Item 2.02. Results of Operations and Financial Condition.

The information in Item 2.02 of this Current Report on Form 8-K of Third Point Reinsurance Ltd. (the “Company”) is intended to furnish certain estimated financial and operating results of the Company as of and for the fiscal year ended December 31, 2014 as set forth in Exhibit 99.1 to this Current Report on Form 8-K.

The estimated financial and operating results as of and for the Company’s fiscal year ended December 31, 2014 included in Exhibit 99.1 hereto are preliminary, unaudited and subject to completion, reflect management’s current views, and may change as a result of management’s review of results and other factors, including a wide variety of significant business, economic and competitive risks and uncertainties. Such preliminary results are subject to the finalization of year-end financial and accounting procedures (which have yet to be performed) and should not be viewed as a substitute for full audited annual financial statements prepared in accordance with U.S. generally accepted accounting principles. The actual results may be materially different from the estimated results. See the factors discussed under the caption “Risk Factors” in Item 1A of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed with the Securities and Exchange Commission on February 28, 2014 (the “Annual Report”).

The information in Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1 hereto, is being “furnished” to comply with Item 2.02 of Form 8-K and shall not be deemed “filed” by the Company for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in any such filing.

Item 8.01. Other Events.

Updated Financial Information

The information in this section of Item 8.01 of this Current Report on Form 8-K is intended to update certain financial information that was previously provided in the Annual Report and the Company’s Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2014 filed with the Securities and Exchange Commission on November 7, 2014 (the “Quarterly Report”) in order to permit Third Point Re (USA) Holdings Inc. (“TPRUSA”), a Delaware corporation and an indirect wholly owned subsidiary of the Company that was incorporated on November 21, 2014, to incur indebtedness guaranteed by the Company.

The updated financial information includes, in a footnote to the consolidated financial statements of the Company for the applicable periods, condensed consolidating financial information for the periods specified in the Annual Report and the Quarterly Report with separate columns for the Company, TPRUSA, any other subsidiaries of the Company on a combined basis, consolidating adjustments and the total consolidated amounts. There was no effect on the Company’s financial position, results of operations or cash flows in any of the periods presented as a result of or otherwise relating to the updated financial information.

Accordingly, the following documents are filed as part of Item 8.01 of this Current Report on Form 8-K:

- Form 10-K: Item 8. Financial Statements and Supplementary Data (Exhibit 99.2)
- Form 10-Q: Item 1. Financial Statements (Exhibit 99.3)

Information About Third Point Re (USA) Holdings Inc.

TPRUSA is an indirect wholly owned subsidiary of the Company. Its direct parent company is Third Point Re (UK) Holdings Ltd., a private company limited by shares organized under the laws of the U.K. and Wales and a direct wholly owned subsidiary of the Company. Copies of TPRUSA’s certificate of incorporation and bylaws are filed as Exhibit 3.1 and Exhibit 3.2 to this Current Report on Form 8-K, respectively, and are hereby incorporated by reference.

TPRUSA's only operations to date relate to accessing financing on behalf of the Company and on behalf of Third Point Reinsurance (USA) Ltd. ("Third Point Re USA"), a Bermuda company licensed as a Class 4 insurer and the wholly owned operating subsidiary of TPRUSA. Otherwise, to date TPRUSA has conducted no independent business, offers no products or services and owns no property. As a result, TPRUSA has a limited operating history and is exposed to volatility in its results of operations. Period to period comparisons of its results of operations may not be meaningful. TPRUSA expects to provide, through a U.S.-based platform, reinsurance products that are substantially similar to the reinsurance products currently provided by the Company. In order to facilitate these new reinsurance operations and obtain surplus relief, in connection with the initial capitalization of TPRUSA and Third Point Re USA, Third Point Re USA intends to enter into a quota share reinsurance agreement with Third Point Reinsurance Company Ltd., a Bermuda company licensed as a Class 4 insurer and a wholly owned subsidiary of the Company ("Third Point Re"), pursuant to which Third Point Re would assume 75% of premium and losses for Third Point Re USA's portfolio of reinsurance contracts. Third Point Re USA also intends to enter into a net worth maintenance agreement with the Company, pursuant to which the Company would agree to commit funds sufficient to maintain a minimum level of capital at Third Point Re USA of \$250 million, and a services agreement with the Company, pursuant to which the Company would agree to provide certain general and administrative support services. In addition, Third Point Re USA intends to enter into a joint venture and investment management agreement with Third Point LLC and Third Point Advisors LLC, and to become a party to the Founders Agreement dated as of December 22, 2011 among Third Point Re and several affiliates of the Company.

TPRUSA's U.S. presence is a strategic component of the Company's overall growth strategy. As a result of TPRUSA's U.S. presence, the Company expects to strengthen its relationships with U.S. cedents and brokers. The Company also expects to develop a firsthand understanding of cedent underwriting and claims capabilities that will benefit the Company's own underwriting practices.

As a result of TPRUSA's activities in the United States, the Company expects that TPRUSA will be subject to U.S. federal income taxation on its net income. However, the Company believes that its current activities, notwithstanding activities conducted through TPRUSA, will not cause the Company to be treated as engaging in a U.S. trade or business and will not cause the Company otherwise to be subject to current U.S. federal income taxation on its consolidated net income. See "Risk Factors--We may be subject to United States federal income taxation" in the Annual Report.

TPRUSA's principal executive offices are located at 51 JFK Parkway, First Floor West, Short Hills, New Jersey 07078. Its telephone number is 908-608-8970.

- other risks and factors listed under "Risk Factors" in the Company's most recent Annual Report on Form 10-K and other periodic and current reports filed with the Securities and Exchange Commission.

Any one of these factors or a combination of these factors could materially affect the Company's financial condition or future results of operations and could influence whether any forward-looking statements contained in this Current Report on Form 8-K ultimately prove to be accurate. The Company's forward-looking statements are not guarantees of future performance, and readers should not place undue reliance on them. All forward-looking statements speak only as of the date made and the Company undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
