**GRAVITY REPORTS SECOND QUARTER OF 2016 RESULTS**

Seoul, South Korea August 24, 2016 GRAVITY Co., Ltd. (NasdaqCM: GRVY) ( Gravity or Company ), a developer and publisher of online and mobile games based in South Korea, today announced its unaudited financial results for the second quarter ended June 30, 2016, prepared in accordance with generally accepted accounting principles in the United States.

**FINAICIAL RESULTS FOR THE SECOND QUARTER OF 2016**

Revenues for the second quarter ended June 30, 2016 was KRW 9,057 million (US\$ 7,848 thousand), representing a 0.4% decrease from KRW 9,094 million for the first quarter ended March 31, 2016 ( QoQ ) and a 1.7% decrease from KRW 9,217 million for the second quarter ended June 30, 2015 ( YoY ).

**Review of Financial Results**

**Revenues**

Royalty and license fee revenues for the second quarter of 2016 were KRW 2,738 million (US\$ 2,372 thousand), representing a 18.7% decrease QoQ from KRW 3,368 million and a 1.4% decrease YoY from KRW 2,777 million. The decrease QoQ was primarily due to i) decreased revenue from *Ragnarok Online* in Taiwan resulting from a service suspension on May 31, 2016, as the Company terminated a distribution agreement with a local licensee for its direct service of *Ragnarok Online* in such market and ii) decreased revenue from *Ragnarok Online* in Japan. The decrease YoY was resulted mainly from decreased revenue from *Ragnarok Online II* in Thailand, which was partially offset by increased revenues from *Ragnarok Online* in Japan and the strengthening of the Japanese Yen against the Korean Won.

Mobile game and application revenues were KRW 2,495 million (US\$ 2,162 thousand) for the second quarter of 2016, representing a 4.6% decrease QoQ from KRW 2,616 million and a 32.6% decrease YoY from KRW 3,703 million. The decrease QoQ and YoY was resulted primarily from decreased revenues from mobile applications for a 3<sup>rd</sup> party and Ragnarok: Path of Heroes.

Subscription revenues for the second quarter of 2016 were KRW 2,323 million (US\$ 2,013 thousand), representing a 8.7% increase QoQ from KRW 2,137 million and a 20.9% increase YoY from KRW 1,922 million. The increase QoQ and YoY was mainly attributable to revenues from *Ragnarok Online* in Taiwan. The Company has commenced its direct service for *Ragnarok Online* in such market since June 15, 2016.

Character merchandising and other revenues were KRW 1,501 million (US\$ 1,301 thousand) for the second quarter of 2016, representing a 54.3% increase QoQ from KRW 973 million and a 84.2% increase YoY from KRW 815 million. The increase QoQ and YoY was mainly due to recognition of deferred revenues occurred from a game development and publishing agreement with a third party, which was executed on March 25, 2016.

### Cost of Revenue and Operating Expenses

Cost of revenue was KRW 6,846 million (US\$ 5,932 thousand) for the second quarter of 2016, representing a 3.4% increase QoQ from KRW 6,619 million but a 7.5% decrease YoY from KRW 7,401 million. The increase QoQ was mostly from an increase in commission paid. The decrease YoY was mostly from decreased amortization of capitalized research and development cost of *Ragnarok Online II*, which had been amortized and fully impaired in December 2015.

Operating expenses were KRW 3,717 million (US\$ 3,221 thousand) for the second quarter of 2016, representing a 22.4% increase QoQ from KRW 3,036 million but a 17.0% decrease YoY from KRW 4,481 million. The increase QoQ was mainly due to an increase in advertising expenses in Taiwan and commission paid. The decrease YoY was mostly resulted from a decrease in research and development expenses.

Loss before income tax expenses and others was KRW 1,212 million (US\$ 1,050 thousand) for the second quarter of 2016 compared with loss before income tax expenses and others of KRW 1,287 million for the first quarter of 2016 and loss before income tax expenses and others of KRW 2,434 million for the second quarter of 2015.

As a result of the foregoing factors, Gravity recorded a net loss attributable to parent company of KRW 1,605 million (US\$ 1,390 thousand) for the second quarter of 2016 compared with a net loss attributable to parent company of KRW 1,701 million for the first quarter of 2016 and a net loss attributable to parent company of KRW 2,763 million for the second quarter of 2015.

The balance of cash and cash equivalents and short-term financial instruments was KRW 37,445 million (US\$ 32,443 thousand) as of June 30, 2016.

Note: For convenience purposes only, the KRW amounts have been expressed in U.S. dollars at the exchange rate of KRW 1,154.15 to US\$ 1.00, the noon buying rate in effect on June 30, 2016 as quoted by the Federal Reserve Bank of New York.

### **About GRAVITY Co., Ltd.**

Based in Korea, Gravity is a developer and publisher of online and mobile games. Gravity's principal product, *Ragnarok Online*, is a popular online game in many markets, including Japan and Taiwan, and is currently commercially offered in 80 markets and countries. For more information about Gravity, please visit <http://www.gravity.co.kr>.

### **Forward-Looking Statements:**

Certain statements in this press release may include, in addition to historical information, forward-looking statements within the meaning of the safe-harbor provisions of the U.S. Private Securities Litigation Reform Act 1995. Forward-looking statements can generally be identified by the use of forward-looking terminology, such as may, will, expect, intend, estimate, anticipate, believe, project, or continue or the negative thereof or other similar words, although not all forward-looking statements contain these words. Investors should consider the information contained in our submissions and filings with the United States Securities and Exchange Commission (the SEC), including our annual report for the fiscal year ended December 31, 2015 on Form 20-F, together with such other documents that we may submit to or file with the SEC from time to time, on Form 6-K. The forward-looking statements speak only as of this press release and we assume no duty to update them to reflect new, changing or unanticipated events or circumstances.
