2018 Annual Bonus Plan Frequently Asked Questions

How will the 2018 Annual Bonus Plan be funded in light of the pending acquisition?

If the deal closes in 2018, the annual bonus plan will be funded at 200% with no proration (other than with respect to new hires and mid-year changes to bonus targets due to role changes). That means if we close the deal in October, the bonus will be paid at the time of closing at 200%, without any adjustment for a shortened performance period, to each participant then in good standing.

What happens if the deal does not close in 2018?

If the deal does not close in 2018, the financial targets we initially set at the beginning of the year will be used to determine how the bonus is funded for a Q1 2019 payout, per our normal compensation planning process.

I am a new hire. Will I still receive a bonus?

Yes, however, your bonus will be prorated based on your date of hire.

If I leave the organization before the bonus is paid, will I still receive a bonus?

No. To be eligible to receive a bonus payout, employees must be employed at Express Scripts on the date the award is paid.
