Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

(b) On September 12, 2016, NuVasive, Inc. (the Company) announced Patrick S. Miles, the Company's President and Chief Operating Officer, has been appointed Vice Chairman of NuVasive, Inc., effective September 11, 2016, and will continue to serve as a member of the Company's Board of Directors.

(c) On September 12, 2016, the Company announced Jason M. Hannon, the Company's Executive Vice President, International, has been promoted to succeed Mr. Miles as the Company's President and Chief Operating Officer, effective as of September 11, 2016. In this newly expanded role, Mr. Hannon will be responsible for leading the Company's global products and services, including product management and development, as well as operational duties, including manufacturing, customer fulfillment, and quality engineering. In addition, Mr. Hannon will continue to oversee the Company's international operations.

Mr. Hannon, age 44, has served as the Company's Executive Vice President, International, since July 2015, with responsibility for the Company's business and commercial operations outside of the United States, including leadership of the Company's international expansion opportunities. Prior to that, Mr. Hannon served as the Company's Executive Vice President, Corporate Development and General Counsel since January 2010 and previously was Senior Vice President, Corporate Development and General Counsel. He has been with the Company since 2005. Mr. Hannon received a B.A. from the University of California, Berkeley, and a J.D. from Stanford Law School.

As President and Chief Operating Officer, Mr. Hannon's annual base salary will be \$575,000, and he will be eligible to receive an annual bonus payment at a target level of \$575,000. Mr. Hannon will continue to be eligible for grants of long-term incentive (LTI) awards and other Company benefits.

(e) On September 11, 2016, the Company entered into a letter agreement with Mr. Miles setting out certain terms of his employment as Vice Chairman (the Letter Agreement). As Vice Chairman, Mr. Miles' responsibilities will include: (1) serving as a high level advisor to the Company's management team; (2) assisting with the Company's surgeon relations; and (3) serving as a mentor to other Company employees. The Letter Agreement provides for a three year term of employment during which Mr. Miles' annual compensation will be \$500,000, payable in a combination of cash and LTI awards, at Mr. Miles' election. In the event Mr. Miles' employment and board membership terminate during the three year term, other than as a result of his voluntary resignation or a termination as the result of his breach of the Letter Agreement, or if his tenure as a board member ends after the three year term, other than as the result of his breach of the Letter Agreement, Mr. Miles will be offered the opportunity to serve as a consultant for the Company for a period up to September 11, 2021. Pursuant to the Letter Agreement, Mr. Miles agreed that, for a one year period following the termination of his employment for any reason, he will not engage in certain activities competitive with the Company's business, nor will he hire or solicit former or current employees nor solicit the business of any customers.

Mr. Miles also agreed to invest up to \$2.5 million in the Company's common stock in connection with the one-time grant of performance restricted stock units (PRSUs). The Company granted Mr. Miles a share purchase matching PRSU award (the Matching Award) on September 11, 2016, whereby the Company will award Mr. Miles one (1) PRSU for each share of Company stock purchased by Mr. Miles prior to January 28, 2017 that he holds through the vesting period, with such PRSUs cliff vesting on September 11, 2021 and being settled in shares of Company common stock with a range of 0% to 200% according to the Company's stock price performance at the end of the five-year period, with no shares earned if the Company's stock price is less than \$70 per share at such time (adjusted for certain stock splits, stock dividends, reclassifications, and the like). The Matching Award provides for pro-rata accelerated vesting based on service and performance achieved in the event that Mr. Miles' service relationship with the Company is involuntarily terminated without cause, and for full vesting in the event of death or disability.
