The Company makes disclosure simultaneously pursuant to the Company's announcement as disclosed on the Shanghai Stock Exchange in accordance with Rule 13.09(2) of the Listing Rules.

On 4 January 2011, Huaneng Power International, Inc. (the "Company") entered into an equity transfer agreement relating to the acquisition of Fushun Suzihe Hydropower Development Company Limited (the "Transfer Agreement") with Dandong Yalujiang Power Development Company Limited ("Yalujiang Power"), Liaoning Power Economic Development Company Limited ("Liaoning Power"), Dalian Jitong Power Engineering Company Limited ("Dalian Jitong"), He Shubin, Fushun Power Development Company Limited ("Fushun Power"). Upon signing of the Transfer Agreement, Fushun Suzihe Hydropower Development Company Limited (the "Target Company") was held as to 50% thereof by Yalujiang Power, as to 25% thereof by Liaoning Power, as to 10% thereof by Dalian Jitong, as to 10% thereof by He Shubin and as to 5% thereof by Fushun Power. Pursuant to the Transfer Agreement, Yalujiang Power,

Liaoning Power, Dalian Jitong, He Shubin and Fushun Power will transfer their respective interests in the Target Company to the Company (the "Acquisition") in an aggregate consideration of RMB50 million. Payment will be made by the Company from internal fund. The purchase price was determined on arm's length terms between all parties. Upon completion of the Acquisition, the Company shall hold the entire 100% equity interests in the Target Company.

Insofar as is known to the Company, Yalujiang Power, Liaoning Power, Dalian Jitong, He Shubin and Fushun Power do not hold any shares in the Company and are third parties independent of the Company and the connected persons of the Company. The Acquisition does not constitute a connected transaction of the Company under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules").

Currently, the Target Company has a registered and paid-in capital of RMB50 million. The Target Company is the legal owner of Suzihe Yaojiashan Hydropower Project. Yaojiashan Hydropower Project, with a planned hydropower capacity of 37.5 MW (3 x 12.5 MW), has been approved by Liaoning Development and Reform Commission and is under construction. It is a medium-sized multi-purpose water resources and hydropower key project with the main purpose of power generation which also takes into account flood control and irrigation functions. The project is expected to commence operation by the end of 2011.

The Suzihe river area is the only area in Liaoning Province where comprehensive hydropower development has not been conducted and is a place where the Dahuofang Reservoir water transfer project must pass through in order to meet the water supply needs of nine cities in Liaoning Province with the characteristics of high capacity and four seasons flow, and accordingly is very suitable for the development of hydropower resources. Currently, Yaojiashan Hydropower Station being invested and constructed by the Target Company is the highest level among the cascade hydropower stations being developed in Suzihe river area. Moreover, the Target Company is conducting preparatory work for Zhanbei Power Station, the second highest level among the cascade hydropower stations being developed in Suzihe river area, and proposes to apply for the approval from the competent government departments in relation to the Zhanbei Project in the near future. Accordingly, the Acquisition of the 100% equity interest in the Target Company will be beneficial for the Company to develop the hydropower market in such area, improve its existing power generation structure in Liaoning Province, contribute to the increase in utilization of clean energy, and enhance the competitiveness of the Company.

As the transaction scale of the Acquisition does not exceed 5% of the percentage ratios as calculated pursuant to Rule 14.07 of the Listing Rules, the Acquisition therefore does not constitute a notifiable transaction of the Company under the Chapter 14 of Listing Rules.
