Item 2.02 Results of Operations and Financial Condition

On September 24, 2009, Park City Group, Inc. (the “Company”) issued a press release announcing its operating results for the year ended June 30, 2009, and including certain other remarks relating to operations. A copy of the press release is attached as Exhibit 99.1.

The press release contains certain adjusted non-GAAP financial measures, as well as comparable GAAP financial measures. The Company believes that providing both GAAP and adjusted non-GAAP measures of its performance will provide meaningful supplemental information regarding its operational effectiveness and to enhance investors’ overall understanding of the Company’s current financial performance and prospects for the future. Management believes that investors benefit from seeing its results “through the eyes” of management in addition to the GAAP presentation. It is management’s belief that while not in accordance with or an alternative for GAAP, the adjusted information allows for greater transparency to supplemental information used by management in its financial and operational decision making.

The adjusted information excludes items, such as amortization of intangible assets, impairment charges, depreciation, charges to consolidate and integrate recently acquired businesses and non-cash stock based compensation, and other non-cash charges that may have a material effect on the Company’s net income and net income per share in accordance with GAAP. Management monitors these items to ensure that expenses are in line with expectations and that its GAAP results are correctly stated, but does not use them to measure the ongoing bottom line operating performance of the Company. Furthermore, the non-GAAP or adjusted information provided by the Company may be different from the non-GAAP or adjusted information provided by other companies.

A reconciliation of the non-GAAP financial measures to the comparable GAAP financial measure is available on the Company’s home page at [www.parkcitygroup.com](http://www.parkcitygroup.com) by selecting “Reconciliation of Non-GAAP Financial Measures” under the “Company” tab.
