GENERAL INFORMATION ABOUT THE PROXY MATERIALS AND VOTING AT THE ANNUAL MEETING

Why am I receiving these materials?

The Board of Directors of CAI International, Inc. CAI INTERNATIONAL, INC. | 2016 PROXY STATEMENT | 1

Who is entitled to vote and how many votes do I have?

Each share of our common stock issued and outstanding as of the close of business on April 15, 2016 (the “Record Date”) is entitled to one vote on all items being voted upon at the Annual Meeting. You may vote all shares owned by you as of this time, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee, such as a bank. On the Record Date, there were 19,428,894 shares of our common stock issued and outstanding.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most stockholders hold their shares through a broker, trust, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, Computershare Trust Company N.A., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right with these proxy materials to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed or sent a proxy card for you to use in granting your voting proxy to us.

Beneficial Owner: If your shares are held in a brokerage account (in street name) or by another person on your behalf, you are considered the beneficial owner of those shares, and these proxy materials are being forwarded to you by your broker or other nominee together with a voting instruction card. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker, trustee, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, trustee, bank or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Your broker, trustee, bank or other nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee, bank or other nominee how to vote your shares.

How can I attend and vote my shares at the Annual Meeting?

You are entitled to attend the Annual Meeting only if you were a CAI stockholder as of the close of business on the Record Date, or you hold a valid proxy for the Annual Meeting.

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee, bank or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

How can I vote my shares without attending the Annual Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted by proxy without attending the Annual Meeting. Stockholders of record of our common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Stockholders who are the beneficial owners of shares held in a brokerage account, or by another person on their behalf, may vote by mail by completing, signing and dating the voting instruction card provided by their broker, trustee, bank or other nominee and mailing it in the accompanying pre-addressed envelope.

Can I change or revoke my vote?

You may change or revoke your vote at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change or revoke your vote by (i) submitting a new proxy bearing a later date (which automatically revokes the earlier proxy), (ii) providing a written notice of revocation of your proxy to our Secretary prior to your shares being voted, or (iii) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If you are the beneficial owner of shares held in a brokerage account, or that are held by another person on your behalf, you may change or revoke your vote by submitting new voting instructions to your broker, trustee, bank or other nominee as provided in the voting instruction card, or, if you

have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CAI or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy cards, which are forwarded to our management.

How many shares must be present or represented to conduct business at the Annual Meeting?

Transaction of business at the Annual Meeting may occur only if a quorum is present. The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of shares of our common stock entitled to vote must be present in person or represented by proxy. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

How are votes counted?

In the election of directors, you may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For any other item of business, you may vote "FOR," "AGAINST" or "ABSTAIN." If you "ABSTAIN," the abstention has the same effect as a vote "AGAINST."

If you provide specific instructions in your proxy card or voting instruction card with regard to a certain item, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign and return your proxy card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board of Directors ("FOR" the Class III director nominees to the Board of Directors, "FOR" the proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016, "FOR" the advisory resolution to approve the compensation of our named executive officers, "FOR" the proposal to approve the amended CAI International, Inc. 2007 Equity Incentive Plan, and in the discretion of the proxy holders on any other matters that properly come before the Annual Meeting).

What is the voting requirement to approve each of the proposals?

For Proposal No. 1, the election of directors, members of the Board of Directors are elected by a plurality of the votes cast, provided that a majority of the shares of common stock are present or represented and entitled to vote at the Annual Meeting. The candidates who receive the greatest number of votes "FOR" will be elected directors. Cumulative voting is not permitted for the election of directors.

Proposal No. 2, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016, requires the affirmative vote of a majority of the votes cast on the matter, in person or by proxy, at the Annual Meeting.

Proposal No. 3, the advisory resolution to approve the compensation of our named executive officers, requires the affirmative vote of a majority of the votes cast on the matter, in person or by proxy, at the Annual Meeting.

Proposal No. 4, the approval of the amended CAI International, Inc. 2007 Equity Incentive Plan, requires the affirmative vote of a majority of the votes cast on the matter, in person or by proxy, at the Annual Meeting.

Abstentions are shares that abstain from voting on a particular matter. Under Delaware law, abstentions effectively count as being present for purposes of determining whether a quorum of shares is present at a meeting. Abstentions will have no effect on Proposal No. 1, the election of directors, since approval by a percentage of the shares present or outstanding is not required. Abstentions will have the same effect as a vote against Proposal No. 2, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016, Proposal No. 3, the advisory resolution to approve the compensation of our named executive officers, and Proposal No. 4, the approval of the amended CAI International, Inc. 2007 Equity Incentive Plan.

Under the rules of the New York Stock Exchange ("NYSE"), if your broker holds your shares in its name (also known as "street name"), and does not receive voting instructions from you, the broker is permitted to vote your shares only on "routine" matters. Proposal No. 2, the ratification of the appointment of KPMG LLP as the Company's independent

registered public accounting firm for the fiscal year ending December 31, 2016, is the only routine matter that a broker is permitted to vote on at the Annual Meeting. Broker non-votes are generally not considered votes cast at the Annual Meeting and therefore will have no direct impact on any other proposal. We urge you to give voting instructions to your broker on all voting items.

What happens if additional matters are presented at the Annual Meeting?

Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any reason one of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate as may be nominated by the Board of Directors, unless the Board of Directors chooses to reduce the number of directors serving on the Board of Directors.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

How may I obtain a separate set of voting materials?

If you share an address with another stockholder, you may receive only one set of proxy materials (including our 2015 Annual Report to Stockholders and this proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, we will promptly deliver a separate copy of these materials to you upon written request made to us at CAI International, Inc., Attn: Investor Relations, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430, or a request by telephone at (415) 788-0100.

Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may write to us at the above address or fax number to request delivery of a single copy of these materials.

Who will bear the cost of soliciting votes for the Annual Meeting?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to mailing these proxy materials, proxies or votes may be solicited in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (“SEC”) within four business days following the Annual Meeting.

What is the deadline to propose actions for consideration at next year’s Annual Meeting of Stockholders or to nominate individuals to serve as directors?

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the 2017 Annual Meeting of Stockholders pursuant to SEC Rule 14a-8, the written proposal must have been received by our Secretary at our principal executive offices no later than December 27, 2016. If the date of the 2017 Annual Meeting of Stockholders is moved more than 30 days before or after June 3, 2017, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals must also comply with our bylaws provisions regarding business to be brought before a stockholder meeting and SEC regulations regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to CAI International, Inc., Attn: Secretary, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

CAI INTERNATIONAL, INC. | 2016 PROXY STATEMENT | 4

For a stockholder proposal that is not intended to be included in our proxy statement as described above, stockholders are advised to review our bylaws as they contain requirements with respect to advance notice of stockholder proposals. Stockholders must provide the information required by our bylaws and give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary at the address above:

- not earlier than the close of business on February 3, 2017; and

- not later than the close of business on March 5, 2017.

However, in the event that the 2017 Annual Meeting of Stockholders is convened more than 30 days before or more than 60 days after June 3, 2017, notice by the stockholder to be timely must be delivered not earlier than the close of business on the 120th day prior to the 2017 Annual Meeting of Stockholders and not later than the close of business on the later of the 90th day prior to 2017 Annual Meeting of Stockholders or the 10th day following the day on which public announcement of the date of the 2017 Annual Meeting of Stockholders is first made.

Nomination of Director Candidates: You may propose director candidates for consideration by the Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board of Directors membership and should be directed to the Chair of our Nominating and Corporate Governance Committee by fax or mail addressed to CAI International, Inc., Attn: Chair of the Nominating and Corporate Governance Committee, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430. In addition, our bylaws permit stockholders to nominate directors for election at an annual stockholders meeting. To nominate a director, the stockholder must deliver to our Secretary timely notice in accordance with our bylaws, which require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals." Pursuant to our bylaws, the notice must include, among other things, the information that would be required in a proxy statement or other filings required to be made in connection with soliciting proxies for the election of that nominee in a contested election pursuant to Section 14 of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations promulgated thereunder, disclosure of specified compensatory and other material relationships between the stockholder proponent and its affiliates, on the one hand, and the director nominees and their affiliates, on the other hand, disclosure of all ownership interests in the Company held by the stockholder proponent, including, among other things, all ownership interests, hedges, economic incentives and rights to vote any shares of any security of the Company, in light of increased use by investors of derivative instruments that are not reflected in an investor's beneficial ownership of the Company's securities, and a completed director questionnaire provided by each nominee for election or reelection to the Board of Directors. The notice should be addressed to our Secretary as follows: CAI International, Inc., Attn: Secretary, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

Copy of Bylaw Provisions: If you wish to make a proposal or nominate a director, you are advised to review our bylaws regarding the requirements that must be satisfied in order for a stockholder proposal or director nomination to be considered at an Annual Meeting. You may contact our Secretary as indicated above for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates. How may I communicate with CAI's Board of Directors or the independent directors on CAI's Board of Directors? Any stockholder or other interested party may contact the Board or Directors, including the Presiding Non-Management Director, any non-employee director or the non-employee directors as a group, or any individual director or directors, by writing, directing the communication by mail or fax addressed to CAI International, Inc., Attn: Chairman of the Board of Directors, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430. All communications are relayed to the board member(s) they are directed to.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven directors and is divided into three classes: Class I, Class II and Class III. At the Annual Meeting, two Class III directors will be elected to serve until the 2019 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified, or until the death, resignation or removal of such director.

Masaaki (John) Nishibori and David G. Remington have been nominated for election as the Class III directors at this Annual Meeting. Proxies will be voted for the election of Mr. Nishibori and Mr. Remington unless the authority to vote for is withheld. Each nominee has indicated that he is able and willing to serve if elected, and each of the nominees has consented to being named in this proxy statement. If, however, any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board of Directors to fill the vacancy. If any nominee should be unable or unavailable to serve prior to the election, the Board of Directors may recommend another nominee, and Victor M. Garcia and Timothy B. Page, in their capacity as proxy holders, will vote the proxies for the nominee.

There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he is or was to be selected as a director or officer of CAI. There are no family relationships among our executive officers and directors.

If you sign your proxy card or voting instruction card, but do not give instructions with respect to the voting of directors, your shares will be voted “FOR” the persons Class III directors nominated by the Board of Directors. If you wish to give specific instructions with respect to voting for directors, you may do so by following the instructions on your proxy card or voting instruction card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

A VOTE FOR THE ELECTION OF THE CLASS III DIRECTOR NOMINEES TO THE BOARD OF DIRECTORS.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. Such principles are essential to running our business efficiently and to maintaining our integrity in the marketplace. The Board of Directors has formalized several policies, procedures and standards of corporate governance, including our CAI International, Inc. Corporate Governance Guidelines (the “Corporate Governance Guidelines”), some of which are described below. We continue to monitor best practices and legal and regulatory developments with a view to further revising our governance policies and procedures, as appropriate.

Corporate Governance Guidelines

The Board of Directors has in place the Corporate Governance Guidelines, which are designed to assure the continued vitality of the Board of Directors and excellence in the execution of its duties. Our Corporate Governance Guidelines establish the practices and procedures of the Board of Directors with respect to board composition and member selection, board meetings and involvement of management, board committees and director orientation and education. The Board of Directors periodically reviews our Corporate Governance Guidelines and updates them as necessary to reflect improved corporate governance practices and changes in regulatory requirements. A copy of our Corporate Governance Guidelines is available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers, employees, contractors, consultants, service providers and employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. A copy of our Code of Business Conduct and Ethics is available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com. We intend to disclose any changes in or waivers from the Code of Business Conduct and Ethics that are required to be disclosed by posting such information on our website. A copy of our Corporate Governance Guidelines and Code of Business Conduct and Ethics will be provided to any stockholder who requests it from us in writing at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100.

Board Independence

The Board of Directors has reviewed the relationships between CAI and each of its directors who served as directors during any part of fiscal 2015. For fiscal 2015, the Board of Directors has determined that none of our current directors, except Hiromitsu Ogawa, the Chairman of our Board of Directors, and Victor M. Garcia, our current President and Chief Executive Officer, has a material relationship with us (either directly, through a family member or as a partner, officer or stockholder of any organization that has a relationship with us), and each director, other than Messrs. Ogawa and Garcia, is independent within the meaning of our director independence standards, which reflect exactly the NYSE director independence standards. These independence standards are available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com and a copy of such standards will be provided to any stockholder upon request to us in writing at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100. For fiscal 2015, the Board of Directors determined that each director, except for Messrs. Ogawa and Garcia, is independent within the meaning of our director independence standards and NYSE listing requirements.

The Board of Directors annually appoints a Presiding Non-Management Director from among the independent directors. The Presiding Non-Management Director serves as a focal point and facilitator to assist the independent directors in fulfilling their responsibilities, and the Presiding Non-Management Director presides at all executive sessions of non-management directors. Mr. Marvin Dennis is currently appointed as our Presiding Non-Management Director. Additional information regarding the responsibilities of the Presiding Non-Management Director is available under the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com.

Board Leadership Structure

We do not have a policy regarding separation of the roles of Chief Executive Officer and Chairman of the Board. The Board of Directors believes it is in our best interests to make that determination based on current circumstances. Mr. Ogawa currently serves as the Chairman of the Board of Directors and Mr. Garcia serves as both our Chief Executive Officer and as a director. We believe that having a separate Chairman and Chief Executive Officer is appropriate and

in our best interests at this time given the current characteristics of our management. Mr. Ogawa, as founder and former Chief Executive Officer,
CAI INTERNATIONAL, INC. | 2016 PROXY STATEMENT | 9

is intimately familiar with our business and industry, and highly capable of effectively identifying strategic priorities, overseeing risk management, leading Board of Directors discussions and defining various key strategic objectives. Mr. Garcia, as our President and Chief Executive Officer, is the individual selected by the Board of Directors to manage us on a day-to-day basis, and his direct involvement in our operations allows him to provide valuable insights with respect to strategic planning and the operational requirements to meet our short- and long-term objectives. Our independent directors bring experience, oversight and expertise from outside the Company and industry.

Board Meetings and Executive Sessions

During fiscal 2015, the Board of Directors held nine meetings. Each director attended at least 75% of all Board of Directors and applicable committee meetings on which such director served during his tenure as a director in fiscal 2015. Non-management directors met in executive session on a regular basis in 2015, generally at each regularly scheduled Board of Directors meeting. The Board of Directors expects to continue to conduct an executive session limited to non-employee directors at least annually and our non-employee directors may schedule additional executive sessions in their discretion.

Board Committees

Our Board of Directors has the authority to appoint committees to perform certain management and administrative functions. Our Board of Directors has the following three standing committees: (1) Audit, (2) Compensation, and (3) Nominating and Corporate Governance, each of which must be composed exclusively of independent directors. The membership and the function of each of the committees are described below, and each of the committees operates under a written charter adopted by the Board of Directors, each of which are available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com. A copy of each charter will be provided to any stockholder who requests it from us in writing at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100. Our Board of Directors may establish other committees from time to time to facilitate the management of our business and affairs. The following table is a summary of our committee structure and members on each of our committees:

Name of Director	Audit	Compensation	Nominating and Corporate Governance
Hiromitsu Ogawa, Chairman			
Marvin Dennis			
William Liebeck			
David G. Remington			
Masaaki (John) Nishibori

Victor M. Garcia			

Chairperson	Member	Financial Expert
Audit Committee		

The functions of the Audit Committee include oversight of the integrity of our financial statements, performance of our internal audit services function, our compliance with legal and regulatory requirements, the implementation and effectiveness of our disclosure controls and procedures, the evaluation of enterprise risk issues, the review of related person transactions, the annual independent audit of our financial statements, and the evaluation of the performance, qualifications and independence of our independent auditors. Our Audit Committee is directly responsible for the appointment, retention, compensation, evaluation, termination and oversight of the work of any independent auditor engaged for the purpose of issuing an audit report or related work, as well as pre-approving all audit and non-audit services. All of the directors currently serving on our Audit Committee, Mr. Dennis, Mr. Liebeck, Mr. Remington, Mr. Nishibori and Mr. Sawka, qualify as “independent,” as such term is defined in Section 10A(m) under the Exchange Act, as amended, Rule 10A-3 promulgated thereunder, and under NYSE listing requirements applicable to audit committees. Mr. Dennis, Mr. Liebeck, Mr. Nishibori, Mr. Remington and Mr. Sawka each have

accounting or related financial management expertise as required by the NYSE's listing requirements and qualify as "audit committee financial experts," as defined in Item 407 of CAI INTERNATIONAL, INC. | 2016 PROXY STATEMENT | 10

Regulation S-K, as promulgated by the SEC. During fiscal 2015, the Audit Committee held four meetings. The report of the Audit Committee is included on page 29 of this proxy statement.

Compensation Committee. The Compensation Committee has overall responsibility for evaluating and recommending to the Board of Directors for approval, our executive officer compensation, benefits, severance, equity-based or other compensation plans, policies and programs. The Compensation Committee also determines and recommends for approval, the compensation, benefits, severance, equity-based or other compensation plans, policies and programs for such other senior employees as the Compensation Committee may determine. The Compensation Committee is also responsible for producing a report for inclusion in our proxy statement. In addition, the Compensation Committee assists the Board of Directors in discharging its responsibility for the design and establishment of the Company's compensation and benefits programs generally. All of the directors currently serving on our Compensation Committee, Mr. Dennis, Mr. Liebeck, Mr. Remington and Mr. Sawka, qualify as "independent," as such term is defined under NYSE listing requirements applicable to compensation committees. During fiscal 2015, the Compensation Committee held seven meetings.

The Compensation Committee may delegate any of its responsibilities to a subcommittee comprised of one or more members of the Compensation Committee. Additionally, the Compensation Committee has the sole authority and responsibility to engage and terminate any outside consultant to assist in evaluating and determining appropriate compensation levels for the Chief Executive Officer or other members of management and to approve the terms of any such engagement and the fees of any such consultant. Our Compensation Committee directly engaged a compensation consultant, Pearl Meyer & Partners, LLC ("PM&P") to review our executive compensation policies and to assist the Compensation Committee in setting compensation for our executives with the target of aligning total compensation with the Company's business strategies and goals so as to deliver maximum return on compensation investment. The Compensation Committee reviewed its and our Company's relationships with PM&P and has determined that PM&P is an independent advisor and there has been no conflict of interest resulting from retaining PM&P.

In considering director compensation and perquisites, the Compensation Committee may request that management report to the Compensation Committee periodically on the status of the Board of Director's compensation and perquisites in relation to other similarly situated companies.

Mr. Ogawa, our Chairman, and Mr. Garcia, our President and Chief Executive Officer, participate in all discussions and decisions regarding salaries and incentive compensation for all of our executive officers, except during discussions regarding their own salary and incentive compensation. While the Compensation Committee looks to Messrs. Ogawa and Garcia to make recommendations with respect to specific compensation decisions for the executive officers other than Mr. Garcia, all decisions regarding the compensation of our executive officers are made solely by the Board of Directors upon the recommendation of the Compensation Committee. The report of the Compensation Committee is included beginning on page 16 of this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists our Board of Directors in promoting our best interests and the best interests of our stockholders through the implementation of sound corporate governance principles and practices. In furtherance of this purpose, the Nominating and Corporate Governance Committee identifies individuals qualified to become directors and recommends to our Board of Directors the director nominees for the next annual meeting of stockholders. In addition, the Nominating and Corporate Governance Committee establishes procedures for, and evaluates any, director nominations made by stockholders. It also reviews the structure and composition of our Board of Directors committees and makes any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of our Board of Directors and its committees. The Nominating and Corporate Governance Committee recommends to our Board of Directors the corporate governance guidelines and standards regarding the independence of outside directors applicable to CAI and reviews such guidelines and standards and the provisions of the Nominating and Corporate Governance Committee Charter to confirm that such guidelines, standards and charter remain consistent with sound corporate governance practices and with any legal or regulatory requirements of the NYSE. The Nominating and Corporate Governance Committee monitors our Board of Directors and our compliance with any commitments made to our regulators or otherwise regarding changes in corporate governance practices, and oversees the annual review of our Board of Directors' and management's performance. The Nominating and Corporate Governance Committee also periodically reviews

succession planning for our Chairman of the Board and our Chief Executive Officer.

All of the directors currently serving on our Nominating and Corporate Governance Committee, Mr. Dennis, Mr. Liebeck, Mr. Nishibori, Mr. Remington and Mr. Sawka, qualify as “independent,” as such term is defined under applicable NYSE listing requirements. During fiscal 2015, the Nominating and Corporate Governance Committee held two meetings.

CAI INTERNATIONAL, INC. | 2016 PROXY STATEMENT | 11

Consideration of Nominees. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying nominees for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board of Directors members, professional search firms, stockholders or other persons. In evaluating candidates, including candidates nominated by stockholders, the Nominating and Corporate Governance Committee seeks to achieve a balance of strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the Board of Directors (including its size and structure) and diversity on the Board of Directors. We do not have a separate policy regarding the consideration of diversity in identifying and evaluating director nominees, but the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills and backgrounds so that, as a group, the Board of Directors will possess a broad perspective and the appropriate talent, skills and expertise to oversee our business. Directors are expected to attend all or substantially all Board of Directors meetings and meetings of the Board committees on which they serve. Directors are also expected to spend the necessary time to discharge their responsibilities and to ensure that other existing or future commitments do not materially interfere with their responsibilities as members of the Board of Directors.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for membership on the Board of Directors in the same manner as other director nominees. Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and qualifications for Board of Directors membership and should be addressed to CAI International, Inc., Attn: Chair of the Nominating and Corporate Governance Committee, 1 Market Plaza, Steuart Tower, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

For a description of the process for nominating directors in accordance with our bylaws, see "General Information about the Proxy Materials and Voting at the Annual Meeting—What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?" on page 4 of this proxy statement.

Board Oversight of Risk Management

One of the Board of Directors' primary responsibilities under our Corporate Governance Guidelines is reviewing our strategic plans and objectives, including our principal risk exposures. The Board of Directors believes that overseeing how the executive team manages the various risks confronting the company is one of its most important areas of oversight. In carrying out this critical responsibility, the Board of Directors has designated the Audit Committee as also responsible for evaluating enterprise risk issues and discussing the Company's major risk exposures, whether financial, operating or otherwise, with management, the head of internal audit (or the internal audit service providers), and the independent auditors. While the Audit Committee has primary responsibility for overseeing enterprise risk management, each of the other Board committees also considers risk within its area of responsibility. For example, the Nominating and Corporate Governance Committee reviews risks related to legal and regulatory compliance as they relate to corporate governance structure and processes, and the Compensation Committee reviews risks related to compensation matters. The Board of Directors also addresses at least annually, the Company's principal current and future risk exposures. The Board of Directors receives regular reports from its committees and members of senior management on areas of material risk to CAI, including operational, financial, legal and regulatory, and strategic and reputation risks.

With respect to risks related to compensation matters, the Compensation Committee considers, in establishing, reviewing and recommending our compensation plans and programs, whether a plan or program encourages unnecessary or excessive risk taking and it has concluded that our current compensation plans and programs do not encourage such risk taking. The Compensation Committee believes that we have no compensation policies and programs that give rise to risks reasonably likely to have a material adverse effect on us.

Attendance of Directors at the 2015 Annual Meeting of Stockholders

While we do not have a formal policy requiring our directors to attend stockholder meetings, directors are invited and encouraged to attend all meetings of stockholders. All of our directors attended the 2015 Annual Meeting of Stockholders.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee was at any time during the fiscal year ended December 31, 2015 (i) an officer or employee of CAI or (ii) had any relationship requiring disclosure under Item 404 of Regulation S-K. No executive officer of CAI served as a member of the Compensation Committee (or other board committee performing

other out-of-pocket business expenses incurred in connection with their attendance at meetings, while on corporate business or for continuing education related to their board service. We also advance expenses to our directors in connection with this indemnification.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is designed to provide our stockholders with a clear understanding of our compensation philosophy and objectives, compensation-setting process, and the 2015 compensation of our named executive officers. For 2015, our named executive officers were as follows:

Victor M. Garcia	President and Chief Executive Officer
Timothy B. Page	Chief Financial Officer
Daniel J. Hallahan	Senior Vice President, Global Marketing
Camille G. Cutino	Vice President, Operations and Human Resources

Objectives of Our Compensation Programs

The Board of Directors and the Compensation Committee believe that compensation for our named executive officers should be tied to corporate performance. The primary objectives of our executive compensation program are as follows:

- Management Development and Continuity. Provide competitive compensation packages that enable us to attract and retain talented executives to develop, grow and manage our business;
- Pay-for-Performance. Align executive officer compensation with the achievement of our short- and long-term corporate strategies and business objectives and with the long-term interests of our stockholders; and
- Long-Term Focus on Stockholder Value. Align executive compensation with stockholder value creation by delivering a portion of our executive officers' compensation in the form of equity-based awards that vest over multiple years.

To achieve these objectives, our executive compensation program ties a portion of each named executive officer's overall compensation to key corporate financial goals and to individual goals, either on a subjective or objective basis. We have also historically provided a portion of our executive compensation in the form of stock option and other equity awards that vest over time, which we believe helps to retain our executive officers and aligns their interests with those of our stockholders by allowing them to participate in our long-term performance as reflected in the trading price of our common stock.

How We Set Compensation

We have compensation programs for our named executive officers that are designed to offer compensation that is competitive with compensation offered by competitors and companies of similar size and complexity within the intermodal container and similar industries.

The Compensation Committee, in consultation with Mr. Ogawa, our founder and Chairman of the Board of Directors, and Mr. Garcia, our current Chief Executive Officer, develops recommendations for the compensation of our executive officers and submits the same to our Board of Directors for its review and approval. The Compensation Committee believes it is valuable to consider the recommendations of Messrs. Ogawa and Garcia with respect to these matters because, given their knowledge of our operations and the day-to-day responsibilities of our executive officers, they are in a unique position to provide the Compensation Committee with perspective into the performance of our executive officers in light of our business. While the Compensation Committee considers the recommendations of Messrs. Ogawa and Garcia, the Compensation Committee also considers, among other things, company and individual performance, peer group data and recommendations from PM&P, our compensation consultant, as further described below. Generally, the Compensation Committee has sought to provide compensation packages to our executive officers that are fair and competitive. The compensation for Mr. Garcia, Mr. Page and Mr. Hallahan for 2015 was also set pursuant to individual employment agreements entered into with each of them. In general, the overall compensation for our named executive officers is comprised of a mix of base salary, annual incentive bonuses and long-term, equity-based compensation pursuant to our existing equity compensation plan.

As part of the 2015 compensation process, the Compensation Committee reviewed publicly available compensation data for a select group of peer organizations along with general industry executive compensation survey data provided by our compensation consultant. PM&P conducted a comparative compensation analysis covering our named executive officers, including our Chief Executive Officer. The Compensation Committee uses peer company data to guide its review of the total compensation of our executive officers and generally reviews the compensation data for our peer companies and industry to

understand market competitive compensation. The Compensation Committee focuses on ensuring that the elements of our executive compensation program are consistent with peer and industry trends. While the peer group data presented may identify a certain percentile of executive compensation, the Compensation Committee does not target compensation to any specific percentile or range with regard to any specific element of compensation or total compensation.

The peer group for 2015 was selected from among publicly traded companies who operate in the leasing industry with comparable revenue and market value. The Compensation Committee believes these companies are broadly comparable to us, and represent our labor market for talent for key leadership positions. For 2015, the selected peer group consisted of:

Aircastle Ltd.	Pacer International, Inc.
Echo Global Logistics, Inc.	SeaCube Container Leasing Ltd.
Marlin Business Services Corp.	TAL International, Inc.
McGrath Rentcorp.	XPO Logistics, Inc.
Mobile Mini, Inc.	Willis Lease Finance

Overall, in establishing the compensation of our named executive officers, except for the annual incentive bonus for Mr. Garcia which is primarily based on achievement of specific performance objectives, the Compensation Committee bases compensation amounts primarily on a subjective assessment of the market data, company performance and the business judgment of the Compensation Committee members, the individual performance of each named executive officer, the employment agreement of each named executive officer, if any, and each named executive officer's level of responsibility for our key objectives and potential for future responsibility and promotion.

Say-on-Pay Vote

At our annual meeting of stockholders in June 2015, we held an advisory vote to approve the compensation of our named executive officers ("Say-On-Pay"). The compensation of our named executive officers reported in our 2015 proxy statement was approved by over 97% of the votes cast at the 2015 Annual Meeting of Stockholders, similar to the results at our 2014 Annual Meeting of Stockholders. The Compensation Committee believes this affirms our stockholders' support of our approach to executive compensation. The Compensation Committee has considered and will continue to consider the outcome of our Say-On-Pay votes when making future compensation decisions for our named executive officers.

Elements of Compensation

Our compensation program for our named executive officers consists of:

- base salary and benefits;
- annual incentive bonuses; and
- long-term, equity-based compensation.

Base Salaries

The Compensation Committee reviewed named executive officer base salaries in early 2015 to ensure that they generally were competitive with market levels and generally reflected our level of financial performance during the previous year. No formulaic base salary increases are provided to our named executive officers, rather the Compensation Committee generally sets the base salary of each of our named executive officers at a level it believes compensates these individuals adequately for the work they are expected to perform in their respective positions, and the Compensation Committee may also consider the base salaries paid to similarly-positioned executives by peer organizations, individual performance of each of our named executive officers and overall company performance. The base salaries for each of our named executive officers increased during 2015, as shown in the following table. The financial performance of the Company in 2015 was also factored into the decisions regarding base salary increases

and this resulted in a reduction in 2015 increases for all named executive officers compared to the previous year's base salary increases.

Mr. Hallahan received a 2.0% increase in his annual salary when measured in his local currency.

Annual Incentive Bonuses

The Compensation Committee believes that annual incentive bonuses awarded to our named executive officers for meeting or exceeding company performance goals and individual achievement goals provide our executive officers additional incentive to perform, increase stockholder value and ensure that we attract and retain talented named executive officers.

CEO Bonus

Consistent with our pay-for-performance philosophy, for 2015, the Compensation Committee set Mr. Garcia's annual incentive bonus based on the achievement of company performance objectives, which were established by the Compensation Committee in its discretion. The Compensation Committee set a target bonus amount for Mr. Garcia in 2015 of 70% of his base salary. The following table and the paragraph immediately following the table highlights the performance objectives, criteria and methodology set by the Compensation Committee for calculating Mr. Garcia's annual incentive bonus in 2015:

Performance Objective	Weighted Target Bonus	Payout Methodology
		Payout based on level of achievement of 2015 Budget:
		–
		Less than 75% budget attainment = 0% payout of weighted target bonus;
		–
		75% to 80% budget attainment = 50% payout of weighted target bonus;
		–
Pre-Tax Net Profits (2015 Budget – \$79,237,000)	\$ 421,656	80% to 100% budget attainment = Payout percentage of weighted target bonus in same percentage of budget attainment;
		–
		100% to 120% budget attainment = Payout percentage of weighted target bonus in same percentage of budget attainment; and
		–
		120% or greater budget attainment = 150% payout of weighted target bonus.

In 2015, actual pre-tax profits for the Company were \$31,224,000, an achievement of 41% of budget, resulting in no bonus payout to Mr. Garcia under this performance objective. In 2015, Mr. Garcia was also given a broad objective to grow the Company's rail and logistics businesses. In 2015, CAI Rail Inc. grew its revenue and profits, with actual pre-tax profits for the Company's rail operations reaching \$5,681,000, an achievement of 207% of budget. In mid-2015, Mr. Garcia also oversaw the acquisition of Clearpointt Logistics LLC, a logistics service provider based in Washington State. Clearpointt was responsible for a significant portion of the Company's logistics-based revenue for 2015. Based on the Compensation Committee's determination of significant growth in the Company's rail and logistics operations, the Compensation Committee awarded a discretionary bonus of \$101,514 to Mr. Garcia, an amount equal to 17.0% of his base salary. Mr. Garcia's total bonus for 2015 represents a 75% reduction in annual incentive compensation from the previous year.

Executive Officer Bonuses (Other than CEO)

The annual incentive bonuses to our named executive officers, other than Mr. Garcia as described above, are paid at the discretion of the Compensation Committee and the Board of Directors. Each year, our Board of Directors allocates a general pool for all annual incentive bonuses, except for the annual incentive bonus to Mr. Garcia. From this bonus pool, our

Compensation Committee determines the annual incentive bonuses to be paid to each named executive officer, except for Mr. Garcia. When setting the discretionary annual incentive bonuses for our executive officers other than Mr. Garcia, the Compensation Committee considers several factors, including the overall performance of our Company, the individual executive's role in our performance and the individual executive's job performance during the year. The Compensation Committee also has the authority to award discretionary cash bonuses to our executive officers in the event of extraordinary short-term efforts and achievements by our executive officers.

The Compensation Committee awarded bonuses to our named executive officers (other than Mr. Garcia) for the year ended December 31, 2015 based on its review and analysis of their positions, responsibilities and performance, as well as their anticipated responsibilities and potential contributions to growth in stockholder value. The Compensation Committee factored in the financial performance of the Company in 2015, which resulted in 2015 bonuses being reduced in comparison to prior years, and also analyzed the compensation comparables of peer companies in validating its conclusions. Annual incentive bonuses paid to our executive officers in 2015 (other than Mr. Garcia) were as follows:

Name	Annual Incentive Bonus	Percentage of Base Salary
Timothy B. Page	\$ 26,250	6.6%
Daniel J. Hallahan	\$ 31,458	8.4%
Camille G. Cutino	\$ 35,000	13.6%

Equity Compensation

The Compensation Committee believes that our long-term performance is enhanced through equity awards to our named executive officers. Equity awards reward our named executive officers for maximizing stockholder value over time and align the interests of our executives with those of our stockholders. In June 2015, the Compensation Committee recommended and the Board of Directors approved the grant of stock options and restricted stock awards to our named executive officers as set forth under the "2015 Grants of Plan-Based Awards Table" below. The number of options and restricted stock awards granted to our named executive officers in 2015 in recognition of each named executive officer's performance during the previous year, and a subjective assessment of each named executive officer's expected future contributions to our company, all in the Compensation Committee's and the Board of Directors' business judgment.

Severance and Change in Control Payments

We have entered into written agreements with Mr. Garcia, Mr. Page and Mr. Hallahan pursuant to which they are entitled to receive severance benefits in the event their employment is terminated by us other than for cause, by the executive for good reason, or as a result of death or disability. We provide these benefits to attract and retain qualified executive officers who could obtain similar positions at other companies. These potential payments are discussed further under "Potential Post-Employment or Change in Control Payments" below.

Other Benefits

Our named executive officers are eligible to participate in all our employee benefit plans, such as medical, dental, vision, group life, disability and our 401(k) plan, in each case on the same basis as other employees. In addition, we pay for additional life insurance policies for certain of our named executive officers. All of these other benefits are included as part of the benefits package to retain highly qualified executives. We also provide vacation and other paid holidays to all employees, including our executive officers.

Bonuses and Non-Equity Incentive Plan Compensation. While the determination of Mr. Garcia’s annual incentive bonus included review of the achievement of objective performance criteria, based upon the Company’s financial performance in 2015, Mr. Garcia did not receive any payout of bonus pursuant to those objective performance metrics. Mr. Garcia did, however, receive a 2015 incentive bonus that was significantly reduced from the prior year’s incentive bonus and was based upon subjective criteria, primarily the significant growth of the Company’s rail and logistics businesses in excess of budgeted performance. As such, the amount of Mr. Garcia’s annual incentive bonus is reflected in the “Bonus” column of the 2015 Summary Compensation Table. The annual incentive bonuses for our other named executive officers is historically based on a subjective determination by the Compensation Committee and such amounts are reflected in the “Bonus” column of the 2015 Summary Compensation Table. See the discussion on the determination of bonuses for our named executive officers, and non-equity incentive plan compensation for Mr. Garcia, under “Annual Incentive Bonuses” on page 19 of this proxy statement.

Option Awards and Stock Awards. Twenty-five percent of the total number of shares subject to the options granted to our named executive officers in 2015 vest on June 5, 2016, and 1/48th of the total number of shares subject to the options vest monthly thereafter, provided that the holder is in continuous service with us as of each vesting date. The restricted stock awards granted to our named executive officers in 2015 vest in four equal annual installments beginning on May 15, 2016, provided that the holder is in continuous service with us as of each vesting date.

Messrs. Garcia, Page and Hallahan are entitled to certain payments from us pursuant to their respective employment agreements in the event of their termination of employment or upon the occurrence of a “Change in Control.”

Victor M. Garcia. In the event Mr. Garcia’s employment is terminated for “Cause” or due to Company insolvency, Mr. Garcia is entitled only to any accrued compensation and benefits through the effective date of his termination.

In the event Mr. Garcia’s employment is terminated (i) by us without “Cause”, (ii) due to his death or disability, (iii) for any reason, other than for “Cause”, death or disability, within twenty four months following a “Change in Control” or (iv) by him for “Good Reason,” Mr. Garcia is entitled to receive the following payments and benefits:

- any accrued compensation and benefits through the effective date of the termination;

- a lump sum payment equal to 150% of the greater of (a) \$520,000 or (b) Mr. Garcia’s base salary for the twelve months immediately preceding the date of termination;

- COBRA health benefits for whichever of the following periods is shortest: (A) the longer of (i) the remaining term of Mr. Garcia’s employment agreement or (ii) eighteen months following the date of termination; or (B) until Mr. Garcia is no longer entitled to COBRA continuation coverage under our group health plans; and

- so long as the date of termination is at least one month after the beginning of our latest fiscal year, the annual bonus for the fiscal year of termination, pro-rated based on the number of days Mr. Garcia was employed during the fiscal year.

Mr. Garcia’s employment agreement also provides that if he becomes entitled to receive or if he receives any payments that would be characterized as “excess parachute payments” within the meaning of Section 280G of the Internal Revenue Code, the payments will be reduced to the highest amount that may be paid to him without having any portion of any payment treated as an “excess parachute payment,” but only if the effect of the reduction is that he would receive a greater amount of payments, as determined on an after-tax basis. If, on an after-tax basis, the payments Mr. Garcia would receive would be greater without any reduction, then these payments will not be reduced.

“Cause” is generally defined as (a) a failure by the executive to substantially perform his or her material duties under such executive’s employment agreement which is not cured within thirty days after notice from us; (b) an act by the executive of material dishonesty, fraud, misrepresentation, or other act(s) of moral turpitude; (c) an intentional act by the executive (other than one constituting a business judgment that was reasonable at the time or which was previously approved by the Board of Directors), or gross misconduct by the executive, which in either case, is seriously injurious to us; (d) a material breach by the executive of his or her employment agreement which is not cured within thirty days after notice from us; or (e) a material and willful violation of a federal or state law or regulation applicable to our business.

“Change of Control” is generally defined as any of the following transactions: (a) a merger or consolidation with or into any other company or other entity, if (after giving effect to the merger or consolidation) our stockholders prior to the merger or consolidation would not be able to elect a majority of our Board of Directors immediately following the merger or consolidation; (b) a sale in one transaction or a series of transactions undertaken with a common purpose of all or a controlling portion of our outstanding voting securities or such amount of our outstanding voting securities as would enable the purchaser to obtain the right to appoint a majority of our Board of Directors; (c) a sale, lease, exchange or other transfer in one transaction or a series of related transactions undertaken with a common purpose of all or substantially all of our assets; or (d) as otherwise may constitute a Change in Control under our Amended and Restated 2007 Equity Incentive Plan; provided, however, a transaction involving a sale of stock beneficially owned by Mr. Ogawa, his spouse or his children shall not constitute a Change in Control unless (after giving effect thereto) a

single party (or group of related parties) obtains control of us as a result of such transaction.

“Good Reason” is generally defined as the occurrence of any of the following events, without the consent of the executive: (a) any diminution in the executive’s base salary, except as part of a program whereby the salaries of all of our executive officers are reduced for economic reasons; (b) any material diminution of the executive’s authority, duties, reporting or responsibilities; (c) any action or inaction that constitutes a material breach by us of the executive’s employment agreement; or (d) a material change in the geographic location at which the executive must perform his duties under his or her employment agreement, except for office relocation within the San Francisco Bay area; provided that the executive

acknowledges and agrees that he or she may be required to travel extensively in connection with the performance of his or her duties under such executive's employment agreement and that any such travel requirement will not constitute a material change in the geographic location at which the executive must perform his or her duties under such executive's employment agreement.

Timothy B. Page. In the event Mr. Page's employment is terminated without Cause, for death or disability, for Good Reason or within twenty four months of a Change in Control and in connection therewith, Mr. Page is entitled to receive a lump sum payment equal to 100% of his then-current base salary, or, in the case of termination based upon Change in Control, 200% of his then-current base salary, plus a cash bonus equal to the average of the annual cash bonus amounts paid over the preceding two years. The definitions of "Cause", "Good Reason" and "Change of Control" under Mr. Page's employment agreement are substantially similar to the definitions under Mr. Garcia's employment agreement as defined above.

Daniel J. Hallahan. In the event Mr. Hallahan's employment is terminated within twenty four months following the occurrence of a Change in Control and in connection therewith, Mr. Hallahan is entitled to receive a lump sum payment equal to one year of his base salary, plus a cash bonus equal to the average of the annual cash bonus amounts paid over the preceding two years. The definition of "Change of Control" under Mr. Hallahan's employment agreement is substantially similar to the definition under Mr. Garcia's employment agreement as defined above.

Equity Compensation Plan

Under our 2007 Equity Incentive Plan (the "Plan"), all awards under the Plan, including shares subject to stock options and restricted stock, that have not vested will become fully vested and exercisable in the event of a "change of control" or other "company transaction," each as defined below, unless, in the event of a company transaction, the options or stock awards are assumed by the successor company. A "change of control" is generally defined as an acquisition of 50% or more of our voting power, or a change in the composition of our Board of Directors in a two-year period, without the approval of the Incumbent Board (as defined in the Plan), that results in fewer than a majority of the Incumbent Board remaining in office. A "company transaction" is generally defined as the completion of a merger or consolidation with or into another company or entity, a sale in one or more transactions with the common purpose of all of our outstanding voting securities, or a sale in one or more transactions with the common purpose of all or substantially all of our assets. The Compensation Committee may also, in the event of a change of control, allow the holder of an award to surrender the award in exchange for a cash payment, or, in the event of a company transaction, terminate awards under the plan in exchange for a cash payment, each calculated by a formula set forth in the plan. The following table describes the potential payments under the Plan upon a termination or change of control for our named executive officers, assuming that the triggering events occurred on December 31, 2015. In the case of stock options, the value of the acceleration was determined based on the difference between (i) the exercise price of the shares for which vesting was accelerated and (ii) the \$10.08 closing price on December 31, 2015. In the case of restricted stock, the value of the acceleration was determined based on the value of the shares for which vesting was accelerated using the \$10.08 closing price on December 31, 2015.
