Introductory Note

This Current Report on Form 8-K is being filed in connection with the closing on July 29, 2016 (the Closing Date) of the transactions contemplated by that certain Agreement and Plan of Merger, dated as of October 30, 2015 (the Merger Agreement), by and between KeyCorp, an Ohio corporation (KeyCorp), and First Niagara Financial Group, Inc., a Delaware corporation (First Niagara), with the merger of First Niagara with and into KeyCorp, with KeyCorp as the surviving entity (the Merger), being effective on August 1, 2016.

Item 2.01 Completion of Acquisition or Disposition of Assets

On August 1, 2016, pursuant to the Merger Agreement, First Niagara merged with and into KeyCorp, with KeyCorp as the surviving entity.

Under the terms and subject to the conditions of the Merger Agreement, at the effective time of the Merger (the Effective Time), holders of First Niagara s common stock (other than shares held in treasury by First Niagara or otherwise owned by KeyCorp or First Niagara (with limited exceptions)) became entitled to receive, for each share of First Niagara common stock issued and outstanding immediately prior to the Effective Time, 0.680 shares (the Exchange Ratio) of KeyCorp common stock and \$2.30 in cash (collectively, the Merger Consideration).

At the Effective Time, holders of First Niagara s preferred stock became entitled to receive, for each share of First Niagara Fixed-to-Floating Rate Perpetual Non-Cumulative Preferred Stock, Series B, issued and outstanding immediately prior to the Effective Time (First Niagara Preferred Stock), one share of a newly issued series of Fixed-to-Floating Rate Perpetual Non-Cumulative Preferred Stock, Series C (the New KeyCorp Preferred Stock), which has such rights, preferences, privileges and voting powers, and limitations and restrictions that are not materially less favorable to the holder thereof than the rights, preferences, privileges and voting powers of First Niagara Preferred Stock.

At the Effective Time, each option granted by First Niagara to purchase shares of First Niagara common stock was converted into an option to purchase KeyCorp common stock (rounded down to the nearest whole share) on the same terms and conditions, including vesting, as were applicable prior to the Merger, subject to adjustment of the exercise price and the number of shares of KeyCorp common stock issuable upon exercise of such option based on the sum of (a) the Exchange Ratio and (b) \$2.30 divided by \$11.63, the volume weighted average closing price of KeyCorp common stock on the New York Stock Exchange for the five trading days ending the day prior to the Closing Date.

At the Effective Time, each First Niagara restricted stock award and restricted stock unit award converted into the right to receive a number of shares, or into a restricted stock unit award for a number of shares (subject to the same terms and conditions, including vesting, as were applicable prior to the Merger, and with any performance-based vesting conditions applicable to such restricted stock unit awards immediately prior to the Effective Time deemed satisfied at target level), respectively, of KeyCorp common stock (rounded down to the nearest whole share) equal to the product of (a) the number of shares of First Niagara common stock subject to such restricted stock award or restricted stock unit award multiplied by (b) the sum of (i) the Exchange Ratio and (ii) \$2.30 divided by \$11.63, the volume weighted average closing price of KeyCorp common stock on the New York Stock Exchange for the five trading days ending the day prior to the Closing Date. At the Effective Time, fractional shares of First Niagara common stock subject to a First Niagara restricted stock unit award converted into the right to receive a pro rata portion of the Merger Consideration with respect to such fractional shares.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 of KeyCorp's Current Report on Form 8-K filed on November 2, 2015, and is incorporated herein by reference.

Holders of the New KeyCorp Preferred Stock will be entitled to receive, when, as and if declared by KeyCorp's Board of Directors out of funds legally available therefor, non-cumulative cash dividends on the liquidation preference amount of \$25 per share at (i) from and including the date of original issuance to but excluding February 15, 2017, a rate of 8.625% per annum, and (ii) from and including February 15, 2017, a floating rate equal to three-month LIBOR plus a spread of 7.327% per annum.
