DIRECTOR COMPENSATION

Our executive officers who are members of our board of directors and the directors who are not considered independent under the corporate governance rules of the New York Stock Exchange do not receive compensation from us for their service on our board of directors. Accordingly, Mr. Wolf and Mr. Brown do not receive compensation from us for their service on our board of directors. Only those directors who are considered independent directors under the corporate governance rules of the New York Stock Exchange receive compensation from us for their service on our board of directors. Mr. Burns, Mr. D'Agostino, Mr. Toto, Mr. Janeway and Mr. Altobello are to be paid \$10,000 per annum for their service as members of the board.

In the last two years our directors have twice been granted stock options to purchase 10,000 shares of the Company's common stock at an exercise of \$1.00 ("Option Grant 1") and \$2.95 ("Option Grant 2"), respectively. All such options vested immediately and expire 5 years from the date of grant. There is no formal arrangement with our board of directors for the granting of options. There is no assurance that the Company will continue to issue options to the board of directors or on what terms such issuance would occur. Each director that was granted 10,000 options under Option Grant 2 subsequently cancelled such 10,000 options to purchase common stock on April 23, 2014 in exchange for 8,000 shares of the Company's common stock.

We also reimburse all of our directors for reasonable expenses incurred to attend board of director or committee meetings.

There was no director compensation for the one month period ended January 31, 2014.
