On November 10, 2015, Pine Ridge Winery, LLC (“Borrower”), a wholly-owned subsidiary of Crimson Wine Group, Ltd. (the “Company”), entered into a senior secured term loan agreement (the “Loan Agreement”) with American AgCredit, FLCA (“Lender”) for an aggregate principal amount of \$16.0 million. Amounts outstanding under the Loan Agreement will bear a fixed interest rate of 5.24% per annum.

The Loan Agreement will mature on October 1, 2040 (the “Maturity Date”). On the first day of each January, April, July and October, commencing January 1, 2016, a principal payment in the amount of One Hundred Sixty Thousand Dollars (\$160,000) and an interest payment equal to the amount of all interest accrued through the previous day shall be made. A final payment of all unpaid principal, interest and any other charges with respect to the Loan Agreement shall be due and payable on the Maturity Date.

Events of default under the Loan Agreement include, among others, the following: failure to make payments when due, breach of covenants, breach of representations or warranties, cessation of operations and the incurrence of certain environmental liabilities. In the case of any of the foregoing events of default, Lender may, but is not obligated to, accelerate all amounts due under the Loan Agreement and cause them to become immediately due and payable. In the case of an event of default arising from certain events of bankruptcy or insolvency, amounts due under the loan agreement will be accelerated and become immediately due and payable.

Borrower’s obligations under the Loan Agreement are guaranteed by the Company. In addition, all obligations of Borrower under the Loan Agreement are collateralized by certain real property of the Company. Borrower’s covenants include the maintenance of a specified debt service coverage ratio and certain customary affirmative and negative covenants, including limitations on the incurrence of additional indebtedness; limitations on distributions to shareholders; and restrictions on certain investments, sale of assets and merging or consolidating with other persons. The full \$16.0 million was drawn at closing and proceeds from the Loan Agreement can be used to fund acquisitions, capital projects and other general corporate purposes.
