ELECTION OF DIRECTOR

The Board of Directors of the Company currently consists of six members and is divided into three classes equal in size, with the term of office of one class expiring each year. Randy Harp, whose term as a director expires as of the Annual Meeting is not standing for re-election as part of a corporate governance initiative required by the rules of the New York Stock Exchange ("NYSE") to have independent, outside directors comprise the majority of the Board. Grunebaum, whose term as a director also expires as of the Annual Meeting, be re-elected for a three-year term as a director.

The election of a director requires the affirmative vote of a plurality of the shares of Common Stock voting in person or by proxy at the Annual Meeting. All proxies received by the Board of Directors of the Company will be voted, in the absence of instructions to the contrary, FOR the re-election of Peter K. Grunebaum to the Board of Directors.

Should Mr. Grunebaum be unable to serve for any reason, the Board of Directors may, unless the Board by resolution provides for a lesser number of directors, designate substitute nominees in which event all proxies received without instructions will be voted for the election of such substitute nominees. Board Meetings and Committees

The Board of Directors held four meetings during the year ended December 31, 2003 and acted by unanimous consent six times. During such year all directors listed above attended at least 75% of the meetings of the full Board and the committees on which they served.

The Board of Directors has established an Executive Committee currently

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

consisting of Messrs. Stonecipher, Harp and Grunebaum and an Audit Committee currently consisting of Messrs. Grunebaum, Belsky and Hague. The Executive Committee may exercise all of the powers of the Board of Directors, except to the extent limited by law. The Audit Committee makes recommendations to the Board of Directors concerning the selection of and oversees the Company's relationship with its independent auditors and reviews with the independent auditors the scope and results of the annual audit. The Audit Committee also reviews financial statements and reports including proxy statements, Forms 10-K and Forms 10-Q, reviews all significant financial reporting issues and practices and monitors internal control policies. The Audit Committee also establishes procedures for receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting control or auditing matters, recommends and reviews the Company's code of ethics and oversees the Company's internal audit function. The Board of Directors has determined that each of the members of the Audit Committee meets the independence standards of the New York Stock Exchange of corporate governance rules and applicable SEC rules. The Audit Committee held ten meetings during 2003. The Board of Directors has determined that none of the members of the Audit Committee qualify as a "financial expert" as defined by the rules of the SEC, because none of the members meet the requisite qualifications for such designation. All of the members were appointed prior to the adoption of the SEC rules relating to financial experts.

Additionally, the Board of Directors has established a nominating committee and a compensation committee. The nominating committee consists of Messrs. Belsky and Hague and is designed to assist the full Board of Directors in selecting individuals for service on the Board of Directors and evaluating their performance. The compensation committee consists of Messrs. Hague and Belsky and was designed to evaluate and recommend the compensation of the executive officers of the Company to assure they are compensated effectively in a manner consistent with the overall objectives of the Company and to communicate the Company's compensation policies and the reasoning behind such policies to shareholders. The Board of Directors has determined that the members of both of these committees meet the independence requirements of corporate governance policies of the NYSE. Members of these committees are elected by the Board of Directors annually for one-year terms, or until their successors shall be duly elected and qualified. During 2003, the nominating committee met one time and the compensation committee met one time.

Corporate Governance Guidelines and Communications with the Board

The Company adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics in accordance with the rules of the NYSE in January 2004. The Code of Business Conduct and Ethics is applicable to all employees and directors, including the Company's principal executive, financial and accounting officers. In addition, each of the committees of the board has a charter which has been approved by the board. Copies of the Corporate Governance Guidelines, Code of Business Conduct and Ethics and committee charters are available at the Company's website, www.prepaidlegal.com. In addition, copies of these documents are available to any shareholder who requests them from the Secretary of the Company. The Company intends to disclose amendments to, or waivers from, its Code of Business Conduct and Ethics by posting to its website. In addition, a copy of the Audit Committee charter as amended in 2003 to comply with new SEC and NYSE rules is attached as an appendix.

The Company's Corporate Governance Guidelines requires that the non-management directors meet in executive session immediately following each meeting of the Board. The Guidelines provide that the Chairman of the Nominating Committee, currently Mr. Belsky, will preside over these meetings.

The Board has adopted the independence criteria of the NYSE corporate governance rules to determine the independence of its directors. In January

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

2003, the Board determined that Messrs. Belsky, Grunebaum and Hague were independent under these criteria. As noted earlier, Mr. Harp, the Chief Operating Officer of the Company is not standing for re-election, and, after the annual meeting, the Company will be in compliance with the NYSE rules that a majority of the Board be independent.

The Company's Corporate Governance Guidelines provide that any person, including any shareholder, desiring to communicate with, or make any concerns known to the Company, directors generally, non-management directors or an individual director only, may do so by submitting them in writing to the Company's Quality Assurance Supervisor, One Pre-Paid Way, Ada, Oklahoma 74820, with information to identify the person submitting the communication or concern, including the name, address, telephone number and an e-mail address (if applicable), together with information indicating the relationship of such person to the Company. The Company's Quality Assurance Supervisor is responsible for maintaining a record of any such communications or concerns and submitting them to the appropriate addressee(s) for potential action or response. The Company will establish the authenticity of any communication or concern before forwarding. Under the Corporate Governance Guidelines, the Company is not obligated to investigate or forward any anonymous submissions from persons who are not employees of the Company.

The Company does not have a specific policy regarding board member's attendance at annual meetings of shareholders, although, as a general rule, all directors usually attend such meeting. At the 2003 annual meeting of shareholders, all directors attended the meeting except John Hail.

In accordance with the rules of the NYSE, within 30 days after the date of the annual meeting, the Company's Chief Executive Officer expects to certify to the NYSE that he is not aware of any violation by the Company of the NYSE corporate governance listing standards. The Company's Chief Executive Officer and Chief Financial Officer have executed all certifications required by Section 302 of the Sarbanes-Oxley Act relating to the disclosures in the periodic reports filed with the Securities and Exchange Commission.

Compensation of Directors

Directors who are also employees of the Company or its subsidiaries receive no additional compensation for their services as directors. Non-employee directors of the Company receive \$500 per board and committee meeting attended. Under the Company's Stock Option Plan, each non-employee director also receives on March 1 of each year options to purchase 10,000 shares of Common Stock. These options are immediately exercisable as of the date of grant as to one-fourth of the shares covered by the options and vest in additional one-fourth increments on the following June 1st, September 1st and December 1st in the year of grant, subject to continued service by the non-employee director during such periods. Options granted to non-employee directors under the Stock Option Plan have an exercise price equal to the closing price of the Common Stock on the date of grant as reported by the New York Stock Exchange and expire five years from the date of grant. Additionally, Martin H. Belsky receives an additional director fee, not to exceed \$6,000 annually, for his additional services as secretary of the Audit Committee and for other services.

The Board of Directors recommends that the shareholders vote "FOR" the re-election of Peter K. Grunebaum to the Board of Directors.

Audit and Other Fees

The firm of Grant Thornton LLP was originally engaged in September 2001 to serve as the Company's independent auditor and subsequently retained for the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

annual audits for the subsequent fiscal years. The aggregate fees billed, including expenses, by Grant Thornton LLP for 2003 and 2002 for various services are set forth below:

	2003 ----	2002 ----
Audit Fees.....	\$ 313,531	\$ 220,786
Audit Related Fees.....	\$ 10,102	\$ 10,665
Tax Fees.....	\$ 23,712	\$ 850
All Other Fees.....	\$ -	\$ -

Fees for audit services include fees associated with the annual audit of the Company and its subsidiaries, the review of the Company's quarterly reports on Form 10-Q and required statutory audits. Audit-related fees principally include audits in connection with the Company's employee benefit plans. Tax fees include tax compliance, tax advice and tax planning related to Federal, state and international tax matters. Prior year numbers have been conformed to current year presentation.

The Audit Committee has considered whether the provision of non-audit services by Grant Thornton LLP is compatible with maintaining auditor independence and adopted in 2003 a policy that requires pre-approval of all audit and non-audit services. Such policy requires the Committee to approve services and fees in advance and requires documentation regarding the specific services to be performed. All 2003 audit and non-audit services fees were approved in advance in accordance with the Committee's policies.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors ("Board"), the Audit Committee of the Board ("Committee") assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During fiscal 2003, the Committee met ten times, and the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with the CFO and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management and the independent auditors the quality and adequacy of the Company's internal controls. The Committee reviewed with the independent auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Committee intends to approve reappointment of the independent auditors for 2004.

In addition to his annual salary, Mr. Stonecipher also is entitled to receive a supplemental retirement benefit in the amount of \$26,000 per year payable on the first day of the month following his termination of employment and annually thereafter until the earlier of his death or the date upon which ten such payments have been made. Mr. Stonecipher must meet certain minimal conditions subsequent to the termination of his employment in order to receive such payments. The Company's obligation for supplemental retirement benefits pursuant to the employment agreement is subject to the continuation of a certain split dollar life insurance agreement between the Company and Shirley A. The payment of such commissions to Mr. Stonecipher continues during his lifetime and after his death to his designated beneficiaries and their successors. The agreement requires that Mr. Stonecipher devote reasonable efforts to the generation of new membership sales for the Company. The amounts paid to Mr. Stonecipher under this agreement during the fiscal year ended December 31, 2003 are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$30,199 at December 31, 2003. See "Certain Relationships and Related Transactions." Such amounts paid to Mr. Stonecipher are also reflected in the summary compensation table set forth above.

Commencing in January 1997, the Company implemented its "Fast Start to Success" program pursuant to which electing marketing associates may participate in Company-sponsored sales training programs, including use of a video and other training aides developed by the Company. The cost to each marketing associate for participation in the program is typically \$249, except for special promotions the Company implements from time to time. At the time, the Board of Directors approved a payment to Mr. Stonecipher of \$10 for each marketing associate who participated in the program until August 2002 at which time this form of compensation ceased and was replaced by one-half of one percent (.5%) of Membership premiums collected. Such amounts paid to Mr. Stonecipher are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$258,249 during 2002 and \$656,703 during 2003.

In July 1984, the Company entered into a life insurance arrangement with Shirley A. Stonecipher, Mr. Stonecipher's wife, whereby the Company agreed to pay premiums on a life insurance policy covering Mr. Stonecipher. The face amount of the policy is \$600,000 and Mrs. Stonecipher is the owner and beneficiary. Mrs. Stonecipher has an agreement with the Company whereby upon Mr. Stonecipher's death, the proceeds of the policy will be paid to the Company in an amount sufficient to reimburse premiums paid to date by the Company and any supplemental retirement payments made pursuant to his employment contract. This agreement is secured by a collateral assignment of the policy proceeds.

In November 2002, the Company adopted a deferred compensation plan, which permits executive officers and key employees to defer receipt of a portion of their compensation. Deferred amounts accrue hypothetical returns based upon investment options selected by the participant. Deferred amounts are paid in cash based on the value of the investment option and are generally payable following termination of employment in a lump sum or in installments as elected by the participant, but the plan permits on demand distributions, which are subject to a 10% penalty, and provides for financial hardship distributions, distributions in the event of total disability or death and distributions upon a change in control. The plan also provides for a death benefit of \$500,000 for each participant. Although the plan is unfunded and represents an unsecured liability of the Company to the participants, during 2003, the Company purchased company-owned variable life insurance policies to insure the lives of the group of participants and to finance its obligations under the plan. As of December 31, 2003, the Company had deferred compensation liability of \$949,462, \$40,173, \$14,879 and \$14,284 for Mr. Stonecipher, Mr. Harp, Ms. Pinson and Mr. Williamson, respectively, included in its total deferred compensation liability of \$1.4 million. At December 31, 2003, the cash value of the underlying company-owned insurance policies was \$1.3 million.

Board of Director Interlocks and Insider Participation in Executive Compensation Decisions

Until November 2003, the Board of Directors of the Company was responsible for establishing compensation of Harland C. Stonecipher, Chairman, Chief Executive Officer and President of the Company. The Board of Directors formed a compensation committee during 2002 as described above and the committee recommended that Mr. Stonecipher accept one-half of one percent (.5%) of Membership premiums collected in lieu of the \$10 payment for each associate that participated in the Fast Start to Success training program. Mr. Stonecipher's cash compensation for 2003 was determined pursuant to his employment agreement and other arrangements with the Company approved by the Board of Directors in January 2003, as amended by the Compensation Committee's recommendation described above. Effective in November 2003, pursuant to the governance rules of the NYSE, the Compensation Committee became responsible for approving Mr. Stonecipher's annual compensation arrangements.

Report On Executive Compensation

As previously indicated, until November 2003, the Board of Directors of the Company (the "Board") was responsible for establishing compensation of Harland C. Stonecipher, the Chairman, Chief Executive Officer and President. The Board formed a compensation committee during 2002. The compensation committee was designed to evaluate and recommend the compensation of the executive officers of the Company to assure they are compensated effectively in a manner consistent with the overall objectives of the Company and to communicate the Company's compensation policies and the reasoning behind such policies to shareholders. The compensation committee met one time during 2003 and recommended a change in the compensation structure of Mr. Stonecipher but did not recommend any changes to the compensation of any other executive officer.

The base salary of Mr. Stonecipher for 2003 was as provided in his employment agreement with the Company entered into in 1993. The principal terms of his employment agreement are described elsewhere herein. See "Executive Compensation and Other Information - Employment Contracts and Termination of Employment and Change-in-Control Arrangements." The level of base salary for Mr. Stonecipher in the employment agreement was determined through negotiations with Mr. Stonecipher at the time the employment agreement was entered into, and the base salaries of the other executive officers of the Company for 2003 were determined by Mr. Stonecipher based upon his assessment of the respective

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

executive officer's performance and potential contribution to the Company's financial and operational objectives.

Pursuant to a separate agreement, Mr. Stonecipher receives a monthly override commission of \$.025 per active membership, subject to certain limitations, and a portion of the annualized commission revenue of PPL Agency, Inc., which is owned by Mr. Stonecipher as a nominee of the Company. During 2003, Mr. Stonecipher earned \$297,422 pursuant to these commission-based incentive compensation arrangements. These arrangements foster the goals of the Company's compensation policy by linking a significant portion of the chief executive officer's annual compensation to the level of revenues derived from active memberships, thereby creating strong financial incentives to the chief executive officer for the continued growth of the Company's membership base. During 2003, although new membership sales decreased 6% to 671,857 compared to 773,767 during 2002, the Company's active memberships in force increased 3% to 1,418,997 at December 31, 2003 compared to 1,382,306 memberships in force at December 31, 2002. Over the last five years, the compounded growth rate of the Company's active membership base has exceeded 18% per year and earnings per share have grown from \$.55 per share to \$2.27 per share for 2003.

During 1997, the Company implemented its "Fast Start to Success" program. The "Fast Start to Success" program is a Company-sponsored field training program for the Company's marketing associates that utilizes audio, video and other training aides developed by the Company and is designed to increase new memberships sold and new sales associates recruited per participating associate. Participating associates are required to pay the Company a one-time training fee to offset the Company's direct and indirect costs incurred in developing and maintaining the program. Mr. Stonecipher received a payment from the Company of \$10 for each marketing associate who participated in the "Fast Start to Success" program through July 2002 and such payments totaled \$1,033,340 during 2002. Mr. Stonecipher was instrumental in the conception and development of the program, which the Board believes has enhanced the Company's marketing efforts and contributed to the growth of the membership base. Beginning in August 2002 and in lieu of the \$10 for each Fast Start participant, Mr. Stonecipher began receiving one-half of one percent (.5%) of Membership premiums collected. This change in Mr. Stonecipher's compensation was designed to more closely link his compensation with realized membership revenues. Another change in this arrangement was made for 2003 as described above to tie the compensation based on percentage of premiums to the achievement of specified thresholds of total membership premiums in 2003 compared to membership premiums in 2002.

The Company maintains a Stock Option Plan (the "Plan") pursuant to which the Board may grant options to purchase Common Stock to directors and employees of the Company, including the executive officers. The exercise price of options granted under the Plan may not be less than the fair market value per share of Common Stock on the date of grant. In authorizing option awards under the Plan to executive officers, the Board considers various factors including the recommendation of the Chairman, the relative responsibilities of the optionee, the Board's subjective evaluation of the optionee's performance, and the optionee's relative equity interest in the Company in the form of stock and options. The Board did not grant any options during 2003 to the Company's executive officers.

In 2002, the Company adopted a deferred compensation plan for its executive officers as described under "Executive Contracts and Termination of Employment and Change-in-Control Arrangements." This plan is intended to supplement the Company's existing tax-qualified retirement plans to provide the participants with improved long-term retirement security.

Section 162(m) of the Internal Revenue Code provides that the Company may be limited in deducting annual compensation in excess of \$1 million paid to certain executive officers. The Board of Directors has considered the effect of

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

Section 162(m) on the Company's compensation program. The deferred compensation plan was adopted in 2002 in part to be responsive to the limitations of Section 162, to permit the deferral of compensation that would not otherwise be deductible under Section 162. In certain circumstances it may be in the best interests of the Company and its shareholders to retain the flexibility to pay compensation that may not be deductible under Section 162.

The preceding report is presented by each of the current members of the Board of Directors.

Tryforos ("Tryforos") and Scott Vassalluzzo ("Vassalluzzo") are 2,780,600 shares as to which they have shared voting and shared dispositive power. Under the provisions of the Oklahoma General Corporation Act relating to acquisitions of shares exceeding 20% of the outstanding voting shares of an Oklahoma public company, 6,150 shares beneficially owned by Mr. Smith may not be voted until and unless the disinterested shareholders of the Company approve voting rights for these shares. Mr. Smith has not requested that such issue be submitted to a vote of the shareholders as required by these provisions, and, accordingly, these 6,150 shares will not be eligible to be voted at the annual meeting. Although Mr. Smith's percentage ownership exceeds 20% by more than this number of shares, his increase in ownership occurred by reason of the Company's share repurchase program which does not result in a loss of voting rights.

The following table sets forth certain information concerning the beneficial ownership of shares of Common Stock of the Company as of April 2, 2004 by (a) each director or nominee for director of the Company, (b) each of the named executive officers, and (c) all of the directors, nominee and named executive officers of the Company as a group.

The Company's Chairman, Harland C. Stonecipher, is the owner of PPL Agency, Inc. ("Agency"). The Company has agreed to indemnify and hold harmless the Chairman for any personal losses incurred as a result of his ownership of this corporation and any income earned by Agency accrues to the Company. The Company provides management and administrative services for Agency, for which it receives specified management fees and expense reimbursements.

Agency's financial position and results of operations are included in the Company's financial statements on a combined basis. Agency earned commissions, net of amounts paid directly to its agents by the underwriter, during 2003 of \$119,000 through its sales of insurance products of an unaffiliated company. Agency had net income of \$20,000 for the year ended December 31, 2003 after incurring commissions earned by the Chairman of \$57,000 and annual management fees paid to the Company of \$36,000 for 2003.

Mr. Stonecipher and his wife, Shirley A. Stonecipher, own Stonecipher Aviation LLC ("SA") and Mr. and Mrs. Stonecipher together with Wilburn L. Smith, National Marketing Director, own S & S Aviation LLC ("S&SA"). The Company has agreed to reimburse SA and S&SA for certain expenses pertaining to trips made by Company personnel for Company business purposes using aircraft owned by SA and S&SA. Such reimbursement represents the pro rata portion of direct operating expenses, such as fuel, maintenance, pilot fees and landing fees, incurred in connection with such aircraft based on the relative number of flights taken for Company business purposes versus the number of other flights during the applicable period. No reimbursement is made for depreciation, capital expenditures or improvements relating to such aircraft. During 2003, the Company paid \$307,000 to SA and \$592,000 to S&SA as reimbursement for such transportation expenses.

John W. Hail, a director of the Company, served as Executive Vice President, Director and Agency Director of the Company from July 1986 through May 1988 and also served as Chairman of the Board of Directors of TVC Marketing, Inc., which was the exclusive marketing agent of the Company from April 1984 through September 1985. Pursuant to agreements between Mr. Hail and the Company entered into during the period in which Mr. Hail was an executive officer of the Company, Mr. Hail receives override commissions from renewals of certain Memberships initially sold by the Company during such period. During 2003 such override commissions on renewals totaled \$81,000. Mr. Hail also owns interests ranging from 12% to 100% in corporations not currently affiliated with the Company, including TVC Marketing, Inc., but which were engaged in the marketing of the Company's legal service Memberships and which earn renewal commissions from Memberships previously sold. These entities earned renewal commissions of \$552,000 during 2003 of which \$300,000 was passed through as commissions to their sales agents.

The Company's new office building contains two apartments, one for use by Company visitors and one for use by the Company's Chairman and Chief Executive Officer, Harland C. Stonecipher and his wife, for his convenience as well as to entertain visitors using the visitor apartment. The full Board of Directors, with Mr. Stonecipher abstaining, has approved the arrangements for the use of this apartment which require Mr. Stonecipher to pay rent to the Company at a rate of \$1,000 per month, which exceeds the estimated fair market rental value based on an outside appraisal.

COMPLIANCE WITH SECTION 16 REPORTING REQUIREMENTS

Section 16(a) of the Securities Exchange Act of 1934 requires directors and executive officers of the Company and persons who beneficially own more than 10% of the Company's Common Stock to file reports of ownership and changes in ownership of the Company's Common Stock with the Securities and Exchange

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

Commission. The Company is required to disclose delinquent filings of reports by such persons during 2003. Based on a review of the copies of such reports and amendments thereto received by the Company, or written representations that no filings were required, the Company believes that during 2003 all Section 16(a) filing requirements applicable to its executive officers, directors and 10% shareholders were met except as described below.

A Form 4 for January 2004 for Mr. Grunebaum, a director of the Company, relating to two transactions was inadvertently filed three days late due to an administrative error by Mr. Grunebaum. Additionally, a Form 4 for newly elected Board member Steven R. Hague pertaining to his initial stock option grant approved by shareholders on May 29, 2003 was not filed until August 15, 2003 while Mr. Hague was waiting on receipt of his EDGAR access number issued by the Securities and Exchange Commission.

VOTING

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting. All other matters properly brought before the Annual Meeting will be decided by a majority of the votes cast on the matter, unless otherwise required by law.

Shares represented by proxies which are marked "withhold authority" with respect to the election of any one or more nominees for election as directors will be counted for the purpose of determining the number of shares represented by proxy at the meeting. Because directors are elected by a plurality rather than a majority of the shares present in person or represented by proxy at the Annual Meeting, proxies marked "withhold authority" with respect to any one or more nominee will not affect the outcome of the nominee's election unless the nominee receives no affirmative votes or unless other candidates are nominated for election as directors.

Shares represented by limited proxies will be treated as represented at the meeting only as to such matter or matters for which authority is granted in the limited proxy. Shares represented by proxies returned by brokers where the brokers' discretionary authority is limited by stock exchange rules will be treated as represented at the Annual Meeting only as to such matter or matters voted on in the proxies.

INDEPENDENT PUBLIC ACCOUNTANTS

Grant Thornton LLP served as the Company's independent accountants for the year ended December 31, 2003. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, with the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

ANNUAL REPORT TO SHAREHOLDERS

The Company's Annual Report to Shareholders for the year ended December 31, 2003, including audited financial statements, accompanies this Proxy Statement. The Annual Report is not incorporated by reference into this Proxy Statement or deemed to be a part of the materials for the solicitation of proxies.

AVAILABILITY OF ANNUAL REPORT ON FORM 10-K

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission is available without charge to any shareholder of the Company who requests a copy in writing.

PROPOSALS OF SHAREHOLDERS AND NOMINATIONS

The Board of Directors will consider properly presented proposals of shareholders intended to be presented for action at the Annual Meeting of Shareholders. Such proposals must comply with the applicable requirements of the Securities and Exchange Commission and the Company's bylaws. Under the Company's bylaws, a notice of intent of a shareholder to bring any matter before a meeting shall be made in writing and received by the Secretary of the Company not more than 150 days and not less than 90 days in advance of the annual meeting or, in the event of a special meeting of shareholders, such notice shall be received by the Secretary of the Company not later than the close of the fifteenth day following the day on which notice of the meeting is first mailed to shareholders. Every such notice by a shareholder shall set forth: (a) the name and address of the shareholder who intends to bring up any matter; (b) a representation that the shareholder is a registered holder of the Company's voting stock and intends to appear in person or by proxy at the meeting to bring up the matter specified in the notice; (c) with respect to notice of an intent to make a nomination, a description of all understandings among the shareholder and each nominee and any other person (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder and such other information regarding each nominee proposed by the shareholder as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had each nominee been nominated by the Board of Directors of the Company; and (d) with respect to notice of an intent to bring up any other matter, a description of the matter, and any material interest of the shareholder in the matter. Notice of intent to make a nomination shall be accompanied by the written consent of each nominee to serve as a director of the Company, if elected. All shareholder proposals should be sent to the Secretary of the Company at One Pre-Paid Way, Ada, Oklahoma 74820.

A shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 and intended to be included in the Company's proxy statement relating to the 2005 Annual Meeting must be received no later than January 28, 2005. To be considered for presentation at the 2005 Annual Meeting, although not included in the Proxy Statement for such meeting, a proposal must be received within the time period set forth in the Company's bylaws as described above. In addition, the proxy solicited by the Board of Directors for the 2005 Annual Meeting will confer discretionary authority to vote on any such shareholder proposal presented at the 2005 Annual Meeting unless the Company is provided with notice of such proposal no later than ninety days prior to the date of the 2005 annual meeting.

The nominating committee has a charter which is posted on the Company's website at www.prepaidlegal.com. The nominating committee has not adopted a separate policy relating to nomination of directors by shareholders because the procedure for nomination is governed by the Company's bylaws described above. The criteria for nomination of directors are set forth in the nominating committee charter and the charter does not address specific minimum qualifications or skills that a nominee or board member must have. The process used by the nominating committee for identifying and evaluating nominees for the Company's board consists of reviewing qualifications of candidates suggested by management, other board members or shareholders, including personal interviews of the candidate. The specific requirements for nominees from shareholders provided by the Company's bylaws described above are required to be followed. The Company has not previously received nominees from shareholders and, accordingly, is unable to determine whether the process for evaluation of shareholder nominees differs from the process for evaluation of other nominees.

The Board of Directors of the Company does not know of any other matters to be presented for action at the Annual Meeting other than those listed in the Notice of Meeting and referred to herein. If any other matters properly come before the Annual Meeting or any adjournment thereof, it is intended that the proxy solicited hereby be voted as to any such matter in accordance with the recommendations of the Board of Directors of the Company.
