The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice. Our Board of Directors recommends that you vote "FOR" the election of the director nominees named in Proposal No. 1 of the Proxy Statement, "FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm as described in Proposal No. 2 of the Proxy Statement, and "FOR" the approval of the Third Amended and Restated Certificate of Incorporation, in order to declassify the Board of Directors beginning at the Company's annual meeting of stockholders in 2017 as described in Proposal No. 3 of the Proxy Statement.

Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send to these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our Proxy Statement and Annual Report to Stockholders, and for voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials free of charge, if they so choose. The electronic delivery of our proxy materials will significantly reduce our printing and mailing costs and the environmental impact of the proxy materials. The Notice of Internet Availability of Proxy Materials will also provide the date, time and location of the Annual Meeting; the matters to be acted upon at the meeting and the recommendation of the Board of Directors with regard to each matter; a toll-free number, an e-mail address and a website where stockholders can request a paper or email copy of the Proxy Statement, our Annual Report to Stockholders and a form of proxy relating to the Annual Meeting; information on how to access the form of proxy; and information on how to attend the Annual Meeting and vote in person.

You are cordially invited to attend the Annual Meeting, but whether or not you expect to attend in person, you are urged to vote and submit your proxy by following the voting procedures described in the Notice of Internet Availability of Proxy Materials or on the proxy card.

In this Proxy Statement, we refer to Blackhawk Network Holdings, Inc. as the "Company," "Blackhawk," "we" or "us" and the Board of Directors as the "Board." When we refer to Blackhawk's fiscal year, we mean the 52 week or 53 week fiscal year ending on the Saturday closest to December 31. QUESTIONS AND ANSWERS

Proxy Material and Voting Information

Who can vote at the Annual Meeting?

Only stockholders that our records show owned shares of Common Stock as of the close of business on the Record Date may vote at the Annual Meeting. As of the Record Date, we had a total of _____ shares of Common Stock issued and outstanding, which were held of record by approximately _____ stockholders.

The stock transfer books will not be closed between the Record Date and the date of the Annual Meeting. Each share of Common Stock is entitled to one vote on each proposal.

What am I being asked to vote on?

You are being asked to vote "FOR" the following:

- To elect Richard H. Bard, Steven A. Burd, Robert L. Edwards and William Y. Tauscher as Class III directors;
- To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2016 fiscal year ending December 31, 2016; and
- To approve the Third Amended and Restated Certificate of Incorporation, in order to declassify the Board beginning at the Company's annual meeting of stockholders in 2017.

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting.

How do I vote?

You may vote by mail or follow any alternative voting procedure described on the proxy card or the Notice of Internet Availability of Proxy Materials. To use an alternative voting procedure, follow the instructions on each proxy card that you receive or on the Notice of Internet Availability of Proxy Materials.

For the election of Class III directors, you may either vote "FOR" each of the four nominees or you may "WITHHOLD" your vote for any nominee you specify. For the ratification of the selection of the Company's independent auditors and the Company's Third Amended and Restated Certificate of Incorporation, in order to declassify the Board beginning at the Company's annual meeting of stockholders in 2017, you may vote "FOR" or "AGAINST" or "ABSTAIN" from voting.

What is a stockholder of record?

If your shares were registered directly in your name with the transfer agent for our Common Stock, Wells Fargo Shareowner Services, then you are a stockholder of record. If you are a stockholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy over the Internet or, if you properly request and receive a proxy card by mail or email, by signing, dating and returning the proxy card, over the Internet or by telephone.

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

• To vote by proxy over the Internet, follow the instructions provided in the Notice of Internet Availability of Proxy Materials or on the proxy card.

• To vote by telephone, if you properly requested and received a proxy card by mail or email, you may vote by proxy by calling the toll free number found on the proxy card.

To vote by mail, if you properly requested and received a proxy card by mail or email, simply complete, sign and date the proxy card and return it promptly. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote in person, come to the Annual Meeting, and we will give you a ballot when you arrive.

How do I vote my shares held in "Street Name?"

If your shares were held in an account at a brokerage firm, bank, dealer or other agent, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that institution. The institution holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct the institution that holds your shares instructions on how you would like your shares voted. If your broker or other agent does not receive voting instructions from you, how your shares will be voted (if at all) will depend on the type of proposal. Your brokers are not authorized to vote your "street name" shares for Proposals No. 1 or No. 3 without instructions from you and a "broker non-vote" will occur if you do not provide specific instructions to your brokers as to how to vote your "street name" shares. Your brokers may vote your "street name" shares for Proposal No. 2 at their discretion even if you do not provide voting instructions.

If you hold your shares in "street name," you are invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your brokerage firm, bank, dealer or other agent in advance.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. The holders of a majority of in voting power of Common Stock outstanding and entitled to vote on the Record Date, present in person or represented by proxy and entitled to vote, will constitute a quorum for the transaction of business at the Annual Meeting. As of the Record Date, there were _____ shares of Common Stock outstanding. Each share of Common Stock is entitled to one (1) vote on each proposal. As of the Record Date, an aggregate of _____ votes constituted the requisite majority in voting power for a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chair of the Annual Meeting or a majority in voting power over the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting to another time or place.

What is the required vote to approve each proposal?

The following table summarizes the effect of "broker non-votes" and of abstentions and votes required for passage of each matter requiring stockholder action at the Annual Meeting:

Matters Requiring Stockholder Action	Brokers may vote shares without instructions from beneficial owner	Effect of "broker non-votes"	Effect of abstentions	Vote Required
To elect Richard H. Bard, Steven A. Burd, Robert L. Edwards and William Y. Tauscher as Class III directors (Proposal No. 1 on the Proxy Card)	No	Broker non-votes have no effect and will not be counted towards the vote total for Proposal No. 1 and therefore will not affect the outcome of the election of Class III directors.	Abstentions will not affect the outcome of the election of Class III directors.	You may vote "FOR" or "AGAINST" any or all director nominees. When a quorum is present, a plurality vote of the votes cast is required for the election of Class III directors. Therefore, the four nominees who receive the most "FOR" votes will be elected. Only votes "FOR" will affect the outcome. Broker non-votes and "WITHHOLD" votes will have no effect.

Matters Requiring Stockholder Action	Brokers may vote shares without instructions from beneficial owner	Effect of "broker non-votes"	Effect of abstentions	Vote Required
<p>To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2016 fiscal year ending December 31, 2016 (Proposal No. 2 on the Proxy Card)</p>	Yes	<p>We do not expect that there will be any broker non-votes for Proposals No. 2.</p>	<p>Abstentions will be counted towards the vote total for Proposal No. 2. Abstentions will have the same effect as a vote "AGAINST" the matter.</p>	<p>You may vote "FOR" or "AGAINST" Proposal No. 2 or you may "ABSTAIN." When a quorum is present, a majority of the shares of Common Stock either present in person or represented by proxy and entitled to vote on the matter must be voted "FOR" Proposal No. 2 in order for it to pass. If you "ABSTAIN" from voting, it will have the same effect as an "AGAINST" vote. Proposal No. 2 is considered a routine matter, and therefore no broker non-votes are expected in connection with Proposal No. 2.</p>
<p>To approve the Third Amended and Restated Certificate of Incorporation, in order to declassify the Board beginning at the Company's annual meeting of stockholders in 2017 (Proposal No. 3 on the Proxy Card)</p>	No	<p>Broker non-votes will be counted towards the vote total for Proposal No. 3 and will have the same effect as a vote "AGAINST" this matter.</p>	<p>Abstentions will be counted towards the vote total for Proposal No. 3. Abstentions will have the same effect as a vote "AGAINST" the matter.</p>	<p>You may vote "FOR" or "AGAINST" Proposal No. 3 or you may "ABSTAIN." When a quorum is present, seventy-five percent (75%) of the voting power of shares of Common Stock outstanding must be voted "FOR" Proposal No. 3 in order for it to pass. If you "ABSTAIN" from voting, it will have the same effect as an "AGAINST" vote. Broker non-votes will have the same effect as "AGAINST" votes.</p>

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the proposal to elect directors, "FOR" and "WITHHOLD" votes and broker non-votes and, with respect to the other proposals, "FOR" and "AGAINST" votes, abstentions and, if applicable, broker non-votes.

How do I vote via the Internet or telephone?

You may vote by proxy via the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials or on the proxy card. If you properly request and receive printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card. Please be aware that if you vote over the Internet or by telephone, you may incur costs such as telephone and Internet access charges, as applicable, for which you will be responsible. The Internet and telephone voting facilities for eligible stockholders of record will close at 11:59pm Eastern Time on June 9, 2016. The giving of such a telephonic or Internet proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly.

What if I return a proxy card but do not make specific choices?

If we receive a signed and dated proxy card and the proxy card does not specify how your shares are to be voted, your shares will be voted “FOR” the election of each of the four nominees for director, “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, and “FOR” the Third Amended and Restated Certificate of Incorporation, in order to declassify the Board beginning at the Company’s annual meeting of stockholders in 2017. If any other matter is properly presented at the Annual Meeting, your proxy (that is, one of the individuals named on your proxy card) will vote your shares using her best judgment.

Who is paying for this proxy solicitation?

The Company will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firm, bank, dealer or other agents for the cost of forwarding proxy materials to beneficial owners. What does it mean if I receive more than one set of materials?

If you receive more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must follow the instructions for voting on each Notice of Internet Availability of Proxy Materials or the proxy card that you receive by mail or email pursuant to your request, which include instructions for voting over the Internet, by telephone or by signing, dating and returning any of such proxy cards.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy over the Internet, by telephone or by mail with a later date.
- You may send a written notice that you are revoking your proxy to our General Counsel and Secretary at Blackhawk Network Holdings, Inc., 6220 Stoneridge Mall Road, Pleasanton, CA 94588.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your brokerage firm, bank, dealer or other agent, you should follow the instructions provided by them.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in the proxy materials for next year's annual meeting, your proposal must be submitted in writing by December 27, 2016 to our General Counsel and Secretary at Blackhawk Network Holdings, Inc., 6220 Stoneridge Mall Road, Pleasanton, CA 94588. If you wish to submit a proposal that is not to be included in next year's proxy materials pursuant to the SEC's stockholder proposal procedures or to nominate a director, you must do so between February 10, 2017 and March 12, 2017; provided that if the date of the annual meeting is earlier than May 11, 2017 or later than August 9, 2017 your proposal to be timely must be submitted not earlier than the 120th day prior to the annual meeting date and not later than the 90th day prior to the annual meeting date or, if later, the 10th day following the day on which public disclosure of the annual meeting date is first made. You are also advised to review our Amended and Restated Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the Company's filing of a Current Report on Form 8-K within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Current Report on Form 8-K within four business days following the day that final results are available.

PROPOSAL NO. 1: ELECTION OF CLASS III DIRECTORS

Our Board currently consists of eleven directors and is divided into three classes that serve staggered three-year terms. Historically, each year only one class of directors stood for election at our Annual Meeting.

Although our Board believes that experience, stability and continuity among Board members are important factors in effective corporate governance, it also is aware of the increasing demand in the stockholder community for annual elections of directors as a means to promote Board accountability. Accordingly, our Board is recommending that the Company's stockholders approve and adopt the Company's Third Amended and Restated Certificate of Incorporation, in order to declassify the Board effective at the Company's 2017 annual meeting of stockholders. To learn more about this proposal, please see "Proposal No. 3—Approval of the Company's Third Amended and Restated Certificate of Incorporation, in order to declassify the Board of Directors beginning at the Company's annual meeting of stockholders in 2017."

Nominees

This year, upon the recommendation of our Nominating and Corporate Governance Committee, our Board nominated Richard H. Bard, Steven A. Burd, Robert L. Edwards and William Y. Tauscher to stand for election as Class III directors, each of whom is currently a director of the Company. If elected, each nominee will hold office for a three-year term ending in 2019 and until his successor has been elected and qualified, or until his earlier resignation or removal. However, in order to effect the declassifying of our Board contemplated by Proposal No. 3, these Class III nominees (together with the incumbent Class I and Class II directors) have tendered their resignations, with such resignations to become effective immediately prior to the 2017 annual meeting of stockholders, subject to the condition that stockholders approve the proposal, in order to declassify our Board. In that case, these Class III nominees will serve only a one-year term, and all directors will begin standing for annual election beginning at our 2017 annual meeting of stockholders.

Messrs. Bard, Burd, Edwards and Tauscher have each informed us that they are willing to serve as a director. If any nominee ceases to be a candidate for election for any reason, the Proxy will be voted for a substitute nominee designated by the Company's Board. The Board currently has no reason to believe that any nominee will not remain a candidate for election as a director or will be unwilling to serve as a director if elected. See below under "Nominating and Corporate Governance Committee" for more information about the nomination process and the factors that our Nominating and Corporate Governance Committee considers to evaluate, identify and recommend nominees for the Board.

We believe we can achieve these objectives only with a plan for corporate governance that clearly defines responsibilities, sets high standards of conduct and promotes compliance with the law. The Board has adopted formal corporate governance guidelines, as well as policies and procedures designed to foster the appropriate level of corporate governance. Some of these guidelines and procedures are discussed below. For further information, including electronic versions of our Code of Business Conduct and Ethics, our Corporate Governance Guidelines, our Audit Committee Charter, our Compensation Committee Charter and our Nominating and Corporate Governance Committee Charter, please visit the Corporate Governance section of our website (<http://ir.blackhawknetwork.com>) located under the Investor Overview heading. The contents of our website are not incorporated by reference into this Proxy Statement.

Independence of the Board of Directors

As required under the NASDAQ Stock Market LLC, or NASDAQ, listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. Our Board consults with our counsel to ensure that its determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent NASDAQ listing standards, as in effect from time to time.

The Board has undertaken a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, the Board determined that Messrs. Aggarwal, Bard, Gyani, Hazen, Probst and Sarin and Ms. Thompson, representing seven of our eleven directors, are “independent directors” as defined under NASDAQ rules and in accordance with the regulations of the SEC. Our Board has affirmatively determined that Mr. Douglas J. Mackenzie was an independent director while serving on our Board during 2015. Ms. Roche, our President and Chief Executive Officer, is not an independent director by virtue of her employment with us. Mr. Tauscher is our Head of International and was our Chief Executive Officer until February 2016 and therefore is not an independent director by virtue of his employment with us. Mr. Edwards was Chief Executive Officer of Safeway (which was the parent entity of the Company until April 14, 2014) until January 2015 and therefore is not an independent director by virtue of his prior employment with Safeway. Mr. Burd was Chief Executive Officer of Safeway until his retirement on May 14, 2013 and therefore is not an independent director by virtue of his prior employment with Safeway.

There are no family relationships among any of our directors or executive officers.

Information Regarding the Board of Directors and its Committees

Board Responsibilities; Role in Risk Oversight

The Board is responsible for, among other things, overseeing the conduct of our business; reviewing and, where appropriate, approving our major financial objectives, plans and actions; and reviewing the performance of our chief executive officer and other members of management. Following the end of each year, the Board conducts an annual self-evaluation, which includes a review of any areas in which the Board or management believes the Board can make a better contribution to our corporate governance, as well as a review of the committees’ structure and an assessment of the Board’s compliance with corporate governance principles. In fulfilling the Board’s responsibilities, directors have full access to our management and independent advisors. With respect to the Board’s role in our risk oversight, our Audit Committee discusses with management our policies with respect to risk assessment and risk management and our significant financial risk exposures and the actions management has taken to limit, monitor or control such exposures. Our Audit Committee reports to the full Board with respect to these matters, among others. Our Compensation Committee is responsible for overseeing the management of risks relating to the Company’s executive compensation plans and periodically reports to the entire Board about such risks.

Leadership Structure

The Board does not have a fixed policy regarding the separation of the offices of Chairman of the Board (Chairman) and Chief Executive Officer and believes that it should maintain the flexibility to select the Chairman and its Board leadership structure, from time to time, based on the criteria that it deems to be in the best interests of the Company and its stockholders.

At this time, the position of Chairman is held by Mr. William Y. Tauscher and the position of President and Chief Executive Officer is held by Ms. Talbott Roche. The Board has determined that, under current circumstances, the separation of the offices of Chairman and Chief Executive Officer will enhance oversight of management and Board function. This separation is designed to allow Ms. Roche the ability to focus on her responsibilities of running the Company, enhancing stockholder value and expanding and strengthening the Company's business. Concurrently, Mr. Tauscher, as Chairman, can focus on leadership for the Board as it provides advice to and independent oversight of management. The Chairman also is responsible for setting the agendas and presiding over meetings of the Board (including executive sessions of the independent directors) and providing feedback and counsel to the Chief Executive Officer. The Board currently believes that this leadership structure is in the best interests of the Company's stockholders at this time.

Mr. Hazen was elected by our independent directors as our Lead Independent Director of the Board on February 23, 2015. The appointment of a Lead Independent Director helps ensure that the Company benefits from effective oversight by its independent directors. As set forth in our Corporate Governance Guidelines, the Lead Independent Director's duties include among other things: serving as a liaison between the Chairman and the independent directors; approving and including information sent to the Board and working to ensure that the directors have the information necessary to perform their duties; approving agendas for meetings of the Board and its committees; approving schedules for Board meetings to assure that there is sufficient time for discussion of all agenda items; having the authority to call meetings of the Independent Directors; and, if requested by large stockholders, ensuring that Mr. Hazen is available for consultation and direct communication.

Our Board has seven independent members within the meaning of the applicable NASDAQ listing standards. A number of our independent Board members are serving or have served as members of senior management of other public companies and are serving or have served as directors of other public companies. We have three Board committees composed solely of independent directors within the meaning of the applicable NASDAQ listing standards. We believe that the number of independent, experienced directors that compose our Board, along with the independent oversight of our Lead Independent Director, benefits the Company and its stockholders and enhances our Board leadership structure.

All members of the audit committee meet the requirements for financial literacy under applicable SEC rules and regulations and NASDAQ listing standards. The Board has determined that each of Mr. Gyani and Mr. Bard is an Audit Committee financial expert as defined under the applicable rules of the SEC and has the requisite financial sophistication as defined under the applicable rules and regulations of the NASDAQ Stock Market. The current members of the Audit Committee are independent directors as defined under the applicable rules and regulations of the SEC and the NASDAQ Stock Market. The Audit Committee operates under a written charter that satisfies the applicable standards of the SEC and the NASDAQ Stock Market. A copy of the Audit Committee charter is available to stockholders on our website at <http://ir.blackhawknetwork.com>.

Compensation Committee

Our Compensation Committee reviews and recommends policies relating to compensation and benefits of our officers and employees. Among other things, the Compensation Committee reviews and approves corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers, evaluates the

performance of these officers in light of those goals and objectives, sets the compensation of these officers based on such evaluations, administers the issuance of stock options, or Options, and other awards under our stock plans and annually reviews the Compensation Committee charter and the Compensation Committee's performance. The current members of the Compensation Committee as of April 1, 2016 are Mr. Hazen, who is the chair of the Compensation Committee, Mr. Sarin and Ms. Thompson. The current members of the Compensation Committee are independent directors as defined under the applicable rules and regulations of the SEC, the NASDAQ Stock Market and the Internal Revenue Code of 1986, as amended, or the Code. The Compensation Committee reviews and evaluates, at least annually, the performance of the Compensation Committee and its members, including compliance of the Compensation Committee with its charter. A copy of the Compensation Committee charter is available to stockholders on our website at <http://ir.blackhawknetwork.com>.

In February 2015, the Compensation Committee amended the authority of its assignment of fiduciary duties to the Benefits Committee that provides that the Benefits Committee shall comprise up to five members among whom, the Chief Accounting Officer, the Group Vice President-Human Resources and the General Counsel shall be the permanent members. The Benefits Committee is the administrator and named fiduciary under the Employee Retirement Income Security Act of 1974 for purposes of administering the plans, programs and arrangements sponsored or contributed to by us.

In October 2015, the Compensation Committee established an Equity Committee consisting of the following officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, or the Section 16 Officers, of the Company: Chief Accounting Officer, the General Counsel and Secretary, and the President. The Compensation Committee delegated to the Equity Committee the authority to grant Options or restricted stock units, or RSUs, to newly hired or newly promoted employees of the Company subject to the following limitations:

- the Equity Committee must grant the equity awards within its authorization pursuant to the 2013 Equity Incentive Award Plan, or the 2013 Plan, and other applicable law;
- the maximum aggregate number of shares of Common Stock with respect to one or more equity awards that may be approved by the Equity Committee for any one employee during the calendar year measured from the date of grant shall be 100,000;

Compensation Consultant Fee Disclosure

During 2015, the Compensation Committee continued to engage Mercer, a wholly-owned subsidiary of Marsh & McLennan Companies, Inc., to assist the Compensation Committee with its responsibilities related to the Company's executive and Board compensation programs. Other than the executive compensation consulting services to the Compensation Committee as described under "Executive Compensation—Compensation Discussion and Analysis," Mercer did not provide any material services to the Company in 2015. Because of the policies and procedures that Mercer and the Compensation Committee have in place, the Compensation Committee believes that the advice it receives from the individual executive compensation consultant is objective and not influenced by Mercer's or its affiliates' relationships with the Company.

Mercer's fees for executive compensation consulting to the Compensation Committee were approximately \$155,000 during the 2015 fiscal year. Marsh, an affiliate of Mercer, provided insurance services to the Company with fees of approximately \$16,000 during the 2015 fiscal year. The decision to engage Marsh was made by members of management and our Compensation Committee was aware of but did not review and approve, as those services were reviewed and approved by management in the ordinary course of business. Based on information provided by Mercer and by management of the Company, in March 2016, the Compensation Committee determined that no conflict of interest exists with, or was raised during the 2015 fiscal year by the work of, Mercer, and Mercer is independent considering all of the six factors enumerated by the SEC for evaluating adviser independence.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations regarding candidates for directorships and the size and composition of the Board. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations concerning governance matters. In evaluating, identifying and recommending nominees for the Board, our Nominating and Corporate Governance Committee considers, among other things,

- applicable laws and regulations (including the NASDAQ listing standards);
- diversity, maturity, skills, experience, integrity, ability to make independent analytical inquiries; and understanding of the Company's business and business environment; and
- willingness to devote adequate time and effort to Board responsibilities and other relevant factors.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating and Corporate Governance Committee strives to nominate directors with a variety of individual backgrounds and complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee our business and operations.

The Nominating and Corporate Governance Committee discusses and evaluates possible candidates in detail and the Company's consultants are sometimes employed to help identify potential candidates. When determining whether to recommend an existing director for re-election, the Nominating and Corporate Governance Committee considers the diversity of backgrounds, experience, qualifications and performance of the existing directors to determine whether to recommend such existing members for re-election to the Board and has considered, among other things, (i) demonstrated leadership, (ii) past attendance at meetings, (iii) participation in and contributions to the activities of the Board during the director's current term, (iv) the results of the most recent Board self-evaluation, (v) any occupation or business association change, and (vi) whether circumstances have arisen that may raise questions about a director's continuing qualifications in relation to the Board's membership, criteria or composition.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. Though the Compensation Committee has not established a formal policy with regard to consideration of director candidates recommended by stockholders, the Board believes that such the procedures set forth in the Company's Amended and Restated Bylaws are currently sufficient and that the establishment of a formal policy is not necessary.

Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering or mailing a written recommendation along with any updates or supplements required by the Company's Amended and Restated Bylaws, to the Company's General Counsel and Secretary at the following address: Blackhawk Network Holdings, Inc., 6220 Stoneridge Mall Road, Pleasanton, CA 94588 not less than 90 days and not more than 120 days prior to the first anniversary of the Company's annual meeting of stockholders for the preceding year; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, such recommendation shall be delivered or mailed and received no earlier than 120th day prior to the Company's annual meeting and no later than the 90th day prior to such annual meeting, or, if later, the 10th day following the day on which public disclosure of the date of such annual meeting was first made. Submissions must include the required information and follow the specified procedures set forth in the Company's Amended and Restated Bylaws. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. The Nominating and Corporate Governance Committee will evaluate any director candidates that are properly recommended by stockholders in the same manner as it evaluates all other director candidates, as described above.

The Nominating and Corporate Governance Committee as of April 1, 2016 is composed of Mr. Bard, Mr. Aggarwal and Mr. Gyani, with Mr. Bard serving as the chair of the Compensation Committee. Potential candidates for nomination to the Board will be discussed by the Nominating and Corporate Governance Committee. The Board has affirmatively determined that each of Mr. Bard, Mr. Aggarwal and Mr. Gyani meets the definition of "independent

director” for purposes of the NASDAQ listing standards. A copy of the Nominating and Corporate Governance Committee charter is available to stockholders on our website at <http://ir.blackhawknetwork.com>.

Limitation of Liability and Indemnification

Our Amended and Restated Certificate of Incorporation (both before and after any amendment approved pursuant to Proposal No. 3) and Amended and Restated Bylaws, provide that we will limit the liability of, and indemnify, our directors and officers and may limit the liability of, and indemnify, our employees and agents to the fullest extent permitted by the Delaware General Corporation Law, which prohibits our Amended and Restated Certificate of Incorporation from limiting the liability of our directors for the following:

- any breach of the director’s duty of loyalty to us or to our stockholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or unlawful stock repurchases or redemptions; and
- any transaction from which the director derived an improper personal benefit.

If Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. Our Amended and Restated Certificate of Incorporation does not eliminate a director’s duty of care and, in appropriate circumstances, equitable remedies, such as injunctive or other forms of non-monetary relief, remain available under Delaware law. This provision also does not affect a director’s responsibilities under any other laws, such as the federal securities laws or other state or federal laws. The Company also is empowered to enter into indemnification agreements with our directors, officers, employees and other agents and to purchase and maintain insurance on behalf of any person who is or was a director or officer against any loss arising from any claim asserted against him or her and incurred by him or her in that capacity, subject to certain exclusions and limits of the amount of coverage. In addition to the indemnification required in our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, we have entered into indemnification agreements with each of our directors, officers and certain employees. These agreements provide for the indemnification of our directors, officers and certain employees for all reasonable expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were our agents.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Amended and Restated Bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Deloitte & Touche LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

To be approved, the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm must receive a "FOR" vote from the holders of a majority in voting power over the shares of Common Stock that are present in person or represented by proxy and entitled to vote on the proposal. Abstentions and broker non-votes will be counted towards a quorum. Abstentions will have the same effect as an "AGAINST" vote for purposes of determining whether this matter has been approved. Broker non-votes will have no effect on the outcome of this proposal.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and non-audit services provided by its independent registered public accounting firm. This policy is set forth in the charter of the Audit Committee and available on our website at <http://ir.blackhawknetwork.com>. The Audit Committee approved all audit and other services provided by Deloitte for

2015 and the estimated costs of those services. Actual amounts billed, to the extent in excess of the estimated amounts, were periodically reviewed and approved by the Audit Committee.

The Audit Committee considered whether the non-audit services rendered by Deloitte were compatible with maintaining Deloitte's independence and concluded that they were so compatible.

PROPOSAL NO. 3: APPROVAL OF THE COMPANY'S THIRD AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, IN ORDER TO DECLASSIFY THE BOARD OF DIRECTORS BEGINNING AT THE COMPANY'S ANNUAL MEETING OF STOCKHOLDERS IN 2017

The Company's Second Amended and Restated Certificate of Incorporation, or the Certificate, currently in effect provides that the Board is classified into three classes, as nearly equal in number as possible, with one class to be elected by the stockholders each year for a three-year term.

While our Board continues to believe that experience, stability and continuity among Board members are important factors in effective corporate governance, it also is aware of the increasing demand in the stockholder community for annual election of directors as a means to promote Board accountability. Accordingly, both the Board and the Nominating and Corporate Governance Committee have concluded that it is in the best interests of the Company's stockholders to declassify the Board.

If the proposed Third Amended and Restated Certificate of Incorporation is approved by the requisite percentage of stockholders, the Company will transition to a declassified structure under which the entire Board will stand for election annually beginning in 2017. As part of the transition, the current Class I directors (currently serving a term expiring in 2017), Class II directors (currently serving a term expiring in 2018) and the Class III nominees being elected at this Annual Meeting will tender their resignations from the Board effective immediately prior to the 2017 annual meeting of stockholders. In that case, the terms of all incumbent directors will terminate at the 2017 annual meeting of stockholders, and all directors will begin standing for annual election beginning at the 2017 annual meeting.

The proposed Third Amended and Restated Certificate of Incorporation is attached hereto as Annex A. Our Board has unanimously approved, and recommends that our stockholders approve, these amendments. In addition, our Board has approved conforming changes to our Amended and Restated Bylaws that reflect the declassifying of our Board. The Amended and Restated Bylaws are conditioned upon, and would take effect concurrently with, the effectiveness of the related Amended and Restated Certificate of Incorporation.

If the requisite percentage of stockholders approves the Third Amended and Restated Certificate of Incorporation to declassify the Board beginning at the Company's annual meeting of stockholders in 2017, the Company anticipates filing the Certificate with the Delaware Secretary of State prior to the annual meeting of stockholders in 2017.

The affirmative vote of the holders of at least seventy five percent (75%) of the outstanding voting stock of the Company is required for approval of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR

THE APPROVAL OF THE THIRD AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, IN ORDER TO DECLASSIFY THE BOARD OF DIRECTORS BEGINNING AT THE COMPANY'S ANNUAL MEETING OF STOCKHOLDERS IN 2017

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the year ended January 2, 2016, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, other than the exceptions noted below:

- a Form 4 for William Tauscher, our Chief Executive Officer at the time, to report the grant of an Option and of RSUs was inadvertently filed late; and
- a Form 4 for Kirsten Richesson, our General Counsel and Secretary, for a grant of RSUs was inadvertently filed late.

COMPENSATION OF DIRECTORS**Director Compensation**

Our Board has approved a compensation plan for non-employee directors, which we refer to as the Non-Employee Director Compensation Program, for our non-employee directors, whom we refer to as eligible directors. For the fiscal year ended January 2, 2016, each of our non-employee directors received each of the applicable retainers and fees set forth below for serving as a member of our Board, Chairman of our Board or as a committee chair or committee member.

Cash Compensation

As of January 4, 2015, annual retainers are paid in the following amounts to non-employee directors:

Non-employee director:	\$60,000
Chair of Audit Committee:	\$15,000
Chair of Compensation Committee:	\$10,000
Chair of Nominating and Corporate Governance Committee:	\$5,000
Audit Committee Member (for both non-Chair and Chair members):	\$10,000
Compensation Committee Member (for both non-Chair and Chair members):	\$7,500
Nominating and Corporate Governance Committee Member (for both non-Chair and Chair members):	\$7,500
Lead Independent Director:	\$6,000

All annual retainers will be paid in cash quarterly in arrears promptly following the end of the applicable calendar quarter, but in no event more than thirty (30) days after the end of such quarter. Non-employee directors may elect to have all or a portion of their annual retainers paid in the form of an immediately vested RSUs that constitutes a right to receive shares of Common Stock with an aggregate value equal to an amount between 10% and 100% of their annual retainers, as elected by the applicable non-employee director (valued based on the average market closing price per share of the Common Stock over the period of 15 consecutive trading days ending on the Friday immediately preceding the first day of the applicable calendar quarter) under the Plan or any other applicable Company equity incentive plan then maintained by the Company.

Equity Compensation

Each non-employee director serving on the Board on the date of each annual stockholder meeting of the Company is granted a RSU that constitutes a right to receive shares of Common Stock with an aggregate value of \$140,000 (valued based on the average market closing price per share of the Common Stock over the period of 15 consecutive trading days ending on the Friday immediately preceding the applicable annual meeting) under the Plan or any other applicable Company equity incentive plan then maintained by the Company, or the Annual RSU. The Annual RSU will be automatically granted, without further action, on the date of the applicable annual meeting, and will vest in full on the earlier to occur of (i) the first (1st) anniversary of the date of grant and (ii) the date of the annual meeting for the year following the year in which the grant is made, subject in each case to continued service through the vesting date. Each non-employee director may elect to defer between 10% and 100% of his or her cash retainer under the Deferred Compensation Plan. In addition, each non-employee director may defer up to 100% of the shares of Common Stock underlying Annual RSUs and Quarterly RSUs until a date that is later than the vesting date. Deferral elections and deferral payments are governed by procedures substantially similar to the procedures governing deferral elections and deferred payment under the Blackhawk Deferred Compensation Plan. A summary of the Blackhawk Deferred Compensation Plan is provided under the caption "Potential Payments Upon Termination or Change in Control" below. We reimburse all directors for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at meetings of the Board and its committees. We do not provide retirement benefits to our non-employee directors.

In the table below, we have set forth information regarding the compensation of our eligible directors for the fiscal year ended January 2, 2016.

2015 Director Compensation

Our non-employee directors receive cash compensation and RSUs for their services as members of our Board. The following table shows, for the fiscal year ended January 2, 2016, information with respect to the compensation of our non-employee directors.

Arun Sarin	67,500	144,433	211,933
Jane J. Thompson	67,500	144,433	211,933

(1) Neither Mr. Tauscher, our former Chief Executive Officer, nor Ms. Roche, our President and Chief Executive Officer, is included in this table as each of them is an employee of the Company and does not receive compensation for his or her services as a director. All compensation paid to Mr. Tauscher and to Ms. Roche in 2015 for services each of them provided to the Company is reflected in the Summary Compensation Table.

(2) The aggregate number of unvested RSUs held by each non-employee director listed in this table above as of January 2, 2016, was as follows: 0 shares for Mr. Aggarwal, 3,822 shares for Mr. Bard, 3,822 shares for Mr. Burd, 3,822 shares for Mr. Edwards, 3,822 shares for Mr. Gyani, 3,822 shares for Mr. Hazen, 0 shares for Mr. Mackenzie, 3,822 shares for Mr. Probst, and 3,822 shares for Mr. Sarin. Ms. Thompson has deferred the vesting

of 3,822 shares of restricted Common Stock to May 1, 2024. In addition, Sarin had 25,000 shares subject to Options exercisable as of January 2, 2016.

Amounts in this column represent the aggregate grant date fair value of RSU awards granted during the fiscal year (3) ended January 2, 2016, calculated in accordance with ASC 718. Assumptions used to calculate the grant date fair value are set forth in Notes 1 and 8 in our Form 10-K filed March 2, 2016.

Each non-employee director listed in this table received a grant of restricted shares with an aggregate value of (4) \$140,000. The value is based on the average market closing price per share of the Common Stock over the period of 15 consecutive trading days ending on the Friday immediately preceding the applicable annual meeting which is \$36.63 per share.

(5) Mr. Aggarwal was appointed as a director in February 2016 and therefore did not receive any compensation in the fiscal year of 2015.

Mr. Edwards and Mr. Hazen elected to receive 100% of their annual retainers in fully vested RSUs in the third and (6) fourth fiscal quarters of 2015. The grant of RSUs for the fourth quarter fees was issued in fiscal 2016 and thus the value is not included in the table.

Mr. Edwards was employed by Safeway until its acquisition by Albertsons. Since April 14, 2014, the date of the (7) Spin-Off, Mr. Edwards has been considered a non-employee director and received compensation from us under the Non-Employee Director Compensation Program.

(8) Mr. Mackenzie resigned from the Board on May 22, 2015.

Non-employee Director Stock Ownership Guideline

In April 2014, we adopted a stock ownership guideline for all non-employee directors. All non-employee directors are required to accumulate shares of the Company's stock equal in value to at least three times the amount of their annual cash retainer as determined on December 31 of each year. This guideline remained unchanged in 2015. In February 2016, the Compensation Committee adopted an updated non-employee director stock ownership guideline which increased the ownership requirement from three times to five times the amount of their annual cash retainer and all non-employee directors are expected to meet their ownership requirements by December 31, 2021, but any newly appointed directors are expected to meet their ownership requirements within five years following their appointment date.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section discusses the material components of the executive compensation program for our named executive officers. In 2015, our “named executive officers” and their positions were as follows:

- William Y. Tauscher, Chief Executive Officer;
- Talbott Roche, President;
- Jerry Ulrich, Chief Financial Officer and Chief Administrative Officer;
- David C. Tate, Senior Vice President, Products and Marketing; and
- Christopher C. Crum, Senior Vice President, Sales

This Compensation Discussion and Analysis, or CD&A, provides an overview of our executive compensation philosophy, the overall objectives of our executive compensation program and each compensation component that we provide. Each of the key elements of our executive compensation program is discussed in more detail below. The following discussion and analysis of compensation arrangements of our named executive officers should be read together with the compensation tables and related disclosures set forth below.

Executive Summary

Business Highlights

In 2015, the Company achieved strong operating results for the third consecutive year as a public company. Adjusted operating revenues, Adjusted EBITDA growth, Adjusted net income growth, and Adjusted diluted earnings

per share, each grew over 30% (see charts below). Please see the discussion of Adjusted operating revenues, Adjusted EBITDA, Adjusted EBITDA margin, Adjusted net income and Adjusted diluted earnings per share in “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Key Operating Statistics” in the Company’s Annual Report on Form 10-K filed with the SEC on March 2, 2016.

We continue to convert many U.S. distribution partners to best practices, add digital capabilities, and grow through acquisitions in the incentives market. In our international segment, we continue to see transaction dollar volume growth across the Asia Pacific region, especially in Japan and South Korea. We believe that the combination of prior growth and the Company’s positioning for future growth is what has allowed us to generate favorable returns for stockholders. The Company achieved a stock price of \$44.21 on December 31, 2015, which represents a 17.3% 1-year total stockholder return, and is up over 86% since the Company’s initial public offering on April 21, 2013. As noted above, the Company has seen rapid growth in several key financial metrics which drive business results and stockholder value creation. These key metrics are also the elements against which our named executive officers are measured and which align pay outcomes with performance achieved. In 2015, the Company’s leaders delivered very strong stockholder and operating results, and the compensation earned is aligned with these outcomes.

Leadership Transition Highlights

In addition to achieving strong financial results in 2015, we established a leadership succession plan which was formally announced in February 2016. On February 22, 2016, Talbott Roche became our new Chief Executive Officer, or CEO. Mr. Tauscher continues serving as Chairman of the Board and is expected to be a key advisor to the CEO and lead the Company’s international business and its corporate development strategy and execution. We believe that this succession strategy positions the Company for strong long-term growth. During 2015, the Company continued to increase Ms. Roche’s compensation to move her closer to market CEO levels in anticipation of implementation of the formal role change in 2016.

Favorable Say on Pay Vote

At our 2014 annual meeting of stockholders, which was our first annual meeting as a public company, our stockholders cast an advisory vote on the compensation of our named executive officers, or a “say-on-pay” vote. A substantial majority (99.8%) of the votes cast at that meeting (including abstentions but excluding broker non-votes) voted in favor of the say-on-pay proposal and approved, on an advisory basis, the compensation of our named executive officers that was set forth in the related proxy statement. In evaluating our executive compensation program following this advisory vote, the Compensation Committee has considered the results of the say-on-pay vote as well as other

factors discussed in this CD&A. While each of these factors informed the Compensation Committee’s decisions regarding the compensation of our named executive officers, in light of the high level of stockholder support received in 2014, the Compensation Committee has not implemented significant changes to our executive compensation program since that time. The most significant change made to the Company’s compensation program since its initial public offering in 2013 was the introduction of a performance-based equity vehicle in 2014, which continues to be part of the equity program in 2015 and 2016, and the adoption of a deferred compensation plan in 2015.

At our 2014 annual meeting of stockholders, our stockholders cast an advisory vote on the frequency with which our stockholders should be asked to vote on a say-on-pay proposal, or the “say-on-frequency” proposal. A substantial majority (98.17%) of the votes cast at that meeting (including abstentions but excluding broker non-votes) voted in favor of a triennial say-on-pay vote. Accordingly, our Board decided to provide our stockholders with the opportunity to provide an advisory vote on our executive compensation every three years, and the say-on-pay proposal will be included in the proxy statement relating to, and will be voted at our 2017 annual meeting of stockholders.

Compensation Objectives and Philosophy

Our compensation programs for our executive officers are designed to attract and retain excellent managers and to motivate these managers to increase the market value of our stock over the long term. In support of these principal objectives, our compensation programs are designed to:

- provide our executives with rewards programs that are competitive with those provided by other companies with whom we compete for executive talent, in order to attract, motivate and retain high performance individuals;
- link a significant portion of total compensation to annual bonuses and performance-based compensation that reward our executives for the attainment of our financial, operational and strategic goals, when met or exceeded; and
- motivate our executives and align them with stockholders by allocating a significant portion of total pay to equity-based compensation in order to improve our long-term performance.

We believe our compensation programs place emphasis on the achievement of Company-wide goals, and also focus executives on their directly controllable business results if they are not fully responsible for Company-wide performance. We believe these features help align the interests of our executives with those of our long-term stockholders, promote the objective of compensating our executives for directly controllable and Company-wide performance and advance our objective of increasing stockholder returns.

Key Policies and Practices

We have implemented a number of policies and practices to drive performance, mitigate excessive risk taking and promote alignment of executive and stockholder interests. A summary of these policies and practices is below.

What We Do	What We Don’t Do
<ul style="list-style-type: none"> ü Place a significant percentage of compensation at risk to align pay and performance 	<ul style="list-style-type: none"> No employment contracts, except with our CFO. What We Do	What We Don't Do
ü Utilize an independent compensation consulting firm	No tax gross-ups
ü Mitigate undue risk in compensation by placing caps on incentive awards	No perquisites or supplementary retirement benefits (except frozen benefits with Safeway)
ü Maintain a Clawback Policy and a Stock Ownership Policy for executives	

Elements of Compensation

The Compensation Committee uses four core compensation and benefits elements to provide a competitive overall rewards package to executive officers. We believe each of these elements forms an integral part of the overall compensation program and, taken collectively, these elements serve to achieve our compensation objectives. Outlined below is a summary of our program, as well as key outcomes for our 2015 compensation program in alignment with the performance that was delivered:

Compensation Element	Objective	Design Overview	2015 Outcomes
Base Salary	Provide a stable part of the compensation package; recognize ongoing performance of job responsibilities and provide a degree of financial certainty	Fixed compensation that is generally aligned with market median for comparable roles	Provided targeted increases to gain better alignment with market and recognize contributions, including: 5.4% for the CEO 18.2% for the President, 12.5% for the CFO Others received increases of 3.0%

401(k) and other benefits also provided to the broader employee population	Allow for retirement savings in a tax-efficient manner and provide a basic level of protection from health, dental, life and disability risks and provide a degree of financial certainty	Executive benefits plans aligns with all other Blackhawk employees, and includes 401(k) and health and welfare plans Severance and change-in-control agreements for senior executives only	No material changes to benefits plans in 2015

Target Pay Mix

As part of its compensation philosophy, the Company reinforces the need to deliver positive performance results by placing a large majority of pay at risk, with a substantial portion of overall pay also linked to direct financial and stockholder performance results. For 2015, nearly 90% of the Company's CEO target pay was at risk, and over 60% was linked to performance-based outcomes. For the other named executive officers, average 2015 target pay included over 75% being at risk, with over 55% aligned to direct performance results. The pay mixes were determined with the intent to generally align with pay mixes found in the market, and to place more emphasis on at-risk and long-term pay for our most senior leaders who have the most impact on the Company's long-term performance.

How Compensation is Determined

Engagement of Compensation Consultants

In connection with, and since completion of our initial public offering in April 2013, the Compensation Committee has engaged and continues to engage Mercer to assist it in designing programs and setting compensation levels that are appropriate for a public company.

The executive compensation services provided by Mercer to the Compensation Committee during the 2015 fiscal year included the following:

- development of a peer group of comparable public companies for purposes of determining executive compensation levels;
- assessment of market director compensation practices for purposes of developing a competitive Board compensation program;
- assessment of cash and equity compensation for the named executive officers relative to the peer group;
- assessment of total equity usage, dilution rates and equity plan design relative to the peer group and general market practices;
- advice on governance best practices and market trends;
- advice on other ad hoc matters related to rewarding top executive talent; and
- attends each committee meeting, including executive sessions.

Evaluation of Market Competitiveness

The Compensation Committee considers multiple data sources in making decisions about executive compensation. In general, the Compensation Committee aims to position total compensation within a reasonable range of market 50th percentile, defined as the middle point of relevant peer group and survey market data. However, market data is not applied in a formulaic manner and other factors may have an equal or greater impact on compensation decisions.

For example, the positioning of an executive officer's individual pay may be above or below the market median based on factors such as experience and proficiency as well as attraction, retention and succession planning requirements. Compensation history, as well as prior and expected performance and related reward payouts are also considered in establishing new pay levels. In addition, the positioning of each element of compensation may vary based on broader considerations, such as the desired pay mix for certain roles, the impact of compensation decisions on accounting expense or stockholder dilution, or the need to tailor the compensation package to compete with a broader set of competitors for talent.

Peer Group Comparison

The Compensation Committee selects peer companies primarily based on industry similarity and company size, which is measured by revenue. To attract, retain and engage high performing leaders, we believe that our peer group needs to be aligned with our strategic vision and include companies that:

- represent an appropriate range from a size and scope perspective;
- operate in Data Processing & Outsourced Services, Application Software or Consumer Finance industries; and
- are talent competitors.

The peer group used for making 2015 compensation decisions comprises 13 companies that align with the criteria as outlined above, thereby making them an appropriate comparator group.

(1) Data presented in the table above is for the four most recently disclosed quarters as of December 31, 2014 and December 31, 2015, respectively, as reported by Standard and Poor's Research Insight.

(2) All dollar amounts are reported in USD millions.

(3) Global Cash Access rebranded as Everi Holdings Inc. in August 2015.

Data from Radford's publicly-available Global Technology Survey was also considered by the Compensation Committee as a secondary market reference point. The survey data is scoped based on revenue to reflect similarly sized companies, and represents a broader set of technology companies than the peer group listed above. Both national and Northern California data is reviewed, although neither is applied formulaically in making compensation decisions. We annually evaluate the composition of our peer group for factors such as recent acquisitions completed by our peer companies, new markets that we have entered and changes in our market landscape. With assistance from our compensation consultant Mercer, we also conducted a 2015 annual review, which resulted in some refinements in the peers used for setting target 2016 pay. Green Dot Corporation, Everi Holdings Inc. and MoneyGram International, Inc. were removed, and Aimia Inc, Alliance Data Systems Corporation, Jack Henry & Associates, Inc. and Sabre Corporation were added.

Elements of Compensation

Base Salaries

We provide our executive officers, including our named executive officers, with a base salary to compensate them for services rendered to the Company during the fiscal year. Base salary amounts are established based on a number of factors, including the scope of the named executive officer's responsibilities, years of service and the Board's or Compensation Committee's general knowledge of the competitive market based on, among other things, experience with other companies and our industry. Base salaries are evaluated annually for all executive officers. In addition to the factors above, individual factors are also considered, in a subjective manner, in setting base salaries, including the executive's experience, achievements, leadership, teamwork and value to the Company. Consideration of these individual factors encourages our executives to improve their individual performances.

Since our initial public offering, the base salary of our CEO is determined annually by our Compensation Committee. At the end of each fiscal year, our Compensation Committee collects information regarding the CEO's

performance and discusses relevant issues and matters with the CEO. Our Compensation Committee subsequently meets, without the CEO present, and conducts a formal performance review of the CEO and sets an appropriate base salary level for the next fiscal year.

The CEO assesses the individual performance of each other named executive officer and proposes to our Compensation Committee the executive's base salary. Our Compensation Committee relies on the experience of its members and the CEO's assessment to determine the other named executive officers' base salaries.

In 2015, base salaries for all of the executive officers were increased using the process above by a range of 3.0% to 18.2%. These increases were determined primarily based on consideration of general industry base pay increase trends for executives as reported by Mercer, but also considered individual competitiveness against market benchmarks. For Ms. Roche, the more substantial increase was intended to reflect the anticipated 2016 implementation of the Company's CEO succession plan and move her closer to CEO base salary levels. The Compensation Committee believes these increases in base salary were appropriate based on the Company's performance and each executive's strong individual achievements in 2015. For 2016, the Compensation Committee undertook a similar process. Ms. Roche's increase was a result of her promotion to CEO, and Mr. Tate's increase is aligned with him taking on an expanded leadership role. Mr. Tauscher received no salary increase as he stepped into the role of Chairman of the Board and leader of the Company's international business and corporate development and strategy functions.

2015 Bonuses

The primary purpose of our bonus program is to motivate our executives to meet or exceed Company-wide and business-specific performance goals on a shorter-term basis. We believe bonus programs at certain levels are necessary for competitive purposes to attract and retain highly qualified executives and serve the purpose of focusing attention on key strategic and financial goals for the Company. The fact that named executive officers must be employed by the Company on the payment date as a condition of bonus eligibility also assists in retention.

For 2015, the Compensation Committee approved the 2015 Bonus Plan, pursuant to which each named executive officer was eligible to receive an annual bonus based on the achievement of specified Company performance metrics. For our executive officers, 2015 bonus targets were set and achievements were determined in accordance with the rules for performance-based compensation set forth in the 2013 Plan. The metrics used to measure achievement, rationales for selection and the respective weighting of each are detailed in the table below for each executive officer. We chose these metrics because they are critical measures of business success. For executives with Company-wide responsibility, the emphasis is solely on total Company results. For those with a mix of Company-wide and business-specific results, the performance measure weighting is balanced between the two metrics.

	Metrics	
	Corporate Pre-Tax Income (1)	Segment Direct Margin (2)
	Provides strong line of sight to both growth and expense management	Measures efficiency and effectiveness of efforts to grow business
Executive	Weightings	
William Y. Tauscher	100%	—%
Talbott Roche (3)	50%	50%
Jerry Ulrich	100%	—%
David C. Tate (3)	50%	50%
Christopher C. Crum (3)	50%	50%

In determining corporate pre-tax income, we exclude any credit or expense taken for distribution partner mark-to-market expense, stock-based compensation expense, warrant amortization, interest income and expense, (1) change in fair value of contingent consideration, amortization of intangible assets, corporate acquisitions (including the Achievers acquisition) and certain other non-cash and cash expenses that we believe are not indicative of our core operating performance.

(2) Direct margin is defined as product revenue minus directly attributable costs for U.S. business and excludes any mark-to-market of equity instruments held by distribution partners.

(3) Segment Direct Margin relates to U.S. Direct Margin for Ms. Roche, Mr. Tate and Mr. Crum.

In addition, the Compensation Committee approved threshold, target and maximum bonuses for each executive, as set forth below, based on each executive's annual base salary:

Named Executive Officer	Threshold Bonus	Target Bonus	Maximum Bonus
William Y. Tauscher	50%	100%	150%
Talbott Roche	50%	90%	120%
Jerry Ulrich	50%	80%	120%
David C. Tate	50%	80%	120%
Christopher C. Crum	50%	80%	120%

The actual annual cash bonuses payable under our 2015 Bonus Plan were based on achievement of results for each metric, as detailed in the table below. These goals were established based on the Company's annual operating plan and take into account the aggressive growth expectations of the Company.

	Goals and Performance Attainment by Metric	
	Corporate Pre-Tax Income	U.S. Direct Margin
Threshold Goal	\$122.0M	\$227.2M
Target Goal	\$152.4M	\$284.0M
Maximum Goal	\$182.9M	\$340.8M
Actual Results	\$154.6M	\$282.4M
Attainment	101.5	% 99.5

The bonuses earned by each executive is set forth in the "2015 Summary Compensation Table" below in the column titled "Non-Equity Incentive Plan Compensation," and are calculated below. Although the Company reserves the right to reduce or eliminate the amount payable at a given level of performance, it did not exercise that right for 2015. Despite the 2015 achievement of Adjusted Pre-Tax Income growth of 37% and Segment Direct Margin growth of 21%, overall payouts are within 5% of target due to the Company's aggressive 2015 goals.

(1) Ms. Roche's payout percentage differed slightly compared to Messrs. Tate and Crum due to her higher target bonus percentage.

For 2016, the Compensation Committee approved a similar corporate performance bonus program under the cash-performance award provisions of the Company's 2013 Equity Incentive Award Plan. The Company's named executive officers are eligible to earn, vest in, and receive cash bonuses based on the attainment of adjusted pre-tax income and/or U.S. direct margin performance objectives during the Company's 2016 fiscal year running from January 3, 2016 through December 31, 2016. The Compensation Committee approved threshold, target and maximum bonuses for each executive based on each executive's annual base salary, the details of which are disclosed in our current report on Form 8-K filed with the SEC on February 25, 2016 which is incorporated herein by reference.

Equity Awards

The goals of our long-term equity-based awards are to reward and encourage long-term corporate performance based on the value of our Common Stock and, thereby, to align the interests of our executive officers, including our named executive officers, with those of our stockholders.

The Board previously adopted the Second Amended and Restated 2006 Restricted Stock and Restricted Stock Unit Plan, or the 2006 Plan, and the Amended and Restated 2007 Stock Option and Stock Appreciation Right Plan, or the 2007 Plan. The 2006 Plan provided for the grant of restricted stock awards, or RSAs, and RSUs, and the 2007 Plan provided for the grant of Options and SARs. In March 2013, we adopted the 2013 Plan which became effective in connection with our initial public offering in April 2013. Upon the effectiveness of the 2013 Plan, no further grants have been, or will be, made under the 2006 Plan or the 2007 Plan. In addition, in December 2013, we adopted the 2013 Employee Stock Purchase Plan, or the ESPP, in order to provide additional incentives for our employees and to align employee interests with the long term success of the Company.

We have also used Options as a key equity incentive vehicle because we believe Options reward our named executive officers in a manner that best aligns their interests with the interests of our stockholders. The exercise price of each Option is at least equal to the fair market value of our Common Stock on the grant date. Because our named executive officers are able to benefit from Options only if the fair market value of our Common Stock increases relative to the Option's exercise price, we believe Options provide meaningful incentives to our named executive officers to achieve increases in the value of our stock over time and are an effective tool for meeting our compensation goal of increasing long-term stockholder value by tying the value of these incentive awards to our future performance. We believe our long-term equity compensation also encourages the retention of our named executive officers because the vesting of equity awards has been largely based on continued employment.

We also have granted RSUs to our named executive officers. These awards are intended to enable our named executive officers to establish a meaningful equity stake in the Company that vests over a period of years based on continued service. We believe that these awards enable us to deliver competitive compensation value to named

executive officers at levels sufficient to retain top talent within our executive officer ranks.

In 2015, we also granted performance shares awards, or PSAs, that are earned over a two-year performance period and vest in full after three years, subject to continued service, thus promoting retention by delaying full payout for an additional year after the performance period is over. The two-year performance period promotes a long-term performance focus, while balancing the ability to set long-term performance goals in a highly dynamic business

environment. Each named executive officer is eligible to earn, vest in and receive a number of shares of the Company's Common Stock ranging from 0% - 200% of the target number of performance shares granted based on the attainment of adjusted operating revenue growth and adjusted pre-tax EPS growth at certain levels during the performance period. If the Company does not achieve at least the minimum goal for both performance goals, then all of the performance shares will be forfeited.

The Compensation Committee generally grants annual equity awards at the first quarterly Compensation Committee meeting of the year, unless otherwise specified by our Board of Directors or the Compensation Committee. The Compensation Committee does not grant equity compensation awards in anticipation of the release of material nonpublic information, nor do we time the release of material nonpublic information based on equity award grant dates.

2015 Equity

The Compensation Committee in 2015 granted an approximately equal value mix of Options, RSUs and performance shares to our named executive officers, which reflects the Company's desire to have a balance of overall incentive opportunities, but with a heavier weighting toward awards requiring performance through Options and PSAs. The following table sets forth the Options, RSUs and PSAs granted to our named executive officers in the 2015 fiscal year.

Named Executive Officer	2015	2015	2015
	Stock Option Grants	Restricted Stock Unit Grants	Performance Share Award Grants (Target)
William Y. Tauscher	165,150	50,500	50,500
Talbott Roche	69,000	21,100	21,100
Jerry Ulrich	32,250	9,850	9,850
David C. Tate	19,750	6,050	6,050
Christopher C. Crum	19,750	6,050	6,050

The Options and RSUs set forth in the above table vest in 25% annual installments over a period of four years which we believe aligns with the practices of our peer companies. We also believe the vesting schedule of our Options and RSUs appropriately encourages long-term employment with the Company while allowing our executives to realize compensation that corresponds to the value they have created for our stockholders.

We granted 2015 PSAs that are earned over a multi-year performance period based on the achievement of pre-determined performance goals. The PSAs thus increase the linkage of pay to performance. For awards granted in 2015 the performance period covers two fiscal years. The number of performance shares earned with respect to the 2015 awards is based on our attainment of adjusted operating revenue growth and adjusted pre-tax EPS growth at certain levels each fiscal year. Adjusted operating revenue is calculated in accordance with the same methodology used to calculate such named Non-GAAP metric as reported in the Company's Part II, Item 7 as set forth in the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations," or MD&A. Adjusted pre-tax EPS is calculated in accordance with the same methodology used to calculate such named Non-GAAP metric as reported in the Company's 2015 Annual Report on Form 10-K, also as set forth in the MD&A section. Calculation of the percentage growth in each performance metric is determined by measuring the fiscal year 2015 metric against the same metric for fiscal year 2014. Each of the performance criteria is weighted at 50% for each fiscal year.

Each named executive officer is eligible to earn a number of shares of Common Stock ranging from 0% - 200% of the target number of performance shares attributable to that fiscal year, based on the attainment of the performance goals for the fiscal year. If the Company does not achieve at least the minimum goal for both performance goals, then all of the performance shares attributable to that fiscal year will be forfeited. The Company reserves the right to reduce or eliminate the amount payable at a given level of performance. The following table sets forth the threshold, target and maximum number of performance shares each named executive officer is eligible to earn based on the attainment of the applicable performance criteria at the threshold, target and maximum goals:

Named Executive Officer	Executive Officer Eligibility for 2015 Performance Shares		
	Threshold Number of Performance Shares	Target Number of Performance Shares	Maximum Number of Performance Shares
William Y. Tauscher	25,250	50,500	101,000
Talbott Roche	10,550	21,100	42,200
Jerry Ulrich	4,925	9,850	19,700
David C. Tate	3,025	6,050	12,100
Christopher C. Crum	3,025	6,050	12,100

In 2015, the Company attained an adjusted Pre-tax EPS growth of 20.6% and an adjusted operating revenue growth of 36.3%. Accordingly, the named executive officers earned 150% of target performance shares for the first half of the 2015 PSA performance period, though no shares are payable until the end of the 3-year period after grant, or January 2018, subject to continued service with the Company:

Named Executive Officer	Number of Earned 2015 Performance Shares
William Y. Tauscher	37,875
Talbott Roche	15,825
Jerry Ulrich	7,388
David C. Tate	4,538
Christopher C. Crum	4,538

For the 2016 fiscal year, the Compensation Committee approved grants of Options, RSUs and PSAs subject to similar terms as applied to the equity awards granted in 2015. The Options and RSUs vest in 25% annual installments over a period of four years. The PSAs will be earned over three fiscal years based on our adjusted operating revenue growth and adjusted pre-tax EPS growth over the three-year period.

Other Elements of Compensation

Retirement Plan

401(k) Plan. Our eligible employees, including our named executive officers, are eligible to participate in the Blackhawk Network 401(k) Plan maintained by the Company, under which our eligible employees may defer a portion of their eligible compensation, within prescribed limits, on a pre-tax or Roth after-tax basis through contributions to the 401(k) Plan. Under the Blackhawk Network 401(k) Plan, the Company may match a portion of our employee's annual contributions, within prescribed limits. Our executives are eligible to receive the same retirement benefits as all employees.

Employee Benefits and Perquisites

All of our full-time employees, including our named executive officers, are eligible to participate in our group health and welfare plans, including: medical, dental and vision benefits; medical and dependent care flexible spending accounts; short-term and long-term disability insurance; and life insurance. We pay the premium costs for life insurance for each corporate employee (including executive officers) in an amount equal to two times annual salary, up to a maximum of \$1 million. The employee is responsible for the income tax for any amount exceeding \$50,000 in coverage. Our executives are eligible to receive the same group health and welfare benefits as all employees.

Historically, we have neither provided any perquisites to our executives that are not available to other employees nor made gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation or benefits we offer. In the future, we may provide different and/or additional perquisites to our named executive officers to ensure that we provide a balanced and comprehensive compensation structure. We

believe that it is important to maintain flexibility to adapt our compensation structure to properly attract, motivate and retain the top executive talent for which we compete.

Severance and Change in Control Benefits

Historically, we did not enter into severance or change in control agreements with our named executive officers regardless of whether such termination is voluntary, for cause or otherwise, other than Mr. Ulrich, who is eligible under his offer letter to receive continuation of his base salary for 52-weeks upon a termination of employment other than for cause, subject to certain exceptions. A summary of the severance provision in his offer letter is provided under the caption "Potential Payments Upon Termination or Change in Control" below.

However, in April 2014, the Compensation Committee adopted the Blackhawk Network Holdings, Inc. Executive Change in Control Severance Plan, or Severance Plan, for certain employees of the Company, including each of the Company's named executive officers, because it believes change in control and severance benefits are essential to fulfill our objective of attracting and retaining key managerial talent. A summary of the Severance Plan is provided under the caption "Potential Payments Upon Termination or Change in Control" below.

Other Guidelines and Policies

Stock Ownership Policy for Executives

In April 2014, we adopted a stock ownership policy for our executives to help ensure that each maintains an equity stake in the Company and, by doing so, to appropriately link their interests with those of other stockholders. The requirement for executive officers is based on a multiple of the executive's base salary. The current ownership requirements for executive officers are a value equal to 2.0 times base salary (4.0 times salary for the CEO) as determined on December 31 of each year. Executives are expected to meet their ownership requirements by December 31, 2019. Any newly hired or promoted executives are expected to meet their ownership requirements within five years of their hire or promotion date. This policy remained unchanged in 2015.

Clawback Policy

In April 2014, we adopted a clawback policy, pursuant to which, in the event of a restatement of our financial statements to correct a material error or inaccuracy that our Board or the Compensation Committee determines resulted in whole or in part from the fraud or intentional misconduct of an officer (as defined under Rule 16a-1(f) of the Exchange Act), the Board or the Compensation Committee shall review all bonuses, incentive compensation and performance-based equity awards paid or vested with respect to the officer within three years prior to the date on which the Company publicly discloses the need for a restatement. To the extent that such bonuses, incentive compensation or performance-based equity awards relate to the periods with respect to which the financial statements are restated and if a lesser bonus, incentive compensation or award would have been paid or vested with respect to the officer based upon the restated financial results, the Board or the Compensation Committee may (i) seek reimbursement or forfeiture of the amounts by which the officer's bonuses, incentive compensation or awards for the restated periods exceeded such lesser bonuses, incentive compensation or awards and (ii) take additional actions, including cancellation of such officer's outstanding bonuses, incentive compensation or equity-based award opportunities.

Anti-Hedging Policy

We adopted an Insider Trading Policy in March 2014 and an amendment in April 2014, pursuant to which our officers, directors and their family members are prohibited from engaging, directly or indirectly, in any speculative transactions involving our securities, including, purchases of our stock on margin, short sales of our securities, and purchase or sale of put or call options on our securities or entering into other derivative contracts. In addition, to prevent the misalignment of objectives of our officers, directors and employees from those of our other stockholders, we do not permit them to enter into certain forms of hedging or monetization transactions, such as zero-cost collars and forward sale contracts, because such transactions allow the officer, director or employee to continue to own the covered securities without the full risks and rewards of ownership.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code

Generally, Section 162(m) of the Code, disallows a tax deduction for any publicly-held corporation for individual compensation exceeding \$1.0 million in any taxable year to its chief executive officer and each of its three other most highly compensated executive officers, other than its chief financial officer, unless compensation qualifies as “performance-based compensation” within the meaning of the Code. Prior to completion of our initial public offering in April 2013, the Board and Chief Executive Officer did not take into consideration the deductibility limit imposed by Section 162(m) of the Code for purposes of setting compensation. The Compensation Committee may seek to qualify the variable compensation paid to our named executive officers for an exemption from the deductibility limitations of Section 162(m) of the Code. As such, in approving the amount and form of compensation for our named executive officers since the offering, the Compensation Committee considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m) of the Code. However, our Compensation Committee may, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) of the Code when it believes that such payments are appropriate to attract and retain executive talent.

Internal Revenue Code Section 409A

Section 409A of the Code requires that “nonqualified deferred compensation” be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, additional taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our named executive officers, so that they are either exempt from, or satisfy the requirements of, Section 409A of the Internal Revenue Code.

Section 280G of the Internal Revenue Code

Section 280G of the Code, disallows a tax deduction with respect to excess parachute payments to certain executives of companies that undergo a change in control. In addition, Section 4999 of the Code, imposes a 20% additional income tax on the individual with respect to the excess parachute payment. Parachute payments are compensation linked to or triggered by a change in control and may include, but are not limited to, bonus payments, severance payments, certain fringe benefits, and payments and acceleration of vesting from long-term incentive plans including Options and other equity based compensation. Excess parachute payments are parachute payments that exceed a threshold determined under Section 280G of the Code based on the executive’s prior compensation. In approving the compensation arrangements for our named executive officers since our 2013 initial public offering, the Board considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 280G of the Code. However, the Board may, in its judgment, authorize compensation arrangements that could give rise to loss of deductibility under Section 280G of the Code and the imposition of excise taxes under Section 4999 of the Code when it believes that such arrangements are appropriate to attract and retain executive talent.

Accounting for Stock-Based Compensation

We follow Financial Accounting Standards Board Accounting Standards Codification Topic 718, or ASC Topic 718, for our stock based compensation awards. ASC Topic 718 requires companies to calculate the grant date “fair value” of their stock based awards using a variety of assumptions. ASC Topic 718 also requires companies to recognize the compensation cost of their stock based awards in their income statements over the period that an employee is required to render service in exchange for the award. Grants of Options, RSUs and other equity based awards under our equity incentive award plans will be accounted for under ASC Topic 718. The Board and/or Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity incentive award plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Compensation Risk Assessment

The Compensation Committee conducts an annual risk assessment of compensation programs to identify and manage any risks they may present. Mercer reviews the risk assessment findings and discusses them with the Committee. The key factors of our compensation programs that mitigate risk are the following: alignment of compensation mix and level to market, established maximum payout levels for incentive plans, alignment of incentive plan payouts with total company performance, and strong Compensation Committee oversight with validation of awards before payout. Based on this assessment, the Committee has determined that any risks arising from our compensation programs are not reasonably likely to have a material adverse effect on the Company.

Amounts reflect the full grant-date fair value of Options, RSUs and PSAs granted during 2015 computed in accordance with ASC 718, rather than the amounts paid to or realized by the named individual. We provide information regarding the assumptions used to calculate the value of all of these awards in Notes 1 and 8 to our (1) financial statements included in our Form 10-K filed March 2, 2016. In addition, the maximum potential value of the PSAs granted to Ms. Roche and Messrs. Tauscher, Ulrich, Tate and Crum is \$1,650,442, \$3,950,110, \$770,467, \$473,231 and \$473,231 respectively, assuming the Company achieved the maximum goal for each performance criteria.

(2) Amounts represent bonuses paid with respect to 2015 services under our 2015 Bonus Plan. For a description of the 2015 Bonus Plan, refer to the discussion under the caption “2015 Bonuses” above.

Amounts represent change in pension value under the Employee Retirement Plan of Safeway Inc. and its Domestic Subsidiaries and the Safeway Retirement Restoration Plans I and II and nonqualified deferred compensation (3) earnings under the Safeway Executive Deferred Compensation Plans I and II. We are no longer part of the same consolidated group as Safeway as of April 14, 2014. Therefore, no accruals or earnings under the Safeway plans are included for 2015.

For 2015, the amounts shown include our incremental cost for the provision to our named executive officers of (4) certain specified perquisites (as detailed below), matching contributions by the Company on the executive's behalf to the Blackhawk Network 401(k) Plan, life insurance premiums paid by the Company for policies on behalf of our named executive officers, stock dividends payable declared on December 29, 2012 and payable

to holders of unvested RSAs if and when the shares vest, and in the case of certain named executive officers, expenses associated with the executive's spouse on business trips.

The "Threshold" number of shares represents 50% of the target number of performance shares granted, which is the number of shares that would be earned based on achieving the minimum adjusted operating revenue growth and adjusted pre-tax EPS growth. The "Target" number of shares represents 100% of the performance shares granted, which is the number of shares that would be earned based on achieving the target performance goals. The "Maximum" number of shares shown is 200% of the performance shares granted, which is the number of shares that would be earned based on achieving the maximum performance goals. Please see the section "Compensation Discussion and Analysis—Elements of Compensation-Equity Awards" for

a detailed discussion of the PSAs.

2015 Pension Benefits

Our named executive officers have accumulated, undistributed benefits under one or more of the Employee Retirement Plan of Safeway Inc. and its Domestic Subsidiaries, or the Safeway ERP, the Safeway Retirement Restoration Plan I and/or the Safeway Retirement Restoration Plan II, or collectively, the Safeway RRP. These benefits were credited for service performed for Blackhawk, when we were a subsidiary or division of Safeway. Safeway distributed its remaining shares of our Common Stock on April 14, 2014. For a description of these plans, see our Proxy Statement for the 2015 Annual Meeting of Stockholders, filed with the Securities and Exchange Commission on April 8, 2015.

2015 Non-Qualified Deferred Compensation

We adopted the Blackhawk Network Holdings, Inc. Deferred Compensation Plan, or the Blackhawk Deferred Compensation Plan, a non-qualified and unfunded defined contribution plan, effective as of June 21, 2015. Participation in the Blackhawk Deferred Compensation Plan is limited to our non-employee directors and certain management and highly compensated employees that are selected by our Compensation Committee, currently including all of our named executive officers. Named executive officers may elect to defer between 1% and 50% of base salary and between 10% and 100% of cash bonus plan compensation to an unfunded, but fully vested account. At our sole discretion, we may make contributions to the Blackhawk Deferred Compensation Plan from time to time. No such contributions have been made.

At the election of the executive officer, the account balance under the Blackhawk Deferred Compensation Plan may be deemed to be invested in one or more investment funds, with the hypothetical investment gains and losses derived from the deemed investments credited to (or debited from) the executive officer's deferred account balance. Named executive officers must submit irrevocable deferral elections with respect to amounts deferred under the Blackhawk Deferred Compensation Plan that specify when payment will commence – either a fixed date or upon their termination of service with us, provided, however, that any amounts not yet being paid will always commence payment upon a termination of service. Named executive officers may elect to receive payment in a lump sum distribution or in annual installments over a period of 5, 10 or 15 years. All amounts deferred under the plan will be paid in accordance with the distribution elections submitted by the executive officer, subject to limited exceptions for small account balances or subsequent deferral elections satisfying certain legal requirements.

We may terminate the Blackhawk Deferred Compensation Plan at any time, but termination will not reduce any existing account balances and will not accelerate payment unless otherwise determined by the Compensation Committee and permitted by applicable law.

No named executive officer deferred any portion of salary or bonus into the Blackhawk Deferred Compensation Plan for the fiscal year ended January 2, 2016, and no Company contributions were made for our named executive officers during the fiscal year ended January 2, 2016.

Mr. Ulrich has undistributed compensation under the Safeway Executive Deferred Compensation Plans, or the Safeway Deferred Compensation Plans, attributable to service performed for Blackhawk, when we were a subsidiary or division of Safeway. Safeway distributed its remaining shares of our Common Stock on April 14, 2014. For a description of these plans, see our Proxy Statement for the 2015 Annual Meeting of Stockholders, filed with the Securities and Exchange Commission on April 8, 2015.

Potential Payments upon Termination or Change in Control

Our named executive officers are entitled to certain payments and benefits upon a qualifying termination of employment or a change in control. The following discussion describes the payments and benefits to which our named executive officers would have become entitled pursuant to agreements in effect as of January 2, 2016.

Severance Arrangements

Pursuant to the offer letter between Mr. Ulrich and the Company dated June 1, 2006, as amended on August 9, 2007 upon a termination of employment other than for cause, Mr. Ulrich would be entitled to receive 52 weeks of base salary continuation, provided, however, any amount paid during the paid leave of absence that is considered “nonqualified deferred compensation” subject to Section 409A of the Code shall be delayed six months if he is determined to be a specified employee under Section 1.409A-1(i) of the Treasury regulations.

The Severance Plan provides for the payment of severance and other benefits to certain eligible employees, (including all of the named executive officers) following a change in control (as defined therein) in the event of a subsequent termination of employment by the Company without “cause” or by the eligible employees for “good reason” (each, as defined in the Severance Plan and each such termination, a Qualifying Termination). In the event of a Qualifying Termination during the 24-month period following a “change in control” (as defined in the Severance Plan), the Severance Plan provides for the following payments and benefits:

an amount equal to the product of (i) two (Mr. Tauscher), one and one half (Mr. Ulrich and Ms. Roche) or one (Messrs. Tate and Crum), multiplied by (ii) the sum of the executive’s base salary and target annual cash bonus opportunity for the fiscal year of termination, payable in substantially equal installments, in accordance with the Company’s normal payroll procedures, over the 24-month period (Mr. Tauscher), 18-month period (Mr. Ulrich and Ms. Roche) or 12-month period (Messrs. Tate and Crum) following the termination date;

an additional lump sum payment equal to a prorated portion of the executive’s target annual cash bonus opportunity for the fiscal year of termination;

payment or reimbursement of COBRA premiums through the earlier of the end of the COBRA period or the date on which the executive becomes eligible for other health care coverage; and

full accelerated vesting of the executive’s time-based equity awards and accelerated vesting of the executive’s performance-based equity awards with respect to 100% of the “target” number of shares subject to such performance-based equity awards.

The eligible employee’s right to receive the severance payments pursuant to the Severance Plan is contingent on the person executing a general release of claims against the Company. In addition, to the extent that any payment or benefit received by an executive would be subject to an excise tax under Section 4999 of the Code, such payments and/or benefits will be subject to a “best pay cap” reduction if such reduction would result in a greater net after-tax benefit to the executive than receiving the full amount of such payments.

In 2016, the Compensation Committee agreed to increase severance benefits to an amount equal to the product of (i) two (Mr. Tauscher and Ms. Roche) or one and one-half (Messrs. Ulrich, Tate and Crum), multiplied by (ii) the sum of the eligible person's base salary and target annual cash bonus opportunity for the fiscal year of termination, payable in substantially equal installments, in accordance with the Company's normal payroll procedures, over the 24-month period (Mr. Tauscher and Ms. Roche) or 18-month period (Messrs. Ulrich, Tate and Crum) following the termination date. The other terms of the Severance Plan remain the same.

Deferred Compensation Plan

Benefits Payable upon Termination (other than Death). Under the Blackhawk Deferred Compensation Plan, in the event of a termination of employment of a named executive officer for any reason other than death, including in connection with a change in control, the named executive officer is entitled to receive his or her account balance under such plan as of the date of termination. For a discussion of the amounts payable and manner of payment to each of our named executive officers under the Blackhawk Deferred Compensation Plan, assuming a termination of employment as of December 31, 2015, see the section titled "Non-Qualified Deferred Compensation" above.

In addition, our named executive officers have benefits payable upon termination of employment under one or more of the Safeway ERP, the Safeway RRP and/or the Safeway Deferred Compensation Plans. For a description of these plans, see our Proxy Statement for the 2015 Annual Meeting of Stockholders, filed with the Securities and Exchange Commission on April 8, 2015.

Benefits Payable Upon Death. Under the Blackhawk Deferred Compensation Plan, any undistributed balance of a named executive officer will be payable if the executive dies before the entire deferred account balance has been distributed. The named executive officer's beneficiary will receive the balance of the executive's benefit in the form of a lump sum. In addition, our named executive officers have benefits payable upon death under one or more of the Safeway ERP and/or the Safeway RRP. For a description of these plans, see our Proxy Statement for the 2015 Annual Meeting of Stockholders, filed with the SEC on April 8, 2015.

Acceleration of Options, RSUs and PSAs upon Death, Disability or Retirement

In the event of the retirement of a named executive officer at or after the one (1)-year anniversary of the date of grant of an award under the 2013 Plan and the executive officer has attained (i) age 55 and completed 10 consecutive years of service or (ii) age 65, certain Options and RSUs will accelerate and vest in full. Certain PSAs that were granted under the 2013 Plan will vest in full to the extent that they are performance vested as of the date of retirement, and any PSAs that are not then performance-vested will remain outstanding and vest in accordance with the terms of the 2013 Plan. In the event of the death of a named executive officer or termination on account of disability, in each case at or after the one (1)-year anniversary of the date of grant of an award under the 2013 Plan, certain Options and RSUs will accelerate and vest in full. Certain PSAs will be deemed performance vested with respect to the target number of performance shares, and such number of performance shares will vest in full.

Acceleration of Options and SARs upon a Change in Control

In the event we undergo a change in control, Options and SARs held by the named executive officers that were granted under the 2007 Plan will accelerate and vest in full.

Summary of Potential Payments

The following table summarizes the payments that would be made to certain of our named executive officers upon the occurrence of certain qualifying terminations of employment, assuming such named executive officer's termination of employment with us occurred on January 2, 2016 and, where relevant, that a change in control of the Company occurred on January 2, 2016. Amounts shown in the table below do not include (i) accrued but unpaid salary, and (ii) other benefits earned or accrued by the named executive officer during his or her employment that are available to all salaried employees, such as accrued vacation.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The material in this report is not “soliciting material,” is not deemed “filed” with the SEC, and is not to be incorporated by reference into any filing of Blackhawk under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The primary purpose of the Audit Committee is to oversee our financial reporting processes on behalf of the Board. The Audit Committee’s functions are more fully described in its charter, which is available on our website at <http://ir.blackhawknetwork.com>. Management has the primary responsibility for our financial statements and reporting processes, including our systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management Blackhawk’s audited consolidated financial statements as of and for the year ended January 2, 2016, including critical accounting estimates, and management’s report on internal control over financial reporting as of January 2, 2016.

The Audit Committee has discussed with Deloitte & Touche LLP, the Company’s independent registered public accounting firm, the matters required to be discussed by Auditing Standard No. 16, “Communications with Audit Committees” as adopted by the Public Company Accounting Oversight Board (PCAOB) and Rule 2-07 of SEC Regulation S-X. In addition, the Audit Committee discussed with Deloitte & Touche LLP their independence, and received from Deloitte & Touche LLP the written disclosures and the letter required by PCAOB Rule 3526 regarding the firm’s independence from Blackhawk. Finally, the Audit Committee discussed with Deloitte & Touche LLP, with and without management present, the scope and results of Deloitte & Touche LLP’s audit of such financial statements and audit of internal control over financial reporting as of January 2, 2016.

Based on these reviews and discussions, the Audit Committee has recommended to the Board that such audited financial statements and management’s report on internal control over financial reporting be included in our Annual Report on Form 10-K for the year ended January 2, 2016 for filing with the SEC. The Audit Committee also has engaged Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 and is seeking ratification of such selection by the stockholders.
