Although we recommend that you read the complete Joint Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving the enclosed Joint Proxy Statement?

A. You are receiving this Joint Proxy Statement as a holder of Variable Rate Demand Preferred Shares (VRDP Shares) of Nuveen California Dividend Advantage Municipal Fund (the Acquiring Fund), Nuveen California Dividend Advantage Municipal Fund 2 (Dividend Advantage 2) or Nuveen California Dividend Advantage Municipal Fund 3 (Dividend Advantage 3 and together with Dividend Advantage 2, the Target Funds, or each individually, a Target Fund) in connection with the annual shareholder meetings of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3.

At the annual meetings, holders of VRDP Shares will vote on the following proposals, as applicable:

(All Funds) the election of members of each Fund s Board of Trustees (each, a Board or the Board) (the list of specific nominees is contained in the enclosed Joint Proxy Statement); and

(All Funds) the reorganization of each of Dividend Advantage 2 and Dividend Advantage 3 into the Acquiring Fund (each, a Reorganization, and together, the Reorganizations).

(Acquiring Fund only) the issuance of additional common shares by the Acquiring Fund in connection with the Reorganizations.

The Board of each Fund, including the independent Board members, unanimously recommends that you vote FOR each proposal applicable to your Fund.

Proposals Regarding the Reorganizations

Q. Why has each Fund s Board recommended the Reorganization proposal(s)?

- A. The boards of directors/trustees of Nuveen's municipal closed-end funds, including the Board of each Fund, have approved a series of combinations of single-state municipal closed-end funds, including the Reorganization of each Target Fund into the Acquiring Fund. Each Fund's Board considered the Reorganization(s) as part of a broad initiative to rationalize the product offerings of Nuveen funds and eliminate overlapping products. The Acquiring Fund and the

Target Funds have the same investment objectives and substantially similar investment policies, risks and portfolio compositions and are managed by the same portfolio manager. For the reasons set forth below, each Fund's Board has determined that its respective Reorganization(s) would be in the best interests of its Fund and has approved its Fund's Reorganization(s).

Upon the closing of the Reorganizations, the Acquiring Fund's name will be changed to [].

Q. What are the anticipated benefits of the proposed Reorganizations?

A. Based on information provided by Nuveen Fund Advisors, LLC (Nuveen Fund Advisors), the Funds' investment advisor, each Fund's Board believes that the proposed Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund's greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

The potential for lower fund operating expenses over time, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for each Target Fund due to increased leverage).

Q. What proposals will shareholders of the Funds be asked to vote on in connection with the proposed Reorganizations?

A. Shareholders of each Target Fund will be asked to vote on an Agreement and Plan of Reorganization, with common shareholders and preferred shareholders voting together as a single class and preferred shareholders also voting separately. Shareholders of the Acquiring Fund will be asked to vote on the issuance of additional common shares in connection with the Reorganizations, with common shareholders and preferred shareholders voting together as a single class and common shareholders also voting separately. In addition, preferred shareholders of the Acquiring Fund will be asked to vote on the Agreement and Plan of Reorganization. The Funds are separately soliciting the votes of the holders of common shares and the votes of the holder of the Acquiring Fund's Variable Rate MuniFund Term Preferred Shares (the VMTP Shares) through a separate joint proxy statement/prospectus.

Q. How will holders of VRDP Shares be affected by the Reorganizations?

The Acquiring Fund has one series of VMTP Shares and six series of VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement, and these shares will remain

outstanding following the Reorganizations. Each of Dividend Advantage 2 and Dividend Advantage 3 has one series of VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement. Upon the closing of the Reorganizations, holders of VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3 will receive, on a one-for-one basis, newly issued VRDP Shares of the Acquiring Fund having terms substantially similar, as of the closing of the Reorganizations, to those of the VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3, as applicable, exchanged therefor. The outstanding preferred shares of the Acquiring Fund and the preferred shares to be issued by the Acquiring Fund in the Reorganizations will have equal priority with each other and with any other preferred shares that the Acquiring Fund may issue in the future as to the payment of dividends and the distribution of assets upon the dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

Following the Reorganizations, holders of preferred shares of the combined fund will hold a smaller percentage of the outstanding preferred shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations. Additionally, the combined fund will have multiple series of preferred shares outstanding and multiple types of preferred shares outstanding. The different types of preferred shares have different characteristics and features, which are described in more detail in the Joint Proxy Statement. See Proposal No. 2 C. Information About the Reorganizations Description of VRDP Shares to Be Issued by the Acquiring Fund beginning on page 51, Additional Information About the Acquiring Fund Description of Outstanding Acquiring Fund VMTP Shares beginning on page 73 and Additional Information About the Acquiring Fund Description of Outstanding Acquiring Fund VRDP Shares beginning on page 74. In addition, the voting power of certain series of preferred shares may be more concentrated than others. All of the VMTP Shares of the Acquiring Fund are currently owned by a single institutional investor.

Q. Will the terms of the VRDP Shares to be issued by the Acquiring Fund as part of the Reorganizations be substantially similar to the terms of the Target Fund VRDP Shares currently outstanding?

A. Yes. The terms of the VRDP Shares to be issued by the Acquiring Fund as part of the Reorganizations will be substantially similar, as of the closing of the Reorganizations, to the terms of the VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3, as applicable, exchanged therefor, including:

the same short-term credit ratings (without regard to rating modifiers) from one or more rating agencies;

the same liquidation preference;

the same terms with respect to the payment of an adjustable dividend rate set weekly by a remarketing agent;

the same right to give notice on any business day to tender the securities for remarketing in seven days;

the same terms with respect to the mandatory tender for remarketing upon the occurrence of certain events; and

the benefit of an unconditional demand feature pursuant to a purchase agreement provided by a liquidity provider substantially identical to the unconditional demand feature in effect immediately prior to the closing of the Reorganizations with respect to the outstanding series of VRDP Shares.

However, there are certain differences between the VRDP Shares to be issued in the Reorganizations and the Target Fund VRDP Shares exchanged therefor, including changes to: (i) provide increased flexibility and clarification regarding rating agency requirements, further to the increased flexibility and clarification included in offerings by Nuveen funds since at least December 2013; (ii) provide flexibility for different or modified terms in connection with a special rate period; and (iii) for the Acquiring Fund VRDP Shares issued in exchange for the VRDP Shares of Dividend Advantage 3, the final mandatory redemption date. A vote by a holder of VRDP Shares of Dividend Advantage 2 or Dividend Advantage 3 for that Fund's Reorganization is effectively a vote in favor of the foregoing changes.

Q. Do the Funds have similar investment objectives, policies and risks?

A. Yes. The Funds have the same investment objectives and substantially similar investment policies and risks. The investment objectives of each Fund are to provide current income exempt from regular federal and California income taxes and to enhance portfolio value relative to the California municipal bond market by investing in tax-exempt California municipal securities that the Fund's investment adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued. Each Fund also emphasizes investments in investment-grade municipal securities. Each Fund is a diversified, closed-end management investment company and currently engages in leverage through the issuance of preferred shares and the use of inverse floating rate securities.

It is a fundamental policy of each Fund that, under normal circumstances, the Fund will invest at least 80% of its net assets, including assets attributable to any principal amount of any borrowings (including the issuance of commercial paper or notes) or any preferred shares outstanding (Managed Assets), in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes.

As a non-fundamental policy, under normal circumstances, each Fund invests at least 80% of its Managed Assets in investment grade securities that, at the time of investment, are rated within the four highest grades (Baa or BBB or better) by at least one of the nationally recognized statistical rating organizations that rate such security or are unrated but judged to be of comparable quality by the Fund's investment adviser and/or sub-adviser. Also, as a non-fundamental policy, each Fund may invest up to 20% of its Managed Assets in municipal securities that, at the time of investment, are rated below investment grade or are unrated but judged to be of comparable quality by the Fund's investment adviser and/or sub-adviser. Securities of below-investment-grade quality (Ba/BB or below) are commonly referred to as junk bonds. Additionally, as a non-fundamental policy, no more than 10% of each Fund's Managed Assets may be invested in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Fund's investment adviser and/or sub-adviser.

Q. Do the Reorganizations constitute a taxable event for holders of VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3?

A. No. Each Reorganization is intended to qualify as a tax-free reorganization for federal income tax purposes. As a holder of VRDP Shares it is expected that you will recognize no gain or loss for federal income tax purposes as a direct result of the Reorganizations. Prior to the closing of the Reorganizations, each Target Fund expects to declare a distribution to its common shareholders of all of its net investment income and net capital gains, if any. Each Target Fund reports distributions to common and preferred shareholders as consisting of particular types of income (such as exempt interest, ordinary income and capital gain) based on each class proportionate share of the total distributions paid by the Fund with respect to the year. As a result, such distribution could cause a portion of the distributions received by preferred shareholders with respect to the year to be taxable for federal income tax purposes. In addition, to the extent that portfolio securities of a Target Fund are sold prior to the closing of the Reorganizations, such Target Fund may recognize gains or losses, which may increase or decrease the net capital gains or net investment income to be distributed by such Target Fund. However, because each Target Fund's current portfolio composition is substantially similar to that of the Acquiring Fund, it is not currently expected that any significant portfolio sales will occur solely in connection with the Reorganizations (such sales are expected to be less than 5% of the assets of each Target Fund).

Q. What will happen if the required shareholder approvals are not obtained?

A. The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holder of the Acquiring Fund's outstanding VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund.

Q. Will holders of VRDP Shares have to pay any fees or expenses in connection with the Reorganizations?

A. No. Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. Preferred shareholders will not bear any costs of the Reorganizations. The total costs of the Reorganizations are estimated to be \$1,085,000, and each Fund's allocable share of such costs will be reflected in its net asset value at or before the close of trading on the business day immediately prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$450,000 (0.03%) for the

Acquiring Fund, \$260,000 (0.11%) for Dividend Advantage 2 and \$375,000 (0.11%) for Dividend Advantage 3 (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended February 29, 2016). The allocation of the costs of the Reorganizations will be based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e., total expenses excluding the costs of leverage) and improved secondary market trading, if any, to each Fund during the first year following the Reorganizations.

Q. What is the timetable for the Reorganizations?

A. If the shareholder approval and other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about October 12, 2016, or as soon as practicable thereafter.

Q. How does each Fund's Board recommend that holders of each Fund's VRDP Shares vote on the Reorganizations?

A. After careful consideration, each Fund's Board has determined that the Reorganizations are in the best interests of its Fund and recommends that you vote FOR your Fund's proposal.

General

Q. Who do I call if I have questions?

A. If you need any assistance, or have any questions regarding the proposal or how to vote your VRDP Shares, please call Computershare Fund Services, the proxy solicitor hired by your Fund, at (888) 456-7566 weekdays during its business hours of 9:00 a.m. to 11:00 p.m. and Saturdays 12:00 p.m. to 6:00 p.m. Eastern time. Please have your proxy materials available when you call.

Q. How do I vote my VRDP Shares?

A. You may vote by mail, by telephone or over the Internet:

To vote by mail, please mark, sign, date and mail the enclosed proxy card. No postage is required if mailed in the United States.

To vote by telephone, please call the toll-free number located on your proxy card and follow the recorded instructions, using your proxy card as a guide.

To vote over the Internet, go to the Internet address provided on your proxy card and follow the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

A. You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders fail to cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON SEPTEMBER 12, 2016

To the Holders of Variable Rate Demand Preferred Shares:

Notice is hereby given that the Annual Meeting of Shareholders (the Annual Meeting) of Nuveen California Dividend Advantage Municipal Fund (Dividend Advantage or the Acquiring Fund), Nuveen California Dividend Advantage Municipal Fund 2 (Dividend Advantage 2) and Nuveen California Dividend Advantage Municipal Fund 3 (Dividend Advantage 3 and together with Dividend Advantage 2, the Target Funds or each individually, a Target Fund), will be held at the offices of Nuveen Investments, Inc., 333 West Wacker Drive, Chicago, Illinois 60606, on Monday, September 12, 2016, at 2:00 p.m. Central time.

The Annual Meeting will be held for the following purposes:

1. Election of Board Members.
 - (a) *For each Fund:*
 - (i) Three (3) Class I board members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board members Stockdale, Stone and Wolff are nominees for election by all shareholders.
 - (ii) Two (2) board members are to be elected by holders of preferred shares only, voting separately. Board members Hunter and Schneider are nominees for election by preferred shareholders.

2. Agreement and Plan of Reorganization. The shareholders of each Fund voting as set forth below for an Agreement and Plan of Reorganization pursuant to which each Target Fund would: (i) transfer substantially all of its assets to the Acquiring Fund in exchange solely for newly issued common shares and preferred shares of the Acquiring Fund, and the Acquiring Fund's assumption of substantially all of the liabilities of the Target Fund; (ii) distribute such newly issued shares of the Acquiring Fund to the common shareholders and preferred shareholders of the Target Fund (with cash being distributed in lieu of fractional common shares); and (iii) liquidate, dissolve and terminate in accordance with applicable law.
 - (a) *For Dividend Advantage:*

The preferred shareholders voting separately to approve the Agreement and Plan of Reorganization.

(b) *For each Target Fund:*

- (i) The common and preferred shareholders voting together as a single class to approve the Agreement and Plan of Reorganization.
- (ii) The preferred shareholders voting separately to approve the Agreement and Plan of Reorganization.

3. Approval of Issuance of Additional Common Shares by the Acquiring Fund.

For Dividend Advantage:

- (a) The common and preferred shareholders voting together as a single class to approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization.
- (b) The common shareholders voting separately to approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization.

4. To transact such other business as may properly come before the Annual Meeting.

Only shareholders of record of each Fund as of the close of business on June 24, 2016 are entitled to notice of and to vote at the Annual Meeting and any and all adjournments or postponements thereof.

All shareholders are cordially invited to attend the Annual Meeting. In order to avoid delay and additional expense for the Funds and to assure that your shares are represented, please vote as promptly as possible, regardless of whether or not you plan to attend the Annual Meeting. You may vote by mail, by telephone or over the Internet. To vote by mail, please mark, sign, date and mail the enclosed proxy card. No postage is required if mailed in the United States. To vote by telephone, please call the toll-free number located on your proxy card and follow the recorded instructions, using your proxy card as a guide. To vote over the Internet, go to the Internet address provided on your proxy card and follow the instructions, using your proxy card as a guide.

If you intend to attend the Annual Meeting in person and you are a record holder of a Fund's shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Annual Meeting.

NUVEEN CALIFORNIA DIVIDEND ADVANTAGE MUNICIPAL FUND 3 (NZH)

(EACH, A FUND AND COLLECTIVELY, THE FUNDS)

[], 2016

This Joint Proxy Statement is being furnished to holders of Variable Rate Demand Preferred Shares (VRDP Shares) of Nuveen California Dividend Advantage Municipal Fund (Dividend Advantage or the Acquiring Fund), Nuveen California Dividend Advantage Municipal Fund 2 (Dividend Advantage 2) and Nuveen California Dividend Advantage Municipal Fund 3 (Dividend Advantage 3 and together with Dividend Advantage 2, the Target Funds or each individually, a Target Fund), each a diversified, closed-end management investment company, in connection with the solicitation of proxies by each Fund s Board of Trustees (each, a Board or the Board and each trustee, a Board Member), for use at the Annual Meeting of Shareholders of each Fund to be held at the offices of Nuveen Investments, Inc. (Nuveen or Nuveen Investments), 333 West Wacker Drive, Chicago, Illinois 60606, on Monday, September 12, 2016, at 2:00 p.m. Central time, and at any and all adjournments or postponements thereof (each, an Annual Meeting and collectively, the Annual Meetings), to consider the proposals listed below, as applicable, and discussed in greater detail elsewhere in this Joint Proxy Statement. The Funds are organized as Massachusetts business trusts. The enclosed proxy card and this Joint Proxy Statement are first being sent to shareholders of the Funds on or about [], 2016. Shareholders of record of the Funds as of the close of business on June 24, 2016 are entitled to notice of and to vote at the Annual Meeting and any and all adjournments or postponements thereof.

This Joint Proxy Statement explains concisely what you should know before voting on the proposals described in this Joint Proxy Statement or investing in the Acquiring Fund. Please read it carefully and keep it for future reference.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the accompanying proxy card, the shares will be voted accordingly where such proxy card is properly executed, timely received and not properly revoked (pursuant to the instructions below). If a proxy is returned and no choice is specified, the shares will be voted **FOR** the proposal(s). Shareholders of a Fund who execute proxies or provide voting instructions by telephone or by Internet may revoke them at any time before a vote is taken on a proposal by filing with that Fund, as applicable, a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. A prior proxy can also be revoked by voting again through the toll-free number or the Internet address listed in the proxy card. However, merely attending the Annual Meeting will not revoke any previously submitted proxy.

The Board of each Fund has determined that the use of this Joint Proxy Statement for the Annual Meetings is in the best interest of each Fund in light of the similar matters being considered and voted on by shareholders.

In addition to its common shares, each Fund has one or more series of preferred shares outstanding. Dividend Advantage has one series of Variable Rate MuniFund Term Preferred Shares (the VMTP Shares) and six series of VRDP Shares outstanding, and each of Dividend Advantage 2 and Dividend Advantage 3 has one series of VRDP Shares outstanding.

At the Annual Meetings, the common and preferred shareholders of the Funds will be asked to approve Proposals Nos. 1, 2, and 3, each as described below, which must be approved by the Funds' common and preferred shareholders as follows:

Proposal No. 1. (All Funds) To elect Board Members:

With respect to the Acquiring Fund:

three (3) Class I Board Members are to be elected by a plurality of the Fund's common and preferred shareholders, voting together as a single class; and

two (2) Board Members are to be elected by a plurality of the Fund's preferred shareholders voting separately (but not by the Fund's common shareholders).

Proposal No. 2. (All Funds) To approve the Agreement and Plan of Reorganization:

With respect to Dividend Advantage, Proposal No. 2 must be approved by the Fund's preferred shareholders voting separately (but not by the Fund's common shareholders).

With respect to each of Dividend Advantage 2 and Dividend Advantage 3, Proposal No. 2 must be approved by each Fund's common and preferred shareholders voting together as a single class and by each Fund's preferred shareholders voting separately.

Proposal No. 3. (Dividend Advantage only) To approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization:

Proposal No. 3 must be approved by Dividend Advantage's common and preferred shareholders voting together as a single class and by Dividend Advantage's common shareholders voting separately.

Only holders of VRDP Shares are being solicited to vote on the proposals described above pursuant to this Joint Proxy Statement. The common shareholders of the Funds and holders of the VMTP Shares of Dividend Advantage are being solicited to vote on the proposals described above by means of a separate joint proxy statement/prospectus.

Quorum and Voting

A quorum of shareholders is required to take action at each Annual Meeting. A majority (more than 50%) of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting. Votes cast in person or by proxy at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter), if any, as present for purposes of determining a quorum.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Annual Meeting. The Funds understand that, under the rules of the New York Stock Exchange (the NYSE), such broker-dealer firms may, for certain routine matters, grant discretionary authority to the proxies designated by each Board to vote without instructions from their customers and clients if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Proposal No. 1 is a routine matter, and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal No. 1.

VRDP Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons otherwise entitled to vote as of one business day before the Annual Meeting, or, if adjourned or postponed, one business day before the day to which the Annual Meeting is adjourned or postponed, and that would otherwise be treated as broker non-votes may, pursuant to NYSE Rule 452, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of VRDP Shares who have voted on the proposal. Rule 452 permits proportionate voting of a Fund's VRDP Shares with respect to a particular item if, among other things, (1) a minimum of 30% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares with respect to such item, (2) less than 10% of that Fund's outstanding VRDP Shares has been voted by the holders of such shares against such item and (3) for any proposal as to which holders of common shares and preferred shares vote as a single class, holders of common shares approve the proposal. For the purpose of meeting the 30% test, abstentions will be treated as shares voted, and for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Those persons who were shareholders of record of a Fund as of the close of business on June 24, 2016 will be entitled to one vote for each share held and, with respect to holders of common shares, a proportionate fractional vote for each fractional common share held.

As of June 24, 2016, the shares of the Funds issued and outstanding are as follows:

Fund (Ticker Symbol)	Common Shares ⁽¹⁾	VMTP Shares ⁽¹⁾	VRDP Shares ⁽¹⁾
Acquiring Fund (NAC)	107,399,967	1,450	6,996
Dividend Advantage 2 (NVX)	14,760,104		980
Dividend Advantage 3 (NZH)	24,157,633		1,600

(1) The common shares of the Acquiring Fund are listed on the NYSE, and the common shares of Dividend Advantage 2 and Dividend Advantage 3 are listed on the NYSE MKT. Upon the closing of the Reorganizations, it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE. The VMTP Shares of the Acquiring Fund and VRDP Shares of the Funds are not listed on any exchange.

The Reorganizations

The proposed reorganizations are part of a broad initiative to rationalize the product offerings of Nuveen funds and eliminate overlapping products by combining three funds that have the same investment objectives and substantially similar investment policies, risks and portfolio compositions and are managed by the same portfolio manager. Upon the closing of the Reorganizations, the Acquiring Fund's name will be changed to [].

The terms of the reorganization of each Target Fund into the Acquiring Fund are set forth in an Agreement and Plan of Reorganization by and among the Acquiring Fund and each Target Fund (the Agreement). With respect to each Reorganization, the Agreement provides for: (1) the Acquiring Fund's acquisition of substantially all of the assets of the Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, and the Acquiring Fund's assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by the Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of the Target Fund in accordance with applicable law (each, a Reorganization and together, the Reorganizations). Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VRDP Shares having terms substantially similar to those of the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The Agreement may be amended by the Funds, as specifically authorized by each Fund's Board, provided that following receipt of shareholder approval of the Agreement at the Annual Meeting, no such amendment may change the provisions for determining the number of Acquiring Fund shares to be issued to Target Fund shareholders to the detriment of such shareholders without their further approval.

Each new series of Acquiring Fund VRDP Shares will have the same variable dividend rate terms, mandatory tender terms, liquidity provider purchase obligation and liquidation preference as the series of Target Fund VRDP Shares for which it will be exchanged. The optional tender for remarketing right of each new series of Acquiring Fund VRDP Shares will be the same as the right of the corresponding series of Target Fund VRDP Share as of the closing of the Reorganizations. However, there are certain differences between the Acquiring Fund VRDP Shares being issued in the Reorganizations and the Target Fund VRDP Shares being exchanged therefor. The changes are

described in detail in this Joint Proxy Statement. A vote by a holder of Target Fund VRDP Shares for the applicable Reorganization is effectively a vote in favor of those changes.

The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement

With respect to each Target Fund, the Reorganization is required to be approved by the affirmative vote of the holders of a majority (more than 50%) of the Target Fund's outstanding common and preferred shares, voting together as a single class, and by the affirmative vote of a majority of the Target Fund's outstanding preferred shares, voting separately. The affirmative vote of a majority of the common and preferred shareholders of the Acquiring Fund, voting together as a single class, and the affirmative vote of a majority of the common shareholders of the Acquiring Fund, voting separately, are required to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations. In addition, the Reorganizations are required to be approved by the affirmative vote of a majority of the Acquiring Fund's outstanding preferred shares, voting separately.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holder of the Acquiring Fund's outstanding VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund.

PROPOSAL NO. 1 THE ELECTION OF BOARD MEMBERS

(PREFERRED SHAREHOLDERS OF EACH FUND)

Pursuant to the organizational documents of each Fund, the Board is divided into three classes (Class I, Class II and Class III), to be elected by the holders of the outstanding common shares and any outstanding preferred shares, voting together as a single class, to serve until the third succeeding annual meeting of shareholders subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. Under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified.

- a. Three (3) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Stockdale, Stone, and Wolff have been designated as Class I Board Members and are nominees for election at the Annual Meeting to serve for a term expiring at the 2019 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Adams, Cook, Evans, Kundert, Moschner, Nelson, and Toth are current and continuing Board Members. On June 22, 2016, Board Members Cook and Moschner were appointed as Board Members, effective July 1, 2016. Board Members Adams, Kundert, Nelson and Toth have been designated as Class II Board Members to serve for a term expiring at the 2017 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Cook, Evans and Moschner have been designated as Class III Board Members to serve for a term expiring at the 2018 annual meeting of shareholders or until their successors have been duly elected and qualified.
- b. Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares to serve for a term expiring at the next annual meeting of shareholders or until their successors have been duly elected and qualified.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed in the table below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by that Fund's Board.

For the Acquiring Fund, Class I Board Members Stockdale and Stone, nominees for election by holders of common and preferred shares, were last elected at the annual meeting of shareholders held on February 24, 2015. For Dividend Advantage 2 and Dividend Advantage 3, Class I Board Members Stockdale and Stone, nominees for election by holders of common and preferred shares, were last elected at the annual meeting of shareholders held on November 26, 2013. On February 4, 2016, Board Member Wolff, also a nominee for election by holders of common and preferred shares, was appointed as a Board Member and designated as a Class I Board Member with respect to each Fund. Effective February 15, 2016, Class II Board Members Adams, Kundert, Nelson and Toth were last elected at each Fund's annual meeting of shareholders held on August 5, 2014. Class III Board Member Evans was last elected at each Fund's annual meeting of shareholders held on November 17, 2015. Board Members Hunter and Schneider were last elected by holders of preferred shares at each Fund's annual meeting of shareholders held on November 17, 2015. On June 22, 2016, Board Members Cook and Moschner were appointed as Board Members and designated as Class III Board Members with respect to the Target Fund, effective July 1, 2016.

Other than Board Members Adams and Cook (for all Funds), each of the Board Members and Board Member nominees is not an interested person, as defined in the 1940 Act, of the Funds or of Nuveen Fund Advisors, LLC (Nuveen Fund Advisors or the Adviser), the investment adviser to each Fund, and has never been an employee or director of Nuveen Investments, the Adviser's parent company, or any affiliate. Accordingly, such Board Members are deemed Independent Board Members.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect each Board Member of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members.

The Board of each Fund unanimously recommends that shareholders vote FOR the election of each Board Member identified in the table below as having an annual term or designated as a Class I Board Member, as applicable.

- (1) Length of Time Served indicates the year in which the individual became a Board Member of a fund in the Nuveen Fund complex.
- (2) Mr. Schneider is one of several owners and managing members in two limited liability companies and a general partner and one member of the governing body of a general partnership, each engaged in real estate ownership activities. In connection with their ordinary course of investment activities, court appointed receivers have been named for certain individual properties owned by such entities. The individual properties for which a receiver has been appointed represent an immaterial portion of the portfolio assets owned by these entities.
- (3) Mr. Toth serves as a director on the Board of Directors of the Mather Foundation (the Foundation) and is a member of its investment committee. The Foundation is the parent of the Mather LifeWays organization, a non-profit charitable organization. Prior to Mr. Toth joining the Board of the Foundation, the Foundation selected Gresham Investment Management (Gresham), an affiliate of Nuveen Fund Advisors, to manage a portion of the Foundation's investment portfolio, and pursuant to this selection, the Foundation has invested that portion of its investment portfolio in a private commodity pool managed by Gresham.
- (4) Each of Board Members Adams and Cook is an interested person, as defined in the 1940 Act, by reason of his/her respective position(s) with Nuveen Investments, Inc. and/or certain of its subsidiaries.

In order to create an appropriate identity of interests between Board Members and shareholders, the boards of directors/trustees of the Nuveen funds have adopted a governance principle pursuant to which each Board Member is expected to invest, either directly or on a deferred basis, at least the equivalent of one year of compensation in the funds in the Nuveen complex.

Share Ownership

The following table sets forth for each Board Member the dollar range of equity securities beneficially owned in each Fund and in all Nuveen funds overseen by the Board Member as of December 31, 2015:

(1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Board Member in the Funds and in all Nuveen funds overseen by the Board Member.

(2) On June 22, 2016, Ms. Cook and Mr. Moschner were appointed to the Board effective July 1, 2016.

(3) On February 4, 2016, Ms. Wolff was appointed to the Board effective February 15, 2016.

No Independent Board Member or his or her immediate family member owns beneficially or of record any security of Nuveen Fund Advisors, Nuveen Asset Management, LLC, the Funds' sub-adviser (Nuveen Asset Management or the Sub-Adviser), Nuveen Investments or any person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Nuveen Fund Advisors, Nuveen Asset Management or Nuveen Investments.

As of December 31, 2015, Board Members and executive officers as a group beneficially owned approximately 1,700,000 shares of all funds managed by the Adviser (including shares held by the Board Members through the deferred compensation plan for Independent Board Members and by executive officers in Nuveen's 401(k)/profit sharing plan), and each Board Member's individual beneficial shareholdings of each Fund constituted less than 1% of the outstanding shares of such Fund. As of December 31, 2015, the Board Members and officers of each Fund as a group beneficially owned less than 1% of the total outstanding common shares and less than 1% of the total outstanding preferred shares of each Fund. Information regarding beneficial owners of more than 5% of any class of shares of any Fund is provided under General Information Shareholders of the Acquiring Fund and the Target Funds.

Compensation

Effective January 1, 2016, Independent Board Members receive a \$170,000 annual retainer plus: (1) a fee of \$5,500 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (2) a fee of \$3,000 per meeting for attendance in person or by telephone at

special, non-regularly scheduled meetings of the Board where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (3) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (4) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (5) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (6) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required, and \$100 per meeting when the Executive Committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held; and (7) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held. In addition to the payments described above, the Independent Chairman of the Board receives \$80,000 and the chairpersons of the Audit Committee, the Dividend Committee, the Compliance Committee, the Nominating and Governance Committee and the Closed-End Funds Committee receive \$12,500 each as additional retainers. Independent Board Members also receive a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no Board meeting is held. When ad hoc committees are organized, the Nominating and Governance Committee will at the time of formation determine compensation to be paid to the members of such committees; however, in general, such fees will be \$1,000 per meeting for attendance in person or by telephone at ad hoc committee meetings where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the Nuveen funds on the basis of relative net assets, although management may, in its discretion, establish a minimum amount to be allocated to each fund.

The Funds do not have retirement or pension plans. Certain Nuveen funds (the *Participating Funds*) participate in a deferred compensation plan (the *Deferred Compensation Plan*) that permits an Independent Board Member to elect to defer receipt of all or a portion of his or her compensation as an Independent Board Member. The deferred compensation of a participating Independent Board Member is credited to a book reserve account of the Participating Fund when the compensation would otherwise have been paid to such Independent Board Member. The value of the Independent Board Member's deferral account at any time is equal to the value that the account would have had if contributions to the account had been invested and reinvested in shares of one or more of the eligible Nuveen funds. At the time for commencing distributions from an Independent Board Member's deferral account, the Independent Board Member may elect to receive distributions in a lump sum or over a period of five years. The Participating Fund will not be liable for any other fund's obligations to make distributions under the *Deferred Compensation Plan*.

The Funds have no employees. The officers of the Funds and each Board Member of the Funds who is not an Independent Board Member serve without any compensation from the Funds.

The table below shows, for each Independent Board Member, the aggregate compensation paid by each Fund to the Board Member for its last fiscal year:

Aggregate Compensation from the Funds⁽¹⁾⁽²⁾

Fund	Jack B. Evans	William C. Hunter	David J. Kundert	John K. Nelson	William J. Schneider	Judith M. Stockdale	Carole E. Stone	Virginia L. Stringer ⁽³⁾	Terence J. Toth	Margaret L. Wolff ⁽⁴⁾

(2) On June 22, 2016, Mr. Moschner was appointed to the Board effective July 1, 2016.

(3) Ms. Stringer retired from the Board as of December 31, 2015.

(4) On February 4, 2016, Ms. Wolff was appointed to the Board effective February 15, 2016.

Board Leadership Structure and Risk Oversight

The Board of each Fund oversees the operations and management of the Fund, including the duties performed for the Funds by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of board members who serves on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Nuveen funds' business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme that raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee

common policies and procedures, which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. Accordingly, the Board Members have elected William J. Schneider as the Independent Chairman of the Board. Specific responsibilities of the Chairman include: (1) presiding at all meetings of the Board and of the shareholders; (2) seeing that all orders and resolutions of the Board Members are carried into effect; and (3) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund's operations. The Board has established six standing committees: the Executive Committee; the Dividend Committee; the Audit Committee; the Compliance, Risk Management and Regulatory Oversight Committee; the Nominating and Governance Committee; and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

Executive Committee. The Executive Committee, which meets between regular meetings of the Board as necessary, is authorized to exercise all of the powers of the Board. As of July 1, 2016, the members of the Executive Committee are William J. Schneider, Chair, William Adams IV and Terence J. Toth. During the fiscal year ended February 29, 2016 the Executive Committee did not meet.

Dividend Committee. The Dividend Committee is authorized to declare distributions on each Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. As of July 1, 2016, the members of the Dividend Committee are William C. Hunter, Chair, Judith M. Stockdale and Terence J. Toth. During the fiscal year ended February 29, 2016, the Dividend Committee met 4 times.

Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen Funds that are registered as closed-end management investment companies (Closed-End Funds). The committee may review and evaluate matters related to the formation and the initial presentation to the Board of any new Closed-End Fund and may review and evaluate any matters relating to any existing Closed-End Fund. The committee

operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of July 1, 2016, the members of the Closed-End Funds Committee are Carole E. Stone, Chair, William Adams IV, Jack B. Evans, Albin F. Moschner, John K. Nelson, William J. Schneider and Terence J. Toth. During the fiscal year ended February 29, 2016, the Closed-End Funds Committee met 4 times.

Audit Committee. The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Exchange Act, that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the NYSE or NYSE MKT, as applicable. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the quality and integrity of the financial statements of the Funds; the Funds' compliance with legal and regulatory requirements relating to the Funds' financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds' portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds' pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds' securities brought to its attention, and considers the risks to the Funds in assessing the possible resolutions of these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review, in a general manner, the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds' financial statements. The Audit Committee operates under a written Audit Committee Charter (the "Charter") adopted and approved by the Board, which Charter conforms to the listing standards of the NYSE or NYSE MKT, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. A copy of the Charter is attached as [Appendix B](#) to this Joint Proxy Statement and is available at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of July 1, 2016, the members of the Audit Committee are Jack B. Evans, Chair, David J. Kundert, John K. Nelson, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Funds. During the fiscal year ended February 29, 2016, the Audit Committee met 4 times.

Compliance, Risk Management and Regulatory Oversight Committee. The Compliance, Risk Management and Regulatory Oversight Committee (the "Compliance Committee") is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' compliance and risk matters. As part of its duties, the Compliance Committee: reviews the policies and procedures relating to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from

time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to: particular issuers, market sectors or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds' Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds' and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. Effective July 1, 2016, the members of the Compliance Committee are John K. Nelson, Chair, William C. Hunter, Albin F. Moschner, Judith M. Stockdale and Margaret L. Wolff. During the fiscal year ended February 29, 2016, the Compliance Committee met 6 times.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that, as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Funds' business.

In addition, the Nominating and Governance Committee, among other things: makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation, including the compensation of the Independent Chairman of the Board. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Member at the time of consideration of the nominees. However, all candidates must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx, and is composed entirely of Independent Board Members, who are also independent as defined by NYSE or NYSE MKT listing standards, as applicable. Accordingly, effective July 1, 2016, the members of the Nominating and Governance Committee are William J. Schneider, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, Albin F. Moschner, John K. Nelson, Judith M. Stockdale, Carole E. Stone, Terence J. Toth and Margaret L. Wolff. During the fiscal year ended February 29, 2016, the Nominating and Governance Committee met 6 times.

During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx.

Board Diversification and Board Member Qualifications. In determining that a particular Board Member was qualified to serve on the Board, the Board considers each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An

effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the SEC, do not constitute holding out the Board or any Board Member as having any special expertise or experience and will not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

William Adams IV

Mr. Adams, an interested Board Member of the Funds, has been Co-Chief Executive Officer and Co-President of Nuveen Investments since March 2016, prior to which he had been Senior Executive Vice President, Global Structured Products of Nuveen Investments since November 2010. Mr. Moschner received a Bachelor of Engineering degree in Electrical Engineering from The City College of New York in 1974 and a Master of Science degree in Electrical Engineering from Syracuse University in 1979. Mr. Moschner joined the Board in 2016.

John K. Nelson

Mr. Nelson currently serves on the Board of Directors of Core12 LLC (since 2008), a private firm which develops branding, marketing, and communications strategies for clients. He was formerly a senior external advisor to the financial services practice of Deloitte Consulting LLP. Mr. Nelson has served in several senior executive positions with ABN AMRO Holdings N.V. and its affiliated entities and predecessors, including LaSalle Bank Corporation from 1996 to 2008. From 2007 to 2008, Mr. Nelson was Chief Executive Officer of ABN AMRO N.V. North America, and Global Head of its Financial Markets Division. He was a member of the Foreign Exchange Committee of the Federal Reserve Bank of the United States, and during his tenure with ABN AMRO, served as the bank's representative on various committees of the Bank of Canada, European Central Bank, and the Bank of England. At Fordham University, he currently serves as a director of the Curran Center for Catholic American Studies, and the President's Council. He is also a member of the Economic Club of Chicago and was formerly a member of the Hyde Park Angels and a Trustee at St. Edmund Preparatory School in New York City. He is former chair of the Board of Trustees of Marian University (2011-2014). Mr. Nelson received his MBA from Fordham University. Mr. Nelson joined the Board in 2013.

William J. Schneider

Mr. Schneider, the Board's Independent Chairman, is currently Chairman, formerly Senior Partner and Chief Operating Officer (retired, December 2004) of Miller-Valentine Partners, a real estate investment company. He is an owner in several other Miller-Valentine entities. He is currently a member of the Board of WDPR Public Radio Station and of Med-America Health System. He was formerly a Director and Past Chair of the Dayton Development Coalition. He was formerly a member of the Community Advisory Board of the National City Bank in Dayton as well as a former member of the Business Advisory Council of the Cleveland Federal Reserve Bank. Mr. Schneider was also a member of the Business Advisory Council for the University of Dayton College of Business. He also served as Chair of the Miami Valley Hospital and as Chair of the Finance Committee of its parent

holding company. Mr. Schneider was an independent trustee of the Flagship Funds, a group of municipal open-end funds. Mr. Schneider has a Bachelor of Science in Community Planning from the University of Cincinnati and a Master of Public Administration from the University of Dayton. Mr. Schneider joined the Board in 1996.

Judith M. Stockdale

Ms. Stockdale retired at the end of 2012 as Executive Director of the Gaylord and Dorothy Donnelley Foundation, a private foundation working in land conservation and artistic vitality in the Chicago region and the Lowcountry of South Carolina. She is currently a board member of the U.S. Endowment for Forestry and Communities (since 2013) and rejoined the board of the Land Trust Alliance in June 2013. Her previous positions include Executive Director of the Great Lakes Protection Fund, Executive Director of Openlands, and Senior Staff Associate at the Chicago Community Trust. She has served on the Advisory Council of the National Zoological Park, the Governor's Science Advisory Council (Illinois) and the Nancy Ryerson Ranney Leadership Grants Program. She has served on the Boards of Brushwood Center and the Donors Forum. Ms. Stockdale, a native of the United Kingdom, has a Bachelor of Science in Geography from the University of Durham (UK) and a Master of Forest Science from Yale University. Ms. Stockdale joined the Board in 1997.

Carole E. Stone

Ms. Stone is currently on the Board of Directors of the Chicago Board Options Exchange, CBOE Holdings, Inc. and C2 Options Exchange, Incorporated. Ms. Stone retired from the New York State Division of the Budget in 2004, having served as its Director for nearly five years and as Deputy Director from 1995 through 1999. She has also served as the Chair of the New York Racing Association Oversight Board, as Chair of the Public Authorities Control Board, as a Commissioner on the New York State Commission on Public Authority Reform and as a member of the boards of directors of several New York State public authorities. Ms. Stone has a Bachelor of Arts in Business Administration from Skidmore College. Ms. Stone joined the Board in 2006.

Terence J. Toth

Mr. Toth is a Managing Partner of Promus Capital (since 2008). From 2008 to 2013, he served as a Director of Legal & General Investment Management America, Inc. From 2004 to 2007, he was Chief Executive Officer and President of Northern Trust Global Investments, and Executive Vice President of Quantitative Management & Securities Lending from 2000 to 2004. He also formerly served on the Board of the Northern Trust Mutual Funds. He joined Northern Trust in 1994 after serving as Managing Director and Head of Global Securities Lending at Bankers Trust (1986 to 1994) and Head of Government Trading and Cash Collateral Investment at Northern Trust from 1982 to 1986. He currently serves on the Boards of Chicago Fellowship, Fulcrum IT Service LLC (since 2010), Quality Control Corporation (since 2012), LogicMark LLC (since 2012) and Catalyst Schools of Chicago. He is on the Mather Foundation Board (since 2012) and is Chair of its investment committee. Mr. Toth graduated with a Bachelor of Science from the University of Illinois, and received his MBA from New York University. In 2005, he graduated from the CEO Perspectives Program at Northwestern University. Mr. Toth joined the Board in 2008.

Margaret L. Wolff

Ms. Wolff retired from Skadden, Arps, Slate, Meagher & Flom LLP in 2014 after more than 30 years of providing client service in the Mergers & Acquisitions Group. During her legal career, Ms. Wolff devoted significant time to advising boards and senior management on U.S. and international corporate, securities, regulatory and strategic matters, including governance, shareholder, fiduciary, operational and management issues. Since 2013, she has been a Board member of Travelers Insurance Company of Canada and the Dominion of Canada General Insurance Company (each of which is a part of Travelers Canada, the Canadian operation of The Travelers Companies, Inc.). Ms. Wolff has been a trustee of New York-Presbyterian Hospital since 2005 and, since 2004, she has served as a trustee of The John A. Hartford Foundation (a philanthropy dedicated to improving the care of older adults) where she currently is the Chair. From 2005 to 2015, she was a trustee of Mt. Holyoke College and served as Vice Chair of the Board from 2011 to 2015. Ms. Wolff received her Bachelor of Arts from Mt. Holyoke College and her Juris Doctor from Case Western Reserve University School of Law. Ms. Wolff joined the Board in 2016.

Independent Chairman. William J. Schneider currently serves as the Independent Chairman of the Board. Specific responsibilities of the Chairman include: (1) presiding at all meetings of the Board and of the shareholders; (2) seeing that all orders and resolutions of the Board Members are carried into effect; and (3) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Board Member Terms. Pursuant to the organizational documents of each Fund, the Board is divided into three classes, Class I, Class II and Class III, to be elected by the holders of the outstanding common shares and any outstanding preferred shares (including VMTP Shares and VRDP Shares), voting together as a single class, to serve until the third succeeding annual meeting subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. These provisions could delay for up to two years the replacement of a majority of the Board. Under normal circumstances, holders of preferred shares, voting separately as a single class, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting or until their successors have been duly elected and qualified. Holders of preferred shares will be entitled to elect a majority of the Fund's Board Members under certain circumstances. See Certain Provisions in the Acquiring Fund's Declaration of Trust and By-Laws.

PROPOSAL NO. 2 REORGANIZATION OF EACH TARGET FUND INTO

THE ACQUIRING FUND

(PREFERRED SHAREHOLDERS OF EACH FUND)

A. SYNOPSIS

The following is a summary of certain information contained elsewhere in this Joint Proxy Statement with respect to the proposed Reorganizations. More complete information is contained elsewhere in this Joint Proxy Statement and the appendices hereto. Shareholders should read the entire Joint Proxy Statement carefully.

Background and Reasons for the Reorganizations

The boards of directors/trustees of Nuveen's municipal closed-end funds, including the Board of each Fund, have approved a series of combinations of single-state municipal closed-end funds, including the Reorganization of each Target Fund into the Acquiring Fund. Each Fund's Board has determined that its respective Reorganization(s) would be in the best interests of its Fund. Each Fund's Board considered the Reorganization(s) as part of a broad initiative to rationalize the product offerings of Nuveen funds and eliminate overlapping products. The Acquiring Fund and the Target Funds have the same investment objectives and substantially similar investment policies, risks and portfolio compositions and are managed by the same portfolio manager.

Based on information provided by Nuveen Fund Advisors, LLC (previously defined as Nuveen Fund Advisors or the Adviser), the investment adviser to each Fund, each Fund's Board believes that the Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund's greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

The potential for lower fund operating expenses over time, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for each Target Fund due to increased leverage).

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holder of the Acquiring Fund's outstanding VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon each of the

Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund. For a fuller discussion of the Boards' considerations regarding the approval of the Reorganizations, see C. Information About the Reorganizations Reasons for the Reorganizations.

Material Federal Income Tax Consequences of the Reorganizations

As a condition to closing, each Fund will receive, with respect to its proposed Reorganization(s), an opinion of Vedder Price P.C., subject to certain representations, assumptions and conditions, substantially to the effect that the proposed Reorganization(s) will qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). Accordingly, it is expected that no Fund will recognize gain or loss for federal income tax purposes as a direct result of the Reorganizations. It is also expected that preferred shareholders of a Target Fund who receive Acquiring Fund preferred shares pursuant to a Reorganization will recognize no gain or loss for federal income tax purposes as a result of such exchange.

The foregoing discussion and the tax opinion discussed above to be received by the Funds regarding certain aspects of the Reorganizations, including that the Reorganizations will qualify as tax-free reorganizations under the Code and that preferred shareholders of a Target Fund will not recognize gain or loss upon the exchange of their shares, will rely on the position that the Acquiring Fund preferred shares will constitute equity of the Acquiring Fund. See C. Information About the Reorganizations Material Federal Income Tax Consequences of the Reorganizations.

Comparison of the Acquiring Fund and each Target Fund

General. The Acquiring Fund and each Target Fund are diversified, closed-end management investment companies. Set forth below is certain comparative information about the organization, capitalization and operation of each Fund.

Fund	Organization		State of Organization	Entity Type
	Organization Date			
Acquiring Fund	December 1, 1998		Massachusetts	business trust
Dividend Advantage 2	June 1, 1999		Massachusetts	business trust
Dividend Advantage 3	April 6, 2001		Massachusetts	business trust

Fund	Capitalization			Common Shares	Preemptive, Conversion or Exchange Rights	Rights to Cumulative Voting	Exchange on which Common Shares are Listed
	Authorized Shares	Shares Outstanding ⁽¹⁾	Par Value Per Share				
Acquiring Fund	Unlimited	107,399,967	\$0.01	None	None	NYSE	
Dividend Advantage 2	Unlimited	14,760,104	\$0.01	None	None	NYSE MKT	
Dividend Advantage 3	Unlimited	24,157,633	\$0.01	None	None	NYSE MKT	

(1) As of June 24, 2016.

The Acquiring Fund currently has outstanding 1,450 VMTP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share (the Outstanding VMTP Shares) and an aggregate of 6,996 VRDP Shares in six series, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share (the Outstanding VRDP Shares). The Outstanding VMTP Shares and the Outstanding VRDP Shares will remain outstanding following the completion of the Reorganizations. Dividend Advantage 2 currently has outstanding 980 VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, and Dividend Advantage 3 currently has outstanding 1,600 VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share. Each Fund's VRDP Shares are entitled to one vote per share. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have rights and preferences, including liquidation preferences, that are substantially similar to those of the outstanding Target Fund preferred shares for which they are exchanged.

Investment Objectives and Policies. The Funds have the same investment objectives. The investment objectives of each Fund are to provide current income exempt from regular federal and California income taxes and to enhance portfolio value relative to the California municipal bond market by investing in tax-exempt California municipal securities that the Adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued.

The Funds have substantially similar investment policies. It is a fundamental policy of each Fund that, under normal circumstances, the Fund will invest at least 80% of its net assets, including assets attributable to any principal amount of any borrowings (including the issuance of commercial paper or notes) or any preferred shares outstanding (Managed Assets), in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes.

As a non-fundamental policy, under normal circumstances, each Fund invests at least 80% of its Managed Assets in investment grade securities that, at the time of investment, are rated within the four highest grades (Baa or BBB or better) by at least one of the nationally recognized statistical rating organizations (each, an NRSRO or collectively, the NRSROs) that rate such security or are unrated but judged to be of comparable quality by the Adviser and/or the Sub-Adviser. Also, as a non-fundamental policy, each Fund may invest up to 20% of its Managed Assets in municipal securities that, at the time of investment, are rated below investment grade or are unrated but judged to be of comparable quality by the Adviser and/or the Sub-Adviser. Additionally, as a non-fundamental policy, no more than 10% of each Fund's Managed Assets may be invested in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Adviser and/or the Sub-Adviser.

Securities of below-investment-grade quality (Ba/BB or below) are commonly referred to as junk bonds. Municipal securities rated below-investment-grade quality are obligations of issuers that are considered predominantly speculative with respect to the issuer's capacity to pay interest and repay

principal according to the terms of the obligation and, therefore, carry greater investment risk, including the possibility of issuer default and bankruptcy and increased market price volatility. Municipal securities rated below investment grade tend to be less marketable than higher-quality securities because the market for them is less broad. The market for unrated municipal securities is even narrower. During periods of thin trading in these markets, the spread between bid and asked prices is likely to increase significantly and a Fund may have greater difficulty selling its holdings of these types of portfolio securities. A Fund will be more dependent on the Adviser's and/or the Sub-Adviser's research and analysis when investing in these securities.

Municipal securities rated Baa or BBB are considered investment grade securities. Issuers of municipal securities rated Baa or BBB are regarded as having average creditworthiness relative to other U.S. municipal issuers; however, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the issuer to meet its financial commitments.

The credit quality policies referred to herein apply only at the time a security is purchased, and a Fund is not required to dispose of a security in the event that rating agency downgrades its assessment of the credit characteristics of a particular issuer or that valuation changes of various bonds cause the Fund's portfolio to fail to satisfy those policies. In determining whether to retain or sell such a security, the Adviser and/or the Sub-Adviser may consider such factors as the Adviser's and/or the Sub-Adviser's assessment of the credit quality of the issuer of such security, the price at which such security could be sold and the rating, if any, assigned to such security by other rating agencies. The credit ratings assigned by credit rating agencies from time to time represent their opinions as to the quality of the municipal securities they rate. It should be emphasized, however, that ratings are general and are not absolute standards of quality. Consequently, municipal securities with the same maturity, coupon and rating may have different yields while obligations of the same maturity and coupon with different ratings may have the same yield. A general description of the ratings of municipal securities by Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business (S&P), Moody's Investors Service, Inc. (Moody's) and Fitch Ratings, Inc. (Fitch) is set forth in Appendix C to the Confidential Information Memorandum accompanying this Joint Proxy Statement as Appendix C (the Memorandum).

No Fund has established any limit on the percentage of its portfolio that may be invested in municipal bonds subject to the alternative minimum tax provisions of federal tax law, and each Fund expects that a substantial portion of the income it produces will be includable in alternative minimum taxable income.

Each Fund may purchase municipal securities that are additionally secured by insurance, bank credit agreements, or escrow accounts. The credit quality of companies which provide such credit enhancements may affect the value of those securities. Although the insurance feature may reduce certain financial risks, the premiums for insurance and the higher market price paid for insured obligations may reduce a Fund's income. The insurance feature guarantees only the payment of principal and interest on the obligation when due and does not guarantee the market value of the insured obligations, which will fluctuate with the bond market and the financial success of the issuer and the insurer, and the effectiveness and value of the insurance itself is dependent on the continued creditworthiness of the insurer. No representation is made as to the insurers' ability to meet their commitments.

Each Fund may enter into certain derivative instruments in pursuit of its investment objectives, including to seek to enhance return, to hedge some of the risk of the Fund's investments in municipal securities or as a substitute for a position in the underlying asset. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts or other derivative instruments. A Fund may not enter into a futures contract or related options or forward contracts if more than 30% of the Fund's net assets would be represented by futures contracts or more than 5% of the Fund's net assets would be committed to initial margin deposits and premiums on futures contracts or related options.

Each Fund may invest up to 15% of its Managed Assets in inverse floating rate securities. Inverse floating rate securities represent a leveraged investment in the underlying municipal bond deposited. Inverse floating rate securities offer the opportunity for higher income than the underlying bond, but will subject a Fund to the risk of lower or even no income if short-term interest rates rise sufficiently. By investing in an inverse floating rate security rather than directly in the underlying bond, a Fund will experience a greater increase in its common share net asset value if the underlying municipal bond increases in value, but will also experience a correspondingly larger decline in its common share net asset value if the underlying bond declines in value.

Each Fund may borrow money for the repurchase of its shares or for temporary or emergency purposes, such as for the payment of dividends or the settlement of portfolio transactions.

Each Fund is diversified for purposes of the 1940 Act. Consequently, as to 75% of its assets, a Fund may not invest more than 5% of its total assets in the securities of any single issuer (and in not more than 10% of the outstanding voting securities of an issuer), except that this limitation does not apply to cash, securities of the U.S. Government, its agencies and instrumentalities, and securities of other investment companies.

As noted above, during temporary defensive periods and in order to keep a Fund's cash fully invested, each Fund may deviate from its investment objectives and invest up to 100% of its net assets in short-term investments including high quality, short-term securities that may be either tax-exempt or taxable. It is the intent of each Fund to invest in taxable short-term investments only in the event that suitable tax-exempt short-term investments are not available at reasonable prices and yields. Investment in taxable short-term investments would result in a portion of your dividends being subject to regular federal and California income taxes, and if the proportion of taxable investments exceeded 50% of a Fund's total assets as of the close of any quarter of the Fund's taxable year, the Fund would not satisfy the general eligibility test that permits it to pay exempt-interest dividends for that taxable year. For more information, see "Material Income Tax Matters" in the Memorandum.

Credit Quality. A comparison of the credit quality (as a percentage of total investment exposure, which includes the leveraged effect of the Funds' investments in inverse floating rate securities of tender option bond trusts) of the portfolios of the Acquiring Fund and each Target Fund, as of February 29, 2016, is set forth in the table below.

Credit Rating ⁽¹⁾	Acquiring Fund	Dividend Advantage 2	Dividend Advantage 3	Combined Fund Pro Forma ⁽²⁾
AAA/U.S. Guaranteed	13.1%	11.9%	6.3%	11.9%
AA	48.4%	40.4%	49.9%	47.9%
A	16.9%	25.5%	19.5%	18.1%

Credit Rating ⁽¹⁾	Acquiring Fund	Dividend Advantage 2	Dividend Advantage 3	Combined Fund Pro Forma ⁽²⁾
BBB	9.3%	9.6%	10.6%	9.5%
BB or lower	9.3%	10.2%	10.5%	9.6%
N/R (not rated)	3.0%	2.4%	3.2%	3.0%

(1) Ratings shown are the highest rating given by one of the following national rating agencies: S&P, Moody's or Fitch. Credit ratings are subject to change. AAA, AA, A and BBB are investment-grade ratings; BB or lower are below-investment-grade ratings. Certain bonds backed by U.S. government or agency securities are regarded as having an implied rating equal to the rating of such securities. Holdings designated N/R are not rated by these national rating agencies.

(2) Reflects the effect of the Reorganizations.

Leverage. Each Fund may utilize the following forms of leverage: (1) the issuance of preferred shares, (2) bank borrowings and (3) portfolio investments that have the economic effect of leverage, including but not limited to investments in futures, options and inverse floating rate securities (sometimes referred to as inverse floaters). Each Fund currently employs leverage through the issuance of preferred shares and the use of inverse floaters. Certain important ratios related to each Fund's use of leverage for the last three fiscal years are set forth below:

Acquiring Fund ⁽¹⁾	2016	2015	2014

Regulatory Leverage Ratio ⁽³⁾	30.75%	31.07%	32.93%
Effective Leverage Ratio ⁽⁴⁾	37.33%	37.68%	39.70%

(1) As of June 28, 2016, taking into account the issuance by the Acquiring Fund of \$145,000,000 of VMTP Shares at liquidation value in June 2016, the Asset Coverage Ratio was 314.66%, the Regulatory Leverage Ratio was 31.78% and the Effective Leverage Ratio was 36.72%.

(2) A Fund's asset coverage ratio is defined under the 1940 Act as the ratio that the value of the total assets of the Fund, less all liabilities and indebtedness not represented by preferred shares or senior securities representing indebtedness, bears to the aggregate amount of preferred shares and senior securities representing indebtedness issued by the Fund.

(3) Regulatory leverage consists of preferred shares or debt issued by the Fund. Both of these are part of a Fund's capital structure. Regulatory leverage is sometimes referred to as 1940 Act Leverage and is subject to asset coverage limits set forth in the 1940 Act.

(4) Effective leverage is a Fund's effective economic leverage, and includes both regulatory leverage and the leverage effects of certain derivative investments in the Fund's portfolio. Currently, the leverage effects of Tender Option Bond (TOB) inverse floater holdings, in addition to any regulatory leverage, are included in effective leverage ratios.

Board Members and Officers. The Funds have the same Board Members and officers. The management of each Fund, including general supervision of the duties performed by the Fund's investment adviser under an investment management agreement between the investment adviser and such Fund (each, an Investment Management Agreement), is the responsibility of its Board. Effective July 1, 2016, each Fund has twelve (12) Board Members, two (2) of whom are interested persons, as defined in the 1940 Act, and ten (10) of whom are not interested persons. The names and business addresses of the Board Members and officers of the Funds and their principal occupations and other affiliations during the past five years are set forth under Proposal No. 1 The Election of Board Members.

Pursuant to each Fund's by-laws, the Fund's Board is divided into three classes (Class I, Class II and Class III) with staggered multi-year terms, such that only the members of one of the three classes stand for election each year; provided, however, that holders of preferred shares are entitled as a class to elect two trustees of each Fund at all times. The staggered board structure could delay for up to two years the election of a majority of the Board of each Fund. To the extent the preferred shares are held by a small number of institutional holders, a few holders could exert influence on the selection of the Board as a result of the requirement that holders of preferred shares be entitled to elect two trustees of each Fund at all times. This board structure will remain in place following the closing of the Reorganizations.

Investment Adviser. Nuveen Fund Advisors, LLC (previously defined as Nuveen Fund Advisors or the Adviser), the Funds' investment adviser, offers advisory and investment management services to a broad range of investment company clients. Nuveen Fund Advisors has overall responsibility for management of the Funds, oversees the management of the Funds' portfolios, manages the Funds' business affairs and provides certain clerical, bookkeeping and other administrative services. Nuveen Fund Advisors is located at 333 West Wacker Drive, Chicago, Illinois 60606.

Nuveen Fund Advisors, a registered investment adviser, is a subsidiary of Nuveen Investments, Inc. (previously defined as Nuveen or Nuveen Investments). Nuveen Investments is an operating division of TIAA Global Asset Management (TGAM), the investment management arm of Teachers Insurance and Annuity Association of America (TIAA). TIAA is a life insurance company founded in 1918 by the Carnegie Foundation for the Advancement of Teaching and is the companion organization of College Retirement Equities Fund. As of March 31, 2016, TGAM managed approximately \$861.4 billion in assets, of which approximately \$229.7 billion was managed by Nuveen Fund Advisors and other subsidiaries of Nuveen Investments.

Nuveen Fund Advisors has selected its wholly owned subsidiary, Nuveen Asset Management, LLC (previously defined as Nuveen Asset Management or the Sub-Adviser), located at 333 West Wacker Drive, Chicago, Illinois 60606, to serve as a sub-adviser to each of the Funds pursuant to a sub-advisory agreement between Nuveen Fund Advisors and Nuveen Asset Management (the Sub-Advisory Agreement). Nuveen Asset Management, a registered investment adviser, oversees day-to-day operations and manages the investment of the Funds' assets on a discretionary basis, subject to the supervision of Nuveen Fund Advisors. Pursuant to the Sub-Advisory Agreement, Nuveen Asset Management is compensated for the services it provides to the Funds with a portion of the management fee Nuveen Fund Advisors receives from each Fund. Nuveen Fund Advisors and Nuveen Asset Management retain the right to reallocate investment advisory responsibilities and fees between themselves in the future.

Unless earlier terminated as described below, each Fund's Investment Management Agreement with Nuveen Fund Advisors will remain in effect until August 1, 2016. Each Investment Management Agreement continues in effect from year to year so long as such continuation is approved at least annually by: (1) the Board or the vote of a majority of the outstanding voting securities of the Fund; and (2) a majority of the Board Members who are not interested persons of any party to the Investment Management Agreement, cast in person at a meeting called for the purpose of voting on such approval. Each Investment Management Agreement may be terminated at any time, without penalty, by either the Fund or Nuveen Fund Advisors upon 60 days' written notice and is automatically terminated in the event of its assignment, as defined in the 1940 Act.

Pursuant to each Investment Management Agreement, each Fund has agreed to pay an annual management fee for the overall advisory and administrative services and general office facilities provided by Nuveen Fund Advisors. Each Fund's management fee consists of two components—a complex-level fee, based on the aggregate amount of all eligible fund assets managed by Nuveen Fund Advisors, and a specific fund-level fee, based only on the amount of assets within such Fund. This pricing structure enables the Funds' shareholders to benefit from growth in assets within each individual Fund as well as from growth of complex-wide assets managed by Nuveen Fund Advisors.

For the fiscal year ended February 29, 2016, the effective management fee rates of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3, expressed as a percentage of average total daily net assets (including assets attributable to leverage), were 0.57%, 0.60% and 0.60%, respectively.

The annual fund-level fee rate for each Fund, payable monthly, is calculated according to the following schedules:

Current Fund-Level Fee Schedule for each Fund

Average Total Daily Net Assets*	Fund-Level Fee Rate
For the first \$125 million	0.4500%
For the next \$125 million	0.4375%
For the next \$250 million	0.4250%
For the next \$500 million	0.4125%
For the next \$1 billion	0.4000%
For net assets over \$2 billion	0.3750%

* For this purpose, average total daily net assets include net assets attributable to preferred shares and residual interest certificates (also called inverse floating rate securities) in tender option bond (TOB) trusts.

On May 24-26, 2016, Nuveen Fund Advisors proposed and the Board of each Fund approved an amended management fee schedule for each Fund, to take effect as of August 1, 2016, that includes an additional breakpoint, providing for a lower effective fund-level management fee rate payable with respect to managed assets over \$5 billion, and standardizes each Fund's Investment Management Agreement with the investment management agreements of Nuveen's newer municipal closed-end funds. No Fund individually had managed asset of \$5 billion as of February 29, 2016. In addition, the pro forma managed assets of the combined fund as of February 29, 2016 do not total \$5 billion, and it is not expected that the Acquiring Fund will have \$5 billion in managed assets immediately following the closing of the Reorganizations. Accordingly, it is not expected that shareholders of the Funds will benefit from the new breakpoint prior to or immediately following the Reorganizations.

The annual fund-level fee rate for each Fund under its amended management fee schedule, payable monthly, will be calculated according to the following schedule:

Proposed Fund-Level Fee Schedule for each Fund

Average Daily Managed Assets*	Fund-Level Fee Rate
For the first \$125 million	0.4500%
For the next \$125 million	0.4375%
For the next \$250 million	0.4250%

Average Daily Managed Assets*	Fund-Level Fee Rate
For the next \$500 million	0.4125%
For the next \$1 billion	0.4000%
For the next \$3 billion	0.3750%
For managed assets over \$5 billion	0.3625%

* For this purpose, managed assets means the total assets of the Fund, minus the sum of its accrued liabilities (other than Fund liabilities incurred for the express purpose of creating leverage). Total assets for this purpose shall include assets attributable to the Fund's use of effective leverage (whether or not those assets are reflected in the Fund's financial statements for purposes of U.S. generally accepted accounting principles).

The management fee compensates the Adviser for overall investment advisory and administrative services and general office facilities. Each Fund pays all of its other costs and expenses of its operations, including compensation of its Board Members (other than those affiliated with the Adviser), custodian, transfer agency and dividend disbursing expenses, legal fees, expenses of independent auditors, expenses of repurchasing shares, expenses of issuing any preferred shares, expenses of preparing, printing and distributing shareholder reports, notices, proxy statements and reports to governmental agencies, listing fees and taxes, if any. For the services provided pursuant to each Fund's Sub-Advisory Agreement, Nuveen Fund Advisors pays Nuveen Asset Management a fee, payable monthly, equal to 38.4615% of the management fee (net of applicable waivers and reimbursements) paid by the Fund to Nuveen Fund Advisors.

The effective fund-level management fee rate as a percentage of average daily managed assets for the combined fund is expected to be lower than the effective fund-level fee rate for each of Dividend Advantage 3 and the Acquiring Fund due to the combination of the assets of the Funds and the combined fund's ability to benefit from available breakpoints in the applicable fee schedule that reduces the fee rate as the managed assets increase in size. However, the effective fund-level management fee rate as a percentage of average daily managed assets for the combined fund is expected to be slightly higher than the current effective fund-level fee rate for Dividend Advantage 2 because the combined fund is expected to make greater use of regulatory leverage (i.e., leverage attributable to preferred shares and bank borrowings) than Dividend Advantage 2. See the Comparative Fee Table on page 37 for more detailed information regarding fees and expenses.

Each Fund also pays a complex-level fee to Nuveen Fund Advisors, which is payable monthly and is in addition to the fund-level fee. The complex-level fee is based on the aggregate daily amount of eligible assets for all Nuveen sponsored funds in the United States, as stated in the table below. As of February 29, 2016, the complex-level fee rate for each Fund was 0.1640%.

The annual complex-level fee for each Fund, payable monthly, is calculated according to the following schedule:

Complex-Level Fee Rates

Complex-Level Managed Asset Breakpoint Level*	Effective Rate at Breakpoint Level
\$55 billion	0.2000%
\$56 billion	0.1996%
\$57 billion	0.1989%
\$60 billion	0.1961%

Complex-Level Managed Asset Breakpoint Level*	Effective Rate at Breakpoint Level
\$63 billion	0.1931%
\$66 billion	0.1900%
\$71 billion	0.1851%
\$76 billion	0.1806%
\$80 billion	0.1773%
\$91 billion	0.1691%
\$125 billion	0.1599%
\$200 billion	0.1505%
\$250 billion	0.1469%
\$300 billion	0.1445%

* For the fund-level and complex-level fees, managed assets include closed-end fund assets managed by the Adviser that are attributable to certain types of leverage. For these purposes, leverage includes the funds' use of preferred stock and borrowings and certain investments in the residual interest certificates (also called inverse floating rate securities) in tender option bond (TOB) trusts, including the portion of assets held by a TOB trust that has been effectively financed by the trust's issuance of floating rate securities, subject to an agreement by the Adviser as to certain funds to limit the amount of such assets for determining managed assets in certain circumstances. The complex-level fee is calculated based upon the aggregate daily managed assets of all Nuveen funds that constitute eligible assets. Eligible assets do not include assets attributable to investments in other Nuveen funds or assets in excess of \$2 billion added to the Nuveen fund complex in connection with the Adviser's assumption of the management of the former First American Funds effective January 1, 2011. A discussion of the basis for the Board's most recent approval of each Fund's Investment Management Agreement and Sub-Advisory Agreement will be included in the Fund's Semi-Annual Report for the reporting period ended August 31, 2016.

Portfolio Management. Subject to the supervision of Nuveen Fund Advisors, Nuveen Asset Management is responsible for execution of specific investment strategies and day-to-day investment operations. Nuveen Asset Management manages the portfolios of the Funds using a team of analysts and a portfolio manager that focuses on a specific group of funds. Scott R. Romans, Ph.D., is the portfolio manager of the Acquiring Fund and each Target Fund. Mr. Romans assumed portfolio management responsibility for each Fund in September 2003. Mr. Romans will continue to manage the Acquiring Fund upon completion of the Reorganizations.

Scott R. Romans, Ph.D., Senior Vice President of Nuveen Asset Management, joined Nuveen Investments in 2000 as a senior analyst in the education sector. In 2003, he was assigned management responsibility for several closed- and open-ended municipal bond funds, most of which are state funds covering California and other western states. Currently, he manages investments for 16 Nuveen-sponsored investment companies. He holds an undergraduate degree from the University of Pennsylvania and an M.A. and Ph.D. from the University of Chicago.

Comparative Risk Information

Because the Acquiring Fund and the Target Funds have the same investment objectives and substantially similar investment policies and portfolio compositions, the principal risks of an investment in each Fund are substantially similar. Each Fund is subject to various risks associated with investing primarily in a portfolio of municipal securities and employing leverage, which include:

Municipal Securities Risk. Special factors may adversely affect the value of municipal securities and have a significant effect on the yield or value of a Fund's investments in

municipal securities. These factors include economic conditions, political or legislative changes, regulatory developments or enforcement actions, uncertainties related to the tax status of municipal securities, or the rights of investors.

Tax Risk. The tax treatment of Fund distributions may be affected by new Internal Revenue Service (IRS) interpretations of the Code and future changes in tax laws and regulations.

Leverage Risk. Each Fund's use of leverage creates the possibility of higher volatility for the Fund's per share net asset value, market price, distributions and returns. There is no assurance that a Fund's leveraging strategy will be successful.

Inverse Floater Risk. The Funds may invest in inverse floaters. Due to their leveraged nature, these investments can greatly increase a Fund's exposure to interest rate risk and credit risk. In addition, investments in inverse floaters involve the risk that the Fund could lose more than its original principal amount.

Issuer Credit Risk. This is the risk that a security in a Fund's portfolio will fail to make dividend or interest payments when due. Investments in lower rated securities are subject to higher risks than investments in higher rated securities.

Interest Rate Risk. Fixed-income securities such as bonds, preferred, convertible and other debt securities will decline in value if market interest rates rise.

State Concentration Risk. Each Fund's policy of investing in municipal securities of issuers located in California makes the Fund more susceptible to local adverse economic, political or regulatory changes affecting municipal bond issuers.

Reinvestment Risk. If market interest rates decline, income earned from a Fund's portfolio may be reinvested at rates below that of the original bond that generated the income.

Call Risk or Prepayment Risk. Issuers may exercise their option to prepay principal earlier than scheduled, forcing a Fund to reinvest in lower yielding securities.

Derivatives Risk. The Funds may use derivative instruments which involve a high degree of financial risk, including the risk that the loss on a derivative may be greater than the principal amount invested.

Municipal Bond Market Liquidity Risk. Inventories of municipal bonds held by brokers and dealers have decreased in recent years, lessening their ability to make a market in these securities. This reduction in market making capacity has the potential to decrease a Fund's ability to buy or sell bonds, and increase bond price volatility and trading costs, particularly during periods of economic or market stress. In addition, recent changes to federal banking regulations may cause certain dealers to reduce their inventories of municipal bonds, which may further decrease a Fund's ability to buy or sell bonds. As a result, a Fund may be forced to accept a lower price to sell a security, to sell other securities to raise cash, or to give up an investment opportunity, any of which could have a negative effect on performance. If a Fund needed to sell large blocks of bonds, those sales could further reduce the bonds' prices and hurt performance.

High Yield Securities Risk. High yield securities, which are rated below investment grade and commonly referred to as junk bonds, are speculative and high risk investments that may cause income and principal losses for the Fund. They generally have greater credit risk, involve greater risks of default, downgrade, or price declines, are less liquid and have more volatile prices than investment-grade securities. Issuers of high yield securities are less financially strong, are more likely to encounter financial difficulties, and are more vulnerable to adverse market events and negative sentiments than issuers with higher credit ratings.

The principal risks of investing in the Acquiring Fund are described in more detail in the Memorandum.

Comparative Expense Information

The information in the table reflects the fees and expenses for each Fund's fiscal year ended February 29, 2016, and the pro forma expenses for the twelve (12) months ended February 29, 2016, for the combined fund following the Reorganizations. The figures in the Example are not necessarily indicative of past or future expenses, and actual expenses may be greater or less than those shown. The Funds' actual rates of return may be greater or less than the hypothetical 5% annual return shown in the Example.

Total Annual Expenses	1.4575%	1.5009%	1.5532%	1.5170%

- (1) Annual Expenses (as a percentage of net assets applicable to common shares) for Dividend Advantage 2 and Dividend Advantage 3 are based on the expenses of each Target Fund for the twelve (12) months ended February 29, 2016. Annual Expenses (as a percentage of net assets applicable to common shares) for the Acquiring Fund are based on the expenses of the Acquiring Fund for the twelve (12) months ended February 29, 2016, adjusted for the June 2016 issuance of \$145,000,000 of VMTP Shares at liquidation value. Annual Expenses (as a percentage of net assets applicable to common shares) for the [] Pro Forma are based on the expenses of the Target Funds and the Acquiring Fund for the twelve (12) months ended February 29, 2016, adjusted for the Acquiring Fund's June 2016 issuance of \$145,000,000 of VMTP Shares at liquidation value.
- (2) Pro Forma figures reflect the anticipated reduction of certain duplicative expenses eliminated as a result of the Reorganization. Pro Forma expenses do not include the expenses to be borne by the common shareholders of the Funds in connection with the Reorganizations, which are estimated to be \$450,000 (0.03%) for the Acquiring Fund, \$260,000 (0.11%) for Dividend Advantage 2 and \$375,000 (0.11%) for Dividend Advantage 3. All percentages are based on average net assets applicable to common shares for the twelve (12) months ended February 29, 2016.
- (3) Following the closing of the Reorganizations, the Acquiring Fund will change its name to [].
- (4) Fees on Preferred Shares assume annual dividends paid and amortization of offering costs for VRDP Shares and annual liquidity and remarketing fees for VRDP Shares, where applicable. Interest and Related Expenses from Inverse Floaters include interest expense attributable to inverse floating rate securities created by selling a fixed-rate bond to a broker dealer for deposit into the special purpose trust and receiving in turn the residual interest in the trust (self-deposited inverse floating rate securities). To the extent each Fund creates self-deposited inverse floating rate securities, the Fund recognizes interest expense because accounting rules require the Fund to treat interest paid by such trusts as having been paid (indirectly) by the Fund. Because the Fund also recognizes a corresponding amount of additional interest earned (also indirectly), the Fund's net asset value per share, net investment income and total return are not affected

by this accounting treatment. The actual fees on preferred shares and interest and related expenses from inverse floaters incurred in the future may be higher or lower. The Funds' use of leverage will increase the amount of management fees paid to the Adviser and Sub-Adviser.

(5) Other Expenses are estimated based on actual expenses from the prior fiscal year.

Example: The following examples illustrate the expenses that a common shareholder would pay on a \$1,000 investment that is held for the time periods provided in the table. The examples assume that all dividends and other distributions are reinvested and that Total Annual Expenses remain the same. The examples also assume a 5% annual return. The examples should not be considered a representation of future expenses. Actual expenses may be greater or lesser than those shown.

Comparative Performance Information

Comparative total return performance for the Funds for periods ended February 29, 2016:

	Average Annual Total Return on Net Asset Value			Average Annual Total Return on Market Value		
	One Year	Five Years	Ten Years	One Year	Five Years	Ten Years
Acquiring Fund	6.73%	11.43%	6.65%	9.79%	12.28%	6.67%
Dividend Advantage 2	7.03%	9.87%	6.40%	13.22%	10.68%	6.85%
Dividend Advantage 3	7.26%	10.67%	6.01%	13.31%	11.37%	6.41%

Average Annual Total Return on Net Asset Value is the combination of changes in common share net asset value, reinvested dividend income at net asset value and reinvested capital gains distributions at net asset value, if any. The last dividend declared in the period, which is typically paid on the first business day of the following month, is assumed to be reinvested at the ending net asset value. The actual reinvestment price for the last dividend declared in the period may often be based on the Fund's market price (and not its net asset value), and therefore may be different from the price used in the calculation. Average Annual Total Return on Market Value is the combination of changes in the market price per share and the effect of reinvested dividend income and reinvested capital gains distributions, if any, at the average price paid per share at the time of reinvestment. The last dividend declared in the period, which is typically paid on the first business day of the following month, is assumed to be reinvested at the ending market price. The actual reinvestment for the last dividend declared in the period may take place over several days, and in some instances it may not be based on the market price, so the actual reinvestment price may be different from the price used in the calculation. Past performance information is not necessarily indicative of future results.

B. RISK FACTORS

The principal risks of investing in VRDP Shares of the Acquiring Fund are described under the caption "Risk Factors" in the Memorandum. An investment in the VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3 is also generally subject to these principal risks. The risks and special considerations discussed in the Memorandum should be considered by holders of VRDP Shares of each Fund in their evaluation of the Reorganizations.

C. INFORMATION ABOUT THE REORGANIZATIONS

General

The boards of directors/trustees of Nuveen's municipal closed-end funds, including the Board of each Fund, have approved a series of combinations of single-state municipal closed-end funds, including the Reorganization of each Target Fund into the Acquiring Fund. Each Fund's Board has determined that its respective Reorganization(s) would be in the best interests of its Fund. Each Fund's Board considered the Reorganization(s) as part of a broad initiative to rationalize the product offerings of Nuveen funds and eliminate overlapping products. As noted above, the Acquiring Fund and the Target Funds have the same investment objectives and substantially similar investment policies, risks and portfolio compositions.

Based on information provided by Nuveen Fund Advisors, each Fund's Board believes that the proposed Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund's greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

The potential for lower fund operating expenses over time, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for each Target Fund due to increased leverage).

The pro forma expense ratio of the combined fund including the costs of leverage, expressed as a percentage of net assets applicable to common shares as of February 29, 2016, is estimated to be approximately six basis points (0.06%) higher than the total expense ratio of Dividend Advantage 2 and approximately two basis points (0.02%) higher than the total expense ratio of Dividend Advantage 3 because the combined fund is expected to make greater use of regulatory leverage (i.e., leverage attributable to preferred shares and bank borrowings) than each Target Fund. See the Comparative Fee Table on page 37.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holder of the Acquiring Fund's outstanding VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon each of the

Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund.

Terms of the Reorganizations

General. The Agreement and Plan of Reorganization by and among the Acquiring Fund and each Target Fund (the Agreement), in the form attached as [Appendix A](#) to this Joint Proxy Statement, provides for: (1) the Acquiring Fund's acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, and the Acquiring Fund's assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law. No fractional Acquiring Fund common shares will be distributed to a Target Fund's common shareholders in connection with a Reorganization and, in lieu of such fractional shares, each Target Fund's common shareholders entitled to receive a fractional share will receive cash in an amount equal to a pro-rata share of the proceeds from the sale by the Acquiring Fund's transfer agent of the aggregated fractional shares in the open market (as described further below), which may be higher or lower than net asset value. Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VRDP Shares having terms substantially similar to those of the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

As a result of the Reorganizations, the assets of the Acquiring Fund and each Target Fund would be combined, and the shareholders of each Target Fund would become shareholders of the Acquiring Fund. The closing date is expected to be on or about October 12, 2016, or such other date as the parties may agree (the Closing Date). Following the Reorganizations, each Target Fund would terminate its registration as an investment company under the 1940 Act. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement.

Following the Reorganizations, each preferred shareholder of a Target Fund would own the same number of Acquiring Fund preferred shares with the same aggregate liquidation preference as the preferred shares of the Target Fund held by such shareholder immediately prior to the closing of the Reorganizations, with terms substantially similar to those of the outstanding preferred shares of the Target Fund held by such preferred shareholder immediately prior to the closing of the Reorganizations. As a result of the Reorganizations, preferred shareholders of the Funds would hold reduced voting percentages of preferred shares in the combined fund than they held in the Acquiring Fund or Target Fund individually. In addition, all of the VMTP Shares of the Acquiring Fund are currently owned by a single institutional investor.

Valuation of Assets and Liabilities. If the Reorganizations are approved and the other closing conditions are satisfied or waived, the value of the net assets of each Target Fund will be the value of its assets, less its liabilities, computed as of the close of regular trading on the NYSE on the business day immediately prior to the Closing Date (such time and date being hereinafter called the "Valuation Time"). The value of each Target Fund's assets will be determined by using the valuation procedures of the Nuveen closed-end funds adopted by the Board or such other valuation procedures as will be mutually agreed upon by the parties. The value of each Target Fund's net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all outstanding preferred shares of such Target Fund.

Amendments. Under the terms of the Agreement, the Agreement may be amended, modified or supplemented in such manner as may be mutually agreed upon in writing by each Fund as specifically authorized by each Fund's Board; provided, however, that following the receipt of shareholder approval of the Agreement at the Annual Meeting, no such amendment, modification or supplement may have the effect of changing the provisions for determining the number of Acquiring Fund shares to be issued to each Target Fund's shareholders under the Agreement to the detriment of such shareholders without their further approval.

Conditions. Under the terms of the Agreement, the closing of the Reorganizations is subject to the satisfaction or waiver of the following closing conditions: (1) the requisite approval by the shareholders of each Fund, as applicable, of the proposals with respect to the Reorganization(s) in this Joint Proxy Statement, (2) each Fund's receipt of an opinion substantially to the effect that its Reorganization(s) will qualify as a reorganization under the Code (see "Material Federal Income Tax Consequences of the Reorganizations"), (3) the absence of legal proceedings challenging the Reorganizations, and (4) the Funds' receipt of certain customary certificates and legal opinions. Additionally, in order for the Reorganizations to occur, each Fund must obtain certain consents, confirmations and/or waivers from various third parties, including the holder of the Acquiring Fund's outstanding VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares.

Termination. The Agreement may be terminated by the mutual agreement of the parties and such termination may be effected by each Fund's Chief Administrative Officer or a Vice President without further action by the Board. In addition, any Fund may at its option terminate the Agreement at or before the closing due to: (1) a breach by any other party of any representation, warranty or agreement contained therein to be performed at or before the closing, if not cured within 30 days of the breach and prior to the closing; (2) a condition precedent to the obligations of the terminating party that has not been met and it reasonably appears it will not or cannot be met; or (3) a determination by its Board that the consummation of the transactions contemplated by the Agreement is not in the best interests of the Fund.

Reasons for the Reorganizations

Based on the considerations below, the Board of each Fund, including the Independent Board Members, has determined that its Fund's Reorganization(s) would be in the best interests of its Fund and that the interests of the existing shareholders of such Fund would not be diluted as a result of such Reorganization(s). At a meeting held on May 24-26, 2016 (the May Meeting), the Boards approved the Reorganizations and recommended that shareholders of the respective Funds approve the Reorganizations.

During the time leading up to the May Meeting, the Adviser made presentations, and the Boards received a variety of materials, relating to the proposed Reorganizations, including the rationale therefor. Prior to approving the Reorganizations, the Independent Board Members reviewed the foregoing information with their independent legal counsel and with management, reviewed with independent legal counsel applicable law and their duties in considering such matters and met with independent legal counsel in private sessions without management present. The Boards considered a number of principal factors presented at the time of the May Meeting or at prior meetings in reaching their determinations, including the following:

the compatibility of the Funds' investment objectives, policies and related risks;

the consistency of portfolio management;

the anticipated improved economies of scale and an additional breakpoint in the fund-level management fee schedule, creating the potential for lower operating expenses (i.e., total expenses excluding the costs of leverage) over time;

the potential for improved secondary market trading with respect to the common shares;

the anticipated federal income tax-free nature of the Reorganizations;

the expected costs of the Reorganizations;

the terms of the Reorganizations and whether the Reorganizations would dilute the interests of the shareholders of the Funds;

the effect of the Reorganizations on shareholder rights; and

any potential benefits of the Reorganizations to the Adviser and its affiliates as a result of the Reorganizations.

Compatibility of Investment Objectives, Policies and Related Risks. Based on the information presented, the Boards noted that the Funds have the same investment objectives and substantially similar investment policies and risks. The Boards noted that each Fund is a diversified fund that invests primarily in municipal securities the income from which is exempt from regular federal and California income taxes. In addition, under normal circumstances, each Fund invests at least 80% of its Managed Assets in investment-grade securities. The Boards considered that the portfolio compositions of the Funds are substantially similar and considered the impact of the Reorganizations on each Fund's portfolio, including any shifts in sector allocations, credit ratings, duration, yield and leverage costs. Accordingly, they also considered the relative performance of the Funds and the factors that may affect

the future performance of the combined fund. The Boards also recognized that each Fund utilizes leverage. Because the Funds have substantially similar investment strategies, the principal risks of each Fund are also substantially similar.

Consistency of Portfolio Management. The Boards considered that each Fund has the same investment adviser, sub-adviser and portfolio manager, and that such portfolio manager would continue to manage the combined fund upon completion of the Reorganizations. Through the Reorganizations, the Boards recognized that shareholders will remain invested in a closed-end management investment company that will have greater net assets and benefits from potential economies of scale; the same investment adviser, sub-adviser, portfolio manager and investment objectives; and substantially similar investment strategies.

Anticipated Improved Economies of Scale and Additional Breakpoint in the Management Fee Schedule, Creating the Potential for Lower Operating Expenses Over Time. The Boards considered the fees and expense ratios of each of the Funds (including estimated expenses of the combined fund following the Reorganizations). In this regard, the Boards recognized the potential for lower fund operating expenses over time, as certain fixed costs are spread over a larger asset base. The Boards also took into account the Adviser's position that the greater asset size of the combined fund may provide increased portfolio and leverage management flexibility. In addition, as each Fund utilizes leverage, the Boards considered the differences in the costs of leverage among the Funds and the impact of the Reorganizations on such costs. The Boards further noted that the combined fund was expected to make greater use of regulatory leverage (i.e., leverage attributable to preferred shares and bank borrowings) than each Target Fund, including through the issuance of preferred shares by the Acquiring Fund. Moreover, they recognized that the combined fund's expected use of leverage could impact its estimated fees and expense ratio. In addition, at the May Meeting, the Adviser proposed and the Board of each Fund approved an amended management fee schedule for each Fund, to take effect as of August 1, 2016, that includes an additional breakpoint, providing for a lower effective fund-level management fee rate payable with respect to managed assets over \$5 billion, and standardizes each Fund's Investment Management Agreement with the investment management agreements of Nuveen's newer municipal closed-end funds.

Potential for Improved Secondary Market Trading with Respect to the Common Shares. While it is not possible to predict trading levels following the Reorganizations, the Boards noted that the Reorganizations are being proposed, in part, to seek to enhance the secondary trading market for the common shares of the Funds. The Boards considered that the combined fund's greater share volume may result in improved secondary market trading after the Reorganizations, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements.

Anticipated Tax-Free Reorganizations; Capital Loss Carryforwards. The Reorganizations will be structured with the intention that they qualify as tax-free reorganizations for federal income tax purposes, and the Funds will obtain opinions of counsel substantially to this effect (based on certain factual representations and certain customary assumptions). In addition, the Boards considered the impact of the Reorganizations on any estimated capital loss carryforwards of the Funds and applicable limitations of federal income tax rules.

Expected Costs of the Reorganizations. The Boards considered the terms and conditions of the Agreement, including the estimated costs associated with the Reorganizations and the allocation of such costs among the Acquiring Fund and each Target Fund. The Boards also noted, however, that,

assuming the Reorganizations are consummated, the Adviser anticipated that the projected costs of each Reorganization may be recovered over time for the common shareholders and that preferred shareholders will not bear any costs of the Reorganizations.

Terms of the Reorganizations and Impact on Shareholders. The terms of the Reorganizations are intended to avoid dilution of the interests of the existing shareholders of the Funds. In this regard, the Boards considered that each holder of common shares of a Target Fund will receive common shares of the Acquiring Fund (taking into account any fractional shares to which the shareholder would be entitled) equal in value as of the Valuation Time to the aggregate per share net asset value of that shareholder's Target Fund common shares held as of the Valuation Time. However, no fractional common shares of the Acquiring Fund will be distributed to a Target Fund's common shareholders in connection with the Reorganizations. In lieu of such fractional shares, the respective Target Fund's common shareholders will receive cash.

Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VRDP Shares, having terms substantially similar to those of the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization.

Effect on Shareholder Rights. The Boards considered that each Fund is organized as a Massachusetts business trust. In this regard, there will be no change to shareholder rights under state statutory law.

Potential Benefits to Nuveen Fund Advisors and Affiliates. The Boards recognized that the Reorganizations may result in some benefits and economies of scale for the Adviser and its affiliates. These may include, for example, a reduction in the level of operational expenses incurred for administrative, compliance and portfolio management services as a result of the elimination of the Target Funds as separate funds in the Nuveen complex.

Conclusion. Each Board, including the Independent Board Members, approved the Reorganization(s) involving its Fund, concluding that such Reorganization(s) are in the best interests of its Fund and that the interests of existing shareholders of the Fund will not be diluted as a result of the Reorganization(s).

Capitalization

The following table sets forth the unaudited capitalization of the Funds as of February 29, 2016 and the pro-forma combined capitalization of the combined fund as if the Reorganizations had occurred on that date. The table reflects pro forma exchange ratios of approximately 0.99792618 common shares of the Acquiring Fund issued for each common share of Dividend Advantage 2 and approximately 0.92473205 common shares of the Acquiring Fund issued for each common share of Dividend Advantage 3. If the Reorganizations are consummated, the actual exchange ratios may vary.

- (1) Reflects the impact of the June 2016 issuance by the Acquiring Fund of \$145,000,000 of VMTP Shares at liquidation value and that the \$145,000 of estimated offering costs of the issuance will be capitalized and amortized over the life of the VMTP Shares.
- (2) The pro forma balances are presented as if the Reorganizations were effective as of February 29, 2016, and are presented for informational purposes only. The actual Closing Date of the Reorganizations is expected to be on or about October 12, 2016, or such later time agreed to by the parties at which time the results would be reflective of the actual composition of shareholders equity as of that date. All pro forma adjustments are directly attributable to the Reorganizations.
- (3) Assumes the issuance of 14,729,503 and 22,334,076 Acquiring Fund common shares in exchange for the net assets of Dividend Advantage 2 and Dividend Advantage 3, respectively. These numbers are based on the net asset value of the Acquiring Fund and Target Funds as of February 29, 2016, adjusted for estimated Reorganization costs and the effect of distributions.
- (4) Includes the impact of estimated total Reorganization costs of \$1,085,000, which are currently expected to be borne by the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 in the amounts of \$450,000, \$260,000 and \$375,000, respectively.
- (5) Assumes Dividend Advantage 2 and Dividend Advantage 3 make net investment income distributions of \$322,033 and \$1,284,386, respectively.

Expenses Associated with the Reorganizations

In evaluating the Reorganizations, management of the Funds estimated the amount of expenses the Funds would incur to be approximately \$1,085,000, which includes additional stock exchange listing fees, SEC registration fees, legal and accounting fees, proxy solicitation and distribution costs and other related administrative or operational costs. The expenses of the Reorganizations (whether or not consummated) will be allocated among the Funds ratably based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e., total expenses excluding the costs of leverage) and improved secondary market trading, if any, to each Fund during the first year following the Reorganizations. Reorganization expenses have been or will be accrued as expenses of

each Fund prior to the Valuation Time. Reorganization expenses have been or will be reflected in each Fund's net asset value at or before the close of trading on the business day immediately prior to the close of the Reorganizations. These estimated expenses are currently expected to be borne by the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 in the amounts of \$450,000 (0.03%), \$260,000 (0.11%), and \$375,000 (0.11%), respectively (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended February 29, 2016). Preferred shareholders of the Funds will not bear any costs of the Reorganizations.

Additional solicitation may be made by letter or telephone by officers or employees of Nuveen Investments or the Adviser, or by dealers and their representatives. The Funds have engaged Computershare Fund Services to assist in the solicitation of proxies at an estimated aggregate cost of \$10,500 per Fund plus reasonable expenses, which is included in the foregoing estimate.

Dissenting Shareholders' Rights of Appraisal

Under the charter documents of each Fund, shareholders do not have dissenters' rights of appraisal with respect to the Reorganizations.

Material Federal Income Tax Consequences of the Reorganizations

As a condition to each Fund's obligation to consummate the Reorganizations, each Fund will receive a tax opinion from Vedder Price P.C. (which opinion will be based on certain factual representations and certain customary assumptions) with respect to its Reorganization(s) substantially to the effect that, on the basis of the existing provisions of the Code, current administrative rules and court decisions, for federal income tax purposes:

1. The transfer by the Target Fund of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund, immediately followed by the distribution of all the Acquiring Fund shares so received by the Target Fund to the Target Fund's shareholders of record in complete liquidation of the Target Fund and the dissolution of the Target Fund as soon as practicable thereafter, will constitute a reorganization within the meaning of Section 368(a)(1) of the Code, and the Acquiring Fund and the Target Fund will each be a party to a reorganization, within the meaning of Section 368(b) of the Code, with respect to the Reorganization.
2. No gain or loss will be recognized by the Acquiring Fund upon the receipt of substantially all the Target Fund's assets solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund.
3. No gain or loss will be recognized by the Target Fund upon the transfer of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund or upon the distribution (whether actual or constructive) of such Acquiring Fund shares to the Target Fund's shareholders solely in exchange for such shareholders' shares of the Target Fund in complete liquidation of the Target Fund.

4. No gain or loss will be recognized by the Target Fund's shareholders upon the exchange, pursuant to the Reorganization, of all their shares of the Target Fund solely for Acquiring Fund shares, except to the extent the Target Fund's common shareholders receive cash in lieu of a fractional Acquiring Fund common share.
5. The aggregate basis of the Acquiring Fund shares received by each Target Fund shareholder pursuant to the Reorganization (including any fractional Acquiring Fund common share to which a shareholder would be entitled) will be the same as the aggregate basis of the Target Fund shares exchanged therefor by such shareholder.
6. The holding period of the Acquiring Fund shares received by each Target Fund shareholder in the Reorganization (including any fractional Acquiring Fund common share to which a shareholder would be entitled) will include the period during which the shares of the Target Fund exchanged therefor were held by such shareholder, provided such Target Fund shares are held as capital assets at the effective time of the Reorganization.
7. The basis of the assets of the Target Fund received by the Acquiring Fund will be the same as the basis of such assets in the hands of the Target Fund immediately before the effective time of the Reorganization.
8. The holding period of the assets of the Target Fund received by the Acquiring Fund will include the period during which those assets were held by the Target Fund.

No opinion will be expressed as to (1) the effect of the Reorganizations on a Target Fund, the Acquiring Fund or any Target Fund shareholder with respect to any asset (including, without limitation, any stock held in a passive foreign investment company as defined in Section 1297(a) of the Code) as to which any unrealized gain or loss is required to be recognized under federal income tax principles (a) at the end of a taxable year (or on the termination thereof) or (b) upon the transfer of such asset regardless of whether such transfer would otherwise be a non-taxable transaction under the Code, or (2) any other federal tax issues (except those set forth above) and all state, local or non-U.S. tax issues of any kind.

The opinions addressing the federal income tax consequences of the Reorganizations described above will rely on the position that the Acquiring Fund preferred shares will constitute equity of the Acquiring Fund. In that regard, Sidley Austin LLP, as special tax counsel to the Acquiring Fund, will deliver an opinion to the Acquiring Fund, subject to certain representations, assumptions and conditions, substantially to the effect that the Acquiring Fund VRDP Shares received in the Reorganizations by the holders of preferred shares of the Target Funds will qualify as equity of the Acquiring Fund for federal income tax purposes. Because the treatment of a corporate security as debt or equity is determined on the basis of the facts and circumstances of each case, and no controlling precedent exists for the preferred shares issued in the Reorganizations, there can be no assurance that the IRS will not question special tax counsel's opinion and the Acquiring Fund's treatment of the preferred shares as equity. If the IRS were to succeed in such a challenge, holders of preferred shares could be characterized as receiving taxable interest income rather than exempt-interest or other dividends, possibly requiring them to file amended income tax returns and retroactively to recognize additional amounts of ordinary income and pay additional tax, interest and penalties, and the tax consequences of the Reorganizations could differ significantly from those described in this Joint Proxy Statement.

Prior to the closing of the Reorganizations, each Target Fund will declare a distribution to its common shareholders, which, together with all other distributions to preferred and common shareholders made with respect to the taxable year in which the Reorganization occurs and all prior taxable years, will have the effect of distributing to shareholders all its net investment income and realized net capital gains (after reduction by any available capital loss carryforwards), if any, through the Closing Date of the Reorganizations. Each Fund reports distributions to common and preferred shareholders as consisting of particular types of income (such as exempt interest, ordinary income and capital gain) based on each class' proportionate share of the total distributions paid by the Fund with respect to the year. As a result, such distribution could cause a portion of the distributions received by preferred shareholders with respect to the year to be taxable for federal income tax purposes.

After the Reorganizations, the combined fund's ability to use the Target Funds' or the Acquiring Fund's pre-Reorganization capital losses may be limited under certain federal income tax rules applicable to reorganizations of this type. Therefore, in certain circumstances, shareholders may pay federal income taxes sooner, or pay more federal income taxes, than they would have had the Reorganizations not occurred. However, the effect of these potential limitations will depend on a number of factors including the amount of the losses, the amount of gains to be offset, the exact timing of the Reorganizations and the amount of unrealized capital gains in the Funds at the time of the Reorganizations. As of February 29, 2016, the Funds had unused capital loss carryforwards available for federal income tax purposes to be applied against capital gains, if any, per the table below.

Capital losses to be carried forward	Acquiring Fund	Dividend Advantage 2	Dividend Advantage 3
Expires February 28, 2017	\$ 13,863,811	\$	\$ 4,536,999
Expires February 28, 2018	731,149	705,843	10,646,251
Expires February 28, 2019			1,340,157
Not subject to expiration	4,827,353	792,392	10,931,933
Total	\$ 19,422,313	\$ 1,498,235	\$ 27,455,340

A Fund is generally able to carry forward net capital losses arising in taxable years beginning after December 22, 2010 (post-enactment losses) indefinitely. However, net capital losses of the Funds from taxable years beginning on or prior to December 22, 2010 are subject to the expiration dates shown above and can be used only after post-enactment losses.

In addition, the shareholders of a Target Fund will receive a proportionate share of any taxable income and gains realized by the Acquiring Fund and not distributed to its shareholders prior to the closing of the Reorganizations when such income and gains are eventually distributed by the Acquiring Fund. Any gain the Acquiring Fund realizes after the Reorganizations, including any built-in gain in the portfolio investments of the Target Funds and Acquiring Fund that was unrealized at the time of the Reorganizations, may result in taxable distributions to shareholders holding preferred shares of the Acquiring Fund (including former Target Fund preferred shareholders who hold shares of the Acquiring Fund following the Reorganizations) to the extent such amounts are required to be allocated to distributions received by preferred shareholders. As a result, shareholders of a Target Fund and the Acquiring Fund may receive a greater amount of taxable distributions than they would have had the Reorganizations not occurred.

This description of the federal income tax consequences of the Reorganizations is made without regard to the particular facts and circumstances of any shareholder. Shareholders are urged to consult their own tax advisers as to the specific consequences to them of the Reorganizations, including the applicability and effect of state, local, non-U.S. and other tax laws.

The foregoing is intended to be only a summary of the principal federal income tax consequences of the Reorganizations and should not be considered to be tax advice. There can be no assurance that the IRS will concur on all or any of the issues discussed above. Shareholders are urged to consult their own tax advisers regarding the federal, state and local tax consequences with respect to the foregoing matters and any other considerations which may be applicable to them.

Shareholder Approval

Each Reorganization is required to be approved by the affirmative vote of the holders of a majority (more than 50%) of each Target Fund's outstanding common shares and preferred shares entitled to vote on the matter, voting together as a single class, and by the affirmative vote of the holders of a majority (more than 50%) of such Target Fund's outstanding preferred shares entitled to vote on the matter, voting separately. The Reorganizations also are required to be approved by the affirmative vote of the holders of a majority (more than 50%) of the Acquiring Fund's outstanding preferred shares (i.e., VMTP Shares and VRDP Shares) entitled to vote on the matter, voting as a separate class. Holders of the Funds' common shares are being solicited separately on the foregoing proposals through a separate joint proxy statement/prospectus and not through this Joint Proxy Statement.

Abstentions and broker non-votes will have the same effect as a vote against the approval of the Reorganizations. Broker non-votes are shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter.

Preferred shareholders of each Fund are separately being asked to approve the Agreement as a plan of reorganization under the 1940 Act. Section 18(a)(2)(D) of the 1940 Act provides that the terms of preferred shares issued by a registered closed-end management investment company must contain provisions requiring approval by the vote of a majority of such shares, voting as a class, of any plan of reorganization adversely affecting such shares. Because the 1940 Act makes no distinction between a plan of reorganization that has an adverse effect as opposed to a materially adverse effect, each Fund is seeking approval of the Agreement by the holders of such Fund's preferred shares.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holder of the Acquiring Fund's VMTP Shares and the liquidity providers with respect to the Funds' outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund's Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. VRDP Shares were issued on a private placement basis to one or a small number of institutional holders. To the extent that one or more preferred shareholders of a Fund owns, holds or controls, individually or in the aggregate, all or a significant portion of a Fund's outstanding preferred shares, one or more shareholder approvals required for the Reorganizations may turn on the exercise of voting rights by such particular

shareholder(s) and its or their determination as to the favorable view of such proposal(s) with respect to its or their interests. The Funds exercise no influence or control over the determinations of such shareholders with respect to the proposals; there is no guarantee that such shareholders will approve the proposals over which they may exercise effective disposition power. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund.

Description of Common Shares to Be Issued by the Acquiring Fund; Comparison to Target Funds

General

As a general matter, the common shares of the Acquiring Fund and each Target Fund have equal voting rights and equal rights with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of their respective Fund and have no preemptive, conversion or exchange rights, except as the Trustees may authorize, or rights to cumulative voting. Holders of whole common shares of each Fund are entitled to one vote per share on any matter on which the shares are entitled to vote, while each fractional share entitles its holder to a proportional fractional vote. Furthermore, the provisions set forth in the Acquiring Fund's declaration of trust are substantially similar to the provisions of each Target Fund's declaration of trust, and each contains, among other things, similar super-majority voting provisions, as described under Additional Information About the Acquiring Fund Certain Provisions in the Acquiring Fund's Declaration of Trust and By-Laws. The full text of each Fund's declaration of trust is on file with the SEC and may be obtained as described on page v-vi.

The Acquiring Fund's declaration of trust authorizes an unlimited number of common shares, par value \$0.01 per share. If the Reorganizations are consummated, the Acquiring Fund will issue additional common shares on the Closing Date to the common shareholders of each Target Fund based on the relative per share net asset value of the Acquiring Fund and the net asset value of such Target Fund that are transferred in connection with the Reorganization, in each case as of the Valuation Time. The value of a Fund's net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all of the Fund's outstanding preferred shares.

The terms of the Acquiring Fund common shares to be issued pursuant to the Reorganizations will be identical to the terms of the Acquiring Fund common shares that are then outstanding. Acquiring Fund common shares have equal rights with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund common shares, when issued, will be fully paid and non-assessable and have no preemptive, conversion or exchange rights or rights to cumulative voting. See also Description of Massachusetts Business Trusts.

Distributions

So long as preferred shares are outstanding, including VRDP Shares, the Acquiring Fund may not declare a dividend or distribution to common shareholders (other than a dividend in common shares of the Fund) or purchase outstanding common shares unless all accumulated dividends on preferred shares have been paid and unless the asset coverage, as defined in the 1940 Act, with respect to its preferred shares at the time of the declaration of such dividend or distribution or at the time of such purchase would be at least 200% after giving effect to the dividend or distribution or purchase price.

Description of VRDP Shares to Be Issued by the Acquiring Fund

The terms of the VRDP Shares of the Acquiring Fund to be issued pursuant to the Reorganization of each of Dividend Advantage 2 and Dividend Advantage 3 into the Acquiring Fund (the New VRDP Shares) will be substantially similar, as of the closing of the Reorganizations, to the outstanding Target Fund VRDP Shares for which they are exchanged. The aggregate liquidation preference of the New VRDP Shares to be received in each such Reorganization will equal the aggregate liquidation preference of the corresponding series of Target Fund VRDP Shares held immediately prior to the closing of the Reorganization.

The outstanding VRDP Shares of each Target Fund had a 30-year final mandatory redemption date as of their date of original issue, subject to earlier redemption or repurchase by the Fund, and pay an adjustable dividend rate set weekly by the remarketing agent. Holders of New VRDP Shares will have the right to give seven days notice on any business day to tender the securities for remarketing. The New VRDP Shares will also be subject to a mandatory tender for remarketing upon the occurrence of certain events, such as the non-payment of dividends by the Acquiring Fund. Should a remarketing be unsuccessful, the dividend rate will reset to a maximum rate as defined in the governing documents of the New VRDP Shares. The New VRDP Shares issued in exchange for VRDP Shares of Dividend Advantage 2 will have the same final mandatory redemption date as the series of Target Fund VRDP Shares exchanged therefor. The New VRDP Shares issued in exchange for VRDP Shares of Dividend Advantage 3 will have a final mandatory redemption date that is not earlier than ten years from the date of issuance of such New VRDP Shares and not later than the current final mandatory redemption date of the series of Target Fund VRDP Shares exchanged therefor.

The Statement Establishing and Fixing the Rights and Preferences (a Statement) for the New VRDP Shares (each a New VRDP Statement , and collectively the New VRDP Statements) of each series generally requires that the Acquiring Fund maintain a purchase agreement which contains an unconditional demand feature pursuant to a purchase obligation provided by an entity acting as liquidity provider to ensure full and timely repayment of the liquidation preference amount plus any accumulated and unpaid dividends to holders upon the occurrence of certain events. The agreement requires the liquidity provider to purchase from holders all New VRDP Shares of the applicable series tendered for sale that were not successfully remarketed. The liquidity provider also must purchase all outstanding New VRDP Shares of the applicable series prior to termination of the purchase agreement, including by reason of the failure of the liquidity provider to maintain the requisite short-term ratings, if the Acquiring Fund has not obtained an alternate purchase agreement before the termination date.

The obligation of each liquidity provider to purchase the New VRDP Shares of the applicable series pursuant to the applicable purchase agreement will run to the benefit of the holders and beneficial owners of the New VRDP Shares of such series and will be unconditional and irrevocable, and as such the short-term ratings assigned to each series of New VRDP Shares are directly linked to the short-term creditworthiness of the associated liquidity provider. Each liquidity provider entered into a purchase agreement with respect to the applicable series of Target Fund VRDP Shares, subject to periodic extension by agreement with the respective Fund. The initial term of the purchase agreement with the liquidity provider for the New VRDP Shares of each series is expected to be no less than the remaining term immediately prior to the Reorganizations of the applicable purchase agreement with respect to the corresponding series of Target Fund VRDP Shares exchanged therefor.

Prior to the final mandatory redemption date for the New VRDP Shares of each series, the New VRDP Shares of such series will be subject to optional and mandatory redemption by the Acquiring

Fund in certain circumstances. New VRDP Shares may be redeemed at any time, at the option of the Acquiring Fund (in whole or, from time to time, in part), out of funds legally available therefor, at a redemption price per share equal to the sum of \$100,000 plus an amount equal to accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed for redemption. Pursuant to the New VRDP Statements and fee agreements with the liquidity provider for the New VRDP Shares of each series, the Acquiring Fund will have an obligation to redeem, at a redemption price equal to \$100,000 per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed by the Board for redemption, shares of such series purchased by the liquidity provider pursuant to its obligations under the purchase agreement if the liquidity provider continues to be the beneficial owner for a period of six months and such shares cannot be successfully remarketed. If the Acquiring Fund fails to maintain the minimum asset coverage required under the 1940 Act and under the Acquiring Fund's agreement with the liquidity provider with respect to a series of New VRDP Shares, and such failure is not cured by the applicable cure date, the Acquiring Fund also will redeem, at a redemption price equal to the liquidation preference per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed by the Board for redemption, such number of preferred shares as is necessary to achieve compliance with the minimum asset coverage requirement. The number of preferred shares to be redeemed may, at the Acquiring Fund's sole option (to the extent permitted by the 1940 Act and Massachusetts law), include any number or proportion of preferred shares of any series; provided, that to the extent the Acquiring Fund does a mandatory redemption of any VRDP Shares, the Acquiring Fund will allocate the number to be redeemed pro rata among the VRDP Shares of each series subject to redemption or retirement (if more than one such series is then outstanding).

Holders of the New VRDP Shares of each series, as a separate class, will have voting and consent rights with respect to certain actions that would materially and adversely affect any preference, right or power of the New VRDP Shares of each series or holders of the New VRDP Shares of each series. Holders of the New VRDP Shares of each series also will be entitled to vote as a class with holders of other preferred shares of the Acquiring Fund on matters that relate to the conversion of the Acquiring Fund to an open-end investment company, certain plans of reorganization adversely affecting holders of the preferred shares or any other action requiring a vote of security holders of the Acquiring Fund under Section 13(a) of the 1940 Act. Holders of preferred shares, including the New VRDP Shares of each series, are entitled to elect additional trustees constituting, when added to the two trustees elected exclusively by the holders of preferred shares, a majority of the trustees, in the event at least two full years' dividends are due and unpaid and sufficient cash or specified securities have not been deposited for their payment, or at any time holders of preferred shares are entitled under the 1940 Act to elect a majority of the trustees of the Acquiring Fund.

The New VRDP Shares of each series will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The New VRDP Shares of each series will have equal priority with each other and with the other preferred shares of the Acquiring Fund, including the Acquiring Fund's Outstanding VRDP Shares, and any other preferred shares that the Acquiring Fund may issue in the future, as to the payment of dividends and as to distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

Each holder of VRDP Shares of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 should review the more detailed information concerning the terms of the New

VRDP Shares contained in the Memorandum, which is attached as Appendix C to this Joint Proxy Statement and forms a part of this Joint Proxy Statement, and the other documents incorporated by reference or otherwise summarized in this Joint Proxy Statement and in the Memorandum, including the information set forth in the sections **Comparison of the Investment Objectives and Policies of the Acquiring Fund and the Target Funds** below and **Risk Factors** in the Memorandum as well as the forms of Statements for the New VRDP Shares, which are included in Appendix A to the Memorandum.

Differences Among VRDP Series Following the Reorganizations

Following the Reorganizations, the Acquiring Fund will have eight series of VRDP Shares (VRDP Series) outstanding.

The initial term of the purchase agreement with the liquidity provider for each of the new VRDP Series is expected to be no less than the remaining term of the applicable purchase agreement with respect to the VRDP Shares of each Target Fund immediately prior to the Reorganizations. Each such purchase agreement has an expiration date (a Scheduled Termination Date), subject to periodic extension or replacement. There is no assurance that a liquidity provider will renew, or continue to renew, the purchase agreement or that a replacement liquidity provider will be appointed. Each purchase agreement will provide for the renewal of the purchase obligation upon each Scheduled Termination Date for a minimum term of at least 180 days (or replacement with a purchase obligation with such minimum term). If a liquidity provider does not renew the purchase agreement and it is not replaced, all of the VRDP Shares of the relevant new VRDP Series will be subject to mandatory purchase by the liquidity provider prior to the expiration of the purchase obligation.

While the documents governing each VRDP Series will be substantially similar, dividend rates may vary among the VRDP Series because, for example, the applicable remarketing agent may reset the rate for one such new VRDP Series at a different level from that set by the remarketing agent for the other new VRDP Series, or the rate for one or more new VRDP Series, but not all new VRDP Series, may reset to the maximum rate (or a different level of maximum rate) in accordance with the terms of the applicable Statement. Also, redemptions prior to the final mandatory redemption date for each VRDP Series may occur at different times and in different amounts. Finally, in the event the Acquiring Fund were to make a partial redemption of VRDP Shares, the redemption may not necessarily be effected pro rata among all series of preferred shares then outstanding.

Each VRDP Series will have the designation and final mandatory redemption date set forth below:

Fund	Current VRDP Series Outstanding and Final Mandatory Redemption Date	Acquiring Fund VRDP Series to Be Outstanding Following the Reorganizations and Final Mandatory Redemption Date
Acquiring Fund	VRDP Shares, Series 1 \$100,000 liquidation value per share Final Mandatory Redemption Date: June 1, 2041 VRDP Shares, Series 2 \$100,000 liquidation value per share Final Mandatory Redemption Date: December 1, 2040	VRDP Shares, Series 1 \$100,000 liquidation value per share Final Mandatory Redemption Date: June 1, 2041 VRDP Shares, Series 2 \$100,000 liquidation value per share Final Mandatory Redemption Date: December 1, 2040

Fund	Acquiring Fund VRDP Series to Be	
	Current VRDP Series Outstanding and Final Mandatory Redemption	Outstanding Following the Reorganizations and Final Mandatory
	Date	Redemption Date
	VRDP Shares, Series 3 \$100,000 liquidation value per share Final Mandatory Redemption Date: March 1, 2040	VRDP Shares, Series 3 \$100,000 liquidation value per share Final Mandatory Redemption Date: March 1, 2040
	VRDP Shares, Series 4 \$100,000 liquidation value per share Final Mandatory Redemption Date: December 1, 2042	VRDP Shares, Series 4 \$100,000 liquidation value per share Final Mandatory Redemption Date: December 1, 2042
	VRDP Shares, Series 5 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 1, 2040	VRDP Shares, Series 5 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 1, 2040
	VRDP Shares, Series 6 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 1, 2040	VRDP Shares, Series 6 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 1, 2040
Dividend Advantage 2	VRDP Shares, Series 1 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 3, 2043	VRDP Shares, Series 7 \$100,000 liquidation value per share Final Mandatory Redemption Date: August 3, 2043
Dividend Advantage 3	VRDP Shares, Series 1 \$100,000 liquidation value per share Final Mandatory Redemption Date: September 1, 2043	VRDP Shares, Series 8 \$100,000 liquidation value per share Final Mandatory Redemption Date: Not earlier than ten years from the date of issuance of and not later than the current final mandatory redemption date of the VRDP Shares, Series 1, of Dividend Advantage 3

Differences Between the VRDP Shares of Dividend Advantage 2 and Dividend Advantage 3 and the New VRDP Shares

Dividend Advantage 2 and Dividend Advantage 3 issued their respective VRDP Shares in August 2013 and September 2013, respectively. Upon consummation of the Reorganizations, the terms of each series of New VRDP Shares of the Acquiring Fund will be substantially similar to the other and consistent with the terms of offerings of VRDP Shares by Nuveen funds since at least December 2013. The following is a summary of the significant differences between the Statement for the VRDP Shares of each of Dividend Advantage 2 and Dividend Advantage 3 (each, a Target Fund VRDP Statement) and the corresponding New VRDP Statements for each series of New VRDP Shares:

for the New VRDP Shares issued in exchange for VRDP Shares of Dividend Advantage 3, a final mandatory redemption date that is not earlier than ten years from the date of issuance of such New VRDP Shares and not later than the current final mandatory redemption date of the VRDP Shares of Dividend Advantage 3;

changes reflected in the New VRDP Statement, as compared with the Target Fund VRDP Statement, to conform to the terms of VRDP Shares offerings by Nuveen funds since at least December 2013, including:

further to the increased flexibility and clarification with regard to the role of ratings of VRDP Shares included in VRDP Shares offerings by Nuveen funds since at least December 2013, changes to remove from the New VRDP Statements any VRDP basic maintenance amount requirements, including any related mandatory redemption requirements, with the result that any rating agency requirements will be as set forth in the applicable rating agency guidelines with respect to long-term ratings of the VRDP Shares, as such guidelines may be amended from time to time by the applicable rating agency, and not in the Statement; and

changes to provide the Acquiring Fund with increased flexibility to provide for different or modified terms in connection with establishment of a special rate period; the establishment of a special rate period will require, as is currently the case, prior notice and the consent of the applicable liquidity provider and will constitute a Mandatory Tender Event.

If holders of common and preferred shares of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 vote in favor of the Reorganizations, the New VRDP Statements described above will take effect. Accordingly, a vote in favor of the Reorganizations by holders of Target Fund VRDP Shares is effectively a vote in favor of the New VRDP Statements as described above.

Description of Massachusetts Business Trusts

Each Fund is a Massachusetts business trust. The following description is based on relevant provisions of applicable Massachusetts law and each Fund's operative documents. This summary does not purport to be complete, and we refer you to applicable Massachusetts law and each Fund's operative documents.

General

A fund organized as a Massachusetts business trust is governed by the trust's declaration of trust or similar instrument.

Massachusetts law allows the trustees of a business trust to set the terms of a fund's governance in its declaration of trust. All power and authority to manage the fund and its affairs generally reside with the trustees, and shareholder voting and other rights are limited to those provided to the shareholders in the declaration of trust.

Because Massachusetts law governing business trusts provides more flexibility compared to typical state corporate statutes, the Massachusetts business trust is a common form of organization for closed-end funds. However, some consider it less desirable than other entities because it relies on the terms of the applicable declaration of trust and judicial interpretations rather than statutory provisions for substantive issues, such as the personal liability of shareholders and trustees, and does not provide the level of certitude that corporate laws, or newer statutory trust laws such as those of Delaware, provide.

Shareholders of a Massachusetts business trust are not afforded the statutory limitation of personal liability generally afforded to shareholders of a corporation from the trust's liabilities. Instead, the declaration of trust of a fund organized as a Massachusetts business trust typically provides that a shareholder will not be personally liable, and further provides for indemnification to the extent that a shareholder is found personally liable, for the fund's acts or obligations. The declaration of trust for each Fund contains such provisions.

Similarly, the trustees of a Massachusetts business trust are not afforded statutory protection from personal liability for the obligations of the trust. However, courts in Massachusetts have recognized limitations of a trustee's personal liability in contract actions for the obligations of a trust contained in the trust's declaration of trust, and declarations of trust may also provide that trustees may be indemnified out of the assets of the trust to the extent held personally liable. The declaration of trust for each Fund contains such provisions.

The Funds

Each Fund is organized as a Massachusetts business trust and is governed by its declaration of trust and by-laws. Under the declaration of trust, any determination as to what is in the interests of the Fund made by the trustees in good faith is conclusive, and in construing the provisions of the declaration of trust, there is a presumption in favor of a grant of power to the trustees. Further, the declaration of trust provides that certain determinations made in good faith by the trustees are binding upon the Fund and all shareholders, and shares are issued and sold on the condition and understanding, evidenced by the purchase of shares, that any and all such determinations will be so binding. The following is a summary of some of the key provisions of the Funds' governing documents.

Shareholder Voting. The declaration of trust of each Fund requires a shareholder vote on a number of matters, including certain amendments to the declaration of trust, the election of trustees, the merger or reorganization of the Fund (under certain circumstances) or sales of assets in certain circumstances and matters required to be voted by the 1940 Act.

Meetings of shareholders may be called by the trustees and by the written request of shareholders owning at least 10% of the outstanding shares entitled to vote. The by-laws of each Fund provide that the holders of a majority (more than 50%) of the voting power of the shares of beneficial interest of the Fund entitled to vote at a meeting will constitute a quorum for the transaction of business. The declaration of trust of each Fund provides that the affirmative vote of the holders of a majority (more than 50%) of the shares present in person or by proxy and entitled to vote at a meeting of shareholders at which a quorum is present is required to approve a matter, except in the case of the election of trustees, which requires only a plurality vote, and for events to which other voting provisions apply under the 1940 Act or the declaration of trust and by-laws, such as the super-majority voting provisions with respect to a merger, consolidation or dissolution of, or sale of substantially all of the assets by, the Fund, or its conversion to an open-end investment company in certain circumstances under the terms of the declaration of trust.

Election and Removal of Trustees. The declaration of trust of each Fund provides that the trustees determine the size of the Board, subject to a minimum and a maximum number. Subject to the provisions of the 1940 Act, the declaration of trust also provides that vacancies on the Board may be filled by the remaining trustees. A trustee may be removed only for cause and only by action of at least two-thirds of the remaining trustees or by action of at least two-thirds of the outstanding shares of the class or classes that elected such trustee.

Issuance of Shares. Under the declaration of trust of each Fund, the trustees are permitted to issue an unlimited number of shares for such consideration and on such terms as the trustees may determine. Shareholders are not entitled to any preemptive rights or other rights to subscribe to additional shares, except as the trustees may determine. Shares are subject to such other preferences, conversion, exchange or similar rights, as the trustees may determine.

Classes. The declaration of trust of each Fund gives broad authority to the trustees to establish classes or series in addition to those currently established and to determine the rights and preferences, conversion rights, voting powers, restrictions, limitations, qualifications or terms or conditions of redemptions of the shares of the classes or series. The trustees are also authorized to terminate a class or series without a vote of shareholders under certain circumstances.

Amendments to Declaration of Trust. Amendments to the declaration of trust generally require the consent of shareholders owning more than 50% of shares entitled to vote, voting in the aggregate. Certain amendments may be made by the trustees without a shareholder vote, and any amendment to the voting requirements contained in the declaration of trust requires the approval of two-thirds of the outstanding common shares and preferred shares, voting in the aggregate and not by class except to the extent that applicable law or the declaration of trust may require voting by class.

Shareholder, Trustee and Officer Liability. The declaration of trust of each Fund provides that shareholders have no personal liability for the acts or obligations of the Fund and require the Fund to indemnify a shareholder from any loss or expense arising solely by reason of his or her being or having been a shareholder and not because of his or her acts or omissions or for some other reasons. In addition, the Fund will assume the defense of any claim against a shareholder for personal liability at the request of the shareholder. Similarly, the declaration of trust provides that any person who is a trustee, officer or employee of the Fund is not personally liable to any person in connection with the affairs of the Fund, other than to the Fund and its shareholders arising from bad faith, willful misfeasance, gross negligence or reckless disregard for his or her duty. The declaration of trust further provides for indemnification of such persons and advancement of the expenses of defending any such actions for which indemnification might be sought. The declaration of trust also provides that the trustees may rely in good faith on expert advice.

Derivative Actions. Massachusetts has what is commonly referred to as a universal demand statute, which requires that a shareholder make a written demand on the board, requesting the trustees to bring an action, before the shareholder is entitled to bring or maintain a court action or claim on behalf of the entity.

D. ADDITIONAL INFORMATION ABOUT THE INVESTMENT POLICIES

Comparison of the Investment Objectives and Policies of the Acquiring Fund and the Target Funds

General

The investment objectives of the Funds are the same. The investment objectives of each Fund are to provide current income exempt from regular federal and California income taxes and to enhance portfolio value relative to the California municipal bond market by investing in tax-exempt California municipal securities that the Adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued.

Under normal circumstances, each Fund will invest at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes.

Note that (1) each Fund's investment objectives; and (2) each Fund's policy to invest, under normal circumstances, at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes are fundamental investment policies of the Fund and may not be changed without the approval of the holders of a majority of the outstanding common shares and preferred shares voting together as a single class, and the approval of the holders of a majority of the outstanding preferred shares, voting separately as a single class. When used with respect to particular shares of a Fund as used in this paragraph, a majority of the outstanding shares means (1) 67% or more of the shares present at a meeting, if the holders of more than 50% of the shares are present in person or represented by proxy, or (2) more than 50% of the shares, whichever is less.

Investment Policies

The Funds have substantially similar investment policies. Each Fund pursues its investment objectives by investing, under normal circumstances, at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes. As a non-fundamental investment policy, under normal circumstances, each Fund may invest up to 20% of its Managed Assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower) by at least one NRSRO, which includes below-investment-grade securities, or unrated securities judged to be of comparable quality by the Adviser and/or the Sub-Adviser. Additionally, as a non-fundamental policy, no more than 10% of the Acquiring Fund's Managed Assets may be invested in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Adviser and/or the Sub-Adviser.

Securities of below-investment-grade quality (Ba/BB or below) are commonly referred to as junk bonds. Municipal securities rated below-investment-grade quality are obligations of issuers that are considered predominantly speculative with respect to the issuer's capacity to pay interest and repay principal according to the terms of the obligation and, therefore, carry greater investment risk, including the possibility of issuer default and bankruptcy and increased market price volatility. Municipal securities rated below-investment-grade tend to be less marketable than higher-quality securities because the market for them is less broad. The market for unrated municipal securities is even narrower. During periods of thin trading in these markets, the spread between bid and asked prices is likely to increase significantly and a Fund may have greater difficulty selling its holdings of these types of portfolio securities. A Fund will be more dependent on the Adviser's and/or the Sub-Adviser's research and analysis when investing in these securities.

Municipal securities rated Baa or BBB are considered investment grade securities. Issuers of municipal securities rated BBB or Baa are regarded as having average creditworthiness relative to other U.S. municipal issuers; however, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the issuer to meet its financial commitments.

The foregoing credit quality policy targets apply only at the time a security is purchased, and a Fund is not required to dispose of a security in the event that a rating agency upgrades or downgrades its assessment of the credit characteristics of a particular issuer or that valuation changes of various

municipal securities cause the Fund's portfolio to fail to satisfy those targets. In determining whether to retain or sell such a security, the Adviser and/or the Sub-Adviser may consider such factors as the Adviser's and/or the Sub-Adviser's assessment of the credit quality of the issuer of such security, the price at which such security could be sold and the rating, if any, assigned to such security by other rating agencies. The credit ratings assigned by rating agencies from time to time, represent their opinions as to the quality of the municipal securities they rate. However, it should be emphasized that ratings are general and are not absolute standards of quality. Consequently, municipal securities with the same maturity, coupon and rating may have different yields while obligations of the same maturity and coupon with different ratings may have the same yield.

Each Fund's investment objectives include enhancing portfolio value relative to the municipal bond market by investing in tax-exempt municipal bonds that the Adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued. Underrated municipal securities are those whose ratings do not, in the Adviser's opinion, reflect their true value. Municipal securities may be underrated because of the time that has elapsed since their rating was assigned or reviewed or because of positive factors that may not have been fully taken into account by rating agencies, or for other similar reasons. Municipal securities that are undervalued or that represent undervalued municipal market sectors are municipal securities that, in the Adviser's opinion, are worth more than the value assigned to them in the marketplace. Municipal securities of particular types or purposes (e.g., hospital bonds, industrial revenue bonds or bonds issued by a particular municipal issuer) may be undervalued because there is a temporary excess of supply in that market sector, or because of a general decline in the market price of municipal securities of the market sector for reasons that do not apply to the particular municipal securities that are considered undervalued. A Fund's investment in underrated or undervalued municipal securities will be based on the Adviser's belief that the prices of such municipal securities should ultimately reflect their true value.

Each Fund will invest primarily in municipal securities with long-term maturities in order to maintain an average effective maturity of at least 15 years, but the average effective maturity of obligations held by the Fund may be lengthened or shortened as a result of portfolio transactions effected by the Adviser and/or the Sub-Adviser, depending on market conditions. As a result, a Fund's portfolio at any given time may include both long-term and intermediate-term municipal securities. Moreover, during temporary defensive periods (e.g., times when, in the Adviser's and/or the Sub-Adviser's opinion, temporary imbalances of supply and demand or other temporary dislocations in the tax-exempt bond market adversely affect the price at which long-term or intermediate-term municipal securities are available), and in order to keep a Fund's cash fully invested, the Fund may invest any percentage of its net assets in short-term investments including high quality, short-term debt securities that may be either tax-exempt or taxable and up to 10% of its Managed Assets in securities of other open- or closed-end investment companies (including exchange-traded funds) that invest primarily in municipal securities of the types in which the Fund may invest directly. As of February 29, 2016, the effective maturities of the portfolios of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 were 19.88, 21.72 and 21.96 years, respectively.

In addition, each Fund may purchase municipal securities that are additionally secured by insurance, bank credit agreements or escrow accounts. The credit quality of companies that provide such credit enhancements may affect the value of those securities. Although the insurance feature may reduce certain financial risks, the premiums for insurance and the higher market price paid for insured obligations may reduce a Fund's income. The insurance feature guarantees only the payment of principal and interest on the obligation when due and does not guarantee the market value of the

insured obligations, which will fluctuate with the bond market and the financial success of the issuer and the insurer, and the effectiveness and value of the insurance itself is dependent on the continued creditworthiness of the insurer. No representation is made as to the insurers' ability to meet their commitments.

Each Fund may enter into certain derivative instruments in pursuit of its investment objectives, including to seek to enhance return, to hedge certain risks of its investments in fixed-income securities or as a substitute for a position in the underlying asset. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts or other derivative instruments. A Fund may not enter into a futures contract or related options or forward contracts if more than 30% of the Fund's net assets would be represented by futures contracts or more than 5% of the Fund's net assets would be committed to initial margin deposits and premiums on futures contracts or related options.

Each Fund may invest up to 15% of its Managed Assets in inverse floating rate securities. Inverse floating rate securities represent a leveraged investment in the underlying municipal bond deposited. Inverse floating rate securities offer the opportunity for higher income than the underlying bond, but will subject a Fund to the risk of lower or even no income if short-term interest rates rise sufficiently. By investing in an inverse floating rate security rather than directly in the underlying bond, a Fund will experience a greater increase in its common share net asset value if the underlying municipal bond increases in value, but will also experience a correspondingly larger decline in its common share net asset value if the underlying bond declines in value.

Each Fund may borrow money to finance the repurchase of its shares or for temporary or emergency purposes, such as for the payment of dividends or the settlement of portfolio transactions. Interest on any borrowings to finance share repurchase transactions or the accumulation of cash by a Fund in anticipation of share repurchases or tenders will reduce the Fund's net income. Any share repurchase, tender offer or borrowing that might be approved by the Fund's Board would have to comply with the Exchange Act and the 1940 Act and the rules and regulations thereunder.

Each Fund is diversified for purposes of the 1940 Act. Consequently, as to 75% of its assets, the Acquiring Fund may not invest more than 5% of its total assets in the securities of any single issuer (and in not more than 10% of the outstanding voting securities of an issuer), except that this limitation does not apply to cash, securities of the U.S. government, its agencies and instrumentalities, and securities of other investment companies.

As noted above, during temporary defensive periods and in order to keep a Fund's cash fully invested, the Fund may deviate from its investment objectives and invest up to 100% of its net assets in short-term investments including high quality, short-term securities that may be either tax-exempt or taxable. It is the intent of each Fund to invest in taxable short-term investments only in the event that suitable tax-exempt short-term investments are not available at reasonable prices and yields. Investment in taxable short-term investments would result in a portion of your dividends being subject to regular federal and California income taxes, and if the proportion of taxable investments exceeded 50% of a Fund's total assets as of the close of any quarter of the Fund's taxable year, the Fund would not satisfy the general eligibility test that permits it to pay exempt-interest dividends for that taxable year.

Portfolio Investments

Municipal Securities

General. Each Fund may invest in various municipal securities, including municipal bonds and notes, other securities issued to finance and refinance public projects, and other related securities and derivative instruments creating exposure to municipal bonds, notes and securities that provide for the payment of interest income that is exempt from federal income tax and California income tax. Municipal securities are generally debt obligations issued by state and local governmental entities and may be issued by U.S. territories and possessions to finance or refinance public projects such as roads, schools, and water supply systems. Municipal securities may also be issued on behalf of private entities or for private activities, such as housing, medical and educational facility construction, or for privately owned transportation, electric utility and pollution control projects. Municipal securities may be issued on a long-term basis to provide permanent financing. The repayment of such debt may be secured generally by a pledge of the full faith and credit taxing power of the issuer, a limited or special tax, or any other revenue source including project revenues, which may include tolls, fees and other user charges, lease payments, and mortgage payments. Municipal securities may also be issued to finance projects on a short-term interim basis, anticipating repayment with the proceeds of the later issuance of long-term debt. Municipal securities may be issued and purchased in the form of bonds, notes, leases or certificates of participation; structured as callable or non-callable; with payment forms including fixed coupon, variable rate, zero coupon, capital appreciation bonds, tender option bonds and residual interest bonds or inverse floating rate securities; or acquired through investments in pooled vehicles, partnerships or other investment companies. Inverse floating rate securities are securities that pay interest at rates that vary inversely with changes in prevailing short-term tax-exempt interest rates and represent a leveraged investment in an underlying municipal security, which may increase the effective leverage of a Fund.

Each Fund may invest in municipal bonds issued by U.S. territories and possessions (such as Puerto Rico or Guam) the income from which is exempt from regular federal income tax. The yields on municipal securities depend on a variety of factors, including prevailing interest rates and the condition of the general money market and the municipal bond market, the size of a particular offering, the maturity of the obligation and the rating of the issue. The market value of municipal securities will vary with changes in interest rate levels and as a result of changing evaluations of the ability of their issuers to meet interest and principal payments.

Municipal Leases and Certificates of Participation. Each Fund also may purchase municipal securities that represent lease obligations and certificates of participation in such leases. These carry special risks because the issuer of the securities may not be obligated to appropriate money annually to make payments under the lease. A municipal lease is an obligation in the form of a lease or installment purchase that is issued by a state or local government to acquire equipment and facilities. Income from such obligations generally is exempt from state and local taxes in the state of issuance. Leases and installment purchase or conditional sale contracts (which normally provide for title to the leased asset to pass eventually to the governmental issuer) have evolved as a means for governmental issuers to acquire property and equipment without meeting the constitutional and statutory requirements for the issuance of debt. The debt issuance limitations are deemed to be inapplicable because of the inclusion in many leases or contracts of non-appropriation clauses that relieve the governmental issuer of any obligation to make future payments under the lease or contract unless money is appropriated for such purpose by the appropriate legislative body on a yearly or other periodic basis. In addition, such leases

or contracts may be subject to the temporary abatement of payments in the event the issuer is prevented from maintaining occupancy of the leased premises or utilizing the leased equipment or facilities. Although the obligations may be secured by the leased equipment or facilities, the disposition of the property in the event of non-appropriation or foreclosure might prove difficult, time consuming and costly, and result in a delay in recovering, or the failure to recover fully, a Fund's original investment. To the extent that a Fund invests in unrated municipal leases or participates in such leases, the credit quality rating and risk of cancellation of such unrated leases will be monitored on an ongoing basis. In order to reduce this risk, each Fund will purchase municipal securities representing lease obligations only where the Adviser and/or the Sub-Adviser believes the issuer has a strong incentive to continue making appropriations until maturity.

A certificate of participation represents an undivided interest in an unmanaged pool of municipal leases, an installment purchase agreement or other instruments. The certificates typically are issued by a municipal agency, a trust or other entity that has received an assignment of the payments to be made by the state or political subdivision under such leases or installment purchase agreements. Such certificates provide a Fund with the right to a pro rata undivided interest in the underlying municipal securities. In addition, such participations generally provide a Fund with the right to demand payment, on not more than seven days' notice, of all or any part of the Fund's participation interest in the underlying municipal securities, plus accrued interest.

Municipal Notes. Municipal securities in the form of notes generally are used to provide for short-term capital needs, in anticipation of an issuer's receipt of other revenues or financing, and typically have maturities of up to three years. Such instruments may include tax anticipation notes, revenue anticipation notes, bond anticipation notes, tax and revenue anticipation notes and construction loan notes. Tax anticipation notes are issued to finance the working capital needs of governments. Generally, they are issued in anticipation of various tax revenues, such as income, sales, property, use and business taxes, and are payable from these specific future taxes. Revenue anticipation notes are issued in expectation of receipt of other kinds of revenue, such as federal revenues available under federal revenue sharing programs. Bond anticipation notes are issued to provide interim financing until long-term bond financing can be arranged. In most cases, the long-term bonds then provide the funds needed for repayment of the bond anticipation notes. Tax and revenue anticipation notes combine the funding sources of both tax anticipation notes and revenue anticipation notes. Construction loan notes are sold to provide construction financing. Mortgage notes insured by the Federal Housing Authority secure these notes; however, the proceeds from the insurance may be less than the economic equivalent of the payment of principal and interest on the mortgage note if there has been a default. The anticipated revenues from taxes, grants or bond financing generally secure the obligations of an issuer of municipal notes. However, an investment in such instruments presents a risk that the anticipated revenues will not be received or that such revenues will be insufficient to satisfy the issuer's payment obligations under the notes or that refinancing will be otherwise unavailable.

Pre-Refunded Municipal Securities. The principal of, and interest on, pre-refunded municipal securities are no longer paid from the original revenue source for the securities. Instead, the source of such payments is typically an escrow fund consisting of U.S. government securities. The assets in the escrow fund are derived from the proceeds of refunding bonds issued by the same issuer as the pre-refunded municipal securities. Issuers of municipal securities use this advance refunding technique to obtain more favorable terms with respect to securities that are not yet subject to call or redemption by the issuer. For example, advance refunding enables an issuer to refinance debt at lower market interest rates, restructure debt to improve cash flow or eliminate restrictive covenants in the indenture or other

governing instrument for the pre-refunded municipal securities. However, except for a change in the revenue source from which principal and interest payments are made, the pre-refunded municipal securities remain outstanding on their original terms until they mature or are redeemed by the issuer.

Private Activity Bonds. Private activity bonds are issued by or on behalf of public authorities to obtain funds to provide privately operated housing facilities, airport, mass transit or port facilities, sewage disposal, solid waste disposal or hazardous waste treatment or disposal facilities and certain local facilities for water supply, gas or electricity. Other types of private activity bonds, the proceeds of which are used for the construction, equipment, repair or improvement of privately operated industrial or commercial facilities, may constitute municipal securities, although the current federal tax laws place substantial limitations on the size of such issues.

Inverse Floating Rate Securities. Each Fund may invest in inverse floating rate securities. Inverse floating rate securities are securities whose interest rates bear an inverse relationship to the interest rate on another security or the value of an index. Generally, inverse floating rate securities represent beneficial interests in a special purpose trust, commonly referred to as a tender option bond trust (TOB trust), that holds municipal bonds. The TOB trust typically sells two classes of beneficial interests or securities: floating rate securities (sometimes referred to as short-term floaters or tender option bonds (TOBs)), and inverse floating rate securities (sometimes referred to as inverse floaters). Both classes of beneficial interests are represented by certificates or receipts. The floating rate securities have first priority on the cash flow from the municipal bonds held by the TOB trust. In this structure, the floating rate security holders have the option, at periodic short-term intervals, to tender their securities to the trust for purchase and to receive the face value thereof plus accrued interest. The obligation of the trust to repurchase tendered securities is supported by a remarketing agent and by a liquidity provider. As consideration for providing this support, the remarketing agent and the liquidity provider receive periodic fees. The holder of the short-term floater effectively holds a demand obligation that bears interest at the prevailing short-term, tax-exempt rate. However, the trust is not obligated to purchase tendered short-term floaters in the event of certain defaults with respect to the underlying municipal bonds or a significant downgrade in the credit rating assigned to the bond issuer.

As the holder of an inverse floating rate investment, a Fund receives the residual cash flow from the TOB trust. Because the holder of the short-term floater is generally assured liquidity at the face value of the security plus accrued interest, the holder of the inverse floater assumes the interest rate cash flow risk and the market value risk associated with the municipal bond deposited into the TOB trust. The volatility of the interest cash flow and the residual market value will vary with the degree to which the trust is leveraged. This is expressed in the ratio of the total face value of the short-term floaters to the value of the inverse floaters that are issued by the TOB trust, and can exceed three times for more highly leveraged trusts. All voting rights and decisions to be made with respect to any other rights relating to the municipal bonds held in the TOB trust are passed through, pro rata, to the holders of the short-term floaters and to a Fund as the holder of the associated inverse floaters.

Because any increases in the interest rate on the short-term floaters issued by a TOB trust would reduce the residual interest paid on the associated inverse floaters, and because fluctuations in the value of the municipal bond deposited in the TOB trust would affect only the value of the inverse floater and not the value of the short-term floater issued by the trust so long as the value of the municipal bond held by the trust exceeded the face amount of short-term floaters outstanding, the value of inverse floaters is generally more volatile than that of an otherwise comparable municipal bond held on an unleveraged basis outside a TOB trust. Inverse floaters generally will underperform the market of fixed-rate bonds in

a rising interest rate environment (i.e., when bond values are falling), but will tend to outperform the market of fixed-rate bonds when interest rates decline or remain relatively stable. Although volatile in value and return, inverse floaters typically offer the potential for yields higher than those available on fixed-rate bonds with comparable credit quality, coupon, call provisions and maturity. Inverse floaters have varying degrees of liquidity or illiquidity based primarily upon the inverse floater holder's ability to sell the underlying bonds deposited in the TOB trust at an attractive price.

Each Fund may invest in inverse floating rate securities issued by TOB trusts in which the liquidity providers have recourse to the Fund pursuant to a separate shortfall and forbearance agreement. Such an agreement would require a Fund to reimburse the liquidity provider, among other circumstances, upon termination of the TOB trust for the difference between the liquidation value of the bonds held in the trust and the principal amount and accrued interest due to the holders of floating rate securities issued by the trust. A Fund will enter into such a recourse agreement (1) when the liquidity provider requires such a recourse agreement because the level of leverage in the TOB trust exceeds the level that the liquidity provider is willing to support absent such an agreement; and/or (2) to seek to prevent the liquidity provider from collapsing the trust in the event the municipal bond held in the trust has declined in value to the point where it may cease to exceed the face amount of outstanding short-term floaters. In an instance where a Fund has entered such a recourse agreement, the Fund may suffer a loss that exceeds the amount of its original investment in the inverse floating rate securities; such loss could be as great as that original investment amount plus the face amount of the floating rate securities issued by the trust plus accrued interest thereon.

Each Fund will segregate or earmark liquid assets with its custodian in accordance with the 1940 Act to cover its obligations with respect to its investments in TOB trusts.

Each Fund may invest in both inverse floating rate securities and floating rate securities (as discussed below) issued by the same TOB trust.

Floating Rate Securities. Each Fund may also invest in short-term floating rate securities, as described above, issued by TOB trusts. Generally, the interest rate earned will be based upon the market rates for municipal securities with maturities or remarketing provisions that are comparable in duration to the periodic interval of the tender option, which may vary from weekly, to monthly, to other periods of up to one year. Since the tender option feature provides a shorter term than the final maturity or first call date of the underlying municipal bond deposited in the trust, a Fund, as the holder of the floating rate securities, relies upon the terms of the remarketing and liquidity agreements with the financial institution that acts as remarketing agent and/or liquidity provider as well as the credit strength of that institution. As further assurance of liquidity, the terms of the TOB trust provide for a liquidation of the municipal bond deposited in the trust and the application of the proceeds to pay off the floating rate securities. The TOB trusts that are organized to issue both short-term floating rate securities and inverse floaters generally include liquidation triggers to protect the investor in the floating rate securities.

Special Taxing Districts. Special taxing districts are organized to plan and finance infrastructure developments to induce residential, commercial and industrial growth and redevelopment. The bond financing methods such as tax increment finance, tax assessment, special services district and Mello-Roos bonds, generally are payable solely from taxes or other revenues attributable to the specific projects financed by the bonds without recourse to the credit or taxing power of related or overlapping municipalities. They often are exposed to real estate development-related

risks and can have more taxpayer concentration risk than general tax-supported bonds, such as general obligation bonds. Further, the fees, special taxes, or tax allocations and other revenues that are established to secure such financings generally are limited as to the rate or amount that may be levied or assessed and are not subject to increase pursuant to rate covenants or municipal or corporate guarantees. The bonds could default if development failed to progress as anticipated or if larger taxpayers failed to pay the assessments, fees and taxes as provided in the financing plans of the districts.

Illiquid Securities

Each Fund may invest in illiquid securities (i.e., securities that are not readily marketable), including, but not limited to, restricted securities (securities the disposition of which is restricted under the federal securities laws), securities that may be resold only pursuant to Rule 144A under the Securities Act that are deemed to be illiquid, and certain repurchase agreements.

Restricted securities may be sold only in privately negotiated transactions or in a public offering with respect to which a registration statement is in effect under the Securities Act. Where registration is required, a Fund may be obligated to pay all or part of the registration expenses and a considerable period may elapse between the time of the decision to sell and the time the Fund may be permitted to sell a security under an effective registration statement. If, during such a period, adverse market conditions were to develop, the Fund might obtain a less favorable price than that which prevailed when it decided to sell. Illiquid securities will be priced at a fair value as determined in good faith by the Board or its delegatee.

When-Issued and Delayed-Delivery Transactions

Each Fund may buy and sell municipal securities on a when-issued or delayed delivery basis, making payment or taking delivery at a later date, normally within 15 to 45 days of the trade date. On such transactions, the payment obligation and the interest rate are fixed at the time the buyer enters into the commitment. Beginning on the date a Fund enters into a commitment to purchase securities on a when-issued or delayed delivery basis, the Fund is required under interpretations of the SEC to maintain in a separate account liquid assets, consisting of cash, cash equivalents or liquid securities having a market value, at all times, at least equal to the amount of the commitment. Income generated by any such assets which provide taxable income for federal income tax purposes is includable in the taxable income of a Fund and, to the extent distributed, will be taxable to shareholders. Each Fund may enter into contracts to purchase municipal securities on a forward basis (i.e., where settlement will occur more than 60 days from the date of the transaction) only to the extent that the Fund specifically collateralizes such obligations with a security that is expected to be called or mature within 60 days before or after the settlement date of the forward transaction. The commitment to purchase securities on a when-issued, delayed delivery or forward basis may involve an element of risk because no interest accrues on the bonds prior to settlement and, at the time of delivery, the market value may be less than cost.

Derivatives

General. Each Fund may invest in certain derivative instruments in pursuit of its investment objectives. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts or other derivative instruments. Credit default swaps may require initial premium (discount) payments as well as periodic

payments (receipts) related to the interest leg of the swap or to the default of a reference obligation. If a Fund is a seller of a contract, the Fund would be required to pay the par (or other agreed upon) value of a referenced debt obligation to the counterparty in the event of a default or other credit event by the reference issuer, such as a U.S. or foreign corporate issuer, with respect to such debt obligations. In return, a Fund would receive from the counterparty a periodic stream of payments over the term of the contract provided that no event of default has occurred. If no default occurs, a Fund would keep the stream of payments and would have no payment obligations. As the seller, a Fund would be subject to investment exposure on the notional amount of the swap. If a Fund is a buyer of a contract, the Fund would have the right to deliver a referenced debt obligation and receive the par (or other agreed-upon) value of such debt obligation from the counterparty in the event of a default or other credit event (such as a credit downgrade) by the reference issuer, such as a U.S. or foreign corporation, with respect to its debt obligations. In return, a Fund would pay the counterparty a periodic stream of payments over the term of the contract provided that no event of default has occurred. If no default occurs, the counterparty would keep the stream of payments and would have no further obligations to a Fund. Interest rate swaps involve the exchange by a Fund with a counterparty of their respective commitments to pay or receive interest, such as an exchange of fixed-rate payments for floating rate payments. A Fund will usually enter into interest rate swaps on a net basis; that is, the two payment streams will be netted out in a cash settlement on the payment date or dates specified in the instrument, with the Fund receiving or paying, as the case may be, only the net amount of the two payments.

The Adviser and/or the Sub-Adviser may use derivative instruments to seek to enhance return, to hedge some of the risk of a Fund's investments in municipal securities or as a substitute for a position in the underlying asset. These types of strategies may generate taxable income.

There is no assurance that these derivative strategies will be available at any time or that the Adviser and/or the Sub-Adviser will determine to use them for a Fund or, if used, that the strategies will be successful.

Limitations on the Use of Futures, Options on Futures and Swaps. The Adviser has claimed, with respect to each Fund, the exclusion from the definition of "commodity pool operator" under the U.S. Commodity Exchange Act of 1936 (the "CEA") provided by Commodity Futures Trading Commission (the "CFTC") Regulation 4.5 and is therefore not currently subject to registration or regulation as such under the CEA with respect to the Fund. In addition, the Sub-Adviser has claimed the exemption from registration as a commodity trading advisor provided by CFTC Regulation 4.14(a)(8) and is therefore not currently subject to registration or regulation as such under the CEA with respect to each Fund. In February 2012, the CFTC announced substantial amendments to certain exemptions, and to the conditions for reliance on those exemptions, from registration as a commodity pool operator. Under amendments to the exemption provided under CFTC Regulation 4.5, if a Fund uses futures, options on futures, or swaps other than for bona fide hedging purposes (as defined by the CFTC), the aggregate initial margin and premiums on these positions (after taking into account unrealized profits and unrealized losses on any such positions and excluding the amount by which options that are "in-the-money" at the time of purchase are "in-the-money") may not exceed 5% of the Fund's net asset value, or alternatively, the aggregate net notional value of those positions may not exceed 100% of the Fund's net asset value (after taking into account unrealized profits and unrealized losses on any such positions). The CFTC amendments to Regulation 4.5 took effect on December 31, 2012, and each Fund intends to comply with amended Regulation 4.5's requirements such that the Adviser will not be required to register as a commodity pool operator with the CFTC with respect to the Fund. Each Fund reserves the right to employ futures, options on futures and swaps to the extent

allowed by CFTC regulations in effect from time to time and in accordance with the Fund's policies. However, the requirements for qualification as a regulated investment company under Subchapter M of the Code may limit the extent to which a Fund may employ futures, options on futures or swaps.

Structured Notes

Each Fund may utilize structured notes and similar instruments for investment purposes and also for hedging purposes. Structured notes are privately negotiated debt obligations where the principal and/or interest is determined by reference to the performance of a benchmark asset, market or interest rate (an embedded index), such as selected securities, an index of securities or specified interest rates, or the differential performance of two assets or markets. The terms of such structured instruments normally provide that their principal and/or interest payments are to be adjusted upwards or downwards (but not ordinarily below zero) to reflect changes in the embedded index while the structured instruments are outstanding. As a result, the interest and/or principal payments that may be made on a structured product may vary widely, depending upon a variety of factors, including the volatility of the embedded index and the effect of changes in the embedded index on principal and/or interest payments. The rate of return on structured notes may be determined by applying a multiplier to the performance or differential performance of the referenced index or indices or other assets. Application of a multiplier involves leverage that will serve to magnify the potential for gain and the risk of loss.

Special Considerations Relating to California Municipal Securities

As described above, each Fund will invest at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal and California income taxes. Each Fund is therefore susceptible to political, economic or regulatory factors affecting issuers of California municipal securities. See Risk Factors General Risks of Investing in the Fund Concentration Risk and Appendix D to the Memorandum. Information regarding the financial condition of the State of California is ordinarily included in various public documents issued thereby, such as the official statements prepared in connection with the issuance of general obligation bonds of the State of California. Such official statements may be obtained by contacting the State Treasurer's Office at (800) 900-3873 or at www.treasurer.ca.gov. Complete text of the Governor's proposed 2016-2017 budget, the 2015-2016 budget and prior budgets may be found at the electronic budget website of the Department of Finance (www.ebudget.ca.gov).

The State of California is a party to numerous legal proceedings, many of which normally occur in governmental operations. Information regarding some of the more significant litigation pending against the State would ordinarily be included in various public documents issued thereby, such as the official statements referred to above prepared in connection with the issuance of general obligation bonds of California.

The Legislative Analyst's Office (the LAO) has released several reports which include their estimates and assessments of State budget acts and associated fiscal and economic projections.

Publications from the LAO can be read in full by accessing the LAO's website (www.lao.ca.gov) or by contacting the LAO at (916) 445-4656. Complete text of the State Controller's monthly Summary Analysis may be accessed at the State Controller's website (www.sco.ca.gov).

None of the information on the above websites is incorporated herein by reference.

Other Investment Companies

Each Fund may invest up to 10% of its Managed Assets in securities of other open- or closed-end investment companies (including ETFs) that invest primarily in municipal securities of the types in which the Fund may invest directly. In addition, each Fund may invest a portion of its Managed Assets in pooled investment vehicles (other than investment companies) that invest primarily in municipal securities of the types in which the Fund may invest directly. Each Fund generally expects that it may invest in other investment companies and/or other pooled investment vehicles either during periods when it has large amounts of uninvested cash or during periods when there is a shortage of attractive, high yielding municipal securities available in the market. Each Fund may invest in investment companies that are advised by the Adviser and/or the Sub-Adviser or their affiliates to the extent permitted by applicable law and/or pursuant to exemptive relief from the SEC. No Fund has applied for, and no Fund currently intends to apply for, such relief. As a shareholder in an investment company, each Fund will bear its ratable share of that investment company's expenses and would remain subject to payment of its own management fees with respect to assets so invested.

The Adviser and/or the Sub-Adviser will take expenses into account when evaluating the investment merits of an investment in an investment company relative to available municipal security investments. In addition, the securities of other investment companies may also be leveraged and will therefore be subject to the same leverage risks described herein.

Zero Coupon Bonds

Each Fund may invest in zero coupon bonds. A zero coupon bond is a bond that typically does not pay interest for the entire life of the obligation or for an initial period after the issuance of the obligation. The market prices of zero coupon bonds are affected to a greater extent by changes in prevailing levels of interest rates and therefore tend to be more volatile in price than securities that pay interest periodically. In addition, because each Fund accrues income with respect to these securities prior to the receipt of such interest, it may have to dispose of portfolio securities under disadvantageous circumstances in order to obtain cash needed to pay income dividends in amounts necessary to avoid unfavorable tax consequences.

Hedging Strategies

Each Fund may use various investment strategies designed to limit the risk of bond price fluctuations and to preserve capital. These hedging strategies include using financial futures contracts, options on financial futures or options based on either an index of long-term municipal securities or on taxable debt securities whose prices, in the opinion of the Adviser and/or the Sub-Adviser, correlate with the prices of each Fund's investments. These hedging strategies may generate taxable income.

Portfolio Turnover

Each Fund may buy and sell municipal securities to accomplish its investment objectives in relation to actual and anticipated changes in interest rates. Each Fund also may sell one municipal security and buy another of comparable quality at about the same time to take advantage of what the Adviser and/or the Sub-Adviser believes to be a temporary price disparity between the two bonds that may result from imbalanced supply and demand. Each Fund also may engage in a limited amount of short-term trading, consistent with its investment objectives. Each Fund may sell securities in anticipation of a market decline (a rise in interest rates) or buy securities in anticipation of a market rise.

(a decline in interest rates) and later sell them, but the Fund will not engage in trading solely to recognize a gain. Each Fund will attempt to achieve its investment objectives by prudently selecting California municipal securities with a view to holding them for investment. Although a Fund cannot accurately predict its annual portfolio turnover rate, each Fund expects, though it cannot guarantee, that its annual portfolio turnover rate generally will not exceed 25% under normal circumstances. For the fiscal year ended February 29, 2016, the portfolio turnover rates of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 were 15%, 17% and 18%, respectively. There are no limits on the rate of portfolio turnover, and investments may be sold without regard to length of time held when investment considerations warrant such action. A higher portfolio turnover rate results in correspondingly greater brokerage commissions and other transactional expenses that are borne by a Fund. In addition, high portfolio turnover may result in the realization of net short-term capital gains by a Fund which, when distributed to shareholders, will be taxable as ordinary income for federal income tax purposes.

The Board of each Fund recommends that shareholders vote FOR the approval of the Reorganization(s).

PROPOSAL NO. 3 APPROVAL OF ISSUANCE OF ADDITIONAL COMMON SHARES

OF ACQUIRING FUND

(ACQUIRING FUND ONLY)

In connection with the proposed Reorganizations, the Acquiring Fund will issue additional Acquiring Fund common shares to each of Dividend Advantage 2 and Dividend Advantage 3. Subject to notice of issuance, the Acquiring Fund will list such shares on the NYSE. In addition, the Acquiring Fund will issue VRDP Shares. The Acquiring Fund will acquire substantially all of the assets of each Target Fund in exchange for newly issued Acquiring Fund common shares and newly issued Acquiring Fund preferred shares and the assumption of substantially all of the liabilities of each Target Fund. Each Target Fund will distribute Acquiring Fund common shares to its common shareholders and Acquiring Fund preferred shares to its preferred shareholders and will then terminate its registration under the 1940 Act and dissolve under applicable state law. The Acquiring Fund's Board, based upon its evaluation of all relevant information, anticipates that the Reorganizations may benefit holders of the Acquiring Fund's common shares and preferred shares due to, among other reasons, the increased size of the combined fund. For a fuller discussion of the Board's considerations regarding the approval of the Reorganizations, see Proposal No. 2 Information About the Reorganizations Reasons for the Reorganizations.

The aggregate net asset value, as of the Valuation Time, of the Acquiring Fund common shares received by each Target Fund in connection with a Reorganization will equal the aggregate net asset value of the Target Fund common shares held by shareholders of such Target Fund as of the Valuation Time. Prior to the Valuation Time, the net asset value of each Target Fund and the Acquiring Fund will be reduced by the costs of the Reorganizations borne by such Fund. No fractional Acquiring Fund common shares will be distributed to a Target Fund's common shareholders in connection with a Reorganization and, in lieu of such fractional shares, each Target Fund's common shareholders entitled to receive such fractional shares will receive cash in an amount equal to a pro-rata share of the proceeds from the sale of such shares in the open market, which may be higher or lower than net asset value. The aggregate liquidation preference of the preferred shares issued by the Acquiring Fund in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. As a result of the Reorganizations, shareholders of the Funds will hold reduced percentages of ownership in the larger combined entity than they held in the Acquiring Fund or Target Fund individually.

The Reorganizations will result in no reduction in net asset value of the Acquiring Fund's common shares, other than to reflect the costs of the Reorganizations. It is expected that no gain or loss will be recognized by the Acquiring Fund for federal income tax purposes as a direct result of the Reorganizations. To the extent that portfolio securities of a Target Fund are sold prior to the closing of the Reorganizations, such Fund may realize gains or losses, which may increase or decrease the net capital gains or net investment income to be distributed by such Fund. The shareholders of a Target Fund will receive a proportionate share of any income and gains realized by the Acquiring Fund and not distributed to its shareholders prior to the closing of the Reorganizations when such income and gains are eventually distributed by the Acquiring Fund.

The Acquiring Fund will continue to operate following the Reorganizations as a registered closed-end management investment company with the investment objectives and policies described in this Joint Proxy Statement.

While applicable state and federal law does not require the common shareholders of the Acquiring Fund to approve the issuance of additional Acquiring Fund common shares, applicable NYSE rules require shareholder approval of additional Acquiring Fund common shares to be issued in connection with the Reorganizations, and the Statements for the Acquiring Fund's outstanding VMTP Shares and VRDP Shares generally require the common shareholders and preferred shareholders of the Acquiring Fund to vote together on matters submitted to a vote of shareholders.

Shareholder approval of the issuance of additional common shares of the Acquiring Fund requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on the proposal, with common and preferred shareholders of the Acquiring Fund voting together as a single class, and common shareholders of the Acquiring Fund voting separately, represent over 50% of the shares entitled to vote on the matter. Abstentions and broker non-votes will have no effect on the proposal. Broker non-votes are shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter.

The consummation of the Reorganizations is contingent on the satisfaction or waiver of all closing conditions, including approval of the proposals relating to the Reorganizations by each Target Fund's shareholders and the Acquiring Fund's shareholders.

The Board of the Acquiring Fund recommends that shareholders of the Acquiring Fund vote FOR the approval of the issuance of additional Acquiring Fund common shares in connection with the Reorganizations.

ADDITIONAL INFORMATION ABOUT THE ACQUIRING FUND

Certain Provisions in the Acquiring Fund's Declaration of Trust and By-Laws

Please see "Certain Provisions in the Declaration of Trust and By-Laws" in the Memorandum for a description of your rights under Massachusetts law and describing additional rights contained in the Acquiring Fund's declaration of trust and by-laws.

Repurchase of Common Shares; Conversion to Open-End Fund

The Acquiring Fund is a closed-end management investment company, and as such its shareholders do not have the right to cause the Acquiring Fund to redeem their common shares. Instead, the common shares of the Acquiring Fund trade in the open market at a price that is a function of several factors, including dividend levels (which are in turn affected by expenses), net asset value, call protection, dividend stability, portfolio credit quality, relative demand for and supply of such shares in the market, general market and economic conditions and other factors. Because common shares of closed-end management investment companies may frequently trade at prices lower than net asset value, the Acquiring Fund's Board has determined that, at least annually, it will consider action that might be taken to reduce or eliminate any material discount from net asset value in respect of common shares, which may include the repurchase of such shares in the open market or in private transactions, the making of a tender offer for such shares at net asset value, or the conversion of the Acquiring Fund to an open-end investment company. There is no assurance that the Acquiring Fund's Board will decide to take any of these actions, or that share repurchases or tender offers will actually reduce market discount.

Notwithstanding the foregoing, at any time when the Acquiring Fund's preferred shares are outstanding, the Acquiring Fund may not purchase, redeem or otherwise acquire any of its common shares unless (1) all accumulated but unpaid preferred shares dividends due to be paid have been paid and (2) at the time of such purchase, redemption or acquisition, the net asset value of the Acquiring Fund's portfolio (determined after deducting the acquisition price of the common shares) is at least 200% of the liquidation value (expected to equal the original purchase price per share plus any accumulated but unpaid dividends thereon) of the outstanding preferred shares, including VMTP Shares and VRDP Shares.

If the Acquiring Fund converted to an open-end investment company, it would be required to redeem all its preferred shares, including VMTP Shares and VRDP Shares then outstanding (requiring in turn that it liquidate a portion of its investment portfolio), and the common shares would no longer be listed on an exchange. In contrast to a closed-end management investment company, shareholders of an open-end management investment company may require the company to redeem their shares at any time (except in certain circumstances as authorized by or under the 1940 Act) at their net asset value, less any redemption charge that is in effect at the time of redemption. See "Certain Provisions in the Acquiring Fund's Declaration of Trust and By-Laws" in the Memorandum for a discussion of the voting requirements applicable to the conversion of the Acquiring Fund to an open-end management investment company.

Before deciding whether to take any action if the common shares trade below net asset value, the Board would consider all relevant factors, including the extent and duration of the discount, the liquidity of the Acquiring Fund's portfolio, the impact of any action that might be taken on the

Acquiring Fund or its shareholders and market considerations. Based on these considerations, even if the Acquiring Fund's common shares should trade at a discount, the Board may determine that, in the interest of the Acquiring Fund, no action should be taken.

Description of Outstanding Acquiring Fund VMTP Shares

General

The Acquiring Fund currently has outstanding 1,450 VMTP Shares, Series 2019, par value \$0.01 per share, with a total liquidation preference per share of \$100,000, which will remain outstanding following the completion of the Reorganizations. The Acquiring Fund initially issued the Outstanding VMTP Shares to a single institutional investor in a private transaction exempt from registration under the Securities Act.

Dividends

Holders of VMTP Shares are entitled to receive cash dividends when, as and if declared by the Acquiring Fund's Board. The amount of dividends per VMTP Share payable on any dividend payment date will equal the sum of dividends accumulated but not yet paid for each rate period during the relevant monthly dividend period. The dividend rate applicable to any rate period (which typically consists of seven days) is an index rate based on the SIFMA Municipal Swap Index plus an applicable spread. The applicable spread is subject to adjustment in certain circumstances, including a change in the credit rating assigned to the VMTP Shares.

Redemption

VMTP Shares are subject to optional and mandatory redemption in certain circumstances. The Acquiring Fund is obligated to redeem the VMTP Shares on July 1, 2019, unless earlier redeemed or repurchased by the Acquiring Fund, at a redemption price per share equal to the liquidation preference per share (\$100,000) plus any accumulated but unpaid dividends thereon. VMTP Shares also may be redeemed in whole or in part at the option of the Acquiring Fund at a redemption price per share equal to the liquidation preference per share plus any accumulated but unpaid dividends thereon, plus a certain redemption premium. In the event the Acquiring Fund fails to comply with asset coverage and/or effective leverage ratio requirements and any such failure is not cured within the applicable cure period, the Acquiring Fund may become obligated to redeem such number of preferred shares as are necessary to achieve compliance with such requirements.

Voting and Consent Rights

Except as otherwise provided in the Acquiring Fund's declaration of trust, the statement establishing and fixing the rights and preferences of VMTP Shares, or as otherwise required by applicable law, (1) each holder of VMTP Shares is entitled to one vote for each VMTP Share held on each matter submitted to a vote of shareholders of the Acquiring Fund, and (2) the holders of VMTP Shares, along with holders of other outstanding preferred shares of the Acquiring Fund, vote with holders of common shares of the Acquiring Fund as a single class; provided, however, that holders of preferred shares, including VMTP Shares, are entitled as a class to elect two trustees of the Acquiring Fund at all times. The holders of outstanding common shares and preferred shares, including VMTP Shares, voting as a single class, elect the balance of the trustees of the Acquiring Fund.

Holders of VMTP Shares, as a separate class, have voting and consent rights with respect to certain actions that would materially and adversely affect any preference, right or power of the VMTP Shares or holders of VMTP Shares. In addition, holders of VMTP Shares have certain consent rights under the purchase agreement for the VMTP Shares with respect to certain actions that would affect their investment in the Acquiring Fund. Holders of VMTP Shares also are entitled to vote as a class with holders of other preferred shares of the Acquiring Fund on matters that relate to the conversion of the Acquiring Fund to an open-end investment company, certain plans of reorganization adversely affecting holders of the preferred shares or any other action requiring a vote of security holders of the Acquiring Fund under Section 13(a) of the 1940 Act. In certain circumstances, holders of preferred shares, including VMTP Shares, are entitled to elect additional trustees in the event at least two full years' dividends are due and unpaid and sufficient cash or specified securities have not been deposited for their payment, or at any time holders of preferred shares are entitled under the 1940 Act to elect a majority of the trustees of the Acquiring Fund.

Priority of Payment

The VMTP Shares are senior in priority to the Acquiring Fund's common shares as to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The VMTP Shares have equal priority as to the payment of dividends and as to distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund with other preferred shares of the Acquiring Fund, including the Outstanding VRDP Shares and the New VRDP Shares to be issued in connection with the Reorganizations.

Description of Outstanding Acquiring Fund VRDP Shares

Series	Outstanding Shares	Par Value Per Share	Liquidation Preference Per Share	Final Mandatory Redemption Date ⁽¹⁾
VRDP Shares, Series 1	1,362	\$ 0.01	\$ 100,000	June 1, 2041
VRDP Shares, Series 2	910	\$ 0.01	\$ 100,000	December 1, 2040
VRDP Shares, Series 3	498	\$ 0.01	\$ 100,000	March 1, 2040
VRDP Shares, Series 4	1,056	\$ 0.01	\$ 100,000	December 1, 2042
VRDP Shares, Series 5	1,589	\$ 0.01	\$ 100,000	August 1, 2040
VRDP Shares, Series 6	1,581	\$ 0.01	\$ 100,000	August 1, 2040

(1) In each case, the final mandatory redemption date is subject to earlier redemption or repurchase by the Fund.

The Acquiring Fund has outstanding an aggregate of 6,996 VRDP Shares in six series (previously defined as the Outstanding VRDP Shares). The Outstanding VRDP Shares will remain outstanding following the completion of the Reorganizations. The Acquiring Fund initially issued each series of the Outstanding VRDP Shares to a small number of institutional investors in a private transaction exempt from registration under the Securities Act.

The Outstanding VRDP Shares of each series pay an adjustable dividend rate set weekly by the applicable remarketing agent. Holders of the Outstanding VRDP Shares of each series have the right to give notice on any business day to tender the securities for remarketing in seven days. The Outstanding VRDP Shares of each series are also subject to a mandatory tender for remarketing upon the occurrence of certain events, such as the non-payment of dividends by the Acquiring Fund. Should a remarketing be unsuccessful, the dividend rate will reset to a maximum rate as defined in the governing documents of the Outstanding VRDP Shares of the applicable series.

The Outstanding VRDP Shares of each series have the benefit of an unconditional demand feature pursuant to a purchase agreement provided by a bank acting as liquidity provider to ensure full and timely repayment of the liquidation preference amount plus any accumulated and unpaid dividends to holders upon the occurrence of certain events. The agreement for the Outstanding VRDP Shares of each series requires the applicable liquidity provider to purchase from holders all Outstanding VRDP Shares of such series tendered for sale that were not successfully remarketed. The liquidity provider also must purchase all Outstanding VRDP Shares of the applicable series prior to termination of the purchase agreement for such series, including by reason of the failure of the liquidity provider to maintain the requisite level of short-term ratings, if the Acquiring Fund has not obtained an alternate purchase agreement before the termination date.

The obligation of the liquidity provider for the Outstanding VRDP Shares of each series to purchase the Outstanding VRDP Shares of such series pursuant to the purchase agreement for such series runs to the benefit of the holders of the Outstanding VRDP Shares of such series and is unconditional and irrevocable, and as such the short-term ratings assigned to the Outstanding VRDP Shares of each series are directly linked to the short-term creditworthiness of the associated liquidity provider. The liquidity provider for the Outstanding VRDP Shares of each series entered into a purchase agreement with respect to the Outstanding VRDP Shares of such series, subject to periodic extension by agreement with the Acquiring Fund.

Prior to the applicable final mandatory redemption date, the Outstanding VRDP Shares of each series are subject to optional and mandatory redemption by the Acquiring Fund in certain circumstances. Outstanding VRDP Shares of each series may be redeemed at any time, at the option of the Acquiring Fund (in whole or, from time to time, in part), out of funds legally available therefor, at a redemption price per share equal to the sum of \$100,000 plus an amount equal to accumulated but unpaid dividends thereon (whether or not earned or declared) until, but not excluding, the date fixed for redemption. Pursuant to the Statement for the Outstanding VRDP Shares of each series and the fee agreement with the liquidity provider for such series, the Acquiring Fund will have an obligation to redeem, at a redemption price equal to \$100,000 per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed by the Board for redemption, shares of such series purchased by the liquidity provider pursuant to its obligations under the purchase agreement if the liquidity provider continues to be the beneficial owner for a period of six months and such shares cannot be successfully remarketed. The Acquiring Fund also will redeem, at a redemption price equal to the liquidation preference per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed by the Board for redemption, such number of preferred shares as is necessary to achieve compliance with the applicable requirement, if the Acquiring Fund fails to maintain (1) the minimum VRDP asset coverage required under the 1940 Act and the Acquiring Fund's agreement with the liquidity provider for the Outstanding VRDP Shares of each series or (2) the VRDP basic maintenance amount (if any) prescribed by the applicable rating agencies then rating the Outstanding VRDP Shares of each series, and such failures are not cured by the applicable cure date. In the event of changes in, or elimination of, any or all long-term ratings of the Outstanding VRDP Shares of each series, the requirement to effect a mandatory redemption after the applicable cure date upon a failure to maintain the VRDP basic maintenance amount may be changed or eliminated. The Acquiring Fund is not required under the Statement for the Outstanding VRDP Shares of any series to maintain any particular long-term ratings for the Outstanding VRDP Shares of such series and may, at any time, replace a rating agency with another rating agency or terminate the services of any rating agency then providing a rating for the Outstanding

VRDP Shares of such series without replacement, in either case without the approval of holders of the Outstanding VRDP Shares of such series or other shareholders of the Acquiring Fund.

Except as otherwise provided in the Acquiring Fund's declaration of trust or the Statements for the Outstanding VRDP Shares or as otherwise required by applicable law, (1) each holder of Outstanding VRDP Shares is entitled to one vote for each Outstanding VRDP Share held on each matter submitted to a vote of shareholders of the Acquiring Fund, and (2) the holders of Outstanding VRDP Shares, along with holders of other outstanding preferred shares, if any, of the Acquiring Fund, vote with holders of common shares of the Acquiring Fund as a single class; provided, however, that holders of preferred shares, including the Outstanding VRDP Shares of each series, are entitled as a class to elect two trustees of the Acquiring Fund at all times. The holders of outstanding common shares and preferred shares, including the Outstanding VRDP Shares of each series, voting as a single class, elect the balance of the trustees of the Acquiring Fund.

Holders of the Outstanding VRDP Shares of each series, as a separate class, have voting and consent rights with respect to certain actions that would materially and adversely affect any preference, right or power of the Outstanding VRDP Shares of such series or holders of the Outstanding VRDP Shares of such series. Holders of Outstanding VRDP Shares of each series, together, are also entitled to vote as a class with holders of other preferred shares of the Acquiring Fund on matters that relate to the conversion of the Acquiring Fund to an open-end investment company, certain plans of reorganization adversely affecting holders of the preferred shares or any other action requiring a vote of security holders of the Acquiring Fund under Section 13(a) of the 1940 Act. Holders of preferred shares, including the Outstanding VRDP Shares of each series, together, are entitled to elect additional trustees constituting, when added to the two trustees elected exclusively by the holders of preferred shares, a majority of the trustees, in the event at least two full years' dividends are due and unpaid and sufficient cash or specified securities have not been deposited for their payment, or at any time holders of preferred shares are entitled under the 1940 Act to elect a majority of the trustees of the Acquiring Fund.

The Outstanding VRDP Shares of each series are senior in priority to the Acquiring Fund's common shares as to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Outstanding VRDP Shares of each series have equal priority as to the payment of dividends and as to distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund with each other and with other preferred shares of the Acquiring Fund, including the Acquiring Fund's Outstanding VRDP Shares and New VRDP Shares to be issued in connection with the Reorganizations.

Custodian, Transfer Agent, Dividend Disbursing Agent and Redemption and Remarketing Agent

The custodian of the assets of each Fund is State Street Bank and Trust Company (State Street), One Lincoln Street, Boston, Massachusetts 02111. The custodian performs custodial, fund accounting and portfolio accounting services. Each Fund's transfer, shareholder services and dividend disbursing agent and redemption and paying agent is also State Street, 250 Royall Street, Canton, Massachusetts 02021.

The tender and paying agent with respect to the VRDP Shares of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3 is The Bank of New York Mellon, Corporate Trust Division, Dealing and Trading Group, 101 Barclay Street, Floor 7E, New York, New York 10286 (the Tender

and Paying Agent). The Tender and Paying Agent acts as tender agent, transfer agent and registrar, dividend disbursing agent, paying agent and redemption price disbursing agent with respect to the VRDP Shares of the Acquiring Fund, Dividend Advantage 2 and Dividend Advantage 3.

The remarketing agent for the VRDP Shares of Dividend Advantage 2 is RBC Capital Markets, LLC, Three World Financial Center, 200 Vesey Street, 8th Floor, New York, New York 10281, and the remarketing agent for the VRDP Shares of Dividend Advantage 3 is Barclays Capital Inc., 745 7th Avenue, New York, New York 10019. It is expected that the Acquiring Fund will enter into a remarketing agreement with a remarketing agent for each series of New VRDP Shares that is a nationally recognized securities dealer with expertise in remarketing variable-rate securities and that will be either the current remarketing agent for the applicable series of Target Fund VRDP Shares or a replacement appointed in accordance with the applicable New VRDP Statement and the related agreements.

Federal Income Tax Matters Associated with Investment in the Acquiring Fund

The following information is meant as a general summary of certain federal income tax matters for U.S. shareholders. Investors should rely on their own tax adviser for advice about the particular federal, state and local tax consequences to them of investing in the Acquiring Fund.

The Acquiring Fund has elected to be treated and intends to qualify each year (including the taxable year in which the Reorganizations occur) as a regulated investment company (RIC) under Subchapter M of the Internal Revenue Code of 1986, as amended (previously defined as the Code). In order to qualify as a RIC, the Acquiring Fund must satisfy certain requirements regarding the sources of its income, the diversification of its assets and the distribution of its income. As a RIC, the Acquiring Fund is not expected to be subject to federal income tax on the income and gains it distributes to its shareholders. The Acquiring Fund invests primarily in municipal securities. Thus, substantially all of the Acquiring Fund's dividends paid to you should qualify as exempt-interest dividends. A shareholder treats an exempt-interest dividend as interest on state and local bonds exempt from regular federal income tax. Federal income tax law imposes an alternative minimum tax with respect to corporations, individuals, trusts and estates. Interest on certain municipal obligations, such as certain private activity bonds, is included as an item of tax preference in determining the amount of a taxpayer's alternative minimum taxable income. To the extent that the Acquiring Fund receives income from such municipal obligations, a portion of the dividends paid by the Acquiring Fund, although exempt from regular federal income tax, will be taxable to shareholders to the extent that their tax liability is determined under the federal alternative minimum tax. The Acquiring Fund will annually provide a report indicating the percentage of the Acquiring Fund's income attributable to municipal obligations subject to the federal alternative minimum tax applicable to individuals, if any. Corporations are subject to special rules in calculating their federal alternative minimum taxable income with respect to interest from municipal obligations.

Future legislation could limit the exclusion from gross income of tax-exempt interest (which includes exempt-interest dividends received from the Acquiring Fund). Such legislation could affect the value of the municipal securities owned by the Acquiring Fund. The likelihood of such legislation being enacted cannot be predicted. Shareholders should consult their own tax advisers regarding the potential consequences of future legislation on their investment in the Acquiring Fund.

In addition to exempt-interest dividends, the Acquiring Fund may also distribute to its shareholders amounts that are treated as long-term capital gain or ordinary income (which may include

short-term capital gains). These distributions may be subject to federal, state and local taxation, depending on a shareholder's situation. If so, they are taxable whether or not such distributions are reinvested. Distributions of net capital gains (the excess of net long-term capital gains over net short-term capital losses) are generally taxable at rates applicable to long-term capital gains regardless of how long a shareholder has held its shares. Long-term capital gains are currently taxable to noncorporate shareholders at a maximum federal income tax rate of 20%. In addition, certain individuals, estates and trusts are subject to a 3.8% Medicare tax on net investment income, including net capital gains and other taxable dividends. Corporate shareholders are taxed on capital gain at the same rates as apply to ordinary income. The Acquiring Fund does not expect that any part of its distributions to shareholders from its investments will qualify for the dividends-received deduction available to corporate shareholders or as qualified dividend income to noncorporate shareholders.

As a RIC, the Acquiring Fund will not be subject to federal income tax in any taxable year provided that it meets certain distribution requirements. The Acquiring Fund may retain for investment some (or all) of its net capital gains. If the Acquiring Fund retains any net capital gains or investment company taxable income, it will be subject to tax at regular corporate rates on the amount retained. If the Acquiring Fund retains any net capital gains, it may designate the retained amount as undistributed capital gains in a notice to its shareholders who, if subject to federal income tax on long-term capital gains, (1) will be required to include in income for federal income tax purposes, as long-term capital gain, their share of such undistributed amount; (2) will be entitled to credit their proportionate shares of the federal income tax paid by the Acquiring Fund on such undistributed amount against their federal income tax liabilities, if any; and (3) may claim refunds to the extent the credit exceeds such liabilities. For federal income tax purposes, the basis of shares owned by a shareholder of the Acquiring Fund will be increased by an amount equal to the difference between the amount of undistributed capital gains included in the shareholder's gross income and the tax deemed paid by the shareholder under clause (2) of the preceding sentence.

The IRS currently requires that a RIC that has two or more classes of stock allocate to each such class proportionate amounts of each type of its income (such as exempt interest, ordinary income and capital gains). Accordingly, the Acquiring Fund reports dividends made with respect to common shares and preferred shares as consisting of particular types of income (e.g., exempt interest, net capital gains and ordinary income) in accordance with each class' proportionate share of the total dividends paid by the Acquiring Fund with respect to the year.

Dividends declared by the Acquiring Fund in October, November or December to shareholders of record in one of those months and paid during the following January will be treated as having been paid by the Acquiring Fund and received by shareholders on December 31 of the year the distributions were declared.

Each shareholder will receive an annual statement summarizing the shareholder's dividend and capital gains distributions.

The redemption, sale or exchange of shares normally will result in capital gain or loss to shareholders who hold their shares as capital assets. Generally, a shareholder's gain or loss will be long-term capital gain or loss if the shares have been held for more than one year even though the increase in value in such shares is attributable to tax-exempt interest income. The gain or loss on shares held for one year or less will generally be treated as short-term capital gain or loss. Current law taxes both long-term and short-term capital gains of corporations at the same rates applicable to ordinary

income. However, for noncorporate taxpayers, long-term capital gains are currently taxed at a maximum federal income tax rate of 20%, while short-term capital gains are currently taxed at ordinary income rates. An additional 3.8% Medicare tax may also apply to certain individual, estate or trust shareholders' capital gain from the sale or other disposition of their shares. Any loss on the sale of shares that have been held for six months or less will be disallowed to the extent of any distribution of exempt-interest dividends received with respect to such shares, unless the shares are of a RIC that declares exempt-interest dividends on a daily basis in an amount equal to at least 90% of its net tax-exempt interest and distributes such dividends on a monthly or more frequent basis. Any remaining loss on the sale or disposition of shares held for six months or less will be treated as a long-term capital loss to the extent of any distributions of net capital gains received by the shareholder on such shares. Any loss realized on a sale or exchange of shares of the Acquiring Fund will be disallowed to the extent those shares of the Acquiring Fund are replaced by other substantially identical shares of the Acquiring Fund or other substantially identical stock or securities (including through reinvestment of dividends) within a period of 61 days beginning 30 days before and ending 30 days after the date of disposition of the original shares. In that event, the basis of the replacement shares will be adjusted to reflect the disallowed loss. The deductibility of capital losses is subject to limitations.

Any interest on indebtedness incurred or continued to purchase or carry the Acquiring Fund's shares to which exempt-interest dividends are allocated is not deductible. Under certain applicable rules, the purchase or ownership of shares may be considered to have been made with borrowed funds even though such funds are not directly used for the purchase or ownership of the shares. In addition, if you receive Social Security or certain railroad retirement benefits, you may be subject to U.S. federal income tax on a portion of such benefits as a result of receiving investment income, including exempt-interest dividends and other distributions paid by the Acquiring Fund.

If the Acquiring Fund invests in certain pay-in-kind securities, zero coupon securities, deferred interest securities or, in general, any other securities with original issue discount (or with market discount if the Acquiring Fund elects to include market discount in income currently), the Acquiring Fund must accrue income on such investments for each taxable year, which generally will be prior to the receipt of the corresponding cash payments. However, the Acquiring Fund must distribute to shareholders, at least annually, all or substantially all of its investment company taxable income (determined without regard to the deduction for dividends paid) and its net tax-exempt income, including such income it is required to accrue, to qualify as a RIC and (with respect to its ordinary income and capital gain) to avoid federal income and excise taxes. Therefore, the Acquiring Fund may have to dispose of its portfolio securities under disadvantageous circumstances to generate cash, or may have to leverage itself by borrowing the cash, to satisfy these distribution requirements.

The Acquiring Fund may hold or acquire municipal obligations that are market discount bonds. A market discount bond is a security acquired in the secondary market at a price below its redemption value (or its adjusted issue price if it is also an original issue discount bond). If the Acquiring Fund invests in a market discount bond, it will be required to treat any gain recognized on the disposition of such market discount bond as ordinary taxable income to the extent of the accrued market discount.

The Acquiring Fund may be required to withhold U.S. federal income tax at a rate of 28% from all distributions (including exempt-interest dividends) and redemption proceeds payable to a shareholder if the shareholder fails to provide the Acquiring Fund with his, her or its correct taxpayer identification number or to make required certifications, or if the shareholder has been notified by the IRS (or the IRS notifies the Acquiring Fund) that he, she or it is subject to backup withholding. Backup

withholding is not an additional tax; rather, it is a way in which the IRS ensures it will collect taxes otherwise due. Any amounts withheld may be credited against a shareholder's U.S. federal income tax liability.

Sections 1471-1474 of the Code and the U.S. Treasury and IRS guidance issued thereunder (collectively, "FATCA") generally require the Acquiring Fund to obtain information sufficient to identify the status of each of its shareholders. If a shareholder fails to provide this information or otherwise fails to comply with FATCA, the Acquiring Fund may be required to withhold under FATCA at a rate of 30% with respect to that shareholder on Acquiring Fund dividends and distributions and redemption proceeds. The Acquiring Fund may disclose the information that it receives from (or concerning) its shareholders to the IRS, non-U.S. taxing authorities or other parties as necessary to comply with FATCA, related intergovernmental agreements or other applicable law or regulation. Investors are urged to consult their own tax advisers regarding the applicability of FATCA and any other reporting requirements with respect to the investor's own situation, including investments through an intermediary.

With respect to the preferred shares of the Acquiring Fund issued in the Reorganizations, the Acquiring Fund will receive an opinion from special tax counsel that the preferred shares will constitute equity of the Acquiring Fund, and the foregoing discussion and the tax opinion received by the Funds regarding certain aspects of the Reorganizations, including that the Reorganizations will qualify as tax-free reorganizations under the Code and that preferred shareholders of a Target Fund will not recognize a gain or loss upon the exchange of their shares, relies on the position that the preferred shares will constitute equity of the Acquiring Fund. Accordingly, distributions with respect to the preferred shares (other than distributions in redemption of preferred shares subject to Section 302(b) of the Code) will generally constitute dividends to the extent of the Acquiring Fund's current or accumulated earnings and profits, as calculated for federal income tax purposes and to the extent allocable to such distribution. Because the treatment of a corporate security as debt or equity is determined on the basis of the facts and circumstances of each case, and no controlling precedent exists for the preferred shares issued in the Reorganizations, there can be no assurance that the IRS will not question special tax counsel's opinion and the Acquiring Fund's treatment of the preferred shares as equity. If the IRS were to succeed in such a challenge, holders of preferred shares could be characterized as receiving taxable interest income rather than exempt-interest or other dividends, possibly requiring them to file amended income tax returns and retroactively to recognize additional amounts of ordinary income and pay additional tax, interest and penalties.

California Tax Matters

The following is based upon the advice of Sidley Austin LLP, special tax counsel to the Acquiring Fund.

The following is a general, abbreviated summary of certain provisions of the applicable California tax law as presently in effect as it directly governs the taxation of resident individual and corporate shareholders of the Acquiring Fund. This summary does not address the taxation of other shareholders nor does it discuss any local taxes that may be applicable.

The following is based on the assumptions that the Acquiring Fund will qualify under Subchapter M of the Code as a regulated investment company and that it will satisfy the conditions that will cause distributions by the Acquiring Fund to qualify as exempt-interest dividends to shareholders for federal and California purposes.

The Acquiring Fund intends to distribute substantially all of its net income and gains to its shareholders, and therefore, it is not expected that the Acquiring Fund will be subject to California corporate franchise or corporation income tax to the extent its earnings are so distributed.

If, at the close of each quarter of the Acquiring Fund's taxable year, at least 50% of the aggregate value of its total assets consists of obligations that, when held by individuals, pay interest that is exempt from tax by California under California or federal law, then distributions by the Acquiring Fund that are attributable to interest on any such obligation will not be subject to the California personal income tax; provided that such distributions are properly reported by the Acquiring Fund as exempt-interest dividends in written statements furnished to the Acquiring Fund's shareholders. All other distributions, including distributions attributable to capital gains, will be includable in gross income for purposes of the California personal income tax.

Interest on indebtedness incurred or continued for the purpose of acquiring or maintaining an investment in the shares will not be deductible for purposes of the California personal income tax.

All distributions of the Acquiring Fund, regardless of source, to corporate shareholders that are subject to the California corporate franchise tax will be included in gross income for purposes of such tax, notwithstanding that all or a portion of such distributions may be exempt from California personal income tax.

Gain on the sale, exchange, or other disposition of shares will be subject to the California personal income and corporate franchise tax. In addition, any loss realized by a shareholder upon the sale of shares held for six months or less may be disallowed to the extent of any exempt interest dividends received with respect to such shares. Moreover, any loss realized upon the sale of shares within thirty days before or after the acquisition of other shares may be disallowed under the "wash sale" rules.

Shares may be subject to the California estate tax if held by a California decedent at the time of death.

The foregoing is a general summary of certain provisions of applicable California tax law as presently in effect as it directly governs the taxation of California resident individual and corporate holders of shares of the Acquiring Fund. These provisions are subject to change by legislative, judicial or administrative action, and any such change may be retroactive. This summary does not address the taxation of other shareholders nor does it discuss any local taxes that may be applicable. Shareholders should consult with their own tax advisor for more detailed information concerning California and other state and local tax matters.

Other State and Local Tax Matters

While distributions qualifying as exempt-interest dividends under federal and California law will be exempt from regular federal and California personal income taxes, they may not be exempt from other state or local income or other taxes. Some states exempt from state income tax that portion of any exempt-interest dividend that is derived from interest a regulated investment company receives on its holdings of securities of that state and its political subdivisions and instrumentalities. Therefore, the Acquiring Fund will report annually to its shareholders the percentage of interest income the Fund earned during the preceding year on tax-exempt obligations and the Acquiring Fund will indicate, on a state-by-state basis, the source of this income. Shareholders are advised to consult with their own tax advisors for more detailed information concerning California tax matters or the tax laws of their state and locality of residence.

Net Asset Value

The Acquiring Fund's net asset value per common share is determined as of the close of the regular session trading (normally 4:00 p.m. Eastern time) on each day the NYSE is open for business. Net asset value is calculated by taking the market value of the Acquiring Fund's total assets, including interest or dividends accrued but not yet collected, less all liabilities, and dividing by the total number of shares outstanding. The result, rounded to the nearest cent, is the net asset value per share. All valuations are subject to review by the Acquiring Fund's Board or its delegate.

The Acquiring Fund's custodian calculates the Fund's net asset value. The custodian uses prices for portfolio securities from a pricing service the Acquiring Fund's Board has approved. The pricing service values portfolio securities at the mean between the quoted bid and asked price or the yield equivalent when quotations are readily available. Securities for which quotations are not readily available (which will constitute the majority of the Acquiring Fund's portfolio securities) are valued at fair value as determined by the Board in reliance upon data supplied by the pricing service. The pricing service uses methods that consider yields or prices of municipal securities of comparable quality, type of issue, coupon, maturity and ratings; dealers' indications of value; and general market conditions. The pricing service may use electronic data processing techniques or a matrix system, or both. The Acquiring Fund's officers review the pricing service's procedures and valuations, under the general supervision of the Board.

Experts

The financial statements of the Acquiring Fund and the Target Funds appearing in the Funds' Annual Reports for the fiscal year ended February 29, 2016 are incorporated herein. The financial statements as of and for the fiscal years ended February 29, 2016 and February 28, 2015 have been audited by KPMG LLP ("KPMG"), independent registered public accounting firm, as set forth in their reports thereon and incorporated herein. Such financial statements are incorporated herein in reliance upon such reports given on the authority of such firm as experts in accounting and auditing. KPMG provides auditing services to the Acquiring Fund and each Target Fund. The principal business address of KPMG is 200 East Randolph Street, Chicago, Illinois 60601.

During the fiscal year ended February 28, 2015, the Board of each Fund, upon recommendation of the Audit Committee, engaged KPMG as the independent registered public accounting firm to the Funds, replacing Ernst & Young LLP ("Ernst & Young"), which resigned as the independent registered public accounting firm effective August 11, 2014, as a result of the subsequently completed acquisition of Nuveen Investments by TIAA.

Ernst & Young's reports with respect to the financial statements of the Funds for the fiscal years ended prior to February 28, 2015, contained no adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. For the fiscal years ended prior to February 28, 2015 for the Funds and for the period March 1, 2014 through August 11, 2014, there were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Ernst & Young, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the Funds' financial statements.

GENERAL INFORMATION

Outstanding Shares of the Acquiring Fund and the Target Funds

The following table sets forth the number of outstanding common shares and preferred shares and certain other share information of each Fund as of June 24, 2016.

(1) Title of Class	(2) Shares Authorized	(3) Shares Held by Fund for Its Own Account	(4) Shares Outstanding Exclusive of Shares Shown under (3)
Acquiring Fund:

The common shares of the Acquiring Fund are listed and trade on the NYSE under ticker symbol NAC. The common shares of Dividend Advantage 2 and Dividend Advantage 3 are listed and trade on the NYSE MKT under the ticker symbols NVX and NZH, respectively. Upon the closing of the Reorganizations, it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE. The VMTP Shares of the Acquiring Fund and the VRDP Shares of the Funds are not listed on any exchange.

Shareholders of the Acquiring Fund and the Target Funds

As of December 31, 2015, the members of the Board and officers of each Fund as a group owned less than 1% of the total outstanding common shares and less than 1% of the total outstanding preferred shares of each Fund.

Information regarding shareholders or groups of shareholders who beneficially own more than 5% of a class of shares of a Fund is provided below. Information in the table below regarding the number and percentage of shares owned is based on a review of Schedule 13D and 13G filings and amendments made with respect to each Fund on or before June 24, 2016. The estimated pro forma information presented is calculated assuming that outstanding common and preferred shares were as of June 24, 2016 for each Fund.

VRDP Shares are designed to be eligible for purchase by money market funds. Based on information provided by the remarketing agents for the VRDP Shares of the Funds, money market funds within certain fund complexes may hold, in the aggregate, greater than 5% of the outstanding VRDP Shares of one or more of the Funds, and individual money market funds within such complexes may beneficially own an indeterminate amount of VRDP Shares exceeding 5% of the outstanding VRDP Shares of one or more of the Funds. Information with respect to aggregate holdings of VRDP Shares associated with fund complexes identified by the remarketing agents for the Acquiring Fund and Target Funds (number of VRDP Shares and percentage of total outstanding) is as follows: Acquiring Fund (Series 1): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Acquiring Fund (Series 2): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Acquiring Fund (Series 3): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Acquiring Fund (Series 4): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Acquiring Fund (Series 5): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Acquiring Fund (Series 6): [] ([] shares ([]%)) and [] ([] shares ([]%)); Dividend Advantage 2 (Series 1): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)); Dividend Advantage 3 (Series 1): [] ([] shares ([]%)), [] ([] shares ([]%)) and [] ([] shares ([]%)). Based on the preferred shares outstanding of the Funds as of June 24, 2016, the estimated pro forma ownership of the combined fund's VRDP Shares for each of [], [] and [] would be []%, []% and []%, respectively, and the estimated pro forma ownership of all preferred shares of the combined fund (i.e., VMTP Shares and VRDP Shares) would be []%, []% and []%, respectively.

Expenses of Proxy Solicitation

Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. Preferred shareholders will not bear any costs of the Reorganizations. The total costs of the Reorganizations, which include the cost of preparing, printing and mailing the enclosed proxy, the accompanying notice and this Joint Proxy Statement and all other costs in connection with the solicitation of proxies, are estimated to be \$1,085,000, and each Fund's allocable share of such costs will be reflected in its net asset value at or before the close of trading on the business day immediately prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$450,000 (0.03%) for the Acquiring Fund, \$260,000 (0.11%) for Dividend Advantage 2 and \$375,000 (0.11%) for Dividend Advantage 3 (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended February 29, 2016). The allocation of the costs of the Reorganizations will be based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e., total expenses excluding the costs of leverage) and improved secondary market trading, if any, to each Fund during the first year following the Reorganizations. The Reorganizations are expected to result in the potential for operating cost savings (i.e., total expenses excluding the costs of leverage) for common shareholders of each Fund (as shareholders of the combined fund following the Reorganizations) and for increased distributions over time for the common shareholders of each Fund in their capacity as common shareholders of the combined fund following the Reorganizations. Distribution increases, if any, would be realized following the recoupment of the expenses of the Reorganizations.

Audit Committee Report

The Audit Committee of each Fund's Board is responsible for the oversight and monitoring of (1) the accounting and reporting policies, processes and practices, and the audit of the financial statements, of each Fund, (2) the quality and integrity of the Funds' financial statements and (3) the independent registered public accounting firm's qualifications, performance and independence. In its oversight capacity, the committee reviews each Fund's annual financial statements with both management and the independent registered public accounting firm and the committee meets periodically with the independent registered public accounting firm and internal auditors to consider their evaluation of each Fund's financial and internal controls. The Committee also selects, retains, evaluates and may replace each Fund's independent registered public accounting firm. The Committee is currently composed of five Independent Board Members and operates under a written charter adopted and approved by each Board. Each Committee member meets the independence and experience requirements, as applicable, of the New York Stock Exchange, NYSE MKT, LLC, NASDAQ Stock Market, LLC, Section 10A of the Exchange Act and the rules and regulations of the SEC.

The Committee, in discharging its duties, has met with and held discussions with management and each Fund's independent registered public accounting firm. The Committee has also reviewed and discussed the audited financial statements with management. Management has represented to the independent registered public accounting firm that each Fund's financial statements were prepared in accordance with generally accepted accounting principles. The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed under relevant auditing standards. Each Fund's independent registered public accounting firm provided to the Committee the written disclosure required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence), and the Committee discussed

with representatives of the independent registered public accounting firm their firm's independence. As provided in the Audit Committee Charter, it is not the Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that each Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Committee's review and discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm to the Committee, the Committee has recommended that the audited financial statements be included in each Fund's Annual Report.

As of February 15, 2016 the members of the Committee are:

Jack B. Evans

David J. Kundert

John K. Nelson

Carole E. Stone

Terence J. Toth

Appointment of the Independent Registered Public Accounting Firm

Each Fund's Board has appointed KPMG LLP as independent registered public accounting firm to audit the books and records of each Fund for its current fiscal year. A representative of KPMG LLP will be present at the Annual Meeting to make a statement, if such representative so desires, and to respond to shareholders' questions. KPMG LLP has informed each Fund that it has no direct or indirect material financial interests in the Funds, Nuveen, the Adviser or any other investment company sponsored by Nuveen.

- (1) Audit Fees are the aggregate fees billed for professional services for the audit of the Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.
- (2) Audit-Related Fees are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements that are not reported under Audit Fees. These fees include offerings related to the Fund's common shares and leverage.
- (3) Tax Fees are the aggregate fees billed for professional services for tax advice, tax compliance, and tax planning. These fees include: all global withholding tax services; excise and state tax reviews; capital gain, tax equalization and taxable basis calculations performed by the principal accountant.
- (4) All Other Fees are the aggregate fees billed for products and services other than Audit Fees, Audit-Related Fees and Tax Fees. These fees represent all Agreed-Upon Procedures engagements pertaining to the Fund's use of leverage.

Non-Audit Fees. The following table provides the aggregate non-audit fees billed by each Fund's independent registered accounting firm for services rendered to each Fund, the Adviser and the Adviser entities during each Fund's last two fiscal years. Less than 50% of the principal accountant's engagement to audit the registrant's financial statements for the most recent year were attributed to work performed by persons other than the principal accountant's full-time, permanent employees.

Audit Committee Pre-Approval Policies and Procedures. Generally, the Audit Committee must approve each Fund’s independent registered public accounting firm’s engagements (1) with the Fund for audit or non-audit services and (2) with the Adviser and Adviser entities for non-audit services if the engagement relates directly to the operations and financial reporting of the Fund. Regarding tax and research projects conducted by the independent registered public accounting firm for each Fund and the Adviser and Adviser entities (with respect to the operations and financial reporting of each Fund), such engagements will be (1) pre-approved by the Audit Committee if they are expected to be for amounts greater than \$10,000; (2) reported to the Audit Committee Chairman for his/her verbal approval prior to engagement if they are expected to be for amounts under \$10,000 but greater than \$5,000; and (3) reported to the Audit Committee at the next Audit Committee meeting if they are expected to be for an amount under \$5,000.

The Audit Committee has approved in advance all audit services and non-audit services that the independent registered public accounting firm provided to each Fund and to the Adviser and Adviser entities (with respect to the operations and financial reporting of each Fund). None of the services rendered by the independent registered public accounting firm to each Fund or the Adviser or Adviser entities were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2-01(c)(7)(i)(C) or Rule 2-01(c)(7)(ii) of Regulation S-X.

Section 16(a) Beneficial Interest Reporting Compliance

Section 30(h) of the 1940 Act and Section 16(a) of the Exchange Act require Board Members and officers, the Adviser, affiliated persons of the Adviser and persons who own more than 10% of a registered class of a Fund’s equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund’s shares with the SEC and the NYSE or NYSE MKT. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that its Board Members and officers, the Adviser and affiliated persons of the Adviser have complied with all applicable Section 16(a) filing requirements during its last fiscal year. To the knowledge of management of the Funds, no shareholder of a Fund owns more than 10% of a registered class of a Fund’s equity securities, except as provided above in the section entitled “Shareholders of the Acquiring Fund and the Target Funds.”

Shareholder Proposals

To be considered for presentation at the 2017 annual meeting of shareholders of the Funds, a shareholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act must have been received at the offices of the Funds, 333 West Wacker Drive, Chicago, Illinois 60606, not later than []. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c)(1) under the Exchange Act of a proposal submitted outside of the process of Rule 14a-8 must, pursuant to each Fund's by-laws, submit such written notice to the respective Fund by the later of 45 days prior to the 2017 annual meeting or the tenth business day following the date the 2017 annual meeting is first publicly disclosed. Timely submission of a proposal does not mean that such proposal will be included in a proxy statement.

The Acquiring Fund expects to hold its 2017 annual meeting of shareholders in November 2017. If all proposals are approved and the Reorganizations are consummated, the Target Funds will cease to exist and will not hold their 2017 annual meetings. If the Reorganizations are not approved or are not consummated, each Target Fund will hold its 2017 annual meeting of shareholders, expected to be held in November 2017.

Shareholder Communications

Fund shareholders who want to communicate with the Board or any individual Board Member should write to the attention of Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The letter should indicate that you are a Fund shareholder and note the Fund or Funds that you own. If the communication is intended for a specific Board Member and so indicates, it will be sent only to that Board Member. If a communication does not indicate a specific Board Member it will be sent to the Independent Chairman and the outside counsel to the Independent Board Members for further distribution as deemed appropriate by such persons.

Fiscal Year

The fiscal year end for each Fund is February 28 (or February 29 in leap years).

Shareholder Report Delivery

Shareholder reports will be sent to shareholders of record of each Fund following each Fund's fiscal year end. Each Fund will furnish, without charge, a copy of its annual report and/or semi-annual report as available upon request. Such written or oral requests should be directed to a Fund at 333 West Wacker Drive, Chicago, Illinois 60606 or by calling (800) 257-8787.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on September 12, 2016:

The Joint Proxy Statement is available at <http://www.nuveenproxy.com/Closed-End-Fund-Proxy-Information/>. For more information, shareholders may also contact the applicable Fund at the address and phone number set forth above.

Please note that only one annual report or proxy statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or proxy statement, or for instructions as to how to request a separate copy of such documents or as to how to request a single copy if multiple copies of such documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

Other Information

Management of the Funds does not intend to present and does not have reason to believe that others will present any items of business at the Annual Meetings, except as described in this Joint Proxy Statement. However, if other matters are properly presented at the meetings for a vote, the proxies will be voted upon such matters in accordance with the judgment of the persons acting under the proxies.

A list of shareholders of each Fund entitled to be present and to vote at the Annual Meetings will be available at the offices of the Funds, 333 West Wacker Drive, Chicago, Illinois 60606, for inspection by any shareholder of the Funds during regular business hours for ten days prior to the date of the Annual Meetings.

In the absence of a quorum for a particular matter, business may proceed on any other matter or matters that may properly come before the Annual Meeting if there are present, in person or by proxy, a quorum of shareholders in respect of such other matters. The chairman of the meeting may, whether or not a quorum is present, propose one or more adjournments of the Annual Meeting on behalf of a Fund without further notice to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the session of the Annual Meeting to be adjourned.

Broker-dealer firms holding shares in *street name* for the benefit of their customers and clients will request the instruction of such customers and clients on how to vote their shares on the proposals. A broker-dealer firm that has not received instructions from a customer prior to the date specified in its request for voting instructions may not vote such customer's shares on the proposals described in this Joint Proxy Statement. A signed proxy card or other authorization by a beneficial owner of shares of a Fund that does not specify how the beneficial owner's shares are to be voted on a proposal may be deemed to be an instruction to vote such shares in favor of the proposal.

IF YOU CANNOT BE PRESENT AT THE MEETING, YOU ARE REQUESTED TO FILL IN, SIGN AND RETURN THE ENCLOSED PROXY PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

APPENDIX A

AGREEMENT AND PLAN OF REORGANIZATION

THIS AGREEMENT AND PLAN OF REORGANIZATION (the Agreement) is made as of this [] day of [] 2016, by and among Nuveen California Dividend Advantage Municipal Fund, a Massachusetts business trust (the Acquiring Fund), Nuveen California Dividend Advantage Municipal Fund 2, a Massachusetts business trust (Dividend Advantage 2 or a Target Fund), and Nuveen California Dividend Advantage Municipal Fund 3, a Massachusetts business trust (Dividend Advantage 3 or a Target Fund and, together with Dividend Advantage 2, the Target Funds). The Acquiring Fund and each Target Fund may be referred to herein each as a Fund and collectively as the Funds.

For each Reorganization (as defined below), this Agreement is intended to be, and is adopted as, a plan of reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), and the Treasury Regulations promulgated thereunder. The reorganization of each Target Fund into the Acquiring Fund will consist of (i) the transfer of substantially all of the assets of the Target Fund to the Acquiring Fund in exchange solely for newly issued common shares of beneficial interest, par value \$0.01 per share, of the Acquiring Fund (the Acquiring Fund Common Shares) and newly issued Variable Rate Demand Preferred Shares (VRDP Shares) of the Acquiring Fund, with a par value of \$0.01 per share and liquidation preference of \$100,000 per share (the Acquiring Fund Preferred Shares and, collectively with the Acquiring Fund Common Shares, the Acquiring Fund Shares), and the assumption by the Acquiring Fund of substantially all of the liabilities of the Target Fund; and (ii) the distribution of all of the Acquiring Fund Common Shares and Acquiring Fund Preferred Shares received by the Target Fund to the holders of common shares and VRDP Shares, respectively, of the Target Fund as part of the complete liquidation, dissolution and termination of the Target Fund as provided herein, all upon the terms and conditions set forth in this Agreement (each, a Reorganization and, together, the Reorganizations).

WHEREAS, each Fund is a closed-end, management investment company registered under the Investment Company Act of 1940, as amended (the 1940 Act), and each Target Fund owns securities that generally are assets of the character in which the Acquiring Fund is permitted to invest;

WHEREAS, the Acquiring Fund is authorized to issue the Acquiring Fund Shares; and

WHEREAS, the Board of Trustees of the Acquiring Fund (the Acquiring Fund Board) has determined that the Reorganizations are in the best interests of the Acquiring Fund and that the interests of the existing shareholders of the Acquiring Fund will not be diluted as a result of the Reorganizations, and the Board of Trustees of each Target Fund (each, a Target Fund Board) has determined that the applicable Reorganization is in the best interests of such Target Fund and that the interests of the existing shareholders of such Target Fund will not be diluted as a result of the Reorganizations.

NOW, THEREFORE, in consideration of the premises and of the covenants and agreements hereinafter set forth, the parties hereto covenant and agree as follows:

ARTICLE I

TRANSFER OF ASSETS OF EACH TARGET FUND IN EXCHANGE FOR ACQUIRING FUND SHARES AND THE ASSUMPTION OF THE LIABILITIES OF EACH TARGET FUND AND TERMINATION AND LIQUIDATION OF EACH TARGET FUND

1.1 **THE EXCHANGE.** Subject to the terms and conditions contained herein and on the basis of the representations and warranties contained herein, each Target Fund agrees to transfer substantially all of its assets, as set forth in Section 1.2, to the Acquiring Fund. In consideration therefor, the Acquiring Fund agrees (i) to issue and deliver to such Target Fund (A) the number of Acquiring Fund Common Shares computed in the manner set forth in Section 2.3, and (B) the same number of Acquiring Fund Preferred Shares as the number of VRDP Shares of such Target Fund outstanding immediately prior to the Closing (as defined in this Section 1.1) and having substantially similar terms as the VRDP Shares of the Target Fund as of the Closing, and (ii) to assume substantially all of the liabilities of such Target Fund, if any, as set forth in Section 1.3. The Acquiring Fund Preferred Shares to be issued to each Target Fund will consist of a separate series, as set forth in Exhibit A hereto, and such series will (i) have equal priority with each other and with any other outstanding preferred shares of the Acquiring Fund as to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund; and (ii) have, along with any other outstanding preferred shares of the Acquiring Fund, preference with respect to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund over the common shares of the Acquiring Fund. With respect to each Reorganization, the foregoing transactions will take place at the closing provided for in Section 3.1 (the Closing).

1.2 **ASSETS TO BE TRANSFERRED.** Each Target Fund will transfer all of its assets to the Acquiring Fund, including, without limitation, cash, securities, commodities, interests in futures, dividends or interest receivables owned by the Target Fund and any deferred or prepaid expenses shown as an asset on the books of the Target Fund as of the Closing, except that the Target Fund will retain assets sufficient to pay the preferred share dividends as set forth in Section 1.4 and the dividend or dividends set forth in Section 8.5.

Each Target Fund will, within a reasonable period of time before the Closing Date (as defined in Section 3.1), furnish the Acquiring Fund with a list of such Target Fund's portfolio securities and other investments. The Acquiring Fund will, within a reasonable period of time before the Closing Date, identify the securities, if any, on each Target Fund's list referred to in the foregoing sentence that do not conform to the Acquiring Fund's investment objectives, policies or restrictions and will notify each Target Fund accordingly. Each Target Fund, if requested by the Acquiring Fund, will dispose of such non-conforming securities identified by the Acquiring Fund before the Closing Date. In addition, if it is determined that the portfolios of the Target Funds and the Acquiring Fund, when aggregated, would contain investments exceeding certain percentage limitations applicable to the Acquiring Fund with respect to such investments, the Target Fund(s) holding such securities, if requested by the Acquiring Fund, will dispose of a sufficient amount of such investments as may be necessary to avoid violating such limitations as of the Closing; *provided, however*, that if more than one of the Target

Funds hold such securities, the Acquiring Fund will apportion all such sales between the Target Funds in a reasonable manner. Notwithstanding the foregoing, nothing herein will require any Target Fund to dispose of any investments or securities if, in the reasonable judgment of the applicable Target Fund Board or Nuveen Fund Advisors, LLC, the investment adviser to the Funds (the Adviser), such disposition would adversely affect the status of such Target Fund's Reorganization as a reorganization, as such term is used in Section 368(a) of the Code, or would otherwise not be in the best interests of such Target Fund.

1.3 LIABILITIES TO BE ASSUMED. Each Target Fund will endeavor to discharge all of its known liabilities and obligations to the extent possible before the Closing Date, except for the preferred share dividends set forth in Section 1.4 and the dividend(s) set forth in Section 8.5. Notwithstanding the foregoing, the liabilities not so discharged will be assumed by the Acquiring Fund, which assumed liabilities will include all of each Target Fund's liabilities, debts, obligations, and duties of whatever kind or nature, whether absolute, accrued, contingent, or otherwise, whether or not arising in the ordinary course of business, whether or not determinable at the Closing, and whether or not specifically referred to in this Agreement, provided that the Acquiring Fund will not assume any liabilities with respect to the preferred share dividends set forth in Section 1.4 or the dividend or dividends set forth in Section 8.5.

1.4 DECLARATION OF PREFERRED SHARE DIVIDENDS. Dividends will accumulate on the existing VRDP Shares of a Target Fund up to and including the day immediately preceding the Closing Date and then cease to accumulate, and dividends on the Acquiring Fund Preferred Shares will accumulate from and including the Closing Date. Prior to the Valuation Time (as defined in Section 2.1), each Target Fund will declare all accumulated but unpaid dividends on its VRDP Shares up to and including the day immediately preceding the Closing Date. With respect to the existing VRDP Shares of each Target Fund, such dividends will be paid on the Closing Date to holders thereof as of the day immediately preceding the Closing Date. Each Target Fund will retain assets in an amount sufficient to pay the dividends declared by it pursuant to this Section 1.4, and such assets will not be transferred to the Acquiring Fund on the Closing Date.

1.5 LIQUIDATION AND DISTRIBUTION.

(a) As soon as practicable after the Closing, each Target Fund will distribute in complete liquidation of such Target Fund, (i) pro rata to its common shareholders of record (the Target Fund Common Shareholders), as of the time of such distribution, all of the Acquiring Fund Common Shares received by such Target Fund pursuant to Section 1.1 (together with any dividends declared with respect thereto to holders of record as of a time after the Valuation Time and payable prior to such distribution (Interim Dividends)) and (ii) to its preferred shareholders of record (Target Fund Preferred Shareholders) and, together with Target Fund Common Shareholders, the Target Fund Shareholders), as of the time of such distribution, one Acquiring Fund Preferred Share received by such Target Fund in exchange for each VRDP Share of the Target Fund held by such Target Fund Preferred Shareholder immediately prior to the Closing (together with any dividends declared and paid pursuant to Section 1.4). Such distributions will be accomplished by the transfer of the Acquiring Fund Shares then credited to the account of each Target Fund on the books of the Acquiring Fund to open accounts on the share records of the Acquiring Fund in the names of Target Fund Shareholders and representing, in the case of a Target Fund Common Shareholder, such shareholder's pro rata share of the Acquiring Fund Common Shares received by such Target Fund and, in the case of a Target Fund Preferred Shareholder, the same number of Acquiring Fund Preferred

Shares as the number of VRDP Shares of the Target Fund held by such Target Fund Preferred Shareholder immediately prior to the Closing, and by paying to Target Fund Common Shareholders any Interim Dividends on Target Fund common shares exchanged for Acquiring Fund Common Shares in the Reorganizations. All issued and outstanding common and preferred shares of each Target Fund simultaneously will be canceled on the books of the Target Fund. The Acquiring Fund will not issue certificates representing Acquiring Fund Shares in connection with such transfers, except for any global certificate or certificates required by a securities depository in connection with the establishment of book-entry ownership of the shares.

(b) On or as soon after the Closing Date as is practicable, but in no event later than 12 months after the Closing Date, each Target Fund will thereupon proceed to dissolve and terminate as set forth in Section 1.8 below.

1.6 OWNERSHIP OF SHARES. Ownership of Acquiring Fund Shares will be shown on the books of the Acquiring Fund's transfer agent.

1.7 TRANSFER TAXES. Any transfer taxes payable upon the issuance of Acquiring Fund Shares in a name other than the registered holder of a Target Fund's common shares or preferred shares on the books of such Target Fund as of that time will, as a condition of such issuance and transfer, be paid by the person to whom such Acquiring Fund Shares are to be issued and transferred.

1.8 TERMINATION. Each Target Fund will completely liquidate and be dissolved, terminated and have its affairs wound up in accordance with the laws of the Commonwealth of Massachusetts promptly following the Closing and the payment of all dividends and distributions pursuant to, as applicable, Section 1.4, Section 1.5 and Section 8.5.

1.9 REPORTING. Any reporting responsibility of a Target Fund, including, without limitation, the responsibility for filing regulatory reports, tax returns or other documents with the Securities and Exchange Commission (the Commission), the exchange on which such Target Fund's common shares are listed or any state securities commission and any federal, state or local tax authorities or any other relevant regulatory authority, is and will remain the responsibility of such Target Fund.

1.10 BOOKS AND RECORDS. All books and records of each Target Fund, including all books and records required to be maintained under the 1940 Act and the rules and regulations thereunder, will be available to the Acquiring Fund from and after the Closing Date and will be turned over to the Acquiring Fund as soon as practicable following the Closing.

ARTICLE II

VALUATION

2.1 VALUATION OF ASSETS. The value of the net assets of each Target Fund will be the value of its assets, less its liabilities, computed as of the close of regular trading on the New York Stock Exchange on the business day immediately prior to the Closing Date (such time and date being hereinafter called the Valuation Time), using the valuation procedures of the Nuveen closed-end funds adopted by the applicable Target Fund Board or such other valuation procedures as may be

mutually agreed upon by the parties. For purposes of this Section 2.1, the value of each Target Fund's net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all outstanding preferred shares of such Target Fund.

2.2 VALUATION OF SHARES. The net asset value per Acquiring Fund Common Share will be computed as of the Valuation Time, using the valuation procedures of the Nuveen closed-end funds adopted by the Acquiring Fund Board or such other valuation procedures as may be mutually agreed upon by the parties. For purposes of this Section 2.2, the value of the Acquiring Fund's net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all outstanding preferred shares of the Acquiring Fund.

2.3 COMMON SHARES TO BE ISSUED. The number of Acquiring Fund Common Shares to be issued in exchange for a Target Fund's assets transferred to the Acquiring Fund will be determined by dividing the value of such assets transferred to the Acquiring Fund (net of the liabilities of such Target Fund that are assumed by the Acquiring Fund), determined in accordance with Section 2.1, by the net asset value of an Acquiring Fund Common Share, determined in accordance with Section 2.2. The aggregate net asset value of Acquiring Fund Common Shares received by each Target Fund in a Reorganization will equal, as of the Valuation Time, the aggregate net asset value of the Target Fund's common shares held by Target Fund Common Shareholders as of such time. In the event there are fractional Acquiring Fund Common Shares due Target Fund Common Shareholders after a Target Fund's assets have been exchanged for Acquiring Fund Common Shares, the Acquiring Fund's transfer agent will aggregate all such fractional common shares and sell the resulting whole on the exchange on which such shares are listed for the account of all such Target Fund Common Shareholders, and each such Target Fund Common Shareholder will be entitled to a pro rata share of the proceeds from such sale. With respect to the aggregation and sale of fractional common shares, the Acquiring Fund's transfer agent will act directly on behalf of the Target Fund Common Shareholders entitled to receive fractional shares and will accumulate such fractional shares, sell the shares and distribute the cash proceeds net of brokerage commissions, if any, directly to the Target Fund Common Shareholders entitled to receive the fractional shares (without interest and subject to withholding taxes).

2.4 EFFECT OF SUSPENSION IN TRADING. In the event that at the Valuation Time an accurate appraisal of the value of the net assets of the Acquiring Fund or a Target Fund is impracticable due to either (a) the closure of, or the imposition of a trading restriction on, the exchange on which shares of a Fund are listed or another exchange on which the portfolio securities of the Acquiring Fund or a Target Fund are purchased or sold; or (b) a disruption in trading or the reporting of trading on the exchange on which shares of a Fund are listed or elsewhere, the Closing Date will be postponed until at least the first business day after the day on which trading is fully resumed and/or reporting is restored or such later time as the parties may agree pursuant to Section 3.1.

2.5 COMPUTATIONS OF NET ASSETS. All computations of net asset value in this Article II will be made by or under the direction of State Street Bank and Trust Company (State Street) in accordance with its regular practice as custodian of the Funds.

ARTICLE III

CLOSING AND CLOSING DATE

3.1 **CLOSING DATE.** Each Closing will occur on October 12, 2016, or such other date as the parties may agree (the Closing Date). Unless otherwise provided, all acts taking place at the Closing will be deemed to take place as of 7:59 a.m., Central time, on the Closing Date. Each Closing will be held as of 7:59 a.m., Central time, at the offices of Vedder Price P.C. in Chicago, Illinois, or at such other time and/or place as the parties may agree.

3.2 **CUSTODIAN S CERTIFICATE.** Each Target Fund will cause State Street, as custodian for such Target Fund, to deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that the Target Fund s portfolio securities, cash and any other assets have been delivered in proper form to the Acquiring Fund on the Closing Date.

3.3 **CERTIFICATES OF TRANSFER AGENT AND TENDER AND PAYING AGENT.**

(a) Each Target Fund will issue and deliver, or cause State Street, in its capacity as transfer agent with respect to common shares to issue and deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that its records contain the names and addresses of all holders of common shares of such Target Fund and the number and percentage ownership of outstanding common shares owned by each such Target Fund Common Shareholder immediately prior to the Closing. Each Target Fund will issue and deliver, or cause The Bank of New York Mellon, in its capacity as tender and paying agent with respect to VRDP Shares, to issue and deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that its records contain the names and addresses of all holders of VRDP Shares of such Target Fund and the number and percentage ownership of outstanding VRDP Shares owned by each such Target Fund Preferred Shareholder immediately prior to the Closing.

(b) The Acquiring Fund will issue and deliver, or cause State Street, in its capacity as transfer agent with respect to common shares, and The Bank of New York Mellon, in its capacity as tender and paying agent with respect to VRDP Shares, to issue and deliver to the Secretary of each Target Fund a confirmation evidencing the Acquiring Fund Shares to be credited on the Closing Date to such Target Fund or provide evidence satisfactory to each Target Fund that such Acquiring Fund Shares have been credited to each Target Fund s account on the books of the Acquiring Fund.

3.4 **DELIVERY OF ADDITIONAL ITEMS.** At the Closing, each party will deliver to the other parties such bills of sale, checks, assignments, share certificates, receipts and other documents, if any, as such other parties or their counsel may reasonably request to effect the transactions contemplated by this Agreement.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

4.1 **REPRESENTATIONS OF EACH TARGET FUND.** Each Target Fund represents and warrants solely on its own behalf with respect to its Reorganization as follows:

(a) The Target Fund is a business trust duly organized, validly existing and in good standing under the laws of the Commonwealth of Massachusetts.

- (b) The Target Fund is registered as a closed-end management investment company under the 1940 Act, and such registration is in full force and effect.
- (c) The Target Fund is not, and the execution, delivery and performance of this Agreement (subject to shareholder approval and compliance with the other provisions hereof) will not result, in violation of any provision of the Target Fund's Declaration of Trust, By-Laws or Statement Establishing and Fixing the Rights and Preferences of Variable Rate Demand Preferred Shares (Target Fund VRDP Statement) or of any material agreement, indenture, instrument, contract, lease or other undertaking to which the Target Fund is a party or by which it is bound.
- (d) Except as otherwise disclosed in writing to and accepted by the Acquiring Fund, the Target Fund has no material contracts or other commitments that will be terminated with liability to it on or before the Closing Date.
- (e) No litigation, administrative proceeding or investigation of or before any court or governmental body currently is pending or to its knowledge threatened against the Target Fund or any of its properties or assets, which, if adversely determined, would materially and adversely affect its financial condition, the conduct of its business or the ability of the Target Fund to carry out the transactions contemplated by this Agreement. The Target Fund knows of no facts that might form the basis for the institution of such proceedings and is not a party to or subject to the provisions of any order, decree or judgment of any court or governmental body that materially and adversely affects its business or its ability to consummate the transactions contemplated herein.
- (f) The financial statements of the Target Fund as of February 29, 2016, and for the fiscal year then ended, have been prepared in accordance with generally accepted accounting principles in the United States of America and have been audited by independent auditors, and such statements (copies of which have been furnished to the Acquiring Fund) fairly reflect the financial condition of the Target Fund as of February 29, 2016, and there are no known contingent liabilities of the Target Fund as of such date that are not disclosed in such statements.
- (g) Since the date of the financial statements referred to in subsection (f) above, there have been no material adverse changes in the Target Fund's financial condition, assets, liabilities or business (other than changes occurring in the ordinary course of business), and there are no known contingent liabilities of the Target Fund that have arisen after such date. For the purposes of this subsection (g), a decline in the net asset value of the Target Fund will not constitute a material adverse change.
- (h) All federal, state, local and other tax returns and reports of the Target Fund required by law to be filed by it (taking into account permitted extensions for filing) have been timely filed and are complete and correct in all material respects. All federal, state, local and other taxes of the Target Fund required to be paid (whether or not shown on any such return or report) have been paid, or provision will have been made for the payment thereof, and any such unpaid taxes, as of the date of the financial statements referred to above, are properly reflected thereon. To the best of the Target Fund's knowledge, no tax authority is currently auditing or preparing to audit the Target Fund, and no assessment for taxes, interest, additions to tax or penalties has been asserted against the Target Fund.
- (i) The authorized capital of the Target Fund consists of the shares set forth in Exhibit B hereto. All issued and outstanding shares of the Target Fund are duly and validly issued,

fully paid and non-assessable by the Target Fund. All of the issued and outstanding shares of the Target Fund will, at the time of the Closing, be held by the persons and in the amounts set forth in the records of the Target Fund's transfer agent or tender and paying agent, as applicable, as provided in Section 3.3. The Target Fund has no outstanding options, warrants or other rights to subscribe for or purchase any shares of the Target Fund and has no outstanding securities convertible into shares of the Target Fund.

(j) At the Closing, the Target Fund will have good and marketable title to the Target Fund's assets to be transferred to the Acquiring Fund pursuant to Section 1.2, and full right, power and authority to sell, assign, transfer and deliver such assets, and the Acquiring Fund will acquire good and marketable title thereto, subject to no restrictions on the full transfer thereof, including such restrictions as might arise under the Securities Act of 1933, as amended (the "1933 Act"), except those restrictions as to which the Acquiring Fund has received notice and necessary documentation at or prior to the Closing.

(k) The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of the Target Fund, including the determinations of the Target Fund Board required by Rule 17a-8(a) under the 1940 Act. Subject to approval by shareholders, this Agreement constitutes a valid and binding obligation of the Target Fund, enforceable in accordance with its terms, subject as to enforcement to bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting creditors' rights and to general equity principles.

(l) The information to be furnished by the Target Fund for use in any "no-action" letters, applications for orders, registration statements, proxy materials and other documents that may be necessary in connection with the transactions contemplated herein will be accurate and complete in all material respects and will comply in all material respects with the requirements of the federal securities laws and other laws and regulations.

(m) From the effective date of the Registration Statement (as defined in Section 5.7) through the time of the meeting of shareholders and on the Closing Date, any written information furnished by the Target Fund with respect to the Target Fund for use in the Proxy Materials (as defined in Section 5.7), or any other materials provided in connection with the Target Fund's Reorganization, does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated or necessary to make the statements, in light of the circumstances under which such statements were made, not misleading.

(n) For each taxable year of its operations (including the taxable year ending on the Closing Date), the Target Fund (i) has elected to qualify, and has qualified or will qualify (in the case of the taxable year ending on the Closing Date), as a regulated investment company under the Code (a "RIC"); (ii) has been eligible to compute and has computed its federal income tax under Section 852 of the Code, and on or prior to the Closing Date will have declared a distribution with respect to all of its investment company taxable income (determined without regard to the deduction for dividends paid), the excess of its interest income excludible from gross income under Section 103(a) of the Code over its deductions disallowed under Sections 265 and 171(a)(2) of the Code and its net capital gain (after reduction for any available capital loss carryforward) (as such terms are defined in the Code) that has accrued or will accrue on or prior to the Closing Date; and (iii) has been, and will be (in the case of the taxable year ending on the Closing Date), treated as a separate corporation for federal income tax purposes.

4.2 REPRESENTATIONS OF THE ACQUIRING FUND. The Acquiring Fund represents and warrants as follows:

- (a) The Acquiring Fund is a business trust duly organized, validly existing and in good standing under the laws of the Commonwealth of Massachusetts.
- (b) The Acquiring Fund is registered as a closed-end management investment company under the 1940 Act, and such registration is in full force and effect.
- (c) The Acquiring Fund is not, and the execution, delivery and performance of this Agreement (subject to shareholder approval and compliance with the other provisions hereof) will not result, in violation of the Acquiring Fund's Declaration of Trust, By-Laws, Statement Establishing and Fixing the Rights and Preferences of Variable Rate MuniFund Term Preferred Shares (Acquiring Fund VMTP Statement) or Statements Establishing and Fixing the Rights and Preferences of Variable Rate Demand Preferred Shares (Acquiring Fund VRDP Statements) or any material agreement, indenture, instrument, contract, lease or other undertaking to which the Acquiring Fund is a party or by which it is bound.
- (d) No litigation, administrative proceeding or investigation of or before any court or governmental body currently is pending or to its knowledge threatened against the Acquiring Fund or any of its properties or assets, which, if adversely determined, would materially and adversely affect its financial condition, the conduct of its business or the ability of the Acquiring Fund to carry out the transactions contemplated by this Agreement. The Acquiring Fund knows of no facts that might form the basis for the institution of such proceedings and it is not a party to or subject to the provisions of any order, decree or judgment of any court or governmental body that materially and adversely affects its business or its ability to consummate the transactions contemplated herein.
- (e) The financial statements of the Acquiring Fund as of February 29, 2016, and for the fiscal year then ended, have been prepared in accordance with generally accepted accounting principles in the United States of America and have been audited by independent auditors, and such statements (copies of which have been furnished to each Target Fund) fairly reflect the financial condition of the Acquiring Fund as of February 29, 2016, and there are no known contingent liabilities of the Acquiring Fund as of such date that are not disclosed in such statements.
- (f) Since the date of the financial statements referred to in subsection (e) above, there have been no material adverse changes in the Acquiring Fund's financial condition, assets, liabilities or business (other than changes occurring in the ordinary course of business), and there are no known contingent liabilities of the Acquiring Fund that have arisen after such date. For the purposes of this subsection (f), a decline in the net asset value of the Acquiring Fund will not constitute a material adverse change.
- (g) All federal, state, local and other tax returns and reports of the Acquiring Fund required by law to be filed by it (taking into account permitted extensions for filing) have been timely filed and are complete and correct in all material respects. All federal, state, local and other taxes of the Acquiring Fund required to be paid (whether or not shown on any such return or report) have been paid, or provision will have been made for the payment thereof, and any such unpaid taxes, as of the date of the financial statements referred to above, are properly reflected thereon. To the best of the Acquiring Fund's knowledge, no tax authority is currently auditing or preparing to audit the Acquiring Fund, and no assessment for taxes, interest, additions to tax or penalties has been asserted against the Acquiring Fund.

- (h) The authorized capital of the Acquiring Fund consists of an unlimited number of common and preferred shares of beneficial interest, par value \$0.01 per share. All of the issued and outstanding shares of the Acquiring Fund are duly and validly issued, fully paid and non-assessable by the Acquiring Fund (recognizing that under Massachusetts law, Acquiring Fund shareholders, under certain circumstances, could be held personally liable for the obligations of the Acquiring Fund). The Acquiring Fund has no outstanding options, warrants or other rights to subscribe for or purchase any shares of the Acquiring Fund and has no outstanding securities convertible into shares of the Acquiring Fund.
- (i) The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of the Acquiring Fund, including the determinations of the Acquiring Fund Board required pursuant to Rule 17a-8(a) under the 1940 Act. Subject to approval by shareholders, this Agreement constitutes a valid and binding obligation of the Acquiring Fund, enforceable in accordance with its terms, subject as to enforcement to bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting creditors' rights and to general equity principles.
- (j) The Acquiring Fund Shares to be issued and delivered to each Target Fund for the account of Target Fund Shareholders pursuant to the terms of this Agreement will, at the Closing, have been duly authorized. When so issued and delivered, such Acquiring Fund Shares will be duly and validly issued shares of the Acquiring Fund and will be fully paid and non-assessable by the Acquiring Fund (recognizing that under Massachusetts law, Acquiring Fund shareholders, under certain circumstances, could be held personally liable for the obligations of the Acquiring Fund).
- (k) The information to be furnished by the Acquiring Fund for use in any no-action letters, applications for orders, registration statements, proxy materials and other documents that may be necessary in connection with the transactions contemplated herein will be accurate and complete in all material respects and will comply in all material respects with the requirements of the federal securities laws and other laws and regulations.
- (l) From the effective date of the Registration Statement through the time of the meeting of shareholders and on the Closing Date, any written information furnished by the Acquiring Fund with respect to the Acquiring Fund for use in the Proxy Materials, or any other materials provided in connection with the Reorganizations, does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated or necessary to make the statements, in light of the circumstances under which such statements were made, not misleading.
- (m) For each taxable year of its operations, including the taxable year that includes the Closing Date, the Acquiring Fund (i) has elected to qualify, has qualified or will qualify (in the case of the year that includes the Closing Date) and intends to continue to qualify as a RIC under the Code; (ii) has been eligible to and has computed its federal income tax under Section 852 of the Code, and will do so for the taxable year that includes the Closing Date; and (iii) has been, and will be (in the case of the taxable year that includes the Closing Date), treated as a separate corporation for federal income tax purposes.
- (n) The Acquiring Fund agrees to use all reasonable efforts to obtain the approvals and authorizations required by the 1933 Act, the 1940 Act and any state securities laws as it may deem appropriate in order to continue its operations after the Closing Date.

ARTICLE V

COVENANTS OF THE FUNDS

- 5.1 **OPERATION IN ORDINARY COURSE.** Subject to Sections 1.2, 1.4 and 8.5, the Acquiring Fund and each Target Fund will operate their respective business in the ordinary course from the date of this Agreement through the Closing, it being understood that such ordinary course of business will include customary dividends and distributions and any other distributions necessary or desirable to avoid federal income or excise taxes.
- 5.2 **APPROVAL OF SHAREHOLDERS.** The Acquiring Fund and each Target Fund will call meetings of their respective shareholders to consider and act upon this Agreement and to take all other appropriate action necessary to obtain approval of the transactions contemplated herein.
- 5.3 **INVESTMENT REPRESENTATION.** Each Target Fund covenants that the Acquiring Fund Shares to be issued pursuant to this Agreement are not being acquired for the purpose of making any distribution other than in connection with such Target Fund's Reorganization and in accordance with the terms of this Agreement.
- 5.4 **ADDITIONAL INFORMATION.** Each Target Fund will assist the Acquiring Fund in obtaining such information as the Acquiring Fund reasonably requests concerning the beneficial ownership of the Target Fund's shares.
- 5.5 **FURTHER ACTION.** Subject to the provisions of this Agreement, each Fund will take or cause to be taken all action, and do or cause to be done all things, reasonably necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement, including any actions required to be taken after the Closing.
- 5.6 **STATEMENT OF EARNINGS AND PROFITS.** As promptly as practicable, but in any case within 60 days after the Closing Date, each Target Fund will furnish the Acquiring Fund, in such form as is reasonably satisfactory to the Acquiring Fund and which will be certified by such Target Fund's Controller, a statement of the earnings and profits of the Target Fund for federal income tax purposes, as well as any net operating loss carryovers and capital loss carryovers that will be carried over to the Acquiring Fund pursuant to Section 381 of the Code.
- 5.7 **PREPARATION OF REGISTRATION STATEMENT AND PROXY MATERIALS.** The Funds will prepare and file with the Commission one or more registration statements on Form N-14 relating to the Acquiring Fund Common Shares to be issued to Target Fund Common Shareholders and related matters (the *Registration Statement*) and one or more proxy statements relating to the Acquiring Fund Preferred Shares to be issued to the Target Fund Preferred Shareholders (the *Proxy Statement*). Each Registration Statement will include a proxy statement of the Funds and a prospectus of the Acquiring Fund relating to the transactions contemplated by this Agreement, as applicable (the *Joint Proxy Statement/Prospectus*). Each Registration Statement and Proxy Statement will be in compliance with the 1933 Act, the Securities Exchange Act of 1934, as amended, and the 1940 Act, as applicable. Each party will provide the other parties with the materials and information necessary to prepare the proxy statements and related materials (the *Proxy Materials*), for inclusion therein, in connection with the meetings of the Funds' shareholders to consider the approval of this Agreement and the transactions contemplated herein.

5.8 **TAX STATUS OF REORGANIZATIONS.** The intention of the parties is that each Reorganization will qualify as a reorganization within the meaning of Section 368(a) of the Code. None of the Target Funds or the Acquiring Fund will take any action, or cause any action to be taken (including, without limitation, the filing of any tax return), that is inconsistent with such treatment or that results in the failure of the transactions to qualify as reorganizations within the meaning of Section 368(a) of the Code. At or prior to the Closing, the parties to this Agreement will take such action, or cause such action to be taken, as is reasonably necessary to enable counsel to render the tax opinions contemplated in Section 8.8.

ARTICLE VI

CONDITION PRECEDENT TO OBLIGATIONS OF EACH TARGET FUND

The obligations of each Target Fund to consummate the transactions provided for herein will be subject to the fulfillment or waiver of the following condition:

6.1 All representations, covenants and warranties of the Acquiring Fund contained in this Agreement will be true and correct in all material respects as of the date hereof and as of the Closing, with the same force and effect as if made on and as of the Closing. The Acquiring Fund will have delivered to each Target Fund a certificate executed in the Acquiring Fund's name by the Acquiring Fund's (i) Chief Administrative Officer or Vice President and (ii) Controller, in form and substance satisfactory to each Target Fund and dated as of the Closing Date, to such effect and as to such other matters as each Target Fund may reasonably request.

ARTICLE VII

CONDITIONS PRECEDENT TO OBLIGATIONS OF THE ACQUIRING FUND

The obligations of the Acquiring Fund to consummate the transactions provided for herein will be subject to the fulfillment or waiver of the following conditions:

7.1 All representations, covenants and warranties of each Target Fund contained in this Agreement will be true and correct in all material respects as of the date hereof and as of the Closing, with the same force and effect as if made on and as of the Closing. Each Target Fund will have delivered to the Acquiring Fund on the Closing Date a certificate executed in the Target Fund's name by the Target Fund's (i) Chief Administrative Officer or Vice President and (ii) Controller, in form and substance satisfactory to the Acquiring Fund and dated as of the Closing Date, to such effect and as to such other matters as the Acquiring Fund may reasonably request.

7.2 Each Target Fund will have delivered to the Acquiring Fund a statement of the Target Fund's assets and liabilities, together with a list of the Target Fund's portfolio securities showing the tax basis of such securities by lot and the holding periods of such securities, as of the Closing, certified by the Controller of the Target Fund.

7.3 Prior to the Valuation Time, each Target Fund will have declared the dividends and/or distributions contemplated by Section 1.4 and Section 8.5.

ARTICLE VIII

FURTHER CONDITIONS PRECEDENT

The obligations of each Target Fund and the Acquiring Fund hereunder will also be subject to the fulfillment or waiver of the following conditions:

8.1 This Agreement and the transactions contemplated herein will have been approved by the requisite vote of the holders of the outstanding common and preferred shares of each Target Fund in accordance with applicable law and the provisions of each Target Fund's Declaration of Trust, By-Laws and Target Fund VRDP Statement. In addition, this Agreement, the issuance of Acquiring Fund Shares and the transactions contemplated herein, will have been approved by the requisite votes of the holders of the outstanding common and preferred shares of the Acquiring Fund in accordance with applicable law, the requirements of any applicable national securities exchange(s) and the provisions of the Acquiring Fund's Declaration of Trust, By-Laws, Acquiring Fund VMTP Statement and Acquiring Fund VRDP Statements.

8.2 As of the Closing, the Commission will not have issued an unfavorable report under Section 25(b) of the 1940 Act, or instituted any proceeding seeking to enjoin the consummation of the transactions contemplated by this Agreement under Section 25(c) of the 1940 Act. Furthermore, no action, suit or other proceeding will be threatened or pending before any court or governmental agency in which it is sought to restrain or prohibit, or obtain damages or other relief in connection with, this Agreement or the transactions contemplated herein.

8.3 All consents, orders and permits of federal, state and local regulatory authorities (including those of the Commission and of state securities authorities, including any necessary no-action positions and exemptive orders from such federal and state authorities) to permit consummation of the transactions contemplated herein will have been obtained or made. All notices to, or consents or waivers from, other persons, including without limitation holders of preferred shares or liquidity providers with respect to preferred shares, or other actions necessary to permit consummation of the transactions contemplated herein will have been obtained or made.

8.4 The Registration Statement will have become effective under the 1933 Act, and no stop orders suspending the effectiveness thereof will have been issued. To the best knowledge of the parties to this Agreement, no investigation or proceeding for that purpose will have been instituted or be pending, threatened or contemplated under the 1933 Act.

8.5 Each Target Fund will have declared, prior to the Valuation Time, a dividend or dividends that, together with all previous such dividends, will have the effect of distributing to its shareholders at least all of the Target Fund's investment company taxable income for all taxable periods ending on or before the Closing Date (computed without regard to any deduction for dividends paid), if any, plus the excess of its interest income excludible from gross income under Section 103(a) of the Code, if any, over its deductions disallowed under Sections 265 and 171(a)(2) of the Code for all taxable periods ending on or before the Closing Date and all of its net capital gains realized in all taxable periods ending on or before the Closing Date (after reduction for any available capital loss carryforward).

8.6 The Target Funds will have received an opinion from Vedder Price P.C. dated as of the Closing Date substantially to the effect that:

- (a) The Acquiring Fund has been formed as a voluntary association with transferable shares of beneficial interest commonly referred to as a Massachusetts business trust, and is existing under the laws of the Commonwealth of Massachusetts and, to such counsel's knowledge, has the power as a business trust to carry on its business as currently conducted as described in the definitive Joint Proxy Statement/Prospectus as filed with the Commission pursuant to Rule 497 under the 1933 Act.
- (b) The Acquiring Fund is registered as a closed-end management investment company under the 1940 Act, and, to such counsel's knowledge, such registration under the 1940 Act is in full force and effect.
- (c) Assuming that the Acquiring Fund Shares will be issued in accordance with the terms of this Agreement, the Acquiring Fund Shares to be issued and delivered to each Target Fund on behalf of its Target Fund Shareholders as provided by this Agreement are duly authorized and, upon such delivery, will be validly issued and fully paid and non-assessable by the Acquiring Fund, except that, as described in the definitive Joint Proxy Statement/Prospectus as filed with the Commission pursuant to Rule 497 under the 1933 Act, shareholders of the Acquiring Fund may, under certain circumstances, be held personally liable for its obligations under Massachusetts law, and no shareholder of the Acquiring Fund has, as such holder, any preemptive rights to acquire, purchase or subscribe for any securities of the Acquiring Fund under the Acquiring Fund's Declaration of Trust, By-Laws or Massachusetts law.
- (d) The Registration Statement is effective and, to such counsel's knowledge, no stop order under the 1933 Act pertaining thereto has been issued.
- (e) To the knowledge of such counsel, no consent, approval, authorization or order of any court or governmental authority of the United States or the Commonwealth of Massachusetts is required for consummation by the Acquiring Fund of the transactions contemplated herein, except as have been obtained.
- (f) The execution and delivery of this Agreement by the Acquiring Fund did not, and the consummation by the Acquiring Fund of the transactions contemplated herein will not, violate the Acquiring Fund's Declaration of Trust, By-Laws, Acquiring Fund VMTP Statement or Acquiring Fund VRDP Statements (assuming the requisite approval of the Fund's shareholders has been obtained in accordance with its Declaration of Trust, By-Laws, Acquiring Fund VMTP Statement and Acquiring Fund VRDP Statements).

Insofar as the opinions expressed above relate to or are dependent upon matters that are governed by the laws of the Commonwealth of Massachusetts, Vedder Price P.C. may rely on the opinions of Morgan, Lewis & Bockius LLP.

8.7 The Acquiring Fund will have received an opinion from Vedder Price P.C. dated as of the Closing Date substantially to the effect that:

- (a) Each Target Fund has been formed as a voluntary association with transferable shares of beneficial interest commonly referred to as a Massachusetts business trust, and is existing

under the laws of the Commonwealth of Massachusetts and, to such counsel's knowledge, has the power as a business trust to carry on its business as currently conducted as described in the definitive Joint Proxy Statement/Prospectus as filed with the Commission pursuant to Rule 497 under the 1933 Act.

(b) Each Target Fund is registered as a closed-end management investment company under the 1940 Act, and, to such counsel's knowledge, such registration under the 1940 Act is in full force and effect.

(c) To the knowledge of such counsel, no consent, approval, authorization or order of any court or governmental authority of the United States or the Commonwealth of Massachusetts is required for consummation by the Target Funds of the transactions contemplated herein, except as have been obtained.

(d) With respect to each Target Fund, the execution and delivery of this Agreement by the Target Fund did not, and the consummation by the Target Fund of the transactions contemplated herein will not, violate the Target Fund's Declaration of Trust, By-Laws or Target Fund VRDP Statement (assuming the requisite approval of the Fund's shareholders has been obtained in accordance with its Declaration of Trust, By-Laws and Target Fund VRDP Statement).

Insofar as the opinions expressed above relate to or are dependent upon matters that are governed by the laws of the Commonwealth of Massachusetts, Vedder Price P.C. may rely on the opinions of Morgan, Lewis & Bockius LLP.

8.8 With respect to each Reorganization, the Funds participating in such Reorganization will have received an opinion of Vedder Price P.C. dated as of the Closing Date and addressed to the Acquiring Fund and the Target Fund substantially to the effect that for federal income tax purposes:

(a) The transfer by the Target Fund of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund Shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund, immediately followed by the distribution of all the Acquiring Fund Shares so received by the Target Fund to the Target Fund's shareholders of record in complete liquidation of the Target Fund and the dissolution of the Target Fund as soon as practicable thereafter, will constitute a reorganization within the meaning of Section 368(a)(1) of the Code, and the Acquiring Fund and the Target Fund will each be a party to a reorganization, within the meaning of Section 368(b) of the Code, with respect to the Reorganization.

(b) No gain or loss will be recognized by the Acquiring Fund upon the receipt of substantially all the Target Fund's assets solely in exchange for Acquiring Fund Shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund.

(c) No gain or loss will be recognized by the Target Fund upon the transfer of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund Shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund or upon the distribution (whether actual or constructive) of such Acquiring Fund Shares to the Target Fund's shareholders solely in exchange for such shareholders' shares of the Target Fund in complete liquidation of the Target Fund.

(d) No gain or loss will be recognized by the Target Fund's shareholders upon the exchange, pursuant to the Reorganization, of all their shares of the Target Fund solely for Acquiring Fund Shares, except to the extent the Target Fund's common shareholders receive cash in lieu of a fractional Acquiring Fund Common Share.

(e) The aggregate basis of the Acquiring Fund Shares received by each Target Fund shareholder pursuant to the Reorganization (including any fractional Acquiring Fund Common Share to which a Target Fund shareholder would be entitled) will be the same as the aggregate basis of the Target Fund shares exchanged therefor by such shareholder.

(f) The holding period of the Acquiring Fund Shares received by each Target Fund shareholder in the Reorganization (including any fractional Acquiring Fund Common Share to which a Target Fund shareholder would be entitled) will include the period during which the shares of the Target Fund exchanged therefor were held by such shareholder, provided such Target Fund shares are held as capital assets at the effective time of the Reorganization.

(g) The basis of the assets of the Target Fund received by the Acquiring Fund will be the same as the basis of such assets in the hands of the Target Fund immediately before the effective time of the Reorganization.

(h) The holding period of the assets of the Target Fund received by the Acquiring Fund will include the period during which those assets were held by the Target Fund.

No opinion will be expressed as to (1) the effect of the Reorganizations on a Target Fund, the Acquiring Fund or any Target Fund Shareholder with respect to any asset (including, without limitation, any stock held in a passive foreign investment company as defined in Section 1297(a) of the Code) as to which any unrealized gain or loss is required to be recognized under federal income tax principles (a) at the end of a taxable year (or on the termination thereof) or (b) upon the transfer of such asset regardless of whether such transfer would otherwise be a non-taxable transaction under the Code, or (2) any other federal tax issues (except those set forth above) and all state, local or foreign tax issues of any kind.

Such opinions will be based on customary assumptions and such representations as Vedder Price P.C. may reasonably request of the Funds, and each Target Fund and the Acquiring Fund will cooperate to make and certify the accuracy of such representations. Notwithstanding anything herein to the contrary, neither the Acquiring Fund nor any Target Fund may waive the conditions set forth in this Section 8.8. Insofar as the opinions expressed above relate to or are dependent upon the classification of the Acquiring Fund Preferred Shares as equity securities for U.S. federal income tax purposes, Vedder Price P.C. may rely on the opinion delivered to the Acquiring Fund by Sidley Austin LLP with respect to such issue for the Acquiring Fund Preferred Shares.

ARTICLE IX

EXPENSES

9.1 The expenses incurred in connection with the Reorganizations (whether or not the Reorganizations are consummated) will be allocated among the Funds pro rata based on the projected relative benefits to each Fund during the first year following the Reorganizations, and each Fund will

have accrued such expenses as liabilities at or before the Valuation Time. Reorganization expenses include, without limitation, (a) expenses associated with the preparation and filing of the Registration Statement and other Proxy Materials; (b) postage; (c) printing; (d) accounting fees; (e) legal fees incurred by each Fund; (f) solicitation costs of the transactions; and (g) other related administrative or operational costs.

9.2 Each party represents and warrants to the other parties that there is no person or entity entitled to receive any broker's fees or similar fees or commission payments in connection with structuring the transactions provided for herein.

9.3 Notwithstanding the foregoing, expenses will in any event be paid by the party directly incurring such expenses if and to the extent that the payment by another party of such expenses would result in the disqualification of a Target Fund or the Acquiring Fund, as the case may be, as a RIC under the Code.

ARTICLE X

ENTIRE AGREEMENT; SURVIVAL OF WARRANTIES

10.1 The parties agree that no party has made to any other party any representation, warranty or covenant not set forth herein and that this Agreement constitutes the entire agreement between and among the parties.

10.2 The representations, warranties and covenants contained in this Agreement or in any document delivered pursuant to or in connection with this Agreement will not survive the consummation of the transactions contemplated hereunder.

ARTICLE XI

TERMINATION

11.1 This Agreement may be terminated by the mutual agreement of the parties, and such termination may be effected by each Fund's Chief Administrative Officer or any Vice President without further action by a Target Fund Board or the Acquiring Fund Board. In addition, this Agreement may be terminated at or before the Closing due to:

- (a) a breach by the non-terminating party of any representation or warranty, or agreement to be performed at or before the Closing, if not cured within 30 days of the breach and prior to the Closing;
- (b) a condition precedent to the obligations of the terminating party that has not been met or waived and it reasonably appears that it will not or cannot be met; or
- (c) a determination by a Target Fund Board or the Acquiring Fund Board that the consummation of the transactions contemplated herein is not in the best interests of its respective Fund involved in the Reorganization(s).

11.2 In the event of any such termination, in the absence of willful default, there will be no liability for damages on the part of the Acquiring Fund or a Target Fund.

ARTICLE XII

AMENDMENTS

12.1 This Agreement may be amended, modified or supplemented in such manner as may be mutually agreed upon in writing by the officers of each Fund as specifically authorized by each Fund's Board of Trustees; *provided, however*, that following the meeting of the shareholders of the Funds called by each Fund pursuant to Section 5.2 of this Agreement, no such amendment, modification or supplement may have the effect of changing the provisions for determining the number of Acquiring Fund Shares to be issued to the Target Fund Shareholders under this Agreement to the detriment of such shareholders without their further approval.

ARTICLE XIII

HEADINGS; COUNTERPARTS; GOVERNING LAW; ASSIGNMENT; LIMITATION OF LIABILITY

13.1 The article and section headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement.

13.2 This Agreement may be executed in any number of counterparts, each of which may be deemed an original.

13.3 This Agreement will be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.

13.4 This Agreement will bind and inure to the benefit of the parties hereto and their respective successors and assigns, and no assignment or transfer hereof or of any rights or obligations hereunder may be made by any party without the written consent of the other parties. Nothing herein expressed or implied is intended or may be construed to confer upon or give any person, firm or corporation, other than the parties hereto and their respective successors and assigns, any rights or remedies under or by reason of this Agreement.

13.5 It is expressly agreed that the obligations of each Fund hereunder will not be binding upon any of the trustees, shareholders, nominees, officers, agents or employees of such Fund personally, but will bind only the property of the Fund, as provided in such Fund's Declaration of Trust, which is on file with the Secretary of the Commonwealth of Massachusetts. The execution and delivery of this Agreement have been authorized by the each Fund's Board of Trustees, and this Agreement has been signed by authorized officers of each Fund acting as such. Neither the authorization by such trustees nor the execution and delivery by such officers will be deemed to have been made by any of them individually or to impose any liability on any of them personally, but will bind only the property of a Fund, as provided in such Fund's Declaration of Trust.

13.6 It is understood and agreed that the use of a single agreement is for administrative convenience only and that this Agreement constitutes a separate agreement between each Target Fund and the Acquiring Fund as if each party had executed a separate document. No Fund will have any liability for the obligations of any other Fund, and the liabilities of each Fund will be several and not joint.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties have duly executed this Agreement, all as of the date first written above.

APPENDIX B

NUVEEN FUND BOARD AUDIT COMMITTEE CHARTER

I. Organization and Membership

There shall be a committee of each Board of Directors/Trustees (the Board) of the Nuveen Management Investment Companies (the Funds or, individually, a Fund) to be known as the Audit Committee. The Audit Committee shall be comprised of at least three Directors/Trustees. Audit Committee members shall be independent of the Funds and free of any relationship that, in the opinion of the Directors/Trustees, would interfere with their exercise of independent judgment as an Audit Committee member. In particular, each member must meet the independence and experience requirements applicable to the Funds of the exchanges on which shares of the Funds are listed, Section 10A of the Securities Exchange Act of 1934 (the Exchange Act), and the rules and regulations of the Securities and Exchange Commission (the Commission). Each such member of the Audit Committee shall have a basic understanding of finance and accounting, be able to read and understand fundamental financial statements, and be financially literate, and at least one such member shall have accounting or related financial management expertise, in each case as determined by the Directors/Trustees, exercising their business judgment (this person may also serve as the Audit Committee's financial expert as defined by the Commission). The Board shall appoint the members and the Chairman of the Audit Committee, on the recommendation of the Nominating and Governance Committee. The Audit Committee shall meet periodically but in any event no less frequently than on a semi-annual basis. Except for the Funds, Audit Committee members shall not serve simultaneously on the audit committees of more than two other public companies.

II. Statement of Policy, Purpose and Processes

The Audit Committee shall assist the Board in oversight and monitoring of

- (1) The accounting and reporting policies, processes and practices, and the audits of the financial statements, of the Funds;
- (2) The quality and integrity of the financial statements of the Funds;
- (3) The Funds' compliance with legal and regulatory requirements,
- (4) The independent auditors' qualifications, performance and independence; and
- (5) Oversight of the Pricing Procedures of the Funds and the Valuation Group.

In exercising this oversight, the Audit Committee can request other committees of the Board to assume responsibility for some of the monitoring as long as the other committees are composed exclusively of independent directors.

In doing so, the Audit Committee shall seek to maintain free and open means of communication among the Directors/Trustees, the independent auditors, the internal auditors and the management of the Funds. The Audit Committee shall meet periodically with Fund management, the Funds' internal auditor, and the Funds' independent auditors, in separate executive sessions. The Audit Committee shall prepare reports of the Audit Committee as required by the Commission to be included in the Fund's annual proxy statements or otherwise.

The Audit Committee shall have the authority and resources in its discretion to retain special legal, accounting or other consultants to advise the Audit Committee and to otherwise discharge its responsibilities, including appropriate funding as determined by the Audit Committee for compensation to independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for a Fund, compensation to advisers employed by the Audit Committee, and ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties, as determined in its discretion. The Audit Committee may request any officer or employee of Nuveen Investments, Inc. (or its affiliates) (collectively, Nuveen) or the Funds independent auditors or outside counsel to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Funds independent auditors and internal auditors shall have unrestricted accessibility at any time to Committee members.

Responsibilities

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting, disclosure and internal control.

The independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls over financial reporting. Each independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds shall report directly to the Audit Committee. The independent auditors are ultimately accountable to the Board and the Audit Committee. It is the ultimate responsibility of the Audit Committee to select, appoint, retain, evaluate, oversee and replace any independent auditors and to determine their compensation, subject to ratification of the Board, if required. These Audit Committee responsibilities may not be delegated to any other Committee or the Board.

The Audit Committee is responsible for the following:

With respect to Fund financial statements:

1. Reviewing and discussing the annual audited financial statements and semi-annual financial statements with Fund management and the independent auditors including significant issues regarding accounting and auditing principles and practices, and the Funds disclosures in its periodic reports under Management s Discussion and Analysis.
2. Requiring the independent auditors to deliver to the Chairman of the Audit Committee a timely report on any issues relating to the significant accounting policies, management judgments and significant accounting estimates and related significant assumptions, or other matters that would need to be communicated under PCAOB Auditing Standard No. 16, Communications with Audit Committees., that arise during the auditors review of the Funds financial statements, which information the Chairman shall further communicate to the other members of the Audit Committee, as deemed necessary or appropriate in the Chairman s judgment.
3. Discussing with management, as applicable, the Funds press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Audit Committee shall be authorized to have these discussions with management on behalf of the Audit Committee.

4. Discussing with management and the independent auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls over financial reporting and any special audit steps adopted in light of significant control deficiencies; and (b) analyses prepared by Fund management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.
5. Discussing with management and the independent auditors the effect of new or proposed regulatory and accounting standards on the Funds' financial statements.
6. Reviewing and discussing reports, both written and oral, from the independent auditors and/or Fund management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative treatments and disclosures, and the treatment preferred by the independent auditors; and (c) other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
7. Discussing with Fund management the Funds' major financial risk exposures, including the risk of fraud or error, and the steps management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines and anti-fraud programs and controls. In fulfilling its obligations under this paragraph, the Audit Committee may review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.
8. Reviewing disclosures made to the Audit Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls. In fulfilling its obligations under this paragraph, the Audit Committee may review in a general manner the processes other Board committees have in place with respect to deficiencies in internal controls, material weaknesses, or any fraud associated with internal controls.

With respect to the independent auditors:

1. Selecting, appointing, retaining or replacing the independent auditors, subject, if applicable, only to Board and shareholder ratification; and compensating, evaluating and overseeing the work of the independent auditor (including the resolution of disagreements between Fund management and the independent auditor regarding financial reporting).
2. Meeting with the independent auditors and Fund management to review the scope, fees, audit plans and staffing for the audit, for the current year. At the conclusion of the audit, reviewing the audit results, including any and all communications required by the current auditing standards.
3. Pre-approving all audit services and permitted non-audit services based on PCAOB Rule 3524 and Rule 3525, as applicable, and the terms thereof, to be performed for the Funds by their independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A of the Exchange Act that the Audit Committee approves prior to the completion of

the audit, in accordance with any policies or procedures relating thereto as adopted by the Board or the Audit Committee. The Chairman of the Audit Committee shall be authorized to give pre-approvals of such non-audit services on behalf of the Audit Committee.

4. Obtaining and reviewing a report or reports from the independent auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Funds consistent with PCAOB Ethics and Independence Rules) regarding (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, peer review or PCAOB review or inspection, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) all relationships between the independent auditor and the Funds and their affiliates, in order to assist the Audit Committee in assessing the auditor's independence. After reviewing the foregoing report[s] and the independent auditor's work throughout the year, the Audit Committee shall be responsible for evaluating the qualifications, performance and independence of the independent auditor and their compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of Fund management and the internal auditors, and discussing such reports with the independent auditors. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.
5. Reviewing any reports from the independent auditors mandated by Section 10A(b) of the Exchange Act regarding any illegal act detected by the independent auditor (whether or not perceived to have a material effect on the Funds' financial statements) and obtaining from the independent auditors any information about illegal acts in accordance with Section 10A(b).
6. Ensuring the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.
7. Establishing and recommending to the Board for ratification policies for the Funds, Fund management or the Fund adviser's hiring of employees or former employees of the independent auditor who participated in the audits of the Funds.
8. Taking, or recommending that the Board take, appropriate action to oversee the independence of the outside auditor.

With respect to any internal auditor:

1. Reviewing the proposed programs of the internal auditor for the coming year. It is not the obligation or responsibility of the Audit Committee to confirm the independence of any internal auditors performing services relating to the Funds or to approve any termination or replacement of the Manager of Internal Audit.
2. Receiving a summary of findings from any completed internal audits pertaining to the Funds and a progress report on the proposed internal audit plan for the Funds, with explanations for significant deviations from the original plan.

With respect to pricing and valuation oversight:

1. The Board has responsibilities regarding the pricing of a Fund's securities under the 1940 Act. The Board has delegated this responsibility to the Committee to address and oversee valuation

issues, subject to the Board's general supervision of such actions. The Committee is primarily responsible for the oversight of the Pricing Procedures and actions taken by the internal Valuation Group (Valuation Matters). The Valuation Group will report on Valuation Matters to the Committee and/or the Board of Directors/Trustees, as appropriate.

2. Performing all duties assigned to it under the Funds' Pricing Procedures, as such may be amended from time to time.
3. Periodically reviewing and making recommendations regarding modifications to the Pricing Procedures as well as consider recommendations by the Valuation Group regarding the Pricing Procedures.
4. Reviewing any issues relating to the valuation of a Fund's securities brought to the Committee's attention, including suspensions in pricing, pricing irregularities, price overrides, self-pricing, NAV errors and corrections thereto, and other pricing matters. In this regard, the Committee should consider the risks to the Funds in assessing the possible resolutions of these Valuation Matters.
5. Evaluating, as it deems necessary or appropriate, the performance of any pricing agent and recommend changes thereto to the full Board.
6. Reviewing any reports or comments from examinations by regulatory authorities relating to Valuation Matters of the Funds and consider management's responses to any such comments and, to the extent the Committee deems necessary or appropriate, propose to management and/or the full Board the modification of the Fund's policies and procedures relating to such matters. The Committee, if deemed necessary or desirable, may also meet with regulators.
7. Meeting with members of management of the Funds, outside counsel, or others in fulfilling its duties hereunder, including assessing the continued appropriateness and adequacy of the Pricing Procedures, eliciting any recommendations for improvements of such procedures or other Valuation Matters, and assessing the possible resolutions of issues regarding Valuation Matters brought to its attention.
8. Performing any special review, investigations or oversight responsibilities relating to Valuation as requested by the Board of Directors/Trustees.
9. Investigating or initiating an investigation of reports of improprieties or suspected improprieties in connection with the Fund's policies and procedures relating to Valuation Matters not otherwise assigned to another Board committee.

Other responsibilities:

1. Reviewing with counsel to the Funds, counsel to Nuveen, the Fund adviser's counsel and independent counsel to the Board legal matters that may have a material impact on the Fund's financial statements or compliance policies.
2. Receiving and reviewing periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.
3. Reviewing with the independent auditors, with any internal auditor and with Fund management, the adequacy and effectiveness of the accounting and financial controls of the Funds, and eliciting any recommendations for the improvement of internal control procedures or particular areas

where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose payments, transactions or procedures that might be deemed illegal or otherwise improper.

4. Reviewing the reports of examinations by regulatory authorities as they relate to financial statement matters.
5. Discussing with management and the independent auditor any correspondence with regulators or governmental agencies that raise material issues regarding the Funds' financial statements or accounting policies.
6. Obtaining reports from management with respect to the Funds' policies and procedures regarding compliance with applicable laws and regulations.
7. Reporting regularly to the Board on the results of the activities of the Audit Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' independent auditors, or the performance of the internal audit function.
8. Performing any special reviews, investigations or oversight responsibilities requested by the Board.
9. Reviewing and reassessing annually the adequacy of this charter and recommending to the Board approval of any proposed changes deemed necessary or advisable by the Audit Committee.
10. Undertaking an annual review of the performance of the Audit Committee.
11. Establishing procedures for the receipt, retention and treatment of complaints received by the Funds regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of Fund management, the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the Funds, as well as employees of the Funds.
12. Resolving any disagreements between Fund management and the independent auditors regarding financial reporting.

Although the Audit Committee shall have the authority and responsibilities set forth in this Charter, it is not the responsibility of the Audit Committee to plan or conduct audits or to determine that the Funds' financial statements are complete and accurate and are in accordance with generally accepted accounting principles. It is the responsibility of management to prepare the Funds' financial statements in accordance with generally accepted accounting principles and it is the independent auditor's responsibility to audit the Funds' financial statements. Nor is it the duty of the Audit Committee to conduct investigations or to ensure compliance with laws and regulations.
