- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes[  ] No[  ]

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes[  ] No[  ]

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Effective October 1, 2015, the Company completed a merger with iSatori, Inc. ("iSatori"), pursuant to which iSatori merged with and into a subsidiary of the Company, with iSatori surviving as a wholly-owned subsidiary of the Company (the "Merger"). The Annual Report contains consolidated financial position and results of operations of both the Company and iSatori, and, as a result, will differ significantly from the results of operations reported in the Company's Annual Report on Form 10-K for the year ended December 31, 2014.

The Company's expects to disclose the following operating results for the year ended December 31, 2015 in the Annual Report:

**Net Sales.** Revenue for the year ended December 31, 2015 decreased 10.1% to \$17,931,464 as compared to \$19,960,376 for the year ended December 31, 2014. Core revenue from the Company's wholly-owned subsidiary NDS Nutrition, Inc. decreased by \$3,467,675, from \$19,960,376 for the year ended December 31, 2014 to \$16,492,701 for the year ended December 31, 2015, or 17.4%, which was principally the result of the transition to the indirect distribution model whereby the Company now sells to General Nutrition Center, Inc.'s, or GNC, distribution system at wholesale pricing which is approximately 15% lower than the prior direct model pricing. This revenue decrease was partially offset by revenue from the fourth quarter of 2015 attributable to iSatori Products, which added \$1,438,764 to total revenue during the year ended December 31, 2015.

**Cost of Goods Sold.** Cost of goods sold for the year ended December 31, 2015 decreased 9.4% to \$11,653,057 as compared to \$12,867,466 for the year ended December 31, 2014. This decrease is primarily attributable to lower dollar sales volume during the 2015 period, as discussed above.

**General and Administrative Expense.** General and administrative expense for the year ended December 31, 2015 increased by \$1,408,960 to \$4,045,286 as compared to \$2,636,326 for the year ended December 31, 2014. This increase is principally attributable to certain non-recurring costs incurred in connection with the Merger during the year ended December 31, 2015, and to the incurrence of additional headcount and related expenses during the quarter ended December 31, 2015 that were assumed as a result of the acquisition of iSatori.

**Selling and Marketing Expense.** Selling and marketing expense for the year ended December 31, 2015 increased to \$2,926,063 as compared to \$2,378,413 for the year ended December 31, 2014. This increase is principally

Edgar Filing: FITLIFE BRANDS, INC. - Form NT 10-K

attributable to the addition new employees hired to support ongoing NDS product sales growth, as well as the addition of iSatori sales and marketing staff, product rebates taken in connection with the 2015 GNC franchise convention, and expenses related to the launch of Metis Nutrition for GNC corporate stores during the year ended December 31, 2015.

Net Income/ (Loss). Net loss was \$(1,219,958) for the year ended December 31, 2015, as compared to net income of \$1,673,601 for the year ended December 31, 2014. This decrease is principally attributable to approximately \$750,000 in costs related to the Merger, a loss of approximately \$700,000 for the fourth quarter attributable to iSatori, lower dollar sales volume as compared to the prior year, approximately \$135,000 initial investment in the launch of Metis, \$75,000 related to the addition of several new in-market sales persons to drive growth, and approximately \$220,000 incremental legal and other costs that management believes are non-recurring in nature.
