FSI RAISES \$3.375 MILLION IN PRIVATE PLACEMENT

VICTORIA, BRITISH COLUMBIA, APRIL 14, 2005 - FLEXIBLE SOLUTIONS INTERNATIONAL, INC. (AMEX: FSI, FRANKFURT: FXT), the developer and manufacturer of biodegradable and environmentally safe water and energy conservation technology, as well as anti-scalant technology, is pleased to announce today the closing of a \$3,375,000 private placement. The funds will be used to eliminate all debt, and the small balance will be added to working capital.

The placement will allow the Company to maintain its existing working capital to increase inventory and marketing, and therefore increase sales, rather than using FSI's working capital to retire debt. CFO Fred Kupel states, "This placement puts FSI's balance sheet in a strong position going forward. Management is now freed to concentrate on the many opportunities open to our product line."

Participating investors are a select group of investment funds, and the terms are one common share at \$3.75 and a warrant to acquire a further share at \$4.50. The total number of shares subscribed for was limited to 900,000, in order to minimize shareholder dilution while providing sufficient funds to retire the debt remaining from the acquisition of our NanoChem division in June 2004.

Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as described in Item 308(c) of Regulation S-K under the Exchange Act) or, to the Company's knowledge, without inquiry, in other factors that could significantly affect the Company's internal controls.

(t) SOLVENCY. Based on the financial condition of the Company as of the Closing Date (and assuming that the Closing shall have occurred), (i) the Company's fair saleable value of its assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature; (ii) the Company's assets do not constitute unreasonably small capital to carry on its business for the current fiscal year as now conducted and as proposed to be conducted including its capital needs taking into account the particular capital requirements of the business conducted by the Company, and projected capital requirements and capital availability thereof; and (iii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its debt when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt).

(u) CERTAIN FEES. Except as described in Schedule 3.1(u), no brokerage or finder's fees or commissions are or will be payable by the Company to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement. The Investors shall have no obligation with respect to any fees or with respect to any claims (other than such fees or commissions owed by an Investor pursuant to written agreements executed by such Investor

11

which fees or commissions shall be the sole responsibility of such Investor) made by or on behalf of other Persons for fees of a type contemplated in this Section that may be due in connection with the transactions contemplated by this Agreement.

(v) CERTAIN REGISTRATION MATTERS. Assuming the accuracy of the Investors' representations and warranties set forth in Section 3.2(b)-(e), no registration under the Securities Act is required for the offer and sale of the Shares, Warrants and Warrant Shares by the Company to the Investors under the Transaction Documents. The Company is eligible to register the resale of its

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

Common Stock by the Investors on Form S-3 promulgated under the Securities Act. Except as specified in Schedule 3.1(v), the Company has not granted or agreed to grant to any Person any rights (including "piggy-back" registration rights) to have any securities of the Company registered with the Commission or any other governmental authority that have not been satisfied or exercised.

(w) LISTING AND MAINTENANCE REQUIREMENTS. Except as specified in the SEC Reports, the Company has not, in the two years preceding the date hereof, received notice from any Trading Market to the effect that the Company is not in compliance with the listing or maintenance requirements thereof. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with the listing and maintenance requirements for continued listing of the Common Stock on the Trading Market on which the Common Stock is currently listed or quoted. The issuance and sale of the Securities under the Transaction Documents (including the issuance of Additional Shares) does not contravene the rules and regulations of the Trading Market on which the Common Stock is currently listed or quoted, and no approval of the shareholders of the Company thereunder is required for the Company to issue and deliver to the Investors the Securities contemplated by the Transaction Documents.

(x) INVESTMENT COMPANY. The Company is not, and is not an Affiliate of, and immediately following the Closing will not have become, an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(y) APPLICATION OF TAKEOVER PROTECTIONS. The Company has taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Certificate of Incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Investors or shareholders of the Company prior to the Closing Date as a result of the Investors and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation the Company's issuance of the Securities and the Investors' ownership of the Securities.

(z) NO ADDITIONAL AGREEMENTS. The Company does not have any agreement or understanding with any Investor with respect to the transactions contemplated by the Transaction Documents other than as specified in the Transaction Documents.

(aa) DISCLOSURE. The Company confirms that neither it nor any Person acting on its behalf has provided any Investor or its respective agents or counsel with any information that the Company believes constitutes material, non-public information except insofar as the existence and terms of the proposed transactions hereunder may constitute such information. The Company understands and confirms that the Investors will rely on the foregoing representations and covenants in effecting transactions in securities of the Company. All disclosure provided to the Investors regarding the Company, its business and the transactions contemplated hereby, furnished by or on behalf of the Company (including the Company's representations and warranties set forth in this Agreement) are true and correct and do not contain any untrue statement of a

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

3.2 REPRESENTATIONS AND WARRANTIES OF THE INVESTORS. Each Investor hereby, for itself and for no other Investor, represents and warrants to the Company as follows:

(a) ORGANIZATION; AUTHORITY. Such Investor is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization with the requisite corporate or partnership power and authority to enter into and to consummate the transactions contemplated by the applicable Transaction Documents and otherwise to carry out its obligations thereunder. The execution, delivery and performance by such Investor of the transactions contemplated by this Agreement has been duly authorized by all necessary corporate or, if such Investor is not a corporation, such partnership, limited liability company or other applicable like action, on the part of such Investor. Each of this Agreement and the Registration Rights Agreement has been duly executed by such Investor, and when delivered by such Investor in accordance with terms hereof, will constitute the valid and legally binding obligation of such Investor, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application.

(b) INVESTMENT INTENT. Such Investor is acquiring the Securities as principal for its own account for investment purposes only and not with a view to or for distributing or reselling such Securities or any part thereof, without prejudice, however, to such Investor's right at all times to sell or otherwise dispose of all or any part of such Securities in compliance with applicable federal and state securities laws. Subject to the immediately preceding sentence, nothing contained herein shall be deemed a representation or warranty by such Investor to hold the Securities for any period of time. Such Investor is acquiring the Securities hereunder in the ordinary course of its business. Such Investor does not have any agreement or understanding, directly or indirectly, with any Person to distribute any of the Securities.

(c) INVESTOR STATUS. At the time such Investor was offered the Securities, it was, and at the date hereof it is, an "accredited investor" as defined in Rule 501(a) under the

13

Securities Act. Such Investor is not a registered broker-dealer under Section 15 of the Exchange Act.

(d) GENERAL SOLICITATION. Such Investor is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(e) ACCESS TO INFORMATION. Such Investor acknowledges that it has reviewed the Disclosure Materials and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

from, representatives of the Company concerning the terms and conditions of the offering of the Shares and the merits and risks of investing in the Securities; (ii) access to information about the Company and the Subsidiaries and their respective financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment. Neither such inquiries nor any other investigation conducted by or on behalf of such Investor or its representatives or counsel shall modify, amend or affect such Investor's right to rely on the truth, accuracy and completeness of the Disclosure Materials and the Company's representations and warranties contained in the Transaction Documents.

(f) CERTAIN TRADING ACTIVITIES. Such Investor has not directly or indirectly, nor has any Person acting on behalf of or pursuant to any understanding with such Investor, engaged in any trading in any securities of the Company (including, without limitations, any Short Sales involving the Company's securities) during the 20 Trading Days prior to the date of this Agreement. As of the date of this Agreement, such Investor has no open short position in the Common Stock, and covenants that neither it nor any Person acting on its behalf or pursuant to any understanding with it will engage in any Short Sales prior to the public disclosure of the material terms of this transaction by the Company.

(g) LIMITED OWNERSHIP. The purchase by such Investor of the Securities issuable to it at the Closing will not result in such Investor (individually or together with other Person with whom such Investor has identified, or will have identified, itself as part of a "group" in a public filing made with the Commission involving the Company's securities) acquiring, or obtaining the right to acquire, in excess of 19.999% of the outstanding shares of Common Stock or the voting power of the Company immediately following Closing. Such Investor does not presently intend to, alone or together with others, make a public filing with the Commission to disclose that it has (or that it together with such other Persons have) acquired, or obtained the right to acquire, as a result of the Closing (when added to any other securities of the Company that it or they then own or have the right to acquire), in excess of 19.999% of the outstanding shares of Common Stock or the voting power of the Company on a post transaction basis that assumes that the Closing shall have occurred.

14

(h) INDEPENDENT INVESTMENT DECISION. Such Investor has independently evaluated the merits of its decision to purchase Securities pursuant to this Agreement, and such Investor confirms that it has not relied on the advice of any other Investor's business and/or legal counsel in making such decision. If such Investor is other than SF Capital Partners Ltd., such Investor represents and warrants that Bryan Cave LLP has not acted as its legal counsel in connection with the transactions contemplated by this Agreement.

The Company acknowledges and agrees that no Investor has made or makes any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in this Section 3.2.

ARTICLE IV.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

OTHER AGREEMENTS OF THE PARTIES

4.1 (a) Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of the Securities other than pursuant to an effective registration statement, to the Company, to an Affiliate of an Investor or in connection with a pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act.

(b) Certificates evidencing the Securities will contain the following legend, until such time as they are not required under Section 4.1(c):

[NEITHER THESE SECURITIES NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES HAVE BEEN REGISTERED] [THESE SECURITIES HAVE NOT BEEN REGISTERED] WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. [THESE SECURITIES AND THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES] [THESE SECURITIES] MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT SECURED BY SUCH SECURITIES.

The Company acknowledges and agrees that an Investor may from time to time pledge, and/or grant a security interest in some or all of the Securities pursuant to a bona fide margin agreement in connection with a bona fide margin account and, if required under the terms of such agreement or account, such Investor may transfer pledged or secured Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval or consent of the Company and no legal opinion of legal counsel to the pledgee, secured party or pledgor shall be required in connection with the pledge, but such legal opinion may be required in connection with a subsequent transfer following default by the Investor transferee of the pledge. No notice shall be required of such pledge. At the appropriate Investor's expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities including the preparation and filing of any

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

required prospectus supplement under Rule 424(b)(3) of the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of selling shareholders thereunder.

(c) Certificates evidencing the Shares and Warrant Shares shall not contain any legend (including the legend set forth in Section 4.1(b)): (i) following a sale of such Securities pursuant to an effective registration statement (including the Registration Statement), (ii) following a sale of such Shares or Warrant Shares pursuant to Rule 144 (assuming the transferor is not an Affiliate of the Company), or (iii) while such Shares or Warrant Shares are eligible for sale under Rule 144(k). Following such time as restrictive legends are not required to be placed on certificates representing Shares or Warrant Shares pursuant to the preceding sentence, the Company will, no later than three Trading Days following the delivery by an Investor to the Company or the Company's transfer agent of a certificate representing Shares or Warrant Shares containing a restrictive legend, use its best efforts to deliver or cause to be delivered to such Investor a certificate representing such Shares or Warrant Shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to any transfer agent of the Company that enlarge the restrictions on transfer set forth in this Section. If the Investor does not receive such certificates by the end of the seventh day following the delivery by an Investor to the Company or the Company's transfer agent of a certificate representing Shares or Warrant Shares containing a restrictive legend such seven day period, then the Company shall pay partial liquidated damages to the Investor in cash on demand, calculated at the rate of 1% per month of the Investor's Investment Amount, for each day so long as the Company fails to provide such certificates.

4.2 FURNISHING OF INFORMATION. As long as any Investor owns the Securities, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act. As long as any Investor owns Securities, if the Company is not required to file reports pursuant to such laws, it will prepare and furnish to the Investors and make publicly available in accordance with Rule 144(c) such information as is required for the Investors to sell the Shares and Warrant Shares under Rule 144. The Company further covenants that it will take such further action as any holder of Securities may reasonably request, all to the extent required from time to time to enable such Person to sell the Shares and Warrant Shares

16

without registration under the Securities Act within the limitation of the exemptions provided by Rule 144.

4.3 PARTICIPATION RIGHTS. If at any time prior to the eighteen-month anniversary of the Closing Date, the Company proposes to offer, issue, or sell any equity Common Stock or Common Stock Equivalents (collectively, "NEW ISSUE SECURITIES"), the Company shall concurrently offer to the Investors up to such amount of New Issue Securities as would enable the Investors to maintain their percentage ownership of the Company, in accordance with the following provisions:

(a) The Company shall publicly disclose its intention to offer, issue, or sell (as the case may be) New Issue Securities in a manner such that Investors will not be in possession of material non-public information concerning the Company as a result of the provisions of this Section (including

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

receipt of a First Notice, and then give a written notice to each Investor (the "FIRST NOTICE") stating (i) its intention to issue the New Issue Securities, (ii) the number and description of the New Issue Securities proposed to be issued and (iii) the purchase price (calculated as of the proposed issuance date) and the other terms and conditions upon which the Company is offering the New Issue Securities.

(b) Transmittal of the First Notice to the Investors by the Company shall constitute an offer by the Company to sell to each Investor (i) up to its pro rata portion (based upon such Investor's percentage ownership of the outstanding Common Stock as of the date of receipt of the First Notice) of the New Issue Securities (the "BASIC AMOUNT") for the price and upon the terms and conditions set forth in the First Notice and (ii) with respect to each Investor that elects to purchase its Basic Amount, any additional portion of the New Issue Securities attributable to the Basic Amounts of other Investors as such Investor shall indicate it will purchase or acquire should the other Investors subscribe for less than their Basic Amounts (the "UNDERSUBSCRIPTION AMOUNT"). For a period of ten (10) Business Days after receipt of the First Notice, each Investor shall have the option, exercisable by written notice to the Company, to accept the Company's offer as to all or any part of such Investor's Basic Amount and, if such Investor shall elect to purchase all of its Basic Amount, the Undersubscription Amount, if any, that such Investor elects to purchase (in either case, the "NOTICE OF ACCEPTANCE"). If the Basic Amounts subscribed for by all Investors are less than the total of all of the Basic Amounts, then each Investor who has set forth an Undersubscription Amount in its Notice of Acceptance shall be entitled to purchase, in addition to the Basic Amounts subscribed for, the Undersubscription Amount it has subscribed for; provided, however, that if the Undersubscription Amounts subscribed for exceed the difference between the total of all the Basic Amounts and the Basic Amounts subscribed for (the "AVAILABLE UNDERSUBSCRIPTION AMOUNT"), each Investor who has subscribed for any Undersubscription Amount shall be entitled to purchase that portion of the Available Undersubscription Amount as the Basic Amount of such Investor bears to the total Basic Amounts of all Investors that have subscribed for Undersubscription Amounts, subject to rounding by the Board of Directors to the extent it deems reasonably necessary. If two or more types of New Issue Securities are to be issued or New Issue Securities are to be issued together with other types of securities, including, without limitation, debt securities, in a single

17

transaction or related transactions, the rights to purchase New Issue Securities granted to the Investors under this Section must be exercised to purchase all types of New Issue Securities and such other securities in the same proportion as such New Issue Securities and other securities are to be issued by the Company.

(c) The Company shall have ten (10) Trading Days from the expiration of the period set forth in Section 4.3(b) above to issue, sell or exchange all or any part of such New Issue Securities as to which a Notice of Acceptance has not been given by the Investors (the "REFUSED SECURITIES"), but only upon terms and conditions (including, without limitation, unit prices and interest rates) that are not more favorable to the acquiring Person or Persons than those set forth in the First Notice.

(d) In the event the Company shall propose to sell less than all the Refused Securities (any such sale to be in the manner and on the terms

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

specified in Section 4.3(c) above), then each Investor may, at its sole option and in its sole discretion, reduce the number or amount of the New Issue Securities specified in its Notice of Acceptance to an amount that shall be not less than the number or amount of New Issue Securities that the Investor elected to purchase pursuant to Section 4.3(b) above multiplied by a fraction, (i) the numerator of which shall be the number or amount of New Issue Securities the Company actually proposes to issue, sell or exchange (including prior to such reduction) and (ii) the denominator of which shall be the original amount of the New Issue Securities. In the event that any Investor so elects to reduce the number or amount of New Issue Securities specified in its Notice of Acceptance, the Company may not issue, sell or exchange more than the reduced number or amount of the New Issue Securities unless and until such securities have again been offered to the Investors in accordance with Section 4.3(a) above.

(e) Upon the closing of the issuance, sale or exchange of all or less than all of the Refused Securities, the Investors shall acquire from the Company, and the Company shall issue to the Investors, the number or amount of New Issue Securities specified in the Notices of Acceptance, as reduced pursuant to Section 4.3(d) the Investors have so elected, upon the terms and conditions specified in the First Notice. The purchase by the Investors of any New Issue Securities is subject in all cases to the preparation, execution and delivery by the Company and the Investors of a purchase agreement relating to such New Issue Securities reasonably satisfactory in form and substance to the Investors and the Company and their respective counsel.

(f) The participation rights contained in this Section 4.3 shall not apply to the issuance and sale by the Company of shares of Common Stock issued as a result of: (i) the issuance of Warrant Shares, (ii) to the extent consistent with past practice, the grant of options or warrants, or the issuance of additional securities, under any duly authorized Company stock option, restricted stock plan or stock purchase plan whether now existing or approved by the Company and its shareholders in the future (but not as to any amendments or other modifications to the number of Common Stock issuable thereunder, the terms set forth therein, or the exercise price set forth therein, unless such amendments or other modifications are approved by the

18

Company's shareholders), or (iii) the issuance and sale by the Company of shares of Common Stock issued as consideration for the acquisition of another company or business in which the shareholders of the Company do not have an ownership interest, which acquisition has been approved by the Board of Directors of the Company.

4.4 INTEGRATION. The Company shall not, and shall use its best efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities to the Investors, or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market in a manner that would require shareholder approval of the sale of the Securities to the Investors.

4.5 SUBSEQUENT REGISTRATIONS. Other than pursuant to the

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

Registration Statement, prior to the Effective Date, the Company may not file any registration statement (other than on Form S-8) with the Commission with respect to any securities of the Company.

4.6 SECURITIES LAWS DISCLOSURE; PUBLICITY. By 9:30 a.m. (New York time) on the Trading Day following the execution of this Agreement, and by 9:30 a.m. (New York time) on the Trading Day following the Closing Date, the Company shall issue press releases in a form approved by the Investors disclosing the transactions contemplated hereby and the Closing. On the Trading Day following the execution of this Agreement the Company will file a Current Report on Form 8-K disclosing the material terms of the Transaction Documents (and attach as exhibits thereto the Transaction Documents), and on the Trading Day following the Closing Date the Company will file an additional Current Report on Form 8-K to disclose the Closing. In addition, the Company will make such other filings and notices in the manner and time required by the Commission and the Trading Market on which the Common Stock is listed. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Investor, or include the name of any Investor in any filing with the Commission (other than the Registration Statement and any exhibits to filings made in respect of this transaction in accordance with periodic filing requirements under the Exchange Act) or any regulatory agency or Trading Market, without the prior written consent of such Investor, except to the extent such disclosure is required by law or Trading Market regulations.

4.7 ADDITIONAL SHARES.

(a) If, prior to the one-year anniversary of the Closing Date, the Company issues (or agrees to issue) any shares of Common Stock or if the Company or any Subsidiary issues (or agrees to issue) any Common Stock Equivalents entitling any Person to acquire shares of Common Stock at a price per share less than the Threshold Price (if the holder of the Common Stock or Common Stock Equivalent so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights issued in connection with such issuance, be entitled to receive shares of Common Stock at a price less than the Threshold Price, such

issuance shall be deemed to have occurred for less than the Threshold Price), then, with each such issuance of Common Stock or Common Stock Equivalents for a purchase price that is less than the Threshold Price, the Company shall immediately issue additional shares of Common Stock (the "ADDITIONAL SHARES") to each Investor for no additional consideration. The number of Additional Shares issuable to each Investor will equal: (a) the Threshold Price minus the lowest price per share of the Common Stock or Common Stock Equivalents offered or sold that trigger an obligation under this Section ("SUBSEQUENT ISSUE PRICE") divided by (b) the Threshold Price, multiplied by (c) the total number of Shares issued or issuable to such Investor pursuant to Section 2.2(a)(i). The Company shall notify the Investors in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalent subject to this section, indicating therein the applicable issuance price. The Additional Shares shall be entitled to the registration and other rights set forth in the Registration Rights Agreement and any Additional Shares not registered for resale shall also be afforded general piggyback registration rights such that such Additional Shares may be included in any registration statement (other than on Form S-8) filed by the Company. Notwithstanding the foregoing, no issuances of Additional

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

Shares will be made under this Section as a result of: (i) the issuance of Warrant Shares, (ii) to the extent consistent with past practice, the grant of options or warrants, or the issuance of additional securities, under any duly authorized Company stock option, restricted stock plan or stock purchase plan whether now existing or approved by the Company and its shareholders in the future (but not as to any amendments or other modifications to the number of Common Stock issuable thereunder, the terms set forth therein, or the exercise price set forth therein, unless such amendments or other modifications are approved by the Company's shareholders), or (iii) the issuance and sale by the Company of shares of Common Stock issued as consideration for the acquisition of another company or business in which the shareholders of the Company do not have an ownership interest, which acquisition has been approved by the Board of Directors of the Company. If prior to the one-year anniversary of the Closing Date, the Company enters into any understanding or agreement to issue or sell securities, or otherwise engages in discussions with any Person in connection with a potential issuance or sale of securities, that would, if such issuance or sale were to occur prior to the one-year anniversary of the Closing Date, trigger an obligation to issue Additional Shares, then notwithstanding the fact that such actual issuance of Common Stock or Common Stock Equivalents occurs after the one-year anniversary of the Closing Date, such issuance will obligate the Company to issue Additional Shares under this Section.

(b) CERTAIN LIMITATIONS.

(i) Notwithstanding anything to the contrary contained herein, the number of Additional Shares that may be acquired by an Investor pursuant to this Section shall be limited to the extent necessary to insure that, following such issuance, the total number of shares of Common Stock then beneficially owned by such Investor and its Affiliates and any other Persons whose beneficial ownership of Common Stock would be aggregated with the Holder's for purposes of Section 13(d) of the Exchange Act, does not exceed 4.999% of the total number of issued and outstanding shares of Common Stock (including for such purpose the issuance of Additional Shares). For such purposes, beneficial ownership shall be determined in

20

accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. By written notice to the Company, an Investor may waive the provisions of this Section 4.7(b) as to itself but any such waiver will not be effective until the 61st day after delivery thereof and such waiver shall have no effect on any other Investor.

(ii) Notwithstanding anything to the contrary contained herein, the number of Additional Shares that may be acquired by an Investor pursuant to this Section shall be limited to the extent necessary to insure that, following such issuance, the total number of shares of Common Stock then beneficially owned by such Investor and its Affiliates and any other Persons whose beneficial ownership of Common Stock would be aggregated with the Holder's for purposes of Section 13(d) of the Exchange Act, does not exceed 9.999% of the total number of issued and outstanding shares of Common Stock (including for such purpose the issuance of Additional Shares). For such purposes, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. This restriction may not be waived.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

(iii) The Company and each Investor agree that, if and to the extent Sections 4.7(b)(i)-(ii) would restrict the ability of an Investor to receive any Additional Shares, then notwithstanding anything to the contrary set forth herein, the Company shall deliver those Additional Shares as may be acquired by such Investor in accordance with Sections 4.7(b)(i)-(ii). An Investor will promptly notify the Company in writing if the issuance of Additional Shares would be restricted by Sections 4.7(b)(i)-(ii), specifying therein the Additional Shares so restricted. Such Investor shall deliver a notice to the Company when it is able to acquire any remaining Additional Shares not previously deliverable to such Investor due to the applicability of Sections 4.7(b)(i)-(ii), however, such notice shall not take effect until the 61st day following delivery thereof.

(iv) Notwithstanding anything to the contrary in this Agreement, if the Company has not previously obtained Stockholder Approval, then the Company may not issue Additional Shares in excess of the Issuable Maximum pursuant to this Section. The "Issuable Maximum" means, as of any date, a number of shares of Common Stock equal to 2,354,551, which is 19.9% of the issued and outstanding Common Stock of the Company, based on 11,831,916 shares of Common Stock outstanding on April 1, 2005. Each Investor shall be entitled to a portion of the Issuable Maximum equal to the quotient obtained by dividing: (x) the number of Shares issued and sold to such Investor on the Closing Date plus any Additional Shares previously issued to such Investor by (y) the aggregate number of Shares issued and sold by the Company on the Closing Date plus any Additional Shares previously issued to Investors. If any Investor shall no longer hold Shares, then such Investor's remaining portion of the Issuable Maximum shall be allocated pro-rata among the remaining Investors, giving effect to the Company's desire to allocate this limitation among the class of securities known as Shares. If on any date Additional Shares are issuable to Investors, or at such time as an Investor shall notify the Company that the condition in (A) following this clause shall be in effect: (A) the aggregate number of Additional Shares would exceed the Issuable Maximum on such date, and (B) the Company shall not have previously obtained the vote of shareholders, as may be required by the

21

applicable rules and regulations of the American Stock Exchange (or any successor entity or any other Trading Market on which the Company's securities then trade), applicable to approve the issuance of shares of Common Stock in excess of the Issuable Maximum pursuant to the terms hereof (the "STOCKHOLDER APPROVAL"), then, the Company shall issue to the Investor a number of Additional Shares equal to the Issuable Maximum and, with respect to the remainder of Additional Shares issuable to the Investors which would result in an issuance of shares of Common Stock in excess of the Issuable Maximum, the Company must use its best efforts to seek and obtain Stockholder Approval as soon as possible, but in any event not later than the 90th day following such Exercise Date or the date of such request. The Company and the Investors understand and agree that Additional Shares issued to and then held by the Investors shall not be entitled to cast votes on any resolution to obtain Stockholder Approval pursuant hereto.

(c) For purposes of this Section 4.7, the following subsections (c)(i) to (c)(vi) shall also be applicable:

(i) ISSUANCE OF RIGHTS OR OPTIONS. In case at any time the Company shall in any manner grant (directly and not by assumption in a merger or otherwise) any warrants or other rights to subscribe for or to

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

purchase, or any options for the purchase of, Common Stock or any stock or security convertible into or exchangeable for Common Stock (such warrants, rights or options being called "OPTIONS" and such convertible or exchangeable stock or securities being called "CONVERTIBLE SECURITIES") whether or not such Options or the right to convert or exchange any such Convertible Securities are immediately exercisable, and the price per share for which Common Stock is issuable upon the exercise of such Options or upon the conversion or exchange of such Convertible Securities (determined by dividing (i) the sum (which sum shall constitute the applicable consideration) of (x) the total amount, if any, received or receivable by the Company as consideration for the granting of such Options, plus (y) the aggregate amount of additional consideration payable to the Company upon the exercise of all such Options, plus (z), in the case of such Options which relate to Convertible Securities, the aggregate amount of additional consideration, if any, payable upon the issue or sale of such Convertible Securities and upon the conversion or exchange thereof, by (ii) the total maximum number of shares of Common Stock issuable upon the exercise of such Options or upon the conversion or exchange of all such Convertible Securities issuable upon the exercise of such Options) shall be less than the Threshold Price in effect immediately prior to the time of the granting of such Options, then the total number of shares of Common Stock issuable upon the exercise of such Options or upon conversion or exchange of the total amount of such Convertible Securities issuable upon the exercise of such Options shall be deemed to have been issued for such price per share as of the date of granting of such Options or the issuance of such Convertible Securities and thereafter shall be deemed to be outstanding for purposes of adjusting the Subsequent Issue Price. Except as otherwise provided in subsection 4.7(c)(iii), no adjustment of the Subsequent Issue Price shall be made upon the actual issue of such Common Stock or of such Convertible Securities upon exercise of such Options or upon the actual issue of such Common Stock upon conversion or exchange of such Convertible Securities.

22

(ii) ISSUANCE OF CONVERTIBLE SECURITIES. In case the Company shall in any manner issue (directly and not by assumption in a merger or otherwise) or sell any Convertible Securities, whether or not the rights to exchange or convert any such Convertible Securities are immediately exercisable, and the price per share for which Common Stock is issuable upon such conversion or exchange (determined by dividing (i) the sum (which sum shall constitute the applicable consideration) of (x) the total amount received or receivable by the Company as consideration for the issue or sale of such Convertible Securities, plus (y) the aggregate amount of additional consideration, if any, payable to the Company upon the conversion or exchange thereof, by (ii) the total number of shares of Common Stock issuable upon the conversion or exchange of all such Convertible Securities) shall be less than the Threshold Price in effect immediately prior to the time of such issue or sale, then the total maximum number of shares of Common Stock issuable upon conversion or exchange of all such Convertible Securities shall be deemed to have been issued for such price per share as of the date of the issue or sale of such Convertible Securities and thereafter shall be deemed to be outstanding for purposes of adjusting the Subsequent Issue Price, provided that (a) except as otherwise provided in subsection 4.7(c)(iii), no adjustment of the Subsequent Issue Price shall be made upon the actual issuance of such Common Stock upon conversion or exchange of such Convertible Securities and (b) no further adjustment of the Subsequent

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

Issue Price shall be made by reason of the issue or sale of Convertible Securities upon exercise of any Options to purchase any such Convertible Securities for which adjustments of the Subsequent Issue Price have been made pursuant to the other provisions of subsection 4.7(c).

(iii) CHANGE IN OPTION PRICE OR CONVERSION RATE. Upon the happening of any of the following events, namely, if the purchase price provided for in any Option referred to in subsection 4.7(c)(i) hereof, the additional consideration, if any, payable upon the conversion or exchange of any Convertible Securities referred to in subsections 4.7(c)(i) or 4.7(c)(ii), or the rate at which Convertible Securities referred to in subsections 4.7(c)(i) or 4.7(c)(ii) are convertible into or exchangeable for Common Stock shall change at any time (including, but not limited to, changes under or by reason of provisions designed to protect against dilution), the Subsequent Issue Price in effect at the time of such event shall forthwith be readjusted to the Subsequent Issue Price which would have been in effect at such time had such Options or Convertible Securities still outstanding provided for such changed purchase price, additional consideration or conversion rate, as the case may be, at the time initially granted, issued or sold. On the termination of any Option for which any adjustment was made pursuant to this subsection 4.7(c) or any right to convert or exchange Convertible Securities for which any adjustment was made pursuant to this subsection 4.7(c) (including without limitation upon the redemption or purchase for consideration of such Convertible Securities by the Company), the Subsequent Issue Price then in effect hereunder shall forthwith be changed to the Subsequent Issue Price which would have been in effect at the time of such termination had such Option or Convertible Securities, to the extent outstanding immediately prior to such termination, never been issued.

(iv) STOCK DIVIDENDS. Subject to the provisions of this Section 4.7(c), in case the Company shall declare a dividend or make any other distribution upon any stock of

23

the Company (other than the Common Stock) payable in Common Stock, Options or Convertible Securities, then any Common Stock, Options or Convertible Securities, as the case may be, issuable in payment of such dividend or distribution shall be deemed to have been issued or sold without consideration.

(v) CONSIDERATION FOR STOCK. In case any shares of Common Stock, Options or Convertible Securities shall be issued or sold for cash, the consideration received therefor shall be deemed to be the net amount received by the Company therefor, after deduction therefrom of any expenses incurred or any underwriting commissions or concessions paid or allowed by the Company in connection therewith. In case any shares of Common Stock, Options or Convertible Securities shall be issued or sold for a consideration other than cash, the amount of the consideration other than cash received by the Company shall be deemed to be the fair value of such consideration as determined in good faith by the Board of Directors of the Company, after deduction of any expenses incurred or any underwriting commissions or concessions paid or allowed by the Company in connection therewith. In case any Options shall be issued in connection with the issue and sale of other securities of the Company, together comprising one integral transaction in which no specific consideration is allocated to such Options by the parties thereto, such Options shall be deemed to have been issued for such consideration as determined in good faith by the Board of Directors of the Company. If Common Stock, Options or Convertible

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

Securities shall be issued or sold by the Company and, in connection therewith, other Options or Convertible Securities (the "ADDITIONAL RIGHTS") are issued, then the consideration received or deemed to be received by the Company shall be reduced by the fair market value of the Additional Rights (as determined using the Black-Scholes option pricing model or another method mutually agreed to by the Company and the Investors). The Board of Directors of the Company shall respond promptly, in writing, to an inquiry by the Investors as to the fair market value of the Additional Rights. In the event that the Board of Directors of the Company and the Investors are unable to agree upon the fair market value of the Additional Rights, the Company and the Investors shall jointly select an appraiser, who is experienced in such matters. The decision of such appraiser shall be final and conclusive, and the cost of such appraiser shall be borne evenly by the Company and the Investors.

(vi) RECORD DATE. In case the Company shall take a record of the holders of its Common Stock for the purpose of entitling them (i) to receive a dividend or other distribution payable in Common Stock, Options or Convertible Securities or (ii) to subscribe for or purchase Common Stock, Options or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

4.8 LIMITATION ON ISSUANCE OF FUTURE PRICED SECURITIES. During the six months following the Closing Date, the Company shall not issue any "Future Priced Securities" as such term is described by NASD IM-4350-1.

24

4.9 INDEMNIFICATION OF INVESTORS. In addition to the indemnity provided in the Registration Rights Agreement, the Company will indemnify and hold the Investors and their directors, officers, shareholders, partners, employees and agents (each, an "INVESTOR PARTY") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation (collectively, "LOSSES") that any such Investor Party may suffer or incur as a result of or relating to any misrepresentation, breach or inaccuracy of any representation, warranty, covenant or agreement made by the Company in any Transaction Document. In addition to the indemnity contained herein, the Company will reimburse each Investor Party for its reasonable legal and other expenses (including the cost of any investigation, preparation and travel in connection therewith) incurred in connection therewith, as such expenses are incurred.

4.10 NON-PUBLIC INFORMATION. The Company covenants and agrees that neither it nor any other Person acting on its behalf will provide any Investor or its agents or counsel with any information that the Company believes constitutes material non-public information, unless prior thereto such Investor shall have executed a written agreement regarding the confidentiality and use of such information. The Company understands and confirms that each Investor shall be relying on the foregoing representations in effecting transactions in securities of the Company. In the event that in order to comply with its

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

obligations under Section 4.3, the Company in writing requests an Investor to enter into a written confidentiality agreement regarding information which the Company desires to disclose to such Investor and which the Company believes is material and non-public (the parties agreeing that the information to be disclosed pursuant to such an agreement shall only be material and non-public for up to 10 days from the date of such agreement) and such Investor informs the Company that it would not be willing to enter into such confidentiality agreement, then such Investor shall be deemed to have waived its pre-emptive rights under Section 4.3 for a period of 20 days from the date of such Investor's refusal (or the 20th day following the third Business Day on which the Company shall have requested such agreement in writing in the event such Investor fails to respond).

4.11 LISTING OF SECURITIES. The Company agrees, (i) if the Company applies to have the Common Stock traded on any other Trading Market, it will include in such application the Shares and Warrant Shares, and will take such other action as is necessary or desirable to cause the Shares and Warrant Shares to be listed on such other Trading Market as promptly as possible, and (ii) it will take all action reasonably necessary to continue the listing and trading of its Common Stock on a Trading Market and will comply in all material respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market.

4.12 USE OF PROCEEDS. The Company will use the net proceeds from the sale of the Securities hereunder to retire a note, in an amount not exceeding \$3,150,000, secured by the Company's Peru, IL factory, and for working capital purposes, and not for the purpose of redeeming any Common Stock or Common Stock Equivalents.

ARTICLE VI. MISCELLANEOUS

6.1 FEES AND EXPENSES. At the Closing, the Company shall reimburse SF Capital Partners Ltd. \$15,000 in connection with its legal fees concerning the transactions contemplated by the Transaction Documents (SF Capital Partners Ltd. may deduct such amount from the portion of its Investment Amount deliverable to the Company at the Closing), it being understood that Bryan Cave LLP has only rendered legal advice to SF Capital Partners Ltd., and not to the Company or any Investor in connection with the transactions contemplated hereby, and that each of the Company and each Investor has relied for such matters on the advice of its own respective counsel. Except as specified in the immediately preceding sentence and in the Registration Rights Agreement, each party shall pay the fees and expenses of its advisers,

27

counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. The Company shall pay all stamp and other taxes and duties levied in connection with the sale of the Securities.

6.2 ENTIRE AGREEMENT. The Transaction Documents, together with the Schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and supersede all prior agreements, understandings, discussions and representations, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

6.3 NOTICES. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the date of transmission, if such notice or communication is delivered via facsimile (provided the sender receives a machine-generated confirmation of successful transmission) at the facsimile number specified in this Section prior to 6:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section on a day that is not a Trading Day or later than 6:30 p.m. (New York City time) on any Trading Day, (c) the Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. If to an Investor: To the address set forth under such Investor's name on the signature pages hereof; or such other address as may be designated in writing hereafter, in the same manner, by such Person.

6.4 AMENDMENTS; WAIVERS; NO ADDITIONAL CONSIDERATION. No provision of this Agreement may be waived or amended except in a written instrument signed by the Company and the Investors holding a majority of the Shares. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right. No consideration shall be offered or paid to any Investor to amend or consent to a waiver or modification of any provision of any

28

Transaction Document unless the same consideration is also offered to all Investors who then hold Shares.

6.5 TERMINATION. This Agreement may be terminated prior to Closing:

(a) by written agreement of the Investors and the Company;

(b) by the Company or an Investor (as to itself but no other Investor) upon written notice to the other, if the Closing shall not have taken place by 6:30 p.m. Eastern time on the Outside Date; provided, that the right to terminate this Agreement under this Section 6.5(b) shall not be available to any Person whose failure to comply with its obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or before such time; or

(c) by an Investor (as to itself but no other Investor) if it concludes in good faith that any of the conditions precedent contained in Section 5.1(c), (d) or (e) shall have been breached or shall not be capable of being satisfied by the Outside Date despite the assumed best efforts of the Company.

In the event of a termination pursuant to this Section, the Company shall promptly notify all non-terminating Investors and shall pay to SF Capital Partners Ltd. up to \$15,000 of the fees and expenses incurred by SF Capital Partners Ltd. (including reasonable legal fees and expenses) in connection with this Agreement and the transactions contemplated by this Agreement through the

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

termination date. Other than as to the foregoing fees and expenses, upon a termination in accordance with this Section 6.5, the Company and the terminating Investor(s) shall not have any further obligation or liability (including as arising from such termination) to the other and no Investor will have any liability to any other Investor under the Transaction Documents as a result therefrom.

6.6 CONSTRUCTION. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any of the Transaction Documents.

6.7 SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investors. Any Investor may assign any or all of its rights under this Agreement to any Person to whom such Investor assigns or transfers any Securities, provided such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions hereof that apply to the "Investors."

29

6.8 NO THIRD-PARTY BENEFICIARIES. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.8 (as to each Investor Party).

6.9 GOVERNING LAW. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all Actions concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, employees or agents) shall be commenced exclusively in the New York Courts. Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of the any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action, any claim that it is not personally subject to the jurisdiction of any such New York Court, or that such Action has been commenced in an improper or inconvenient forum. Each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Action by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

manner permitted by law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. If either party shall commence an Action to enforce any provisions of a Transaction Document, then the prevailing party in such Action shall be reimbursed by the other party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such Action.

6.10 SURVIVAL. The representations, warranties, agreements and covenants contained herein shall survive the Closing and the delivery of the Securities.

6.11 EXECUTION. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

6.12 SEVERABILITY. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and

30

provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

6.13 RESCISSION AND WITHDRAWAL RIGHT. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) the Transaction Documents, whenever any Investor exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Investor may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

6.14 REPLACEMENT OF SECURITIES. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Securities. If a replacement certificate or instrument evidencing any Securities is requested due to a mutilation thereof, the Company may require delivery of such mutilated certificate or instrument as a condition precedent to any issuance of a replacement.

6.15 REMEDIES. In addition to being entitled to exercise all rights

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form 8-K

provided herein or granted by law, including recovery of damages, each of the Investors and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

6.16 PAYMENT SET ASIDE. To the extent that the Company makes a payment or payments to any Investor pursuant to any Transaction Document or an Investor enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

6.17 INDEPENDENT NATURE OF INVESTORS' OBLIGATIONS AND RIGHTS. The obligations of each Investor under any Transaction Document are several and not joint with the obligations of any

31

other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under any Transaction Document. The decision of each Investor to purchase Securities pursuant to the Transaction Documents has been made by such Investor independently of any other Investor. Nothing contained herein or in any Transaction Document, and no action taken by any Investor pursuant thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Investor acknowledges that no other Investor has acted as agent for such Investor in connection with making its investment hereunder and that no Investor will be acting as agent of such Investor in connection with monitoring its investment in the Securities or enforcing its rights under the Transaction Documents. Each Investor shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. The Company acknowledges that each of the Investors has been provided with the same Transaction Documents for the purpose of closing a transaction with multiple Investors and not because it was required or requested to do so by any Investor.

6.18 LIMITATION OF LIABILITY. Notwithstanding anything herein to the contrary, the Company acknowledges and agrees that the liability of an Investor arising directly or indirectly, under any Transaction Document of any and every nature whatsoever shall be satisfied solely out of the assets of such Investor, and that no trustee, officer, other investment vehicle or any other Affiliate of such Investor or any investor, shareholder or holder of shares of beneficial interest of such a Investor shall be personally liable for any liabilities of such Investor.
