### PRELIMINARY LOSS ESTIMATES ON AUGUST STORM ACTIVITY

**Toronto, Ontario (September 8, 2005)** Kingsway Financial Services Inc. (TSE:KFS, NYSE:KFS) announces preliminary estimates of aggregate net losses due to Hurricane Katrina and storm activity in southern Ontario in late August. (Note: All dollar amounts in this press release are expressed in Canadian dollars unless otherwise indicated.)

#### **Hurricane Katrina**

Due to the magnitude of the storm damage and disruption, Kingsway has received very little actual claim notification. We anticipate that gross losses from the storm will fall well within the limits of our Catastrophe reinsurance protection which will limit our net loss (before taxes) to US\$2 million.

Our subsidiary, Southern United Fire Insurance Company, located in Mobile, Alabama, reports that the office is undamaged and open for business to assist clients in recovering from this tragedy. We are thankful that all of our Kingsway staff located in the storm zone have been accounted for.

#### **Southern Ontario Storm**

The August 19<sup>th</sup> storm has resulted in numerous claims and our preliminary gross loss estimate (before taxes) is in the \$2.5 to \$3.5 million range. Our maximum possible exposure as a result of this storm is \$5 million.
