To my Resolute colleagues,

As you may be aware, today we filed a Form 8-K acknowledging a public filing made by Monarch Alternative Capital LP (Monarch), a Resolute stockholder, notifying the Company that it has nominated three individuals, including two Monarch employees, to stand for election to Resolute's Board of Directors at the 2018 annual meeting of stockholders.

Monarch recently announced that it owns approximately 9.75% of Resolute's stock. While it is the Company's policy not to comment on specific discussions with stockholders, it is important to note that over the last few weeks, members of Resolute's senior management team have held multiple discussions with many of our stockholders, including Monarch, to better understand their views. We appreciate the opinions of stockholders and are always open to discussing their ideas regarding the Company's strategy and progress.

I want to emphasize that it remains business as usual at Resolute. I am incredibly proud of all we accomplished in 2017 and the success we are already achieving in 2018. Thanks to your hard work, we have successfully completed our transformation into a pure play Delaware Basin operator with some of the industry's most productive Permian acreage. Our Board and management team have the experience, skills and judgment to effectively address the evolving needs of the Company and represent the best interests of all stockholders. I am counting on you to remain focused on your day-to-day responsibilities so that we can continue to build on our past successes.

As for next steps, the Resolute Board will present its formal recommendation regarding director nominations in the Company's definitive proxy statement and White proxy card to be filed with the Securities and Exchange Commission. We will keep you updated as notable developments occur.

As always, it is important for us to speak with one voice. Please refer any inquiries from the media, analysts or investors to HB Juengling, Vice President - Investor Relations at extension 1555.

Thank you for your continued dedication to Resolute.

Rick
