Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 5(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The Reporting Person, through a corporation wholly owned by Reporting Person, purchased a convertible promissory note from the
- (1) Issuer pursuant to its Fall 2008 private securities offering. The note matures on October 15, 2011, and may be converted at that time into common stock by the Issuer, or at any time by the Reporting Person.
- The principal amount of the convertible promissory note is convertible into 400,000 shares of the Issuer's common stock at a conversion rate of \$0.50 per share. In addition to the principal, the note accrues interest at an annual rate of 10%, and allows the Issuer, at its option, to
- (2) pay the accrued interest in cash or in common stock. The number of shares indicated in this Form 3, 400,000, includes only the shares issuable upon conversion of the principal, and does not include shares issuable should the Issuer choose to pay interest by converting to common stock.
 - (3) This Option to Purchase Common Stock was issued to the Reporting Person automatically on August 18, 2011, pursuant to the terms of the Issuer's 2007 Equity Incentive Plan, upon being elected as a non-employee Director of the Issuer.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
