#### **SELF-EVALUATION REPORT ON CORPORATE GOVERNANCE AND RECTIFICATION PLAN**

In accordance with the Notice on Strengthening Corporate Governance of Listed Companies and the Notice on Supervision on Corporate Governance of Listed Companies within the Jurisdiction of Beijing Securities Regulatory Bureau (the BSRB ), as promulgated by China Securities Regulatory Commission (the CSRC ) and BSRC respectively, Huaneng Power International, Inc. (the Company ) has set up a working team to review and evaluate the current status of its corporate governance and, based on the evaluation results and the advice from legal counsel and outside auditor, made a self-evaluation report on corporate governance and rectification plan.

The following is a summary of the self-evaluation report on corporate governance and rectification plan. Details of the self-evaluation report on corporate governance and rectification are posted on the website of the Shanghai Stock Exchange at [www.sse.com.cn](http://www.sse.com.cn).

The Company has evaluated the various aspects of the current status of its corporate governance, including but not limited to, independence from controlling shareholder, influence of institutional investors, non-competition, related party transaction, procedures of shareholders meeting, composition and responsibilities of board of directors, board of supervisors and management, internal controls, internal audit and information disclosure.

## Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

Based on the evaluation, the Company has concluded that its current corporate governance is in full compliance with the applicable Chinese laws and administrative regulations and rules in substantially all material aspects. However, it found that certain provisions in some internal rules, including the Internal Rules of Investor Relationship, the Internal Rules of Outside Information Disclosure and the Internal Rules on Internal Report Relating to Outside Information Disclosure, do not meet the requirement of the Administrative Rules of Information Disclosure by Listed Companies recently promulgated by the CSRC and other applicable laws and regulations.

To rectify the above-mentioned non-compliances, the Company has designated the Securities and Financing Department to formulate the amendments to the Internal Rules of Investor Relationship, the Internal Rules of Outside Information Disclosure and the Internal Rules on Internal Report Relating to Outside Information Disclosure by June 8, 2007, which will be submitted to the board of directors for approval by June 30, 2007.
