## NEWS RELEASE

### Enbridge Announces \$400 Million Preferred Share Offering

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE U.S.

**CALGARY, Alberta, December 4, 2017** Enbridge Inc. (TSX:ENB) (NYSE:ENB) ( Enbridge or the Company ) today announced that it has entered into an agreement with a group of underwriters to sell \$400 million Cumulative Redeemable Minimum Rate Reset Preference Shares, Series 19 (the Series 19 Preferred Shares ) at a price of \$25.00 per share for distribution to the public. Closing of the offering is expected on or about December 11, 2017.

The holders of Series 19 Preferred Shares will be entitled to receive fixed cumulative dividends at an annual rate of \$1.225 per share, payable quarterly on the first day of March, June, September and December, as and when declared by the Board of Directors of Enbridge. The Series 19 Preferred Shares are expected to yield 4.90 percent per annum for the initial fixed rate period to, but excluding, March 1, 2023. The first quarterly dividend payment date is scheduled for March 1, 2018. The dividend rate will reset on March 1, 2023 and every five years thereafter at a rate equal to the sum of the then five-year Canadian Government bond yield plus 3.17 percent, provided that, in any event, such rate shall not be less than 4.90 percent per annum. The Series 19 Preferred Shares are redeemable by Enbridge, at its option, on March 1, 2023 and on March 1 of every fifth year thereafter.

The holders of Series 19 Preferred Shares will have the right to convert their shares into Cumulative Redeemable Preference Shares, Series 20 (the Series 20 Preferred Shares ) on March 1, 2023 and on March 1 of every fifth year thereafter, subject to certain conditions. The holders of Series 20 Preferred Shares will be entitled to receive quarterly floating rate cumulative dividends, as and when declared by the Board of Directors of Enbridge, at a rate equal to the sum of the 90-day Government of Canada Treasury bill rate plus 3.17 percent.

Enbridge has granted to the underwriters an option to purchase up to an additional four million Series 19 Preferred Shares at a price of \$25.00 per share, exercisable at any time up to 48 hours prior to the closing of the offering.

The offering is being made only in Canada by means of a prospectus supplement to the base shelf prospectus of the Company dated September 14, 2017. Proceeds are expected to be used to partially fund capital projects, to reduce existing indebtedness and for other general corporate purposes of the Company and its affiliates.

The syndicate of underwriters is led by Scotiabank, BMO Capital Markets, CIBC Capital Markets, and National Bank Financial.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the preferred shares in any jurisdiction. The preferred shares offered have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the preferred shares in any jurisdiction. The preferred shares offered have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

### **FORWARD LOOKING STATEMENTS**

*Certain information provided in this news release constitutes forward-looking information. Forward-looking information, or forward-looking statements, contained in this news release include, but are not limited to, statements with respect to the expected use of proceeds of the Offering and the date on which the Series 19 Preferred Shares will begin trading on the TSX. This information may not be appropriate for other purposes. Forward-looking statements are typically identified by words such as anticipate, expect, project, estimate, forecast and similar words suggesting future outcomes or statements regarding an outlook. Although the Company believes that these statements are based on information which is current, reasonable and complete, these statements are necessarily subject to a variety of assumptions, risks and uncertainties. Material assumptions, risks and uncertainties include but are not limited to the following: regulatory approvals not being obtained in the manner or timing anticipated, the state of domestic capital markets, changes in general market conditions and other factors more fully described from time to time in the reports and filings made by the Company with Canadian and United States securities regulators. Due to the interdependencies and correlation of these macroeconomic factors, the impact of any one assumption on a forward-looking statement cannot be determined with certainty. Except to the extent required by applicable law, Enbridge assumes no obligation to publicly update or revise any forward-looking statements made in this news release or otherwise, whether as a result of new information, future events or otherwise. All subsequent forward-looking statements, whether written or oral, attributable to Enbridge or persons acting on the Company's behalf, are expressly qualified in their entirety by these cautionary statements.*
