### **Sale of Interest in Concessions of Bijupirá and Salema**

Rio de Janeiro, July 1<sup>st</sup>, 2015 – Petróleo Brasileiro S.A. – Petrobras announces that has signed today, with PetroRio S.A. ('PetroRio'), the celebration of the contracts regarding the sale of 20% of its interest in the concessions of Bijupirá and Salema fields, currently operated by Shell. The transaction amount is US\$ 25 million, subject to adjustments common in this type of operation.

Such fields are located in Campos Basin, at between 480 to 850 meters of water depths. The average daily production is 22 thousand barrels of oil and 325 thousand m<sup>3</sup> of associated gas. The oil extracted is light, between 28<sup>o</sup> to 31<sup>o</sup> API.

This operation is part of the Petrobras' Divestment Plan, is related to the portfolio optimization in the Exploration and Production area, and is aligned to the 2015-2019 Business and Management Plan.

The conclusion of the purchase and sale transaction between the parties is subjected to certain preceding conditions, among which, the approval of an assignment of rights by the Board of Directors of the Brazilian Administrative Council for Economic Defense – CADE and the Brazilian National Petroleum Agency – ANP.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
