**Item 8.01 Other Events.**

On September 30, 2014, the United States District Court for the Western District of Pennsylvania issued a memorandum opinion and order affirming the confirmation of the Modified Third Amended Plan of Reorganization for Pittsburgh Corning Corporation (the "Amended Plan"). Corning Incorporated ("Corning") and PPG Industries are each 50 percent shareholders of Pittsburgh Corning, which filed for Chapter 11 Bankruptcy protection in 2000. The order of the District Court is subject to a customary appeals process and, if that order is upheld and all conditions of the Amended Plan are met, the Amended Plan would become effective. Under the Amended Plan: all current and future personal injury claims against Corning relating to exposure to asbestos-containing products manufactured, distributed or sold by Pittsburgh Corning are to be channeled to a trust for resolution; and Corning is to make its initial payment to that trust one year after the date that the Amended Plan becomes effective and all conditions to funding have been met.
