GENERAL INFORMATION

Houlihan Lokey, Inc. ("Houlihan Lokey," or the "Company") is making this Proxy Statement available to its stockholders on or about September 8, 2016 in connection with the solicitation of proxies by the board of directors for our 2016 Annual Meeting of Stockholders to be held on Friday, October 21, 2016 at 8:00 a.m. (Pacific Time) at its Headquarters located at 10250 Constellation Blvd., 5th Floor, Los Angeles, CA 90067, and any adjournment or postponement of that meeting (the "Annual Meeting"). As a stockholder, you are invited to attend the Annual Meeting and are entitled and encouraged to vote on the proposals described in this Proxy Statement. On or about September 8, 2016, we mailed our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and our 2016 Annual Report on Form 10-K, as amended ("Form 10-K").

Houlihan Lokey (NYSE: HLI) is a global investment bank with expertise in mergers and acquisitions, capital markets, valuation, financial restructuring, and strategic consulting. The firm serves corporations, institutions, and governments worldwide with offices in the United States, Europe, and the Asia-Pacific region. Independent advice and intellectual rigor are hallmarks of our commitment to client success across our advisory services. Houlihan Lokey is ranked as the No. 1 M&A advisor for all U.S. transactions, the No. 1 global M&A fairness opinion advisor over the past 15 years, and the No. 1 global restructuring advisor, according to Thomson Reuters.

Unless the context otherwise requires, as used in this Proxy Statement, the terms the "Company," "Houlihan Lokey, Inc.," "Houlihan Lokey," "HL," "we," "us" and "our" refer to (i) prior to the corporate reorganization described under "Organization Structure" in the Form 10-K, Houlihan Lokey, Inc., a California corporation ("HL CA"), and (ii) following such corporate reorganization, Houlihan Lokey, Inc., a Delaware corporation ("HL DE"), and, in each case, unless otherwise stated, all of its subsidiaries. We use the term "ORIX USA" to refer to ORIX USA Corporation, a Delaware corporation and a wholly owned subsidiary of ORIX Corporation, a Japanese corporation. References to ORIX USA as a holder of our shares mean ORIX USA acting through its indirect wholly owned subsidiary, ORIX HLHZ Holding LLC, a Delaware limited liability company. We use the term "HL Holders" to refer to our employees and members of our management who hold our Class B common stock through the Houlihan Lokey Voting Trust (the "HL Voting Trust"). We use the term "Fram" to refer to Fram Holdings, Inc., a Delaware corporation and formerly our indirect parent. References to the "IPO" mean our initial public offering in August 2015 of 12,075,000 shares of Houlihan Lokey, Inc. Class A common stock in connection with which HL CA reorganized its business. Our fiscal year ends on March 31st; references to fiscal 2016 and fiscal 2015 are to the fiscal years ended March 31, 2016 and 2015, respectively; references in this Proxy Statement to years are to calendar years unless otherwise noted.

Below are answers to common questions stockholders may have about the Proxy Materials and the Annual Meeting.
What are the Proxy Materials?

The "Proxy Materials" are this Proxy Statement and our Form 10-K. If you request printed versions of the Proxy Materials, and you are entitled to vote at the Annual Meeting, you will also receive a proxy card.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of materials?

Under rules adopted by the Securities and Exchange Commission (the "SEC"), we are furnishing Proxy Materials to many of our stockholders on the internet, rather than mailing printed copies. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive printed copies of the Proxy Materials unless you request them. Instead, the notice will instruct you how to access and review the Proxy Materials on the internet. If you would like printed copies of the Proxy Materials, please follow the instructions in the notice.

Who may vote at the meeting?

Holders of Class A common stock and holders of Class B common stock as of the close of business on August 24, 2016 (the "Record Date") may vote at the Annual Meeting. Pursuant to the Voting Trust Agreement by and among the Company, each HL Holder and the Trustees named therein dated August 18, 2015, as amended (as so amended, the "Voting Trust Agreement"), each HL Holder agreed that the Trustees of the HL Voting Trust has full authority to vote his or her shares on all matters. Accordingly, holders of Class B Common Stock other than ORIX USA and the HL Voting Trust will not receive proxy cards and are not eligible to cast votes at the Annual Meeting.

Table of Contents

How many votes do I have?

Holders of our Class A common stock are entitled to one vote for each share held as of the Record Date. Holders of our Class B common stock are entitled to ten votes for each share held as of the Record Date. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters at the Annual Meeting. Pursuant to the Voting Trust Agreement each HL Holder has agreed that the Trustees of the HL Voting Trust has full authority to vote his or her shares on all matters. Accordingly, holders of Class B Common Stock other than ORIX USA and the HL Voting Trust will not receive proxy cards and are not eligible to cast votes at the Annual Meeting.

What items will be voted on at the Annual Meeting and how does the board of directors recommend that I vote?

There are two proposals to be voted on at the Annual Meeting:

1. the election of three Class I directors to our board of directors; and
2. the ratification of the appointment of KPMG LLP ("KPMG") as our independent registered public accounting firm for the fiscal year ending March 31, 2017.

Our amended and restated by-laws require that we receive advance notice of any proposals to be brought before the Annual Meeting by our stockholders. We have not received any such proposals. We do not anticipate any other matters will come before the Annual Meeting. If any other matter properly comes before the Annual Meeting, the proxy holders appointed by our board of directors will have discretion to vote on those matters.

How many shares may be voted at the Annual Meeting?

Only stockholders of record as of the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of the close of business on the Record Date, there were 12,149,427 shares of Class A common stock and 54,600,980 shares of Class B common stock entitled to vote.

What vote is required for each proposal?

For the election of directors, each director must be elected by a plurality of the votes cast. This means that the three nominees receiving the largest number of "for" votes will be elected as directors. We do not have cumulative voting. The ratification of the Company's independent registered public accounting firm and any other proposals that may come before the Annual Meeting will be determined by the majority of the votes cast.

In connection with the IPO, we entered into the Stockholders' Agreement dated August 18, 2015 with ORIX USA and the HL Voting Trust (the "Stockholders' Agreement"). Under this agreement, ORIX USA and the HL Voting Trust each have agreed to vote in favor of the three nominees for Class I directors. As of the Record Date, such persons hold sufficient shares of Class B Common stock to ensure the election of such nominees at the Annual Meeting.

How are abstentions and broker non-votes counted?

Abstentions (shares present at the meeting in person or by proxy that are voted "abstain") and broker non-votes (explained below) are counted for the purpose of establishing the presence of a quorum, but are not counted as votes cast.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare, you are a stockholder of record. Each HL Holder is not a stockholder of record by virtue of shares he or she beneficially holds through the HL Voting Trust.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a beneficial owner of shares held in "street name." The organization holding your account is considered the stockholder of record. As a beneficial owner, you have the right to direct the organization holding your account on how to vote the shares you hold in your account.

How do stockholders of record vote?

There are four ways for stockholders of record to vote:

Via the internet. You may vote via the internet until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by visiting <http://www.proxyvote.com> and entering the unique control number for your shares located on the Notice of Internet Availability of Proxy Materials.

Table of Contents

By telephone. You may vote by phone until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by calling (800) 690-6903. You will need the control number from your Notice of Internet Availability of Proxy Materials.

By mail. If you requested that Proxy Materials be mailed to you, you will receive a proxy card with your Proxy Materials. You may vote by filling out and signing the proxy card and returning it in the envelope provided. The proxy card must be received by 5:00 p.m. (Pacific Time) on the day before the Annual Meeting.

In person. You may also vote your shares in person by completing a ballot at the Annual Meeting.

How do beneficial owners of shares held in street name vote?

If you hold your shares through a brokerage firm, bank, broker-dealer or other similar organization, please follow their instructions.

Can I change my vote after submitting a proxy?

Stockholders of record may revoke their proxy before the Annual Meeting by delivering to the Company's General Counsel and Secretary a written notice stating that a proxy is revoked, by signing and delivering a proxy bearing a later date, by voting again via the internet or by telephone or by attending and voting in person at the Annual Meeting. Street name stockholders who wish to change their votes should contact the organization that holds their shares.

If I hold shares in street name through a broker, can the broker vote my shares for me?

If you hold your shares in street name and you do not vote, the broker or other organization holding your shares can vote on certain "routine" proposals but cannot vote on other proposals. Proposal 1 (election of directors) is not considered a "routine" proposal. Proposal 2 (ratification of the Company's independent registered public accounting firm) is a "routine" proposal. If you hold shares in street name and do not vote on Proposal 1, your shares will be counted as "broker non-votes."

Who is paying for this proxy solicitation?

The Company is paying the costs of the solicitation of proxies. Members of our board of directors and officers and employees may solicit proxies by mail, telephone, fax, email or in person. We will not pay directors, officers or employees any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks or similar entities representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

What do I need to do if I want to attend the meeting?

You will need to provide evidence that you are a stockholder as of the Record Date. This can be a copy of your proxy card or a brokerage statement showing your shares. You should also bring photo identification. If you hold your shares in street name and wish to vote in person at the meeting, you will need to contact the organization that holds your shares in order to obtain a legal proxy from that organization.

Where can I find voting results?

We will file a Current Report on Form 8-K with the SEC including the final voting results from the Annual Meeting within four business days of the Annual Meeting.

I share an address with another stockholder. Why did we receive only one set of Proxy Materials?

Some banks, brokers and nominees may be participating in the practice of "householding" Proxy Materials. This means that only one copy of our Proxy Materials may be sent to multiple stockholders in your household. If you hold your shares in street name and want to receive separate copies of the Proxy Materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact the bank, broker, or other nominee who holds your shares.

Upon written or oral request, the Company will promptly deliver a separate copy of the Proxy Materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Proxy Materials, you can contact our Investor Relations department at (212) 331-8225 or IR@HL.com. What are the implications of being an "emerging growth company"?

We are an "emerging growth company," as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act") and are therefore permitted to provide less disclosure about our executive compensation arrangements than is generally required for other public companies. We are also not required to provide our stockholders with the opportunity to vote on certain executive compensation matters on a non-binding advisory basis. We have elected to

use these reduced disclosure requirements available to us as an emerging growth company, and are not soliciting stockholder votes on our executive compensation.

3

Table of Contents

Under the JOBS Act, we will remain an emerging growth company until the earliest of: (i) the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more; (ii) the last day of the fiscal year following the fifth anniversary of the completion of the IPO; (iii) the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and (iv) the date on which we become a "large accelerated filer" under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Who should I contact if I have additional questions?

You can contact our Investor Relations department at (212) 331-8225 or IR@HL.com. Stockholders who hold their shares in street name should contact the organization that holds their shares for additional information on how to vote.

PROPOSAL 1: ELECTION OF DIRECTORS

Our amended and restated bylaws provide that our board of directors shall consist of such number of directors as shall from time to time be fixed by our board of directors. Currently, our board of directors is composed of 11 members, three of whom are independent directors as defined under the rules of the New York Stock Exchange. Further, our amended and restated certificate of incorporation and our amended and restated bylaws provide for the division of our board of directors into three classes, as nearly equal in number as possible, with each class serving for three year staggered terms. At each annual meeting of stockholders after the initial classification, the successors to the directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. Our directors are divided among the three classes as follows:

• the Class I directors are Scott L. Beiser, Robert J.B. Lenhardt and Jacqueline B. Kosecoff, and their terms will expire at the annual meeting of stockholders to be held in 2016;

• the Class II directors are Irwin N. Gold, Bennet Van de Bunt, Ron K. Barger and Paul E. Wilson, and their terms will expire at the annual meeting of stockholders to be held in 2017; and

• the Class III directors are Scott J. Adelson, David A. Preiser, Robert A. Schriesheim and Hideto Nishitani, and their terms will expire at the annual meeting of stockholders to be held in 2018.

At the Annual Meeting, the stockholders will vote to elect as Class I directors of the Company the three nominees named in this Proxy Statement. Each of the Class I directors elected at the Annual Meeting will hold office until the 2019 Annual Meeting of Stockholders and until his or her successor has been duly elected and qualified. The board of directors has nominated Messrs. Beiser and Lenhardt and Dr. Kosecoff to serve as Class I directors of the Company. The persons named as proxies will vote to elect each of these nominees unless a stockholder indicates that his or her shares should be withheld with respect to one or more of such nominees.

Under the Stockholders' Agreement, ORIX USA and the HL Voting Trust each have agreed vote in favor of the three nominees for Class I director. Please see "Certain Relationships and Related Person Transactions," below for a description of the Stockholders' Agreement and the HL Voting Trust Agreement.

In the event that any nominee for director becomes unavailable or declines to serve as a director at the time of the Annual Meeting, the persons named as proxies will vote the proxies in their discretion for any nominee who is designated by the current board of directors to fill the vacancy. All of the nominees are currently serving as directors and we do not expect that any of the nominees will be unavailable or will decline to serve.

In determining that each director should be nominated for re-election, our board of directors considered his or her service, business experience, prior directorships, qualifications, attributes and skills described in the biography set forth below under "Corporate Governance—Executive Officers and Directors."

The board of directors recommends that you vote "FOR" each of Messrs. Beiser and Lenhardt and Dr. Kosecoff as Class I Directors in this Proposal 1.

Composition of our Board of Directors

Our business affairs are managed under the direction of our board of directors.

Our amended and restated bylaws provide that our board of directors shall consist of such number of directors as shall from time to time be fixed by our board of directors. Currently, our board of directors is composed of 11 members, three of whom are independent directors as defined under the rules of the New York Stock Exchange. Further, our amended and restated certificate of incorporation and our amended and restated bylaws provide for the division of our

board of directors into three classes, as nearly equal in number as possible, with each class serving for three year staggered terms. At each annual meeting of stockholders after the initial classification, the successors to the directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. Our directors are divided among the three classes as follows:
• the Class I directors are Messrs. Beiser and Lenhardt and Dr. Kosecoff, and their terms will expire at the annual meeting of stockholders to be held in 2016;

Table of Contents

the Class II directors are Messrs. Gold, Van de Bunt, Barger and Wilson, and their terms will expire at the annual meeting of stockholders to be held in 2017; and

the Class III directors are Messrs. Adelson, Preiser, Schriesheim and Nishitani and their terms will expire at the annual meeting of stockholders to be held in 2018.

Each of our executive officers serves at the discretion of our board of directors and holds office until his or her successor is duly appointed and qualified or until his or her earlier resignation or removal. There are no family relationships among any of our directors or executive officers.

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable our board of directors to satisfy its oversight responsibilities effectively in light of our business and structure, the board of directors focuses primarily on each person's background and experience as reflected in the information discussed in each of the directors' individual biographies set forth herein. We believe that our directors provide an appropriate mix of experiences and skills relevant to the size and nature of our business.

Director Nomination and Removal Process

Under the Stockholders' Agreement, from the time of the completion of our IPO until its fifth anniversary, (i) so long as ORIX USA's Post IPO Percentage Ownership (as defined below) is 20% or greater, ORIX USA and the HL Voting Trust will each have the right to recommend four director nominees, with the remaining three director nominees recommended by mutual agreement of ORIX USA and the HL Voting Trust, (ii) so long as ORIX USA's Post IPO Percentage Ownership is greater than or equal to 10% but less than 20%, ORIX USA will have the right to recommend three director nominees and the HL Voting Trust will have the right to recommend five director nominees, with the remaining three director nominees recommended by the HL Voting Trust with the approval of ORIX USA and (iii) so long as ORIX USA's Post IPO Percentage Ownership is less than 10% but greater than zero, ORIX USA will have the right to recommend one director nominee and the HL Voting Trust will have the right to recommend the remaining ten director nominees. After the fifth anniversary of the IPO, (w) so long as ORIX USA's Percentage Ownership (as defined below) is 20% or greater, ORIX USA will have the right to recommend three director nominees and the HL Voting Trust will have the right to recommend eight director nominees, (x) so long as ORIX USA's Percentage Ownership is greater than or equal to 10% but less than 20%, ORIX USA will have the right to recommend two director nominees and the HL Voting Trust will have the right to recommend nine director nominees, (y) so long as ORIX USA's Percentage Ownership is greater than or equal to 5% but less than 10%, ORIX USA will have the right to recommend one director nominee and the HL Voting Trust will have the right to recommend the remaining ten director nominees and (z) if ORIX USA's Percentage Ownership is less than 5%, the HL Voting Trust will have the right to recommend all of the director nominees. The party that designated a director may cause that director to be removed at any time, and the other party will take all necessary action within its control to effect such removal.

Our amended and restated certificate of incorporation provides that, from and after the Final Conversion Date (the date on which (x) the aggregate outstanding shares of common stock owned by (i) ORIX USA, (ii) the HL Voting Trust and (iii) the beneficiaries of the HL Voting Trust or certain of their transferees, together with (y) the outstanding shares of our common stock (A) received by a holder of our common stock in connection with the grant, vesting and/or payment of an equity compensatory award and (B) with respect to which such holder has given the right to vote, pursuant to an irrevocable proxy, to the person or persons as may be designated by us from time to time, collectively represent less than 20% of the then aggregate outstanding shares of common stock, or on a date specified by the holders of at least 66²/₃% of the outstanding shares of Class B common stock), directors may be removed by stockholders only for cause and only with the affirmative vote of at least 66²/₃% of the voting interest of stockholders entitled to vote. Additional provisions with regard to removal of directors are included in the Stockholders' Agreement. Our amended and restated certificate of incorporation also provides that any vacancy on our board of directors may be filled by a majority of the directors then in office.

The term "Post IPO Percentage Ownership" means, as of a specified date, the percentage, equal to (a) the number of shares held by ORIX USA (directly or through a brokerage or similar account) on such date (not including any shares acquired by ORIX USA after the IPO, other than shares acquired by ORIX USA as a result of a stock split, distribution or similar pro rata reorganization) divided by (b) the total number of shares that were outstanding

immediately following the consummation of the IPO, calculated on a fully diluted basis but excluding shares issued as purchase price consideration in certain acquisition transactions. "Percentage Ownership" means, as of a specified date, the percentage, equal to (x) the number of shares held by ORIX USA (directly or through a brokerage or similar account) on such date (not including any shares acquired by ORIX USA after the IPO, other than shares acquired by ORIX USA as a result of a stock split, distribution or similar pro rata reorganization) divided by (y) the total number of shares outstanding on such date, calculated on a fully diluted basis.

Table of Contents

The board of directors will consider a candidate nominated by a stockholder in a manner consistent with its evaluation of potential nominees, so long as the nomination meets the requirements of our bylaws, as summarized below. The notice of nomination should include the following information:

- the stockholder's name, record address, and name and principal place of business;
- the name, age, business address, residence address, and principal occupation or employment of the nominee;
- the class or series, and number of all shares of the Company's stock owned beneficially or of record by the stockholder and the nominee;
- whether and the extent to which any derivative or other instrument, transaction, agreement, or arrangement has been entered into by the stockholder or the nominee with respect to the Company's stock;
- a description of all agreements or arrangements to which the stockholder or the nominee is a party with respect to the nomination, the Company or the Company's stock;
- a description of agreements or arrangements entered into by the stockholder or the nominee with the intent to mitigate loss, manage risk or benefit from changes in the stock price or increase or decrease the stockholder's voting power;
- a representation that the stockholder will attend the meeting in person or by proxy to nominate the persons named in its notice; and
- any other information related to the stockholder or the nominee required to be disclosed in the solicitation of proxies for election of directors under federal securities laws.

The notice must be accompanied by the nominee's consent to be elected and to serve as a director and include certain representations and agreements by the nominee set forth in our bylaws. This notice must be updated, if necessary, so that the information is true and correct as of the record date for the meeting.

Stockholder nominees should be submitted to the Company's General Counsel and Secretary at the Company's principal executive offices. Stockholder nominations may be made at any time. However, in order for a candidate to be included in the slate of director nominees for approval by stockholders in connection with a meeting of stockholders and for information about the candidate to be included in the Company's proxy materials for such a meeting, the stockholder must submit the information required by our bylaws and other information reasonably requested by the Company within the timeframe described in the proxy materials for such a meeting.

When the Company or the board of directors is required by contractual obligation (including pursuant to the Stockholders' Agreement) to nominate candidates designated by any person or entity, the selection and nomination of these directors is not subject to the above process.

Actions by the Board

The Stockholders' Agreement also provides that the approval of two thirds of the board will be required for certain corporate actions until the earlier of the third anniversary of the IPO and the date on which ORIX USA's Post IPO Percentage Ownership first falls below 20%, which, in light of ORIX USA's right to designate four director nominees during that period, essentially gives ORIX USA veto authority over those actions during such period. If, on the third anniversary of the IPO, ORIX USA's Post IPO Percentage Ownership equals or exceeds 30%, the approval of two thirds of the board will continue to be required for such corporate actions until the earlier of the fifth anniversary of the IPO and the date on which ORIX USA's Post IPO Percentage Ownership first falls below 20%. The actions generally requiring two thirds board approval during this period include the following:

- subject to certain exceptions, material changes to the scope or nature of the Company's business, including launching or terminating a principal line of business;
- any sale of the Company or any material subsidiary (by way of merger, consolidation, business combination or asset sale) to a third party;
- cumulative acquisitions with an aggregate purchase price in excess of \$225 million during any rolling three year period;
- hiring, terminating, promoting or demoting the chairman, chief executive officer, or president of the Company, or persons serving in equivalent positions;
- authorizing, creating, subdividing, or issuing any equity securities, other than (i) issuances for employee compensation up to specified levels; (ii) issuances of securities upon the conversion of outstanding convertible

securities or compensation awards; and (iii) issuances representing less than 50.1% of the purchase price in connection with permitted acquisitions;

• subject to certain exceptions, redemption or repurchase of any equity securities in excess of the number of shares underlying annual employee stock compensation grants made during the relevant fiscal year;

• liquidation, dissolution or voluntary bankruptcy of the Company or any of its material subsidiaries, or any other similar extraordinary transactions;

• waiver of certain transfer restrictions;

• specified material changes in compensation structure, including any payment or grant of compensation that causes the consolidated compensation expense of the Company to be in excess of the Company's target compensation ratio; and

• amendment of the Company's organizational documents and lock up agreements.

Controlled Company

The HL Voting Trust and ORIX USA control a majority of the voting power of our outstanding common stock. As a result, we are a "controlled company" under the rules of the New York Stock Exchange. Under these rules, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance standards, including the requirements that (i) a majority of our board of directors consist of independent directors and (ii) that our board of directors have compensation and nominating and corporate governance committees composed entirely of independent directors, as independence is defined in Rule 10A-3 of the Exchange Act and under the New York Stock Exchange listing standards. For an indeterminate period, we intend to utilize these exemptions. As a result, although we have a fully independent audit committee as required by the New York Stock Exchange, a majority of our directors are not currently independent and we do not expect in the immediate future that the majority of our directors will be independent. Accordingly, although we may transition to a board with a majority of independent directors prior to the time we cease to be a "controlled company," for such period of time our shareholders will not have the same protections afforded to stockholders of companies that are subject to all of these corporate governance requirements. Holders of Class A common stock do not have the same protections afforded to stockholders of companies that are subject to such requirements. In the event that we cease to be a "controlled company" and our shares continue to be listed on the New York Stock Exchange, we will be required to comply with these provisions within the applicable transition periods.

Director Independence

Prior to each director's appointment, our board of directors undertook a review of the independence of our directors and determined that Messrs. Schriesheim and Van de Bunt as well as Dr. Kosecoff are each independent directors as defined under the rules of the New York Stock Exchange. Under the listing requirements of the New York Stock Exchange, our board of directors is required to have at least three independent directors meeting the New York Stock Exchange's independence standards and we fulfill such requirements.

Board and Committee Meetings; Annual Meeting Attendance

Between the effective date of the IPO and March 31, 2016, our board of directors held two meetings, our audit committee held four meetings and our compensation committee held two meetings. During fiscal 2016, each director attended at least 75% of the total number of meetings of the board of directors and committees on which the director served. Under our corporate governance guidelines, directors are expected to attend the Company's annual meetings of stockholders. A director who is unable to attend an annual meeting of stockholders (which it is understood will occur on occasion) is expected to notify the chairman of the board of directors.

Communication with the Board of Directors

Any stockholder or other interested parties who would like to communicate with the board of directors, the independent directors as a group or any specific member or members of the board of directors should send such communications to the attention of our General Counsel and Secretary at Houlihan Lokey, Inc., 10250 Constellation Blvd., 5th Floor, Los Angeles, CA 90067. Communications should contain instructions specifying for which member or members of the board of directors the communication is intended. Such communications will generally be forwarded to the intended recipients. However, our General Counsel and Secretary may, in his sole discretion, decline

to forward any communications that are inappropriate.

Compensation Committee Interlocks and Insider Participation

During fiscal 2016, the members of our compensation committee were Messrs. Beiser, Schriesheim, Preiser and Wilson. Mr. Beiser is our Chief Executive Officer and Mr. Preiser is our Co-President. Other than Messrs. Beiser and Preiser, none of the members of our compensation committee has ever been an officer or employee of our Company or any of our subsidiaries. None of our executive officers currently serves, or has served during the last completed fiscal year, on the compensation committee or board of directors of any other entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Board Committees

Pursuant to the Stockholders' Agreement, until the earlier of the fifth anniversary of the IPO or the date on which ORIX USA's Post IPO Percentage Ownership first falls below 10%, each standing committee must have at least one director nominee designated by each of ORIX USA and the HL Voting Trust as a member of such committee; provided that each of ORIX USA and the HL Voting Trust has caused its respective designated director to resign from the audit committee prior to the first anniversary of the IPO. In addition, actions and recommendations of any such standing committee will be subject to the approval of the board of directors. See "—Composition of our Board of Directors."

Current copies of each committee's charter are posted on our website, www.hl.com. The information on any of our websites is deemed not to be incorporated in or be a part of this Proxy Statement or any other document filed with or furnished to the SEC.

Audit Committee

The audit committee is responsible for, among other matters:

- appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm;
- discussing with our independent registered public accounting firm their independence from management;
- reviewing with our independent registered public accounting firm the scope and results of their audit;
- approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm;
- overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC;

- establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters.

Our audit committee currently consists of Messrs. Schriesheim and Van de Bunt and Dr. Kosecoff, with Mr. Schriesheim serving as chair. Rule 10A-3 of the Exchange Act and the New York Stock Exchange rules require us to have an audit committee composed entirely of independent directors within one year of the date of the IPO. Our board of directors has affirmatively determined that Messrs. Schriesheim and Van de Bunt and Dr. Kosecoff meet the definition of an "independent director" for purposes of serving on an audit committee under Rule 10A-3 and the New York Stock Exchange rules. In addition, our board of directors has determined that Mr. Schriesheim qualifies as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee

The compensation committee's responsibilities include:

- reviewing and approving, or recommending that our board of directors approve, the compensation of our Chief Executive Officer and our other executive officers;
- reviewing and recommending to our board of directors the compensation of our directors;
- selecting independent compensation consultants and advisors and assessing whether there are any conflicts of interest with any of the committee's compensation advisors; and

reviewing and approving, or recommending that our board of directors approve, incentive compensation and equity plans.

Our compensation committee currently consists of Messrs. Beiser, Schriesheim, Preiser and Wilson with Mr. Beiser serving as chair. As a controlled company, we rely upon the exemption from the requirement that we have a compensation committee composed entirely of independent directors.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee's responsibilities include:

- identifying individuals qualified to become members of our board of directors, consistent with criteria approved by our board of directors; and
- developing and recommending to our board of directors a set of corporate governance guidelines and principles; we have posted a current copy of the corporate guidelines and principals on our website, www.hl.com.

The members of our nominating and corporate governance committee are Messrs. Gold, Van de Bunt, Adelson and Barger and Dr. Kosecoff, with Mr. Gold serving as chair. As a controlled company, we rely upon the exemption from the requirement that we have a nominating and corporate governance committee composed entirely of independent directors.

Risk Oversight

Our board of directors is responsible for overseeing our risk management process. Our board of directors focuses on our general risk management strategy, the most significant risks facing us, and oversees the implementation of risk mitigation strategies by management. Our board of directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions.

Code of Ethics and Code of Conduct

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code on our website, www.hl.com. In addition, we intend to post on our website all disclosures that are required by law or the New York Stock Exchange listing standards concerning any amendments to, or waivers from, any provision of our code of business conduct and ethics. The information on any of our websites is deemed not to be incorporated in or be a part of this Proxy Statement or any other document filed with or furnished to the SEC.

DIRECTOR COMPENSATION

Overview

In connection with our IPO, in fiscal 2016 we approved and implemented a compensation policy which is applicable for our directors who are not our employees or employees of our subsidiaries or nominees of ORIX USA or the HL Voting Trust (each an “outside director”). Directors who are not outside directors did not receive compensation for their services as directors in fiscal 2016.

Each director was reimbursed for their travel expenses incurred in connection with his or her attendance at full board of directors or committee meetings.

Cash Compensation

Each outside director receives an annual cash retainer for his or her services equal to \$62,500, payable quarterly in arrears.

Equity Compensation

Beginning in fiscal 2017, each outside director receives an annual, fully vested award of common stock with a dollar-denominated grant-day value of \$62,500.

Additionally, each outside director who was serving on our board of directors at the time of our IPO received a one-time award of restricted stock with a dollar-denominated value equal to \$100,000 (based on the IPO price); these awards vested in full on the first anniversary of the closing of the IPO, which was August 18, 2016.

The following table provides additional detail regarding the 2016 compensation of our outside directors:

Fiscal 2016 Outside Director Compensation

Name (1)	Fees Earned or Paid in Cash	Stock Awards	Total
Robert A. Schriesheim	\$23,091	\$100,000	\$123,091
Bennet Van de Bunt	\$23,091	\$100,000	\$123,091

Messrs. Adelson, Beiser, Gold, and Preiser (directors who are employees of the Company) and Messrs. Barger, Lenhardt, Nishitani and Wilson (directors who are nominees of ORIX USA) are not included in this table. None of (1) these individuals received any compensation for services as a director. In addition, Dr. Kosecoff was elected as a director in June 2016 and, therefore, is not included in this table because she did not receive any compensation for services as a director in fiscal 2016.

(1) As described in further detail below under the caption “Narrative Disclosure to Summary Compensation Table—Incentive Compensation—Annual Incentive Compensation Program,” our fiscal 2016 annual discretionary incentive compensation program was paid, in part, in cash bonuses and the remainder in restricted stock awards (granted in fiscal 2017), based on a subjective review of Company and individual performance for fiscal 2016. Amounts in this column with respect to fiscal 2016 include the payment of (i) discretionary cash bonuses awarded to the named executive officers with respect to fiscal 2016 performance, which for Messrs. Beiser, Gold and Adelson were \$1,592,336, \$1,059,003 and \$0, respectively, and (ii) 1/9 of the cash portion of IPO grants that were made to the named executive officers in connection with our IPO, which are described in further detail below under the caption “Narrative Disclosure to Summary Compensation Table—Incentive Compensation—IPO Cash and Equity Awards,” and which for Messrs. Beiser, Gold and Adelson were \$71,406, \$71,406 and \$297,516, respectively. A portion of fiscal 2016 annual discretionary incentive compensation was paid to Messrs. Beiser,

Gold and Adelson in the form of restricted stock awards in fiscal 2017, which consisted of 45,260, 26,749 and 35,780 shares granted, respectively, which have grant date dollar denominated values of \$1,141,002, \$674,335 and \$902,000, respectively, vesting in substantially equal one quarter installments on the date on which annual bonuses are paid to officers of the Company (on or about April 30) for the fiscal years ending March 31, 2017, 2018, 2019 and 2020, subject to the executive's continued employment through the applicable vesting date. The number of shares was determined by dividing the applicable value by the closing price per share of our Class A common stock on April 29, 2016 (the business day immediately preceding the grant date). Because these grants of restricted stock were made in fiscal 2017, in accordance with SEC rules, the associated values and numbers of shares do not appear in this Summary Compensation Table, but will appear in our proxy statement or annual report following the end of fiscal 2017.

Amounts reflect the full grant date fair value of restricted stock and common stock awards granted during the relevant fiscal year, computed in accordance with ASC Topic 718, rather than the amounts paid to or realized by the named individual. We provide information regarding the assumptions used to calculate the value of all stock awards made to executive officers in Note 10—Employee Benefit Plans to our audited consolidated financial statements included in our Annual Report on Form 10-K. In accordance with SEC rules, the amounts in this column reflect restricted stock and common stock awards granted during the relevant fiscal year that were awarded to the named executive officers.

(3) The amount for Mr. Adelson in this column reflects forgiveness in July 2015 of outstanding principal and interest on a loan made to him in 2013.

Narrative Disclosure to Summary Compensation Table

The primary elements of compensation for our named executive officers are base salaries, annual cash bonuses and equity compensation awards. The named executive officers also participate in employee benefit plans and programs that we offer to our other full time employees on the same basis, including medical, dental, vision and death/disability benefits.

Base Salaries

The named executive officers receive base salaries that are intended to provide a fixed component of compensation commensurate with the executive's skill set, experience, role and responsibilities.

The total base salaries earned by our named executive officers in fiscal 2016 are disclosed in the Summary Compensation Table above.

The following table sets forth fiscal 2017 base salaries for each of our named executive officers.

Named

Fiscal 2017 Annual Base Salary

Officer

Scott

\$400,000

Beiser

Irwin

\$400,000

Gold

Scott

\$400,000

Adelson

We expect that base salaries for the named executive officers will be reviewed periodically by the board of directors or the compensation committee, with adjustments expected to be made generally in accordance with the considerations described above and to maintain base salaries at competitive levels.

Incentive Compensation

Annual Incentive Compensation Program

With respect to fiscal 2016 performance, we have paid and awarded cash bonuses and equity awards to our named executive officers with respect to both achievement of our short term financial and strategic objectives and progress made toward our longer term growth and other goals. During fiscal 2016, we did not maintain a formal bonus program; rather, annual bonuses have been determined on a discretionary basis based on a subjective assessment of the applicable executive's performance and the performance of the Company.

Historically, after the end of the applicable fiscal year, a dollar denominated value for each named executive officer's total annual incentive compensation award has been determined, and a portion of the total dollar denominated award has then been paid in cash, with the remainder granted in the form of restricted stock awards. The cash bonuses typically have been paid in part in the first quarter following the end of the applicable fiscal year, with the remainder paid on or about November 30 of the fiscal year following that in which it was earned, subject to the applicable executive's continued employment through the payment date. Restricted stock awards typically have been granted in the first quarter following the end of the applicable fiscal year. The number of our shares subject to each restricted stock award is based on the closing price per share of our Class A common stock as of the date of grant, with each award vesting in substantially equal one fourth installments over the following four years, subject to continued employment (except in the case of the applicable executive's death).

With respect to fiscal 2016, the cash bonuses awarded to Messrs. Beiser, Gold and Adelson for fiscal 2016 performance are \$1,592,336, \$1,059,003 and \$0, respectively, and are set forth in the Summary Compensation Table above. These amounts were paid in April 2016, and any remaining amounts that normally would have been paid in cash in November instead were granted in the form of restricted Class B common stock under our 2016 Incentive Award Plan to Messrs. Beiser, Gold and Adelson, with awards covering 45,260, 26,749 and 35,780 restricted shares, respectively. These awards have grant date dollar denominated values of \$1,141,002, \$674,335 and \$902,000,

respectively, and vest in substantially equal one quarter installments on the date on which annual bonuses are paid to officers of the Company (on or about April 30 following the applicable fiscal year) for the fiscal years ending March 31, 2017, 2018, 2019 and 2020, subject to the executive's continued employment through the applicable vesting date. In the case of these stock grants, the number of shares was determined by dividing the applicable dollar-denominated value by the closing price per share of our Class A common stock on April 29, 2016 (the business day immediately preceding the grant date). Because these restricted stock grants occurred during fiscal 2017, in accordance with applicable SEC rules, we intend to include these awards in our fiscal 2017 Summary Compensation Table and related compensation disclosure.

Table of Contents

We expect that we will not maintain a formal bonus program with respect to fiscal 2017 and that our board of directors or compensation committee will make determinations of fiscal 2017 incentive compensation on a discretionary basis.

IPO Cash and Equity Awards

In connection with our IPO, we granted cash and restricted stock awards to our named executive officers. For each named executive officer, the cash awards are paid and the restricted stock awards vest as to one-ninth of the total award on April 30, 2016, and as to two-ninths of the total award on each of April 30, 2017, 2018, 2019 and 2020, subject to continued employment through the applicable payment/vesting date. The restricted stock awards were initially granted in the form of restricted shares of Fram stock that were converted into restricted shares of our Class B common stock in connection with our IPO. The following table shows the value of the cash awards and number of restricted shares granted to each named executive officer (with the restricted shares shown on an as-converted basis into shares of our Class B common stock):

Named Executive Officer	IPO Cash Awards	IPO Restricted Shares
Scott	\$642,654	40,826
Beiser		
Irwin	\$642,654	40,826
Gold		
Scott	\$2,677,648	170,112
Adelson		

In addition, Mr. Adelson received a grant of Fram common stock with an aggregate value equal to \$2,000,000, which was fully vested as of the closing of our IPO and was converted into 95,238 shares of our Class B common stock.

All Equity Awards Granted in Fiscal 2016

The Summary Compensation Table above reflects the grant date fair value of stock awards granted in fiscal 2016 of (i) Fram restricted common stock, that were converted into awards of our restricted Class B common stock in the corporate reorganization in connection with the IPO, granted pursuant to our fiscal 2015 bonus program, (ii) Fram restricted common stock, that were converted into awards of our restricted Class B common stock, made in connection with our IPO and (iii) in the case of Mr. Adelson, Fram common stock (referred to in the immediately preceding paragraph) that was fully vested as of the closing of our IPO and was converted into fully vested shares of our Class B common stock.

The total number of shares of Class B common stock (whether restricted or vested in full) that was awarded to each named executive officer in fiscal 2016 is set forth in the following table.

Other Elements of Compensation

We provide customary employee benefits to our full and eligible part time employees, including our named executive officers, in the United States, including medical and dental benefits, short term and long term disability insurance, accidental death and dismemberment insurance and life insurance.

We also maintain a 401(k) retirement savings plan for our employees in the United States, including our named executive officers, who satisfy certain eligibility requirements. We did not make any matching contributions under our 401(k) plan to our named executive officers' 401(k) accounts during fiscal 2016.

We do not make gross up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation or perquisites paid or provided by us.

Executive Compensation Arrangements

We have not entered into any employment, severance or change in control arrangements with our named executive officers. However, upon a named executive officer's death, the vesting of any unvested shares granted pursuant to outstanding restricted stock awards held by such executive would partially accelerate with respect to a number of shares that otherwise would have vested on the following vesting date (i.e., one-third, one-fourth or two-ninths of the total number of shares).

STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our common stock, as of September 2, 2016, for:

- each person known by us to beneficially own more than 5% of our common stock;
- each of our named executive officers and directors; and
- all of our executive officers, directors and director nominees as a group.

The number of shares of our common stock beneficially owned by each stockholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. Under these rules, beneficial ownership includes any shares of our common stock as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares of our common stock beneficially owned by an individual or entity and the percentage ownership of that person, shares of our common stock subject to options, or other rights, held by such person that are currently exercisable or will become exercisable within 60 days of September 8, 2016, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. Unless otherwise indicated, the address of all listed stockholders is c/o Houlihan Lokey, Inc.; 10250 Constellation Blvd., 5th Floor, Los Angeles, CA 90067. Each of the stockholders listed has sole voting and investment power with respect to the shares of our common stock beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Stock Performance

The stock performance graph below compares the performance of an investment in our Class A common stock, from August 13, 2015 through March 31, 2016, with that of the S&P 500 Index and the S&P Financial Index. The graph assumes \$100 was invested in each of our Class A common stock on August 13, 2015 (at the closing price on the first trading day following our initial public offering), the S&P 500 Index and the S&P Financial Index. It also assumes that dividends were reinvested on the date of payment without payment of any commissions. The performance shown in the graph represents past performance and should not be considered an indication of future performance.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who beneficially own more than 10% of the Company's common stock to file reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports that they file. We assist our directors and officers with their Section 16(a) filings. Based solely on a review of reports filed with the SEC and written representations from directors and executive officers, we believe that all required reports under Section 16(a) were timely filed during fiscal 2016, with the exception of the following: one late Form 4 filing for Robert Schriesheim covering one transaction and one late Form 4 filing for Bennet Van de Bunt covering one transaction.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Transactions and Relationships with ORIX USA and its Affiliates

We have been and expect to continue to be a party to various agreements with ORIX USA and its affiliates, some of which were entered into or modified in connection with the corporate reorganization that preceded the IPO as described in the section titled “Organizational Structure” in our Annual Report on Form 10-K.

We entered into a cash management agreement with ORIX Global Capital Ltd. (“OGC”), a U.K. subsidiary of ORIX Corporation, as of August 18, 2015 (the “Cash Management Agreement”), to manage our cash generated by our European operations. Under the Cash Management Agreement, we have the ability to lend excess cash to OGC. Amounts loaned by us to OGC under the Cash Management Agreement are payable on demand and the receivable had an outstanding balance of approximately \$20.1 million as of March 31, 2016. OGC paid interest to us under the Cash Management Agreement at a rate of LIBOR plus 165 basis points, calculated and payable monthly. In May 2016, OGC notified the Company that it will no longer be accepting deposits under the Cash Management Agreement and OGC repaid all outstanding amounts.

We provide financial advisory services to ORIX USA and its affiliates and received fees for these services totaling approximately \$0.5 million during fiscal 2016. In connection with the IPO, we entered into a Transition Services Agreement with ORIX USA, L.P. dated as of August 18, 2015 (the “Transition Services Agreement”), pursuant to which ORIX USA, L.P. provides internal audit, Sarbanes Oxley compliance, tax and auditor related assistance services for the benefit of the Company as well as some services arising out of the termination of a previous services agreement. The Company paid approximately \$214,000 for these services in fiscal 2016. The Transition Services Agreement had an initial term of six months and automatically extends for three month periods, provided that we have the right to terminate the relationship upon 30 days’ notice prior to the end of each period, and ORIX USA, L.P. has the right to terminate the relationship upon 90 days’ notice. The Transition Services Agreement was amended as of August 31, 2016 to eliminate the provision of services related to internal audit and Sarbanes-Oxley compliance.

As part of the corporate reorganization that occurred in connection with the IPO, we entered into a letter agreement with ORIX USA and Fram (and, solely with respect to certain sections of the letter agreement, a representative of certain former shareholders of our predecessor entity). Pursuant to the letter agreement, Fram assigned and we assumed, certain promissory notes issued in connection with the redemption of shares of Fram stock following the termination of employment of our former employees. The letter agreement also provides for cross indemnities (other than with respect to taxes, which indemnity will be governed by the Tax Sharing Agreement (as defined below)) that (a) generally place the financial responsibility on us for liabilities associated with (i) the assets, liabilities, operations, business, affairs and other activities of or relating to our business prior to the corporate reorganization that occurred in connection with the IPO and (ii) claims from former stockholders of Fram (other than ORIX USA or its affiliates) regarding the corporate reorganization, the previous issuance, redemption or repurchase by Fram of equity awards and restricted stock under the 2006 Plan and the Fram Stockholders’ Agreement and the payment of other compensation by Fram and (b) generally place the financial responsibility on ORIX USA for liabilities associated with the assets, liabilities, operations, business, affairs or other activities of or relating to the Fram business (other than our business) prior to the corporate reorganization that occurred in connection with the IPO. The letter agreement also released parties from certain pre existing indemnity obligations.

Prior to the IPO, we and each of our corporate subsidiaries as well as Fram were, for United States federal income tax purposes, members of an affiliated group filing a consolidated return of which ORIX USA was the parent. As is customary in affiliated groups of corporations that file a consolidated return, notwithstanding that ORIX USA acted as agent for the entire group and filed a single United States federal income tax return on behalf of the group which included the taxable income of each member of the group, each such member, including us and our subsidiaries, was required, under a tax sharing agreement, to remit to ORIX USA its share of the consolidated tax liability of the group. In connection with the IPO, we agreed, pursuant to the Amended and Restated Tax Sharing Agreement dated August 18, 2015 (the “Tax Sharing Agreement”) with ORIX USA, that ORIX USA will be responsible for all taxes attributable to the assets (the “OCC business”), which were separately managed and controlled by ORIX USA but historically held within the consolidated corporate ownership structure of Fram, including any taxes incurred on the extraction thereof, and we will be responsible for all taxes attributable to (i) our business for any period and (ii) any steps of the corporate

reorganization apart from the extraction of the OCC business. Thus, in the event that ORIX USA were to be assessed for taxes attributable to our business for any period, we would be required to compensate ORIX USA for such liability. Similarly, in the event we were assessed for taxes attributable to the OCC business or the extraction thereof, ORIX USA would be required to compensate us for such liability. In addition, if ORIX USA is unable to pay any prior period taxes for which it is responsible, we could be required to pay the entire amount of such taxes.

Agreements with the HL Holders

HL Voting Trust Agreement

In connection with the corporate reorganization preceding the IPO, we entered into the Voting Trust Agreement. Pursuant to the Voting Trust Agreement, the trustees have the right to vote the shares of our common stock deposited by any HL Holder, together with any future voting securities received by such HL Holder, in their sole and absolute discretion on any matter, without fiduciary duties of any kind to the HL Holders. As of September 2, 2016, the HL Voting Trust controlled approximately 59.1% of the total voting power of the Company.

Lock Up Agreements

In connection with the corporate reorganization preceding the IPO, each HL Holder that deposited shares of our common stock into the HL Voting Trust also entered into an individual lock up agreement with the Company. Under these lock up agreements, shares of our common stock deposited into the HL Voting Trust and beneficially owned by the HL Holders are generally locked up for a period of three years following the effective date of the IPO, after which these shares will become transferable in three equal installments on each of the third, fourth and fifth anniversary of the IPO; provided that shares of our common stock held by managing directors and certain senior corporate officers of the Company whose employment with us or any of our subsidiaries terminates prior to the third anniversary of the IPO for reasons other than death or disability will be subject to transfer restrictions, and will be ineligible to participate in any follow on offerings, in each case, through the seventh anniversary of the IPO. Notwithstanding the foregoing, the lock up agreements provide that:

- up to 10% of each HL Holder's shares held through the HL Voting Trust may be transferred for the purpose of charitable gifts and transfers to various family trusts for estate planning purposes, with any shares transferred under this exception reducing the number of shares that become transferable on the next transferability date; and
- our board of directors may authorize sales in underwritten offerings in accordance with the terms of the registration rights agreement entered into between HL and the HL Holders; provided that any shares sold under this exception will reduce the number of shares that become transferable on the next transferability date.

Under the lock up agreements, our board of directors may consent to exceptions to those transfer restrictions, subject to any limitations or conditions imposed by it.

Stockholders' Agreement

In connection with the IPO, we entered into the Stockholders' Agreement. Pursuant to the Stockholders' Agreement, our board of directors initially consisted of ten members, with ORIX USA and the trustees on behalf of the HL Voting Trust each having the right to recommend the nomination of four of the ten board members. The number of board members that ORIX USA is entitled to recommend for nomination is subject to maintaining certain ownership thresholds. If ORIX USA loses its right to recommend for nomination any director nominees pursuant to the terms of the Stockholders' Agreement, these positions will generally be filled by individuals recommended for nomination by the trustees on behalf of the HL Voting Trust. The Stockholders' Agreement also provides that approval of two thirds of the board will be required for certain corporate actions for a period of time based on ORIX USA's continuing ownership level.

Under the Stockholders' Agreement, we have agreed with ORIX USA upon certain standards to be satisfied in order for shares of our common stock subject to individual lock up agreements to participate in underwritten offerings. In particular:

the price, size, timing and other terms of any such sales must be approved by our board of directors and, until the first anniversary of the expiration of the 180 day underwriters' IPO lock up, may be delayed by ORIX USA by up to 120 days;

so long as ORIX USA maintains ownership of 10% or more of our outstanding common stock on a fully diluted basis, the number of shares of our common stock held by employees of the Company may not fall below 42%, 37% or 32% of outstanding stock on a fully diluted basis during the first, second or third year after the IPO, respectively;

all HL Holders not subject to a five year or seven year lock up will generally be offered the opportunity to participate on a pro rata basis, and no HL Holder who is also a member of our board of directors may sell more than his or her pro rata share without board approval; and

•

if ORIX USA is participating in an underwritten offering, then the relative participation of ORIX USA and the participating HL Holders in the offering will be determined consistent with the applicable registration rights agreement, pursuant to which, in the event of any necessary reduction in the size of the offering, such reduction shall

Table of Contents

be applied so that 75% of the shares in the offering will be sold by ORIX USA and 25% of the shares in the offering will be sold by the HL Holders (or as close to such ratio as possible, given the desired amounts and the size of any necessary reduction).

Registration Rights Agreements

In connection with the IPO, we entered into Registration Rights Agreements with each of ORIX USA and the HL Holders (each dated as of August 18, 2015) pursuant to which these holders can demand that we file a registration statement relating to shares of our common stock, including shares of our Class A common stock issuable upon conversion of the shares of our Class B common stock, which common stock we refer to as registrable shares, and can request that their registrable shares be covered by a registration statement that we are otherwise filing. In the case of the HL Holders, these rights are subject to the lock up provisions discussed above.

Demand Registration Rights. Subject to the terms of the lock up agreements entered into by the selling stockholders, the holders of registrable shares entitled to demand registration rights may request that we register all or a portion of their registrable shares for sale under the Securities Act of 1933, as amended (the "Securities Act"). We will effect the registration as requested unless, in the good faith and reasonable judgment of our board of directors, such registration should be delayed. We may be required to effect up to three such registrations each year commencing August 18, 2016, any of which may involve an underwritten offering. In addition, when we are eligible for the use of Form S-3, or any successor form, holders of registrable shares entitled to demand registration rights may make unlimited requests that we register all or a portion of their registrable shares for sale under the Securities Act on Form S-3, or any successor form.

Incidental Registration Rights. In addition, if at any time after the IPO we register any shares of our Class A common stock, the holders of all registrable shares are entitled to notice of the registration and to have all or a portion of their registrable shares included in the registration.

Other Provisions. In the event that any registration in which the holders of registrable shares participate pursuant to either of our Registration Rights Agreements is an underwritten public offering, the number of registrable shares to be included may, in specified circumstances, be limited due to market conditions.

We will pay all registration expenses related to any demand or incidental registration, other than underwriting discounts, selling commissions and transfer taxes. The Registration Rights Agreements contain customary cross indemnification provisions, pursuant to which we will be obligated to indemnify the selling stockholders in the event of material misstatements or omissions in the registration statement attributable to us, and they will be obligated to indemnify us for material misstatements or omissions in the registration statement attributable to them.

Indemnification Agreements

Our bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by law. In addition, we have entered into indemnification agreements with each of our directors and executive officers.

Policies and Procedures for Related Person Transactions

Our board of directors recognizes the fact that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Prior to the IPO, our board of directors adopted a Related Person Transaction Policy and Procedures that is in conformity with the requirements for issuers having publicly held common stock that is listed on the New York Stock Exchange. Under this policy:

any related person transaction, and any material amendment or modification to a related person transaction, must be reviewed and approved or ratified by a committee of the board of directors composed solely of independent directors who are disinterested or by the disinterested members of the board of directors; and

any employment relationship or transaction involving an executive officer and any related compensation must be approved by the compensation committee of the board of directors or recommended by the compensation committee to the board of directors for its approval.

In connection with the review and approval or ratification of a related person transaction:

management must disclose to the committee or disinterested directors, as applicable, the name of the related person and the basis on which the person is a related person, the material terms of the related person transaction, including the approximate dollar value of the amount involved in the transaction, and all the material facts as to the related person's direct or indirect interest in, or relationship to, the related person transaction;

Table of Contents

management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction complies with the terms of our agreements governing our material outstanding indebtedness that limit or restrict our ability to enter into a related person transaction;

management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction will be required to be disclosed in our applicable filings under the Securities Act or the Exchange Act, and related rules, and, to the extent required to be disclosed, management must ensure that the related person transaction is disclosed in accordance with such Acts and related rules; and

- management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction constitutes a “personal loan” for purposes of Section 402 of the Sarbanes Oxley Act.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITOR

Our audit committee has appointed KPMG LLP (“KPMG”) as our independent registered public accounting firm for the fiscal year ending March 31, 2017. Although stockholder ratification of the appointment of KPMG is not required by law, we are submitting the appointment to our stockholders for ratification as a matter of good corporate governance. The ratification of the appointment of KPMG requires the affirmative vote of a majority of the votes cast at the Annual Meeting. If stockholders do not ratify the appointment of KPMG, the audit committee will reconsider the appointment. Even if stockholders ratify the appointment of KPMG, the audit committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of KPMG are expected to attend the Annual Meeting, will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The board of directors recommends that you vote "FOR" the ratification of KPMG as our independent registered public accounting firm for the fiscal year ending March 31, 2017.
