Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 1, 2015, Paramount Group, Inc. (the “Company”), through a wholly-owned subsidiary of its operating partnership, entered into a \$1.0 billion mortgage loan agreement (the “loan”) secured by 1633 Broadway (the “Property”), a 2.6 million square foot, trophy office building located on Broadway between 50<sup>th</sup> and 51<sup>st</sup> Streets in Manhattan. The new seven year loan matures in December 2022, is interest only at LIBOR plus 175 basis points and can be increased at the Company’s option, by \$250 million to \$1.25 billion, until the third anniversary following the closing, if certain performance hurdles relating to the Property are satisfied. The loan contains customary covenants that may cause the lender to accelerate the due date of the entire amount borrowed, in the event of a breach or a default. The net proceeds from the refinancing were used primarily to repay the existing \$926 million loan and fund \$42 million of swap breakage costs. The existing loan was scheduled to mature in December 2016 and had a weighted average interest rate of 5.35%. In addition, the Company entered into interest rate swap agreements with an aggregate notional amount of \$1.0 billion fixing LIBOR at 1.84%. Accordingly, the interest rate on the loan is fixed at 3.59% and the effective interest rate, including amortization of fees and additional mortgage recording taxes is 3.87%, through December 2021 when the interest rate swaps begin to expire.

The information set forth above in Item 2.03 is incorporated herein by reference. The Company issued a press release in connection with the refinancing, which is attached hereto as Exhibit 99.1 and is incorporated herein by reference into this Item 8.01.
