If "Yes" is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): 82-

Fuel Systems Solutions, Inc. Merger Litigation

Between September 10, 2015 and October 2, 2015, four stockholders of Fuel Systems Solutions, Inc ("Fuel Systems") filed class actions in Court of Chancery of Delaware against Fuel Systems' CEO and board members, Fuel Systems, Westport Innovations, Inc. ("Westport") and Whitehorse Merger Sub Inc. alleging breaches of fiduciary duty. The alleged breaches related to the execution of the merger agreement dated September 1, 2015, between Fuel Systems and Westport, which was claimed to offer unfair and inadequate consideration for Fuel Systems stock. The class actions, among other things, sought additional disclosure of facts relating to the merger in connection with the stockholder vote thereupon, higher merger consideration, and/or monetary damages.

Westport filed certain supplemental disclosures to address plaintiffs' claims on December 28, 2015 as Amendment No. 1 ("Amendment No. 1") to the Registration Statement. These supplemental disclosures pertained to certain unaudited financial and operating forecasts of: (i) Fuel Systems prepared by Fuel Systems' management; and (ii) Westport prepared by Westport's management.

On August 30, 2016, the Court of Chancery entered an order dismissing the stockholder action with prejudice as to plaintiffs Pamela Peck, Craig Nehamen, Robert Barrie, and Saied Nami, and without prejudice as to all other plaintiffs and any absent members of the putative class. Pursuant to the order, the Court of Chancery retained jurisdiction solely for the purpose of determining the plaintiffs' application for an award of attorneys' fees and reimbursement of expenses.

Plaintiffs' counsel in the stockholder action expressed their intention to petition the Court for fees and reimbursement of expenses in view of the supplemental disclosures contained in the December 28, 2015 Amendment No. 1. After negotiations, and to eliminate any risk associated with the plaintiffs' fee petition, Westport Fuel Systems Inc. has agreed to pay, and will pay, fees and expenses of \$225,000. This fee has not been approved or ruled upon by the Court of Chancery of Delaware.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
