NOTICE TO THE MARKET

Companhia Siderúrgica Nacional (CSN) informs that it started today the sale of cement produced in the just-opened plant located in the Volta Redonda Industrial Complex.

Sales in 2009 are estimated at 400 thousand tonnes, starting in the state of Rio de Janeiro and, then, extended to the states of São Paulo and Minas Gerais.

Annual production, at full capacity, is expected to reach 2.3 million tonnes as of 2011.

CSN will use its rail infrastructure through MRS Logística S/A and its own distribution centers.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
