for the fiscal year ended March 31, 2016 (the Fiscal 2016 Form 10-K) within the prescribed time period without unreasonable effort or expense for the reasons further described below.

As previously reported, the Company was unable to timely file its Annual Report on Form 10-K for the fiscal year ended March 31, 2015 (the Fiscal 2015 Form 10-K) and its Quarterly Reports on Form 10-Q for the first three quarters of the fiscal year ended March 31, 2016 (the Fiscal 2016 Form 10-Qs) within the prescribed time periods (such filings being referred to herein as the Late Reports). The inability to file the Late Reports resulted from the need for the Company to complete the fiscal year 2015 audit as well as complete the restatement of certain historical financials. The Company completed the restatement and filed the Fiscal 2015 Form 10-K on March 29, 2016. Thereafter the Company filed the Fiscal 2016 Form 10-Qs on May 31, 2016.

Significant management time and resources were focused on the completion of the fiscal year 2015 audit and restatement, along with the preparation and filing of the Late Reports. The time and resources necessary to prepare and file the Late Reports prevented the Company from commencing its fiscal-year end financial closing process for fiscal year 2016 in a timely manner, which has delayed the completion of the fiscal 2016 audit, as well as the

preparation and filing of the Fiscal 2016 Form 10-K within the prescribed due date. As a result, the Company cannot, without unreasonable effort or expense, file the Fiscal 2016 Form 10-K on or prior to the prescribed due date of May 31, 2016. The Company intends to file the Fiscal 2016 Form 10-K as soon as reasonably practicable; however, at this time the Company anticipates that it will not be able to do so within the extension period of fifteen calendar days provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended.

The Company has remained in regular communication with the New York Stock Exchange (NYSE) regarding the status of the Company s Late Reports and continued listing on the NYSE after receiving an initial notice of non-compliance from the NYSE on July 15, 2015 with regard to the Company s non-compliance with the NYSE s timely filing requirements. The Company has been advised by the NYSE that with the filing of the Late Reports and the filing of this Form 12b-25, the Company s previous non-compliance has been cured and the NYSE will remove the late filer indicator associated with the Company s ticker symbol.

Notwithstanding the foregoing, as a result of the Company s inability to file its Fiscal 2016 Form 10-K within the prescribed time period, the Company anticipates that it will receive a new notice of non-compliance from the NYSE on or about June 15, 2016 for failing to timely file the Fiscal 2016 Form 10-K. In accordance with NYSE rules, upon receipt of this notice from the NYSE, the Company will be required to issue a press release to announce receipt of the notice within five business days after receipt. The Company will also be required to file a Current Report on Form 8-K with the Securities and Exchange Commission (SEC) to report receipt of the notice. Under NYSE rules, the Company will have six months from June 15, 2016 to file its Fiscal 2016 Form 10-K. If the Company fails to file its Fiscal 2016 Form 10-K within such six-month period, the NYSE may, in its sole discretion, allow the Company s common stock to trade for up to an additional six months. Until the Company files its Fiscal 2016 Form 10-K, the Company s common stock would remain listed on the NYSE under the symbol WMS, but will again be assigned a LF indicator to signify late filing status. The Company can regain compliance with the NYSE listing standards at any time during this six-month period once it files its Fiscal 2016 Form 10-K with the SEC.
