## OVERSEAS REGULATORY ANNOUNCEMENT

### PROVISION OF EXTERNAL GUARANTEE

This announcement is issued pursuant to Rules 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules").

For background information relating to this announcement, please refer to an announcement published by Huaneng Power International, Inc. (the "Company") published on 2 December 2010 (the "Announcement"). Unless defined otherwise, the terms used in this announcement shall have the same meaning used in the Announcement.

When the Company acquired the 50% equity interest in Shanghai Time Shipping Co. Ltd. ("Time Shipping") held by Huaneng Energy & Communications Holdings Co. Ltd. ("HECO"), the Company agreed to assume the loan guarantees in an aggregate amount of not exceeding US\$43 million previously provided by HEC to Time Shipping (the "Transfer of Loan Guarantees relating to Time Shipping").

On 21 March 2012, as part of the Transfer of Loan Guarantees relating to Time Shipping, the Company entered into a performance guarantee with The Bank of China Co. Ltd., Pudong Development Zone Branch, Shanghai and The Royal Bank of Scotland (China) Co. Ltd., respectively (the "Guarantee"). Pursuant to the performance guarantee, the surety is Time Shipping and the lenders are The Bank of China Co. Ltd., Pudong Development Zone Branch, Shanghai and The Royal Bank of Scotland (China) Co. Ltd..

---

Pursuant to the performance guarantee, the Company shall provide a joint liability under the Guarantee in respect of the loan obligations arising out of the loan agreement dated 16 October 2006 entered into between The Royal Bank of Scotland plc. and The Bank of China Co. Ltd., Pudong Development Zone Branch, Shanghai (as lenders) and Time Shipping, and another loan agreement dated 3 April 2007 entered into between The Royal Bank of Scotland plc. (as lender) and Time Shipping, and the supplemental agreements made thereunder. As at 23 March 2012, the outstanding balance of the principal debt under the Guarantee did not exceed US\$8,134,050. There is no counter-guarantee under the Guarantee. The term of the Guarantee shall be two years commencing from the due date for payment of the relevant loans.

Acquisition of 50% equity interest in Time Shipping is conducive to the Company to further extend its upward stream of the industrial chain, thereby strengthening the coal storage and transportation capacity and preserving the capability in transportation of coal to power plants along the coast and river-side. It plays a positive role in promoting the long-term profitability of the Company. At the same time, having the Company novated with the guarantees previously provided by HEC meets with the Company's acquisition plan and overall interests as Time Shipping is able to continue with those low-cost financing, and can thereby reduce the financing costs and increase profitability. Given that following acquisition of the 50% of equity interest in Time Shipping by the Company, Time Shipping maintains a stable operation, has a steady increase in earnings and good assets quality, and with appropriate level of lending and relatively stronger ability in repaying debt, the Company therefore considers that the overall risk in providing the guarantee for Time Shipping is relatively small.

The Guarantee does not constitute any notifiable transaction of the Company under Chapter 14 of the Listing Rules, nor any connected transaction under Chapter 14A of the Listing rules, nor does it give rise to a general disclosure obligation under Rule 13.16 of the Listing Rules.

---

As at 31 December 2011, the Company's aggregate amount of external guarantees (including the guarantees provided for controlling subsidiaries but excluding the Guarantee) was RMB14.61 billion. Save for the Guarantee, the Company has not provided any new external guarantee during the period from 31 December 2011 to the date of this announcement. There are no external guarantees provided by the Company's controlling subsidiaries. There were no overdue guarantees by the Company or the Company's controlling subsidiaries.
