**Item 1.01 Entry into a Material Definitive Agreement.**

On October 12, 2007, StarTek USA, Inc. (StarTek) and T-Mobile USA, Inc. (T-Mobile), entered into a Services Agreement and Statement of Work (together, the "Agreement"). Pursuant to the Agreement, StarTek will provide various call center and customer care services. T-Mobile will pay StarTek fees based on usage and other customary fees for the services provided under the provisions of the Agreement.

The Agreement is effective as of October 1, 2007 and has an initial term of two years. The Agreement automatically renews for periods of one year, unless either party provides written notice of non-renewal to the other party at least sixty days prior to the expiration of the then current term. T-Mobile may terminate the Agreement upon giving at least ninety days prior written notice to StarTek. Either party may terminate the Agreement upon breach (which, in some cases, only occurs after failure to cure within a certain period), certain insolvency events of the other party, or a *force majeure* event that persists or is reasonably likely to persist for 30 days. Upon expiration or termination of the Agreement, the parties are to cooperate with each other to effectuate an orderly transition of the business for a period of time not to exceed ninety days.

**Item 1.02 Termination of a Material Definitive Agreement.**

Effective upon execution of the Agreement, the Master Services Agreement and Statements of Work effective August 1, 2005 and dated September 20, 2005, as amended, between StarTek and T-Mobile, terminated.
