- Represents the invested portion of an award of RSUs that is vesting on a time-based vesting schedule over the course of three years as follows: 33.33% on the first anniversary of the vesting start date of April 26, 2013, and the remaining 66.66% in equal 8.25% installments every three months thereafter, provided the reporting person continues to be employed by the Issuer on each such vesting date. Each RSU represents the contingent right to receive one share of the Issuer's common stock. This award includes a provision for the withholding of shares by the Issuer to pay the withholding taxes due on each such vesting date. The vest start date of April 26, 2013 for this award has been determined by the Committee to reflect the fact that such award would have been granted in the second quarter of calendar year 2013, were it not for the Issuer's restatement process and the fact that the Issuer was not current in its filing obligations under the Exchange Act.
