Gravity Develops Markets for 'Ragnarok Online' with Its Blue Ocean Strategy

Seoul, Korea, January 11, 2007—Gravity Co., Ltd. (NASDAQ: GRVY, the "Company"), an online game developer and publisher, has announced that the Company is going to commence open beta testing for the French version of Ragnarok Online in the francophone countries in Europe, including France on January 12, 2007.

The Company has established Gravity EU SASU, a wholly-owned subsidiary of the Company for the purpose of providing online game services in anticipation and consideration of the potential growth of this region. France has been recognized over the years as the center of animation and video game industry in Europe.

Gravity has also announced that it is planning to commence commercial service of Ragnarok Online in The Commonwealth of Independent States (or CIS) by the first quarter of 2007.

The Company believes that this region, with a population of nearly 300 million in total, is well-positioned for significant growth in the future. Gravity has acquired the company which offered the open beta testing of Ragnarok Online in Russia since July 2005, and is now Gravity's subsidiary, with the company being renamed Gravity CIS, Inc.

As Ragnarok Online is the first blockbuster MMORPG (Massively Multi-player Online Role Playing Game) in CIS, the Company expects that they will have a leading role in the future growth of the online gaming market in CIS.

Gravity has made efforts to enhance its online game service in the overseas markets with the object of reinforcing its global network since 2005. The Company has taken a big step towards to realize its core value by establishing its own service structure for online game publishing in Europe and CIS which are expected to achieve considerable growth.

Mr. Il Young Ryu, the chairman and the chief executive officer of Gravity commented, "We are pleased to have established subsidiaries in the U.S., CIS and Europe as bridgeheads to provide online game services directly to users in these regions. It is a part of our strategy to enhance the Company's overseas publishing ability, which has been constantly driven since the change of control in 2005. We affirm our firm commitment to enhance our direct publishing network for online game services in some of important markets which is expected to achieve a considerable growth and also to reinforce the cooperation with our existing local partners to order to expand the Company's overseas revenues. "
