- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

The information set forth in Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference in its entirety.

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On August 18, 2009, Henan Tonghai Fluid Equipment Co., Ltd., a Chinese corporation (the “Subsidiary”), a wholly-owned subsidiary of China Valves Technology, Inc. (the “Company”), acquired 100% of the outstanding equity interests of Yangzhou Rock Valve Lock Technology Co., Ltd. (“Yangzhou Rock”), for a total cash consideration of U.S. \$7.3 million pursuant to an Equity Transfer Agreement, dated August 14, 2009, among the Subsidiary and the equity owners of Yangzhou Rock (the “Equity Transfer Agreement”). The Company issued a press release on August 18, 2009 announcing the acquisition of Yangzhou Rock. A copy of the press release is furnished as Exhibit 99.1 and is incorporated herein by reference.

Yangzhou Rock was formed in July 2006. It designs, manufactures and distributes interlock valves, valve block devices, magnetic valves, and mechanical interlocking machines. These products are widely used by companies engaged in the following industries: manufacturing, petrochemical, chemical, natural gas, thermal power and metallurgy. The interlocking valve and machine products are primarily used to eliminate human errors during operation by ensuring that potentially hazardous valve operations are performed in the correct sequence.

Yangzhou Rock is located in Yangzhou, Jiangsu Province, China. It has designed production capacity of 15,000 units of mechanical interlocking machines per annum in its over 10,000 square meter production facility. Yangzhou Rock is the only manufacturer that is able to produce interlocking valves and machines with its own proprietary technology.

Yangzhou Rock will continue to supply its products to wide customer base in various industries. China Valves expects to be able to share Yangzhou Rock’s distribution channels and customer base. China Valves expects its acquisition of Yangzhou Rock to add approximately \$1 million in net income to the Company’s financial results within remaining year of 2009 and approximately \$3 million of net income in 2010.

The description of the Equity Transfer Agreements in this current report is a summary only and is qualified in its entirety by the terms of the Equity Transfer Agreement, which is attached hereto as exhibit 10.1 and is hereby incorporated by reference.

ITEM 9.01 FINANCIAL STATEMENT AND EXHIBITS

(d) Exhibits :

The following exhibit is filed with this current report on Form 8-K.
