## Edgar Filing: ENTERPRISE FINANCIAL SERVICES CORP - Form 8-K

### Item 1.01 Entry into a Material Definitive Agreement

Enterprise Financial Services Corp (the “Company”) previously reported, by the filing of a Current Report on Form 8-K on January 14, 2010, that it was conducting a private placement offering (the “Private Offering”) for the issuance and sale of shares of its common stock, par value \$0.01 per share (the “Common Stock”).

On January 25, 2010, the Company consummated a second and final closing of the Private Offering with 26 accredited investors (the “Purchasers”) for the issuance and sale of 1,266,427 shares of Common Stock for aggregate cash consideration of approximately \$9.8 million. The purchase price was \$9.25 for directors, officers, employees and consultants of the Company (which represented the last closing consolidated bid price of our common stock on the NASDAQ Global Select Market at the time of the initial closing), and \$7.71 for other investors. As a result of the first and second closing of the Private Offering, the Company raised a total of \$15 million through the issuance of 1,931,610 shares of Common Stock to accredited investors.

Each of the Purchasers executed and delivered a subscription agreement (“Subscription Agreement”), which was accepted by the Company prior to or at the second and final closing, and each Purchaser represented to the Company that such investor is an “accredited investor” as defined in Rule 501(a) of Regulation D. Shares of the Common Stock sold pursuant to the Private Offering are “restricted securities” within the meaning of Rule 144 promulgated under the Securities Act and may not be transferred in whole or in part in the absence of an effective registration statement or an opinion of counsel satisfactory to the Company that an exemption from registration is available, among other restrictions. Pursuant to the Subscription Agreement, the Company has agreed to prepare and file a registration statement with the United States Securities and Exchange Commission to register for resale shares of the Common Stock issued to the Purchasers in the Private Offering after the filing of our Annual Report on Form 10-K for the year ended December 31, 2009 (and in any event no later than March 17, 2010) subject to certain exceptions.

The Company intends to use the net proceeds of the Private Offering for general corporate purposes, which may include funding working capital needs, supporting growth and regulatory capital needs, expanding through acquisitions (including, without limitation, acquisitions with the assistance of the Federal Deposit Insurance Corporation) or redemption of other securities outstanding from time to time.

The foregoing description of the Private Offering and the Subscription Agreement is not intended to be complete and is qualified in its entirety by the complete text of the form Subscription Agreement attached as Exhibit 99.1 to this Current Report on Form 8-K.

On January 25, 2010, the Company issued a press release announcing the second and final closing of the Private Offering. A copy of the press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

### Item 2.02 Results of Operations and Financial Condition.

On January 26, 2010, the Company issued a press release announcing financial information for its year ended December 31, 2009. A copy of the press release is attached hereto as Exhibit 99.3 and is incorporated herein by reference. The press release and the information included in this Item 2.02 shall not be deemed “filed” with the Commission.
