CREATION OF A DIRECT FINANCIAL OBLIGATION

On March 28, 2011, J.B. Hunt Transport, Inc. (“Transport”) and J.B. The Company is a publicly held holding company and the parent company of Transport. This new agreement is by and among Transport, the Company, Regions Bank, as Documentation Agent and U.S. Bank National Association, a national banking association, as administrative agent for the participating banks and as Sole Bookrunner and Sole Lead Arranger.

The agreement calls for each bank, severally and for itself alone, to make term loans to Transport in the amount requested but not more than the commitment amount of such bank. The applicable interest rates on the Base Rate Loans will be equal to the higher of (a) the Federal Funds Rate plus ½ of 1% or (b) the Prime Rate in effect on the day of the loan. The applicable interest rate on the Eurodollar Rate Loans will be based on LIBOR plus an applicable margin and other fees.

The proceeds of these term loans will be used to pay off existing indebtedness and for general working capital purposes.

This agreement will terminate and all outstanding amounts will be due and payable in three years from the closing date. The term loan(s) shall be repaid in an installment of \$50 million at the end of year two with the remaining \$150 million payable at maturity.
