**NOTIFICATION OF RELATED-PARTY TRANSACTIONS**

Parties	Braskem S.A. (“Braskem” or “Issuer”) and Usina Conquista do Pontal S.A. (UCP), Agro Energia Santa Luzia S.A. (USL) and Odebrecht Agroindustrial Participações S.A. (ODB Agro Par).
Relationship with the Issuer	UCP, USL and ODB Agro Par are indirect subsidiaries of Odebrecht S.A., which is the indirect parent company of the Issuer.
Purpose	First Amendment to the Hydrous Ethanol Supply Agreement. Consists of an amendment to change the invoicing method used for purchases of feedstock (Hydrous Ethanol) for future delivery, with payment up to December 30, 2016. The amendment establishes the price, which is the lesser of the ceiling established in the amendment and the reference price in the original agreement at the time of delivery.
Main terms and conditions	December 27, 2016
Agreement execution date	UCP, USL and ODB Agro Par and/or their representatives and/or managers did not participate in the negotiations or in the decision process to execute the amendment as representatives of the Issuer.
Any participation by the counterparty, its partners or managers in the issuer’s decision-making process or in the negotiation of the transaction as representatives of the issuer	In the Company’s opinion, by incorporating a price ceiling, the amendment to the invoicing method for purchases for future delivery establishes adequate compensation, given the expectation of price increases during the intercrop period, which is when the product will be effectively delivered.
Detailed justification of the reasons why the management of the issuer believes the transaction was carried out on an arm’s length basis or involves adequate compensatory payment	With regard to price making and/or taking involving third parties, the Company believes this does not apply, given that it involves a contractual amendment in which the commercial conditions of sales volume and reference price were not changed in relation to the original agreement.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
