**Item 7.01 Regulation FD Disclosure  
Background**

As previously disclosed, on April 13, 2016, Peabody Energy Corporation, a Delaware corporation (the Company or Peabody Energy), and a majority of the Company's wholly owned domestic subsidiaries, as well as one international subsidiary in Gibraltar (collectively with the Company, the Debtors), filed voluntary petitions under Chapter 11 of Title 11 of the U.S. Code in the United States Bankruptcy Court for the Eastern District of Missouri (the Bankruptcy Court). The Debtors Chapter 11 cases (collectively, the Chapter 11 Cases) are being jointly administered under the caption In re Peabody Energy Corporation, et al., Case No. 16-42529.

**Plan of Reorganization and Disclosure Statement**

On December 22, 2016, the Debtors filed with the United States Bankruptcy Court a Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code (the Plan) and a related Disclosure Statement (the Disclosure Statement).

The proposed Plan provides for, among other things, (1) classification and treatment of various claims and equity interests, (2) a reduction of the Company's debt upon emergence, and (3) the recapitalization of the Company through a rights offering and private placement for equity securities of the reorganized company (Reorganized PEC). The terms and provisions of the proposed Plan are described in more detail in the term sheet for the Plan (the Plan Term Sheet), which Plan Term Sheet is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Pursuant to the Plan, Reorganized PEC will use reasonable best efforts to cause Reorganized PEC's common stock (Reorganized PEC Common Stock) and Preferred Equity (as defined below) to be listed on the New York Stock Exchange as soon as practicable after the effective date of the Plan (the Effective Date).

The Plan also provides for a long-term incentive plan (the LTIP) for management and employees of Reorganized PEC, including reservation of an amount of Reorganized PEC Common Stock for the LTIP.

In addition, the Plan contemplates a nine member Board of Directors of Reorganized PEC (the Reorganized PEC Board), to be comprised of Reorganized PEC's Chief Executive Officer and at least one other independent director to be chosen by Peabody Energy. Three significant creditors or creditor groups will each select an independent director for appointment to the Reorganized PEC Board, and a search process described in the Plan Term Sheet will be conducted to select four additional independent directors.

The Debtors have an exclusive period to solicit and obtain acceptances of the Plan through and including March 17, 2017. It is possible that the Plan as filed may be challenged and undergo substantial revision prior to the time that it is submitted to the Debtors' creditors for a vote.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Plan and the Disclosure Statement. Copies of the Plan and the Disclosure Statement are available free of charge at [www.kccllc.net/Peabody](http://www.kccllc.net/Peabody). A copy of the press release the Company issued to announce the filing of the Plan and the Disclosure Statement is also attached hereto as Exhibit 99.2 and is incorporated herein by reference.

Bankruptcy law does not permit solicitation of acceptances of the Plan until the Bankruptcy Court approves the Disclosure Statement. Accordingly, nothing contained herein is intended to be, nor should it be construed as, a solicitation for a vote on the Plan. The Plan will become effective only if it is confirmed by the Bankruptcy Court. There can be no assurance that the Bankruptcy Court will confirm the Plan or that the Plan will be implemented successfully.

All information contained in the Disclosure Statement is subject to change, whether as a result of amendments to the Plan, actions of third parties or otherwise.

### **Cautionary Note Regarding the Company's Existing Equity Securities**

The proposed Plan provides that existing Peabody Energy equity securities will be cancelled and extinguished on the Effective Date of the Plan, and the holders thereof will not be entitled to receive, and will not receive or retain, any property or interest in property on account of such equity interests. If the Plan is confirmed and existing Peabody Energy equity or any other securities are cancelled, amounts invested by holders of such securities will not be recoverable and such securities will have no value. Trading prices for Peabody Energy's existing equity or its other securities may bear little or no relationship during the pendency of the Chapter 11 Cases to the actual recovery, if any, by the holders thereof at the conclusion of the Chapter 11 Cases. Accordingly, Peabody Energy urges caution with respect to existing and future investments in its equity or other securities.

### **Plan Support Agreement**

On December 22, 2016, the Company filed a motion (the "PSA Motion") with the Bankruptcy Court seeking authority to enter into a plan support agreement (the "PSA") with certain of its lenders and noteholders (collectively, the "PSA Signatories") to effect an agreed upon restructuring of the Debtors' obligations embodied in the Plan (the "Restructuring"). The Debtors have requested that the Bankruptcy Court hear the PSA Motion at the hearing currently scheduled for January 26, 2017 (the "PSA Hearing").

Among other things, the PSA requires the PSA Signatories to (i) upon receiving a Bankruptcy Court approved Disclosure Statement, vote in favor of and otherwise support the Plan and (ii) take commercially reasonable necessary actions in furtherance of the Restructuring and the transactions the ("Restructuring Transactions") contemplated under the Plan Term Sheet (as defined below), the Plan and the Plan Documents (as defined in the PSA). The PSA requires the Debtors to, among other things, (1) operate their businesses in the ordinary course, (2) support and complete the Restructuring and the Restructuring Transactions within the applicable timeframes provided in the PSA and (3) take any necessary actions in furtherance of the Restructuring and the Restructuring Transactions. The Debtors' obligations under the PSA, however, are subject to a fiduciary termination event as set forth in Section 15.01 of the PSA. The PSA also provides for customary conditions to the obligations of the parties and for termination by each party upon the occurrence of certain events, including without limitation the failure of the Company to achieve certain milestones.

The foregoing description of the PSA does not purport to be complete and is qualified in its entirety by reference to the PSA, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

### **Private Placement**

In accordance with the Plan, the Company has agreed to conduct a private placement (the "Private Placement") on the terms and conditions described in the Plan Term Sheet and pursuant to a private placement agreement, dated as of December 22, 2016 (the "Private Placement Agreement") among the Company and certain of the Company's creditors (the "Private Placement Parties"). Pursuant to the Private Placement, the Private Placement Parties will have the right and obligation to purchase \$750 million in the aggregate of newly created mandatory convertible preferred stock of Reorganized PEC ("Preferred Equity") in a private placement exempt from registration pursuant to section 4(a)(2) of the Securities Act of 1933 (the "Securities Act"). The Debtors will seek approval of the Private Placement and the Private Placement Agreement as part of the PSA Motion at the PSA Hearing.

The foregoing descriptions of the Private Placement and the Private Placement Agreement do not purport to be complete and are qualified in their entirety by reference to the Private Placement Agreement, a copy of which is filed

as Exhibit 10.2 hereto and incorporated herein by reference.

In accordance with the Plan, (i) the Company also has agreed to conduct a \$750 million rights offering to eligible creditors for Reorganized PEC Common Stock (the Rights Offering ) and (ii) the Rights Offering will be 100% backstopped by certain of the Company's noteholders (the Commitment Parties ), in each case on the terms and subject to the conditions described in the Plan Term Sheet and pursuant to a backstop commitment agreement, dated as of December 22, 2016 (the Backstop Commitment Agreement ) among the Company and the Commitment Parties. The Debtors will seek approval of the Rights Offering and the Backstop Commitment Agreement as part of the PSA Motion at the PSA Hearing.

The rights to purchase Reorganized PEC Common Stock in the Rights Offering, any shares issued upon exercise thereof, and all shares issued to the Commitment Parties pursuant to the Backstop Commitment Agreement will be issued in reliance upon the exemption from registration under the Securities Act provided by Section 1145 of the Bankruptcy Code, Section 4(a)(2) of the Securities Act and/or Regulation D thereunder.
