What am I voting on at the annual meeting?

You will be voting on the following proposals:

(5) To transact any other business properly coming before the meeting.

How does the Board of Directors recommend I vote?

Our Board of Directors unanimously recommends that you vote your shares of common stock:

(1) **"FOR"** the Class II nominees named in the attached proxy statement to serve on the Board of Directors;

(2) **"FOR"** the amendment to the First Amended and Restated Articles of Incorporation to declassify the Board of Directors such that all directors are elected on an annual basis by 2019;

(3) **"FOR"** the ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2018; and

(4) **"FOR"** an advisory, nonbinding resolution to approve the compensation of the Company's named executive officers.

What shares can I vote?

You may vote shares of our common stock owned by you as of the close of business on January 10, 2018 (the "Record Date"). Each share of common stock is entitled to one vote. As of January 10, 2018, we had 10,435,535 shares of common stock outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have three voting options:

- (1) **By Internet**, which we encourage if you have Internet access, at the address shown on your proxy card;
- (2) **By telephone**, using any touch-tone telephone to transmit your voting instructions by calling the number specified on your proxy card; or
- (3) **By mail**, by completing, signing and returning your proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the annual meeting?

If you are a registered shareholder, you may vote your shares owned by you as of January 10, 2018, at the annual meeting if you attend in person. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by telephone or by mail.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us before the meeting, (2) voting again over the Internet prior to 1:00 a.m., New York time, on March 6, 2018, (3) voting again via the telephone prior to 1:00

a.m., New York time, on March 6, 2018, or (4) voting at the meeting if you are a registered shareholder or have obtained a legal proxy from your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted in favor of all proposals and in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account by telephone or on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact your bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2018, is considered a routine matter for which brokerage firms may vote without specific instructions. The other matters are not considered routine matters for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as "broker non-votes."

How can I attend the meeting?

The meeting is open to all holders of our common stock as of January 10, 2018.

May shareholders ask questions at the annual meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes must be present to hold the annual meeting?

In order for us to conduct our annual meeting, a majority of our issued and outstanding shares of common stock as of January 10, 2018, must be present in person or by proxy at the annual meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting. Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail.

Where can I find a copy of the proxy materials?

A copy of the proxy materials is available online at www.investorvote.com/SINO.

How many votes are needed to approve the Company's proposals?

Proposal 1. The nominees receiving the highest number of “**For**” votes will be elected as directors. This number is called a plurality. Shares not voted will have no impact on the election of directors. The proxy given will be voted “**For**” the nominee for director unless a properly executed proxy card is marked “Withhold” as to a particular nominee for director.

Proposal 2. The amendment to the articles of incorporation to declassify the Board of Directors such that all directors are elected on an annual basis by 2019, requires that a majority of the outstanding shares of the Company be voted “**For**” the proposal.

Proposal 3. The ratification of the appointment of Friedman LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2018, requires that a majority of the votes cast at the meeting be voted “**For**” the proposal, excluding properly executed proxy card marked “Abstain,” which will not be voted or counted for purposes other than quorum.

Proposal 4. The advisory vote to approve executive officer compensation is advisory in nature and not binding on our Company. A vote “**For**” the proposal by a majority of the votes cast at the meeting would be considered an advisory approval of the proposed executive officer compensation. If a majority of shares do not vote in favor of the proposal, the Compensation Committee and Board of Directors will carefully consider the outcome when making future compensation decisions.

CERTAIN OTHER BOARD INFORMATION

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Leadership Structure

Mr. Lei Cao currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Cao simply holds both positions at this time. The Board of Directors believes that Mr. Cao's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Cao possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers, vendors and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company; as such, we deem it appropriate to be able to benefit from the guidance of Mr. Cao as both our Chief Executive Officer and Chairman of the Board.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays a key role in the risk oversight of the Company. As a smaller reporting company with a small board of directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

For additional information regarding, among other related items, our Board of Directors, Corporate Governance, the Compensation Committee, the Audit Committee and the Corporate Governance Committee and compensation of our named executive officers please see the section titled “BOARD OF DIRECTORS, CORPORATE GOVERNANCE AND OTHER RELATED INFORMATION.”

WE RECOMMEND THAT YOU VOTE FOR THE ELECTION OF THE TWO (2) CLASS II NOMINEES TO THE BOARD OF DIRECTORS.

PROPOSAL 2

AMENDMENT TO OUR AMENDED AND RESTATED ARTICLES OF INCORPORATION TO ELIMINATE CLASSIFIED BOARD STRUCTURE

(ITEM 2 ON THE PROXY CARD)

What am I voting on?

Our Board of Directors has determined that it would be in the best interests of the Company and our shareholders to amend our Amended and Restated Articles of Incorporation to declassify our Board of Directors and provide for the annual election of all directors, as described below. We are asking our shareholders to approve this amendment to our Articles of Incorporation.

What is the current board structure?

Article V, Section 2 of our Articles of Incorporation currently provides that the Board of Directors be classified into three staggered classes, with each to hold office for a three-year term. If the Company's stockholders approve this Amendment, the annual election of Directors will begin with the Directors elected at the 2019 annual meeting of stockholders.

How will this amendment alter the structure of the Board?

Our Board of Directors voted to approve, and to recommend that our shareholders approve at the Annual Meeting, an amendment to our Articles of Incorporation that, upon filing with the Secretary of State of the State of Virginia, will eliminate our Board of Directors' classified structure. If our shareholders approve the proposed amendment, directors who have been elected to three-year terms prior to the filing of the amendment (including directors elected at the 2018 Annual Meeting) must be re-elected at the Annual Meeting of Shareholders in 2019. Thereafter, all directors will be elected to one-year terms, meaning that from and after the Annual Meeting of Shareholders in 2019, all directors will stand for elections annually.

What are the reasons for the declassification?

Our Board of Directors recognizes that a classified structure may offer several advantages, such as promoting board of director continuity and stability and reducing a company's vulnerability to coercive takeover tactics. Our Board of Directors also recognizes, however, that a classified structure may reduce or appear to reduce directors' accountability to shareholders, since such a structure does not enable shareholders to express views on each director's performance by means of an annual vote. Our Board of Directors also believes that implementing annual elections for all directors would constitute "best practices" in corporate governance as our Board of Directors noted that many U.S. public companies have eliminated their classified board of director structures in recent years.

In view of the considerations described above, our Board of Directors determined that it is in the best interests of the Company and our shareholders to eliminate the classification of our Board of Directors. Therefore, our Board of Directors has approved the proposed Second Amended and Restated Articles of Incorporation, a copy of which is attached to this Proxy Statement as Appendix A.

What vote is required to approve this proposal?

This Proposal 2 requires the affirmative vote of a majority of the outstanding shares of the Company.

WE RECOMMEND THAT YOU VOTE FOR THE AMENDMENT TO OUR AMENDED AND RESTATED ARTICLES OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD STRUCTURE.

PROPOSAL 3

RATIFICATION OF THE APPOINTMENT OF FRIEDMAN LLP (ITEM 3 ON THE PROXY CARD)

What am I voting on?

A proposal to ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2018. The Audit Committee of the Board of Directors has appointed Friedman LLP to serve as the Company's fiscal year 2018 independent registered public accounting firm. Although the Company's governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable primarily as a matter of good corporate governance that the appointment of Friedman LLP be ratified by shareholders.

What services does Friedman LLP provide?

Audit services provided by Friedman LLP for fiscal year 2017 included the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC. In addition, Friedman LLP provided certain services relating to the Company's quarterly reports.

Will a representative of Friedman LLP be present at the meeting?

One or more representatives of Friedman LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the shareholders do not ratify the appointment, our Audit Committee will reconsider whether or not to retain Friedman LLP. Even if the appointment is ratified, the Audit Committee, at its discretion, may change the appointment at any time during the year if the Audit Committee determines that such a change would be in our best interests and the best interest of our shareholders.

What vote is required to ratify this proposal?

This Proposal 3 requires the affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting with quorum.

**WE RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF FRIEDMAN LLP
AS THE COMPANY'S FISCAL YEAR 2018 INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM.**

PROPOSAL 4

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION (ITEM 4 ON THE PROXY CARD)

What am I voting on?

We are asking our shareholders to approve, on an advisory basis, the compensation of the Company's Named Executive Officers for 2017 as disclosed in the Proxy Statement pursuant to the requirements of Item 402 of Regulation S-K. This advisory vote, which is sometimes referred to as a "say on pay" vote is required by Section 14A of the Securities and Exchange Act of 1934, as amended (the "Exchange Act").

Is this vote binding on our Company?

As an advisory vote, this proposal is not binding upon our Company, the Board or the Compensation Committee and will not be construed as overruling a decision by our Company, the Board or the Compensation Committee or creating or implying any additional fiduciary duty for our Company, the Board or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions regarding named executive officers.

How often will shareholders vote on named executive officer compensation?

Our current policy is to provide shareholders with an opportunity to approve the compensation of the named executive officers every year at the annual meeting of shareholders. It is expected that the next such vote will occur at the fiscal year 2019 Annual Meeting of Shareholders.

What vote is required to approve this proposal?

Approval of this Proposal 4 requires the affirmative vote of a majority of the shares present or represented by proxy and voting at an Annual Meeting with quorum.

What are shareholders being asked to approve?

The Board of Directors is requesting your non-binding approval of the following resolution:

Resolved, that the shareholders approve, in a nonbinding vote, the compensation of the Company's Named Executive Officers, as disclosed in this proxy statement.

What if this proposal is not approved?

Pursuant to Section 14A of the Exchange Act, this vote is advisory only, and accordingly, is not binding on the Company or on our Board of Directors. Although the vote is non-binding, the Compensation Committee and the Board of Directors will carefully consider the outcome of the vote when making future compensation decisions.

WE RECOMMEND THAT YOU VOTE IN FAVOR OF THE NONBINDING ADVISORY RESOLUTION APPROVING NAMED EXECUTIVE OFFICER COMPENSATION.

BOARD OF DIRECTORS, CORPORATE GOVERNANCE AND OTHER RELATED INFORMATION

What if a nominee is unwilling or unable to serve?

Each of the nominees listed in the Proxy Statement has agreed to serve as a director, if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

Non-employee directors are entitled to receive \$5,000 per quarter. From time to time we may issue securities to our directors as well in compensation for services, but the amount and frequency of such grants is not set. How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Corporate Governance Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Corporate Governance Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Corporate Governance Committee is also responsible for

considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Corporate Governance Committee's charter is available on the Company's website at www.sino-global.net and in print upon request. The Corporate Governance Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Corporate Governance Committee independent?

Yes. All members of the Corporate Governance Committee have been determined to be independent by the Board of Directors.

How does the Corporate Governance Committee identify and evaluate nominees for director?

The Corporate Governance Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Corporate Governance Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting.

The Corporate Governance Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The Corporate Governance Committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the corporate governance committee does consider diversity of opinion and experience when nominating directors.

What are the Corporate Governance Committee's policies and procedures for considering director candidates recommended by shareholders?

The Corporate Governance Committee will consider all candidates recommended by eligible shareholders. An eligible shareholder is a shareholder (or group of shareholders) who owns at least 5% of the Company's outstanding shares and who has held such shares for at least one year as of the date of the recommendation. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Sino-Global Shipping America, Ltd., 1044 Northern Boulevard, Suite 305, Roslyn, New York 11576-1514:

a recommendation that identifies the name and address of the shareholder and the person to be nominated;

documentation establishing that the shareholder making the recommendation is an eligible shareholder;

the written consent of the candidate to serve as a director of the Company, if elected;

a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and

such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

Upon timely receipt of the required documents, the Company's Secretary will determine whether the shareholder submitting the recommendation is an eligible shareholder based on such documents. If the shareholder is an eligible shareholder, the Corporate Governance Committee may, but is not obligated to, evaluate the candidate and consider such candidate for nomination to the Board of Directors.

If the candidate is to be evaluated by the Corporate Governance Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Corporate Governance Committee:

A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;

A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;

A director must have a record of professional accomplishment in his or her chosen field; and

A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Corporate Governance Committee consider?

The Corporate Governance Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions. Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical behavior, may do so by writing to the directors at the following address:

Name of Director or Directors
c/o Zhikang Huang, Chief Operating Officer

Subject to the provisions of these Articles of Incorporation applicable to the Preferred Stock, the Corporation may from time to time purchase or otherwise acquire for consideration or redeem (if permitted by the terms thereof) shares of Common Stock or shares of any other class of stock hereafter created ranking junior to the Preferred Stock in respect of dividends or assets and any shares so purchased, acquired or redeemed may be held or disposed of by the Corporation from time to time for its corporate purposes or may be retired as provided by law.

2. The number of shares of Preferred Stock which the Corporation shall have the authority to issue shall be 2,000,000 shares, without par value per share.

The Board of Directors is hereby empowered to cause any class of the Preferred Stock of the Corporation to be issued in series with such of the variations permitted by clauses (a)-(k) below, as shall be determined by the Board of Directors.

The shares of Preferred Stock of different classes or series may vary as to:

a. the designation of such class or series, the number of shares to constitute such class or series and the stated value thereof;

b. whether the shares of such class or series shall have voting rights in addition to any voting rights provided by law, and if so, the terms of such voting rights, which (i) may be general or limited, and (ii) may permit more than one vote per share;

c. the rate or rates (which may be fixed or variable) at which dividends, if any, are payable on such class or series, whether any such dividends shall be cumulative, and if so, from what dates, the conditions and dates upon which such dividends shall be payable, the preference or relation which such dividends shall bear to the dividends payable on any shares of stock of any other class or any other series of such class;

d. whether the shares of such class or series shall be subject to redemption by the Corporation, and if so, the times, prices and other conditions of such redemption;

e. the amount or amounts payable upon shares of such class or series upon, and the rights of the holders of such class or series in, the voluntary or involuntary liquidation, dissolution or winding up, or any distribution of the assets of, the Corporation;

f. whether the shares of such class or series shall be subject to the operation of a retirement or sinking fund, and if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the shares of such series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;

g. whether the shares of such series shall be convertible into, or exchangeable for, shares of stock of any other class or any other series of such class or any other securities (including Common Stock) and, if so, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of conversion or exchange;

h. the limitations and restrictions, if any, to be effective while any shares of such class or series are outstanding upon the payment of dividends or the making of other distributions on, and upon the purchase, redemption or other acquisition by the Corporation of, the Common Stock or shares of stock of any other class or any other series of such class;

i. the conditions or restrictions, if any, upon the creation of indebtedness of the Corporation or upon the issue of any additional stock, including additional shares of such class or series or of any other series of such class or of any other class;

j. the ranking (be it *pari passu*, junior or senior) of each class or series as to the payment of dividends, the distribution of assets and all other matters; and

k. any other powers, preferences and relative, participating, optional and other special rights, and any qualifications, limitations and restrictions thereof, insofar as they are not inconsistent with the provisions of these Articles of Incorporation, to the full extent permitted in accordance with the laws of the Commonwealth of Virginia.

In the event of any liquidation, dissolution or winding up of the Corporation, after there shall have been paid to or set aside for the holders of the Preferred Stock the full preferential amounts to which they are respectively entitled under the provisions of these Articles of Incorporation applicable to the Preferred Stock, the holders of the Preferred Stock shall have no claim to any of the remaining assets of the Corporation. The powers, preferences and relative, participating, option and other special rights of each class or series of Preferred Stock and the qualifications, limitations or restrictions thereof if any, may differ from those of any and all other classes and series at any time outstanding. All shares of Preferred Stock of each series shall be equal in all respects.

3. Notwithstanding the foregoing, if one or more series of the Preferred Stock shall be subject to (i) redemption or (ii) repurchase by the Corporation at the option of the holders thereof, as provided in the terms thereof, the following provisions shall apply:

a. If (i) less than all the outstanding shares of one or more series are to be redeemed or (ii) the Corporation is unable to purchase all the shares of one or more series that it is required to offer to repurchase and which the holders thereof desire the Corporation to repurchase, the shares to be redeemed or repurchased shall be selected pro rata in such manner as may be prescribed by resolution of the Board of Directors, or in such other manner, if any, as shall be specified elsewhere in the Articles of Incorporation.

b. Notice to the holders of the shares to be redeemed or repurchased shall be given by mailing to such holders a notice of such redemption or offer to repurchase, first class, postage prepaid, not later than the thirtieth day, and not earlier than the sixtieth day, before the date fixed for redemption or repurchase, at their last addresses as they shall appear upon the books of the Corporation. Any notice which is mailed in such manner shall be conclusively presumed to have been duly given, whether or not the shareholder receives such notice; and failure duly to give such notice by mail, or any defect in such notice, to the holders of any stock designated for redemption or repurchase shall not affect the validity of the proceedings for the redemption or repurchase of any other shares.

c. The notice of redemption or offer to repurchase to each shareholder whose shares are to be redeemed or which the Corporation is required to offer to repurchase shall specify the number and designation of the shares of such shareholder to be redeemed or repurchased, the date fixed for redemption or repurchase, the redemption or repurchase price, and where payment of the redemption or repurchase price is to be made upon surrender of certificates for such shares and shall state the date to which accrued dividends, if any, will be paid and that from and after said date dividends thereon will cease to accrue. In the event any of such shares have conversion rights, the notice shall also state the conversion rate then in effect and the date on which the conversion rights shall cease and terminate.

d. In the case of each share called for redemption, or which the Corporation offers to repurchase and the holder thereof desires the Corporation to repurchase, the Corporation shall be obligated (unless such share has conversion rights and shall be converted on or prior to the redemption or repurchase date), to pay to the holder thereof the redemption or repurchase price (including accrued dividends, if any, to the extent and if so provided for such shares) upon surrender of the certificate for such share at the office of the Corporation or any transfer agent for the series, specified for that purpose on or after the redemption or repurchase date. Unless the Corporation shall default in the payment of the redemption or repurchase price plus accrued dividends, if any, dividends on each share so called for redemption, or which the Corporation offers to repurchase and the holder thereof desires the Corporation to repurchase, shall cease to accrue from and after the redemption or repurchase date or such earlier date as shall be specified in the terms thereof.

4. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, if the assets of the Corporation available for distribution to its shareholders shall be insufficient to pay in full all amounts to which the holders of Preferred Stock and any other stock of any class ranking on a parity as to liquidation preference are entitled, the amount available for distribution to shareholders shall be shared by the holders of all such classes and any series thereof pro rata according to the preferential amounts to which shares of each such series or class are entitled. For the purposes of this Section 4, a consolidation or merger of the Corporation with any other corporation, or the sale, transfer or lease of all or substantially all its assets shall not constitute or be deemed a liquidation, dissolution, or winding up of the Corporation.

5. Any and all shares of Preferred Stock and Common Stock of the Corporation, at the time authorized but not issued and outstanding, may be issued and disposed of by the Board of Directors of the Corporation in any lawful manner, consistently, in the case of shares of Preferred Stock, with the requirements set forth in the provisions of these Articles of Incorporation applicable to the Preferred Stock, at any time and from time to time, for such considerations as may be fixed by the Board of Directors of the Corporation.

6. No holder of shares of any class of stock of the Corporation shall have any preemptive or preferential right to purchase or subscribe to (i) any shares of any class of the Corporation, whether now or hereafter authorized; (ii) any warrants, rights, or options to purchase any such shares; or (iii) any securities or obligations convertible into any such shares or into warrants, rights or options to purchase any such shares.

7. Any class of stock of the Corporation shall be deemed to rank -

a. prior to another class either as to dividends or upon liquidation, if the holders of such class shall be entitled to the receipt of dividends or of amounts distributable on liquidation, dissolution or winding up, as the case may be, in preference or priority to holders of such other class;

b. on a parity with another class either as to dividends or upon liquidation, whether or not the dividend rates, dividend payment dates, or redemption or liquidation prices per share thereof are different from those of such others, if the holders of such class of stock shall be entitled to receipt of dividends or amounts distributable upon liquidation, dissolution or winding up, as the case may be, in proportion to their respective dividend rates or prices, without preference or priority one over the other with respect to the holders of such other class; and

c. junior to another class either as to dividends or upon liquidation, if the rights of the holders of such class shall be subject or subordinate to the rights of the holders of such other class in respect of the receipt of dividends or of amounts distributable upon liquidation, dissolution or winding up, as the case may be.

ARTICLE IV

Registered Office and Agent

The initial registered office shall be located at 1051 East Cary Street, Three James Center, 12th Floor, Richmond, Virginia 23219, which is located in the City of Richmond, and the initial registered agent shall be Bradley A. Haneberg, who is a resident of Virginia and a member of the Virginia State Bar, and whose business address is the same as the address of the initial registered office.

ARTICLE V

Board of Directors

1. The number of directors constituting the Corporation's Board of Directors shall be between five (5) and nine (9), a majority of which shall be independent in accordance with Nasdaq Stock Market rules and regulations (such directors being the "Independent Directors").

2. Commencing with the 2019 annual meeting of shareholders, the Board of Directors shall be made of a single class of directors, each of whom shall be elected annually at the annual meeting of shareholders, to hold office for a term expiring at the subsequent annual meeting of shareholders or until the earlier of his or her death, resignation or removal.

3. The number of directors of the Corporation may be changed by (i) the affirmative vote of shareholders holding a majority of each class of shares of the Corporation entitled to vote thereon or (ii) the affirmative vote of a majority of the Corporation's Board of Directors taken at a meeting of which the directors received at least ten (10) days' advance notice.

4. When the number of directors is changed, any vote to reduce the number of the Corporation's directors shall not result in the removal of a director previously elected or appointed. Rather, such a vote will simply reduce the number of directors to be elected at the next succeeding election of directors by the Corporation's shareholders.

ARTICLE VI

Indemnification

1. In this Article:

“applicant” means the person seeking indemnification pursuant to this Article.

“expenses” includes counsel fees.

“liability” means the obligation to pay a judgment, settlement, penalty, fine, including any excise tax assessed with respect to an employee benefit plan, or reasonable expenses incurred with respect to a proceeding.

“party” includes an individual who was, is or is threatened to be made a named defendant or respondent in a proceeding.

“proceeding” means any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal.

2. In any proceeding brought by or in the right of the Corporation or brought by or on behalf of shareholders of the Corporation, no director or officer of the Corporation shall be liable to the Corporation or its shareholders for monetary damages with respect to any transaction, occurrence or course of conduct, whether before or after the effective date of this Article, except for liability resulting from that person's having engaged in willful misconduct or a knowing violation of the criminal law or any federal or state securities law.

3. The Corporation shall indemnify(a) any person who was, is or may become a party to any proceeding, including a proceeding brought by a shareholder in the right of the Corporation or brought by or on behalf of shareholders of the Corporation, by reason of the fact that he is or was a director or officer of the Corporation, or (b) any director or officer who is or was serving at the request of the Corporation as a director, trustee, partner or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against any liability incurred by him in connection with such proceeding unless he engaged in willful misconduct or a knowing violation of criminal law. A person is considered to be serving an employee benefit plan at the Corporation's request if his duties to the Corporation also impose duties on, or otherwise involve securities by, him to the plan or to participants in or beneficiaries of the plan. The Board of Directors is hereby empowered, by a majority vote of a quorum of disinterested Directors, to enter into a contract to indemnify any Director or officer in respect of any proceedings arising from any act or omission, whether occurring before or after the execution of such contract.

4. No amendment or repeal of this Article shall affect the rights provided under this Article with respect to any act or omission arising before the amendment or repeal. The Corporation shall promptly take all such actions, and make all such determinations, as shall be necessary or appropriate to comply with its obligation to make any indemnity under this Article and shall promptly pay or reimburse all reasonable expenses, including attorneys' fees, incurred by any such director, officer, employee or agent in connection with such actions and determinations or proceedings of any kind arising therefrom.

5. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the applicant did not meet the standard of conduct described in Section 2 or 3 of this Article.

6. Any indemnification under Section 3 of this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the applicant has met the standard of conduct set forth in Section 3.

The determination shall be made:

a. By the Board of Directors by a majority vote of a quorum consisting of directors not at the time parties to the proceeding;

b. If a quorum cannot be obtained under Section 6(a) of this Section, by majority vote of a committee duly designated by the Board of Directors (in which designation directors who are parties may participate), consisting solely of two or more directors not at the time parties to the proceeding;

c. By special legal counsel:

(1) Selected by the Board of Directors or committee in the manner prescribed in Sections 6(a) or 6(h) of this Article:
or

(2) If a quorum of the Board of Directors cannot be obtained under Section 6(a) of this Article and a committee cannot be designated under Section 6(b) of this Article, selected by majority vote of the full Board of Directors, in which selection directors who are parties may participate; or

d. By the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

Any evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is appropriate, except that if the determination is made by special legal counsel, such evaluation as to reasonableness of expenses shall be made by those entitled under Section 6(c) of this Article to select counsel.

Notwithstanding the foregoing, if the composition of a majority of the Board of Directors has changed after the date of the alleged act or omission with respect to which indemnification is claimed, any determination with respect to any claim for indemnification or advancement of expenses made pursuant to this Article shall be made by special legal counsel agreed upon by the Board of Directors and applicant. If the Board of Directors and the applicant are unable to agree upon such special legal counsel, the Board of Directors and the applicant each shall select a nominee, and the nominees shall select such special legal counsel.

7. a. The Corporation shall pay for or reimburse the reasonable expenses incurred by any applicant who is a party to a proceeding in advance of final disposition of the proceeding or the making of any determination under Section 3 if the applicant furnishes the Corporation:

(1) a written statement of the applicant's good faith belief that he or she has met the standard of conduct described in Section 3; and

(2) a written undertaking, executed personally or on the applicant's behalf: to repay the advance if it is ultimately determined that the applicant did not meet such standard of conduct.

b. The undertaking required by Section 7(a)(2) of this Article shall be an unlimited general obligation of the applicant but need not be secured and may be accepted without reference to financial ability to make repayment.

c. Authorizations of payments under this Section shall be made by the persons specified in Section 6 of this Article.

8. The Board of Directors is hereby empowered, by majority vote of a quorum consisting of disinterested directors, to cause the Corporation to indemnify or contract to indemnify any person not specified in Section 2 or 3 of this Article who was, is or may become a party to any proceeding, by reason of the fact that the person is or was an employee or agent of the Corporation, is or was serving at the request of the Corporation a director, officer, employee or agent of another corporation, partnership, joint venture, employee benefit plan or other enterprise, to the same extent as if that person were specified as one to whom indemnification is granted in Section 3. The provisions of Sections 4 through 7 of this Article shall be applicable to any indemnification provided hereafter pursuant to this Section 8.

9. The Corporation may purchase and maintain insurance to indemnify it against the whole or any portion of the liability assumed by it accordance with this Article and may also procure insurance, in such amounts as the Board of Directors may determine, on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against any liability asserted against or incurred in any such capacity or arising from the person's status as such, whether or not the Corporation would have power to indemnify that person against such liability under the provisions of this Article.

10. Every reference herein to directors, officers, employees or agents shall include former directors, officers, employees and agents and their respective heirs, executors and administrators. The indemnification hereby provided and provided hereafter pursuant to the power hereby conferred by this Article on the Board of Directors shall not be exclusive of any other rights to which any other person may be entitled, including any right under policies of insurance that may be purchased and maintained by the Corporation or others, with respect to claims, issues or matters in relation to which the Corporation would not have the power to indemnify that person under the provisions of this Article. Such rights shall not prevent or restrict the power of the Corporation to make or provide for any future indemnity, or provisions for determining entitlement to indemnity, pursuant to one or more indemnification agreements, bylaws, or other arrangements (including, without limitation, creation of trust funds or security interests funded by letters of credit or other means) approved by the Board of Directors (whether or not any of the directors of the Corporation shall be a party to or beneficiary of any such agreements, bylaws or arrangements); provided, however, that any provision of such agreements, bylaws or other arrangements shall not be effective if and to the extent that it is determined to be contrary to this Article or applicable laws of the Commonwealth of Virginia.

11. Each provision of this Article shall be severable, and an adverse determination as to any such provision shall in no way affect the validity of any other provision.

ARTICLE VII

Voting

1. Unless these Articles of Incorporation provide otherwise or the Board of Directors conditions its submission of a particular matter on receipt of a greater vote or on any other basis permitted by applicable law, the vote of the holders of a majority of the outstanding shares of any series or class of stock voting as such series or class, or any series and/or classes of stock voting together as a voting group, entitled to vote on the following matters required by applicable law to be submitted to such series, classes or voting group shall be required and sufficient for the adoption or approval thereof by such series, classes or voting group: (i) any amendment or restatement of the Articles of Incorporation of the Corporation, (ii) a plan of merger, (iii) a plan of share exchange, (iv) the sale, lease or exchange or other disposition of all or substantially all of the property of the Corporation other than in the usual and regular

course of business, or (v) a proposal to dissolve the Corporation. The foregoing provisions of this Article VII shall not be construed to alter or modify in any respect the voting requirements prescribed by the Virginia Stock Corporation Act which would in the absence of such provisions be applicable to the approval of any affiliated transaction (as defined in said Act) or any amendment of the Articles of Incorporation relating to the vote required for such approval.

2. On matters presented to the shareholders other than those set forth in Section 1 of Article VII, the vote of the holders of a majority of the outstanding shares of any series or class of stock voting as such series or class, or any series and/or classes of stock voting together as a voting group, entitled to vote on such matter at a shareholder meeting for which a quorum of such series, class or voting group is present, shall be required and sufficient for the adoption or approval of such matters by such series, classes or voting groups. For purposes of this Section 2 of Article VII, a quorum shall consist of one-third (1/3) of the outstanding shares of capital stock in such series, class or voting group.

ARTICLE VIII

Amendment of Bylaws

Except as otherwise provided in the bylaws, the shareholders and the Board of Directors shall each have the power to make, amend or repeal bylaws of the Corporation by a majority vote.

ARTICLE IX
