On June 9, 2014, the Company announced that its board of directors has approved the spin-off of the Company's oilfield services business into a stand-alone, publicly traded company called Seventy Seven Energy Inc. ("SSE"). The two companies will be separated through the distribution of SSE common stock to holders of the Company's common stock on a pro rata basis. The Company's shareholders will receive one share of SSE common stock for every 14 shares of the Company's common stock held at the close of business on the record date of June 19, 2014. No fractional shares of SSE common stock will be issued; however, shareholders entitled to receive a fractional share of SSE common stock in the distribution will instead receive the cash value of that fractional share. The distribution is expected to occur following the close of business on June 30, 2014. The distribution is subject to the satisfaction of the conditions to the separation and distribution described in SSE's Registration Statement on Form 10, as filed with the Securities and Exchange Commission under the registrant name Chesapeake Oilfield Operating, L.L.C.
