Item 1.01. Entry into a Material Definitive Agreement.

On June 17, 2016, Zogenix, Inc. (the Company) entered into a Second Amendment to Loan and Security Agreement (the Loan Amendment) with Oxford Finance LLC (Oxford), as collateral agent, and the lenders party thereto (the Lenders), including Oxford and Silicon Valley Bank (SVB), which amended the Loan and Security Agreement, dated as of December 30, 2014 (as amended, the Loan and Security Agreement), among the Company, Oxford, as collateral agent, and the Lenders.

The terms of the Loan Amendment, among other things:

provided the Company with additional term loans in an aggregate principal amount of \$11,666,666.66 to partially refinance the existing term loans outstanding under the Loan and Security Agreement, such that the aggregate outstanding principal amount of the term loans under the Loan and Security Agreement on the effective date of the Loan Amendment was \$20,000,000;

amended the repayment schedule of the term loans under the Loan and Security Agreement such that (i) the Company is required to make interest-only payments until February 17, 2018; and (ii) the term loans will begin amortizing on February 17, 2018, with equal monthly payments of principal plus interest being made by the Company to the Lenders in consecutive monthly installments following such interest-only period until the Loan and Security Agreement matures on July 1, 2020;

amended the interest rate under the Loan and Security Agreement such that the term loans bear interest at an annual rate equal to either (i) 7.00% or (ii) the sum of (a) the prime rate rate reported in the Wall Street Journal on the date occurring on the last business day of the month that immediately precedes the month in which the interest will accrue, plus (b) 3.25%, whichever is greater;

removed the revolving line of credit previously available under the Loan and Security Agreement; and

removed an affirmative covenant requiring the Company to maintain a liquidity ratio of 1.25 to 1 through the Company's receipt of positive data from placebo-controlled trials in the United States and European Union of ZX008.

In connection with the closing of the Loan Amendment, the Company paid the Lenders (i) a final payment of \$1,000,000 with respect to the existing term loans, previously due on the earlier to occur of the maturity date of the Loan and Security Agreement or early repayment of the term loans; (ii) an amendment fee of \$25,000 with respect to the previous loan amendment entered into among the Company, Oxford and SVB, previously due on the earlier to occur of the maturity date of the Loan and Security Agreement or early repayment of the term loans; and (iii) revolving line commitment fees of \$64,000 in total, previously due on the earlier to occur of the second and third anniversaries of the effective date of the Loan and Security Agreement or the termination of the revolving line of credit. Furthermore, the Company agreed, (i) on the earlier to occur of the maturity date of the Loan and Security Agreement or early repayment of the term loans, to make a final payment to the Lenders equal to 6.75% of the original principal amount of the term loans funded, and (ii) on the earlier to occur of a change in control or the early termination of the Loan and Security Agreement, to pay the Lenders a termination fee of \$200,000. The Company was not required to pay a prepayment fee with respect to the partial refinancing of the existing term loans or to pay a revolving line termination fee with respect to the removal of the revolving line of credit.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Loan Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
