Item 1.01. Entry into a Material Definitive Agreement.

Stock Purchase Agreement

On December 19, 2016, The Mosaic Company (Mosaic) entered into a Stock Purchase Agreement (the Stock Purchase Agreement) with Vale S.A. (Vale) and Vale Fertilizer Netherlands B.V. (Vale Netherlands) and, together with Vale and certain of its affiliates, the Sellers), pursuant to which Mosaic agreed, upon the terms and subject to the conditions set forth in the Stock Purchase Agreement, to purchase from the Sellers (the Purchase) Vale's global phosphate and potash operations conducted through Vale Fertilizantes S.A. (the Company), with the Purchase to be effected through the acquisition by Mosaic of all of the issued and outstanding capital stock of the Company. The aggregate consideration to be paid by Mosaic to the Sellers is comprised of (i) \$1.25 billion in cash and (ii) 42,286,874 shares of Mosaic common stock, par value \$0.01 per share to be issued and delivered to Vale or an affiliate of Vale. The cash portion of the purchase price is subject to adjustments based on matters such as the working capital and indebtedness balances of the Company at the time of the closing. In addition, the Sellers will be entitled to receive an additional amount in cash of up to \$260 million if certain thresholds relating to the pricing of monoammonium phosphate and the strength of the Brazilian Real over the two year-period following the closing of the Purchase are satisfied.

The Company and its subsidiaries (collectively, the Company Group) conduct global phosphate and potash operations, including facilities and projects in the provinces of Minas Gerais, Goiás, Sergipe and São Paulo, Brazil, Saskatchewan, Canada, and Mendoza, Argentina. The Company Group also operates certain industrial complexes located in the City of Cubatão (the Cubatão Business). The Cubatão Business will not be included in the Purchase and will instead be transferred, prior to the closing of the Purchase, to affiliates of the Sellers. As part of the Purchase, Mosaic will acquire the Sellers' 40% economic interest in the joint venture which owns the Miski Mayo phosphate rock mine in the Bayovar region of Peru, in which Mosaic already holds a 35% economic interest on the date of this report, and Vale's potash project at Kronau, Saskatchewan. In addition, under the Stock Purchase Agreement, Mosaic has an option to acquire the Sellers' Rio Colorado, Argentina, potash project as part of the Purchase.

Closing Conditions

The closing of the proposed Purchase is subject to number of conditions, including, among others, (i) completion of the transfer of the Cubatão Business from the Company Group to affiliates of the Sellers as well as other restructuring transactions, (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and antitrust approvals in Brazil and Canada, (iii) the achievement of certain other specified regulatory and operational milestones (the Regulatory Milestones Condition), (iv) the absence of any governmental restraint due to the recent water loss incident at Mosaic's New Wales facility in Florida that results in a reduction or suspension of operations or increased operating costs at the facility and would reasonably be expected to materially adversely impact Mosaic and its subsidiaries, taken as a whole (the New Wales Condition), (v) receipt of certain third party consents and (vi) other customary closing conditions.

Termination; Termination Fee; Expense Reimbursement

The Stock Purchase Agreement may be terminated by Mosaic or the Sellers in certain circumstances, including, if the Purchase has not been consummated by December 31, 2017.

If the Stock Purchase Agreement is terminated by Mosaic or Vale because the Sellers have not obtained certain specified third party consents within 75 days after the date of the Stock Purchase Agreement, the Sellers may be required to pay Mosaic a termination fee of \$125 million. In addition, Mosaic or the Sellers, as the case may be, will be required to reimburse the other party's costs and expenses incurred in connection with the Stock Purchase Agreement up to a maximum amount of \$30 million if the Stock Purchase Agreement is terminated because the Purchase has not been consummated by December 31, 2017 and the only condition that is not satisfied on that date is,

in the case of Mosaic, the New Wales Condition and, in the case of the Sellers, the Regulatory Milestones Condition.

Representations and Warranties; Covenants; Indemnification

Mosaic and the Sellers each have made customary representations and warranties and covenants in the Stock Purchase Agreement. The Sellers have further agreed not to solicit alternative transactions or engage in discussions concerning, or provide confidential information in connection with, an alternative transaction. Mosaic and the Sellers have agreed to indemnify each other following the closing of the Purchase for breaches of representations and warranties, breaches of covenants and certain other matters, subject to certain conditions and limitations set forth in the Stock Purchase Agreement.

Appointment of Vale Designee to Mosaic Board of Directors

In the Stock Purchase Agreement, Mosaic agreed to enter into an Investor Agreement with Vale (the Investor Agreement), effective as of the closing of the Purchase, that will, among other things, provide Vale with certain rights to designate up to two individuals to Mosaic's Board of Directors. The Investor Agreement is discussed further below.

Investor Agreement

Concurrently with the closing of the Purchase, Mosaic and the Sellers will enter into an Investor Agreement (the Investor Agreement).

Director Designation Rights

The Investor Agreement will provide that (i) so long as affiliates of Vale (the Vale Stockholders) beneficially own a number of shares of Mosaic common stock representing at least 90% of the shares to be issued to them at the closing of the Purchase (together with any shares of Mosaic common stock received by the Vale Stockholders in connection with any stock split, stock dividend or similar transaction, the Shares), the Vale Stockholders will be entitled to designate two individuals for nomination to Mosaic's Board of Directors and (ii) so long as the Vale Stockholders beneficially own a number of shares of Mosaic common stock representing at least 50% of the Shares (but less than 90% of the Shares), the Vale Stockholders will be entitled to designate one individual for nomination to Mosaic's Board of Directors, in each case, at each stockholders meeting at which directors of Mosaic are elected. Each individual nominated by the Vale Stockholders must meet the standards and qualifications set forth in the Investor Agreement upon the reasonable determination of Mosaic's Board of Directors or its Corporate Governance and Nominating Committee. So long as the Vale Stockholders have the right to designate two nominees, the Vale Stockholders may only designate one nominee who is then serving as a director, officer or employee of Vale or any of its subsidiaries and, if the Vale Stockholders designate two nominees, one of the two designees must be independent with respect to Mosaic under the rules governing companies listed on the New York Stock Exchange and under Mosaic's Director Independence Standards.

Transfer and Standstill Restrictions

The Investor Agreement will also provide that, during the two-year period following the closing of the Purchase, the Vale Stockholders may not transfer any of the Shares that they beneficially own, except that the Vale Stockholders may transfer Shares to one or more of their respective affiliates, with the written consent of Mosaic or in connection with a business combination transaction involving Mosaic (including a third party tender or exchange offer that is recommended by Mosaic's Board of Directors). So long as the Vale Stockholders beneficially own 5% or more of the outstanding voting securities of Mosaic, however, the Vale Stockholders may not, subject to certain specified exceptions, transfer any Shares to (i) any person if, after giving effect to such transfer, such person would beneficially own voting securities that represent 5% or more of the total voting power of Mosaic or (ii) certain specified competitors of Mosaic and other persons identified in the Investor Agreement.

In addition, during the period (the Standstill Period) from the closing of the Purchase until the later of the third anniversary of the closing of the Purchase and the date on which Mosaic's Board of Directors no longer includes any designees of the Vale Stockholders, Vale and the Vale Stockholders will be subject to certain standstill restrictions. Under such standstill restrictions, Vale and the Vale Stockholders may not, among other things, acquire any shares of Mosaic common stock, except that (i) if, at the closing of the Purchase, the shares to be received by the Vale Stockholders at the closing of the Purchase represent less than 15% of the total voting power of Mosaic, the Vale Stockholders may, during the subsequent 2-year period, acquire additional shares of Mosaic common stock so long as the shares of Mosaic common stock beneficially held by the Vale Stockholders Shares (including such additional shares of Mosaic common stock) do not represent more than 15% of the total voting power of Mosaic and (ii) so long as the Vale Stockholders have the right to designate at least one director nominee, the Vale Stockholders may, in connection with a bona fide registered public offering by Mosaic of voting securities for cash for its own account, acquire additional shares of Mosaic common stock in the open market or, under certain circumstances, pursuant to such public registered offering so long as, immediately after such acquisition, the total voting power represented by the Mosaic common stock beneficially owned by the Vale Stockholders immediately following the acquisition is not greater than the total voting power represented by the Mosaic common stock beneficially owned by the Vale

Stockholders immediately prior to such acquisition.

Voting Agreement

During the Standstill Period, the Vale Stockholders will vote all voting securities of Mosaic that they beneficially own (i) with respect to any proposal or resolution relating to the election of directors, in accordance with the recommendation of Mosaic's Board of Directors and (ii) with respect to any other proposal or resolution, at their election, either in the same manner as, and in the same proportion to, all voting securities that are not beneficially held by the Vale Stockholders are voted or in accordance with the recommendation of Mosaic's Board of Directors. After the date on which the Mosaic Board no longer includes a nominee designated by the Vale Stockholders, the Vale Stockholders may vote all of the voting securities of Mosaic they beneficially own in their sole discretion with respect to any proposal or resolution relating to any merger, consolidation, business combination or other extraordinary transaction involving Mosaic or any of its subsidiaries.

Non-Competition and Non-Solicitation Covenants; Registration Rights; Termination

Under the Investor Agreement, Vale and the Vale Stockholders agreed to a three-year non-competition and a two-year employee non-solicitation covenant. In addition, the Vale Stockholders will be entitled to certain demand and customary piggyback registration rights beginning on the 2nd anniversary of the closing of the Purchase.

Except for certain specified provisions, the Investor Agreement will terminate (i) upon the mutual agreement of the parties thereto or (ii) upon the later to occur of (x) the 3rd anniversary of the closing of the Purchase and (y) the date on which the Vale Stockholders no longer beneficially own any Shares.
