PROXY STATEMENT

**Annual Meeting of Shareholders
to be held April 26, 2005**

INTRODUCTION

This Proxy Statement and accompanying proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Community Trust Bancorp, Inc. (the "Corporation") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, April 26, 2005, at 10:00 a.m. (EDT), at Community Trust Bank, Inc., 346 North Mayo Trail, Pikeville, Kentucky, and any adjournments thereof. A copy of the Corporation's 2004 Annual Report to Shareholders accompanies this Proxy Statement.

The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited in person, by telephone and other means of communication by directors, officers, and other employees of the Corporation, none of whom will receive additional compensation for such services. The Corporation will also request brokerage houses, custodians and nominees to forward soliciting materials to the beneficial owners of stock held of record by them, and will pay the reasonable expenses of such persons for forwarding such materials. This Proxy Statement and the accompanying proxy are first being mailed or given to shareholders of the Corporation on or about March 31, 2005.

RECORD DATE AND VOTING SECURITIES

The Common Stock of the Corporation ("Common Stock") is the only class of outstanding voting securities. Only holders of Common Stock of record at the close of business on February 28, 2005 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were 14,855,584 shares of Common Stock outstanding. With respect to the election of directors, shareholders have cumulative voting rights. Accordingly, each shareholder will have the right to cast as many votes in the aggregate as equals the number of shares of Common Stock held by the shareholder multiplied by the number of directors to be elected at the Annual Meeting. Each shareholder may cast all of his or her votes for one candidate, or distribute such votes among two or more candidates. Shareholders will be entitled to one vote for each share of Common Stock held of record on the Record Date with regard to any other matters that properly come before the Annual Meeting or any adjournment thereof.

Each proxy, unless the shareholder otherwise specifies, will be voted in favor of the election of the eight nominees for director named herein and the appointment of Deloitte & Touche LLP as the Corporation's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2005. Where a shareholder has appropriately specified how the proxy is to be voted, it will be voted accordingly. As to any other matter which may properly be brought before the Annual Meeting or any adjournment thereof, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the proxy. A shareholder may revoke his or her proxy at any time prior to its exercise. Revocation may be effected by written notice to the Corporation, by a subsequently dated proxy received by the Corporation, by oral revocation in person at the Annual Meeting or any adjournment thereof, or by voting in person at the Annual Meeting or any adjournment thereof.

A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the Annual Meeting. Abstentions will be treated as present for purposes of determining a quorum, but as unvoted shares for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to such matter.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

Directors of the Corporation, excluding the Chairman of the Audit Committee, who are not also officers of the Corporation, were paid \$5,000 per quarter for 2004, plus \$600 for any Committee or special-called Board meeting other than those held on the same day as the regularly scheduled quarterly Board meeting. The Chairman of the Audit Committee was paid \$6,850 per quarter for 2004 plus \$600 for any special-called Board meeting other than those held on the same day as the regularly scheduled quarterly Board meeting. Directors who are also officers of the Corporation did not receive additional compensation for serving as a director. Fees paid to Directors of the Corporation for 2004 totaled \$157,000.

The Board of Directors has determined that the following seven of the Corporation's nine directors are "independent" as defined by applicable law and NASDAQ listing standards: Nick A. Cooley, William A. Graham, Jr., M. Lynn Parrish, Ernest M. Rogers, Dr. James R. Ramsey, Governor Paul E. Patton, and James E. McGhee, II.

During 2004, the Board held two executive sessions of those members of the Board who met current standards of independence.

Corporate Governance Guidelines and the Code of Business Conduct and Ethics adopted by the Board may be found on the Corporation's website at www.ctbi.com.

Shareholders may communicate directly with the Board of Directors by sending a written communication addressed to the Chairman of the Board of Directors at the Corporation's address.

The Board of Directors held ten meetings during the 2004 fiscal year, including the annual organizational meeting. Each director attended at least 75% of the aggregate number of Board meetings and meetings of Board committees on which such director served in 2004, except Nick Cooley, Dr. James Ramsey, and Ernest Rogers who each attended 60% of the meetings. It is the Board's policy that directors should attend each annual meeting of shareholders subject to a substantial personal or business conflict. All of the Corporation's directors who were serving at the time attended the 2004 annual meeting of shareholders. The Board has the following committees: Audit and Asset Quality Committee, Compensation Committee, Executive Committee, Nominating and Corporate Governance Committee, and Risk and Compliance Committee.

The Board of Directors has a written charter for the Audit and Asset Quality Committee (the "Audit Committee") which was amended in 2004 and is included herein as Appendix A. The Audit Committee Charter may be found on the Corporation's website at www.ctbi.com. The Audit Committee consists of Dr. James R. Ramsey, Ernest M. Rogers, William A. Graham, Jr., Nick Cooley, M. Lynn Parrish, Governor Paul E. Patton, and James E. McGhee, II, all of whom meet the independence standards of Rule 4200(a)(15) and the audit committee qualifications of Rule 4350(d)(2) of the NASD listing standards. The Board has determined that Dr. James R. Ramsey is an audit committee financial expert for the Corporation and is independent as described above. The Audit Committee met twelve times during 2004. The Audit Committee monitors the integrity of the Corporation's financial statements, the independent registered public accounting firm's qualifications and independence, the performance of the Corporation's internal audit function, the Corporation's system of internal controls, the Corporation's financial reporting and system of disclosure controls, and compliance with the Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Audit Committee has established procedures for the confidential, anonymous submission of concerns about accounting matters, internal controls, and auditing matters.

The Compensation Committee consists of Ernest M. Rogers, Nick Cooley, and M. Lynn Parrish, all of whom meet the applicable independence standards. The Board has a Compensation Committee Charter which may be found on the Corporation's website at www.ctbi.com. The Compensation Committee: (i) oversees and recommends to the Board executive officer compensation; and (ii) evaluates and approves benefit and incentive compensation policies and programs for the Corporation. This committee met one time during 2004.

The Nominating and Corporate Governance Committee consists of Ernest M. Rogers, M. Lynn Parrish, and Nick Cooley, all of whom meet the applicable independence standards. The Board has a written charter for the Nominating and Corporate Governance Committee which can also be found on the Corporation's website at www.ctbi.com. The Nominating and Corporate Governance Committee: (i) evaluates and recommends nominee directors for election to the Board; and (ii) develops and recommends to the Board policies and guidelines relating to corporate governance and the identification and nomination of directors and committee members. This committee met twice during 2004.

Governor Paul E. Patton was named to the Audit Committee upon his election as director on December 14, 2004.

James E. McGhee, II was named to the Audit Committee upon his election as director on March 4, 2005.

Burlin Coleman retired effective December 31, 2004, as Chairman of the Board of Directors. Mr. Coleman served on the Compensation Committee and the Nominating and Corporate Governance Committee during 2004.

Ernest M. Rogers will be retiring from the Corporation's Board of Directors effective April 26, 2005. The Board of Directors will be holding its annual organizational meeting on April 26, 2005, and at that time, the Board will select an "independent" director or director(s) to fill the vacancies for each of its committees so the Corporation's committees will continue to satisfy the applicable independence standards.

REPORT OF THE AUDIT AND ASSET QUALITY COMMITTEE

The Audit and Asset Quality Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the responsibility for the preparation of the Corporation's consolidated financial statements and management's assertion on the design and effectiveness of the Corporation's internal control over financial reporting, and the independent registered public accounting firm has the responsibility for the examination of those consolidated financial statements. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements of the Corporation as of and for the year ended December 31, 2004 and management's assertion on the design and effectiveness of the Corporation's internal control over financial reporting as of December 31, 2004 with management and the independent registered public accounting firm.

All directors who serve on the Committee are "independent" for purposes of the NASD listing standards. The Board of Directors has determined that none of the Committee members has a relationship to the Corporation that may interfere with his independence from the Corporation and its management.

The Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America. Additionally, the Committee's review included discussion with the Corporation's independent registered public accounting firm of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 ("SAS 61") (Communication with Audit Committees). SAS 61 requires the Corporation's independent registered public accounting firm to provide the Committee with additional information regarding the scope and results of their audit of the Corporation's financial statements, including with

respect to (i) their responsibility under audit standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

The Committee received from Deloitte & Touche LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between Deloitte & Touche LLP and the Corporation that, in their professional judgment, may reasonably be thought to bear on independence. Deloitte & Touche has discussed its independence with the Committee and has confirmed in such letter that, in its professional judgment, it is independent of the Corporation within the meaning of the federal securities laws.

The Committee discussed with the Corporation's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Committee met with its internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. The Committee held twelve meetings during fiscal year 2004.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Committee has also recommended, subject to shareholder ratification, the selection of Deloitte & Touche LLP as the Corporation's independent registered public accounting firm.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

In the ordinary course of business, the Corporation, through its wholly-owned commercial bank subsidiary, Community Trust Bank, Inc. (the "Bank"), has had in the past and expects to have in the future banking transactions, including lending to its directors, officers, principal shareholders, and their associates. When these banking transactions are credit transactions, they are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others. In the opinion of the Corporation's Board of Directors, such transactions do not involve more than the normal risk of collectability or present any other unfavorable features.

Mr. Charles Baird, a director of the Corporation, is a shareholder in Baird and Baird, P.S.C., a law firm that provided services to the Corporation and its subsidiaries during 2004 and will be retained by the Corporation and its subsidiaries during the current fiscal year 2005. Approximately \$744,000 in legal fees and \$175,588 in expenses paid on behalf of the Corporation, \$919,588 in total, were paid to Baird and Baird, P.S.C. during 2004.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Act") requires the Corporation's executive officers and directors and persons who own more than ten percent (10%) of the Common Stock to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"), as well as to furnish the Corporation with a copy of such report. Additionally, SEC regulations require the Corporation to identify in its Proxy Statement those individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year. Based upon a review of Forms 3, 4, and 5 furnished to the Corporation, the Corporation believes that there was one late filing during 2004. Due to an administrative error at the Corporation, a Form 4, "Statement of Changes in Beneficial Ownership of Securities," was inadvertently filed past the due date with regard to one transaction on behalf of Mr. Tracy E. Little, Executive Vice President of the Corporation.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

As of December 31, 2004, the Corporation had executed certain termination of employment and change-in-control agreements ("Severance Agreements") with Jean R. Hale, Mark Gooch, William Hickman III, Michael S. Wasson, James B. Draughn, Kevin J. Stumbo, Richard Newsom, Ricky Sparkman, James J. Gartner, Larry W. Jones, and Tracy E. Little. Ms. Hale's Severance Agreement was executed on January 23, 1999, Mr. Gooch's was executed on January 1, 2000, Mr. Hickman's was executed on December 12, 2000, Mr. Wasson's was executed on October 24, 2000, Mr. Draughn's was executed on July 24, 2001, Messrs. Stumbo, Newsom, and Sparkman's were executed on April 23, 2002, Messrs. Gartner and Jones' were executed on January 28, 2003, and Mr. Little's was executed on March 6, 2004. The Severance Agreements are effective for a term equal to the longer of three years or the covered period should a change-in-control of the Corporation occur during such three-year period. These agreements are automatically renewable, and the covered period during which the terms and conditions of the Severance Agreements are effective is the period of time following a change-in-control equal to (i) two years following the occurrence of the change-in-control in the event of an involuntary termination or a voluntary termination following a change in duties, or (ii) the thirteenth month following the change-in-control in the event of a voluntary termination not preceded by a change in duties.

The Severance Agreements require the payment to the applicable named executive officer of a severance amount in the event of an involuntary or voluntary termination of employment after a change-in-control of the Corporation during the covered period. The severance amount payable under the Severance Agreement is equal to (i) 2.99 times the named executive officer's base annual salary in the event of involuntary termination or in the event of a voluntary termination of employment preceded by a change in duties subsequent to a change-in-control of the Corporation, or (ii) 2.00 times the named executive officer's annual base salary in the event of a voluntary termination of employment not preceded by a change in duties subsequent to a change-in-control of the Corporation.

A change-in-control has occurred, for purposes of the Severance Agreements, when (i) any person, including a group under Section 13(d)(3) of the Securities Exchange Act of 1934, is or becomes the owner of 30% or more of the combined voting power of the Corporation's outstanding securities; (ii) as a result of, or in connection with, any tender offer, exchange offer, merger or other combination, sale of assets or contested election, the persons who were directors of the Corporation before such transaction(s) shall cease to constitute a majority of the Board of Directors of the Corporation or successor of the Corporation; (iii) a tender or exchange offer is made and consummated for the ownership of 30% or more of the combined voting power of the Corporation's outstanding voting securities; or (iv) the Corporation transfers substantially all of its assets to another corporation that is not a wholly-owned subsidiary of the Corporation.

- (1) Bonuses are paid under the Senior Management Incentive Compensation Plan, which is open to all executive officers, market presidents, and consolidated division heads and certain senior vice presidents of consolidated functions who are selected for participation by the Compensation Committee. Individuals below senior vice president level may be recommended and approved by the Compensation Committee for special awards of options for extraordinary performance. Bonuses for executive officers are earned based on the Corporation reaching certain earnings per share and return on assets goals. (See report of the Compensation Committee.)
- (2) The options were granted under the 1998 Stock Option Plan (the "Option Plan"). The Option Plan permits the grant of options to employees of the Corporation and its subsidiaries whose efforts contribute, or may be expected to contribute materially, to the successful performance of the Corporation. Options granted in 2003 and 2002 have been restated to reflect the 10 percent common stock dividend paid on December 15, 2004.
- (3) Amounts in this column include contributions made by the Corporation under the Savings and Employee Stock Ownership Plan (the "KSOP Plan") and relocation expenses. For 2002, all amounts listed are KSOP Plan contributions. For 2004 and 2003, all amounts are KSOP Plan contributions, except the amounts shown for Mr. Little which consists partially of relocation expenses in 2004 and solely of relocation expenses in 2003. Participation in the KSOP Plan is available to any employee of the Corporation or its subsidiaries who has been employed for one year, completed 1,000 hours of service, and attained the age of 21 ("Participant"). Through December 31, 2004, Participants could contribute 1% to 15% of their annual salary to the 401K portion of the Plan and the Corporation would contribute 50% of the Participant's first 8% of contributions. The Corporation also

contributes a base percentage of each Participant's salary as determined annually by the Board of Directors to the ESOP portion of the Plan. For 2004, 2003, and 2002, the Corporation made a base contribution of 4% of each Participant's annual salary to the ESOP portion of the Plan.

Options granted under the management retention portion of the 1998 Option Plan become exercisable after five years and become fully exercisable upon a change in control of the Corporation. Options expire if not exercised ten years after the date of the grant.

(2) These amounts, based on assumed appreciation rates of 5% and 10%, rates prescribed by the Securities and Exchange Commission rules, are not intended to forecast possible future appreciation, if any, of the common stock price. Moreover, these values do not take into consideration the provisions of the options providing for nontransferability, vesting over a period of years or termination of the options following termination of employment. The amounts shown are pre-tax and assume the options will be held throughout the entire ten-year term. Actual gains, if any, are dependent upon the future performance of the common stock, as well as the continued employment of the option holder through the vesting periods.

The following table sets forth information concerning options exercised by the named executive officers during 2004 and the number and value of unexercised options held by the named executive officers of the Corporation at December 31, 2004. REPORT OF THE COMPENSATION COMMITTEE

The principal duties of the Compensation Committee are to review the compensation of executive officers of the Corporation and make recommendations to the Board for approval. Compensation for executive officers consists of base salary, bonus, and stock options under the Option Plan.

The total compensation package, including base salaries, is set at levels the Compensation Committee believes are sufficient to attract and retain qualified executives. It is the goal of the Compensation Committee to retain quality executives, which will mutually benefit the executive and the Corporation. The Compensation Committee believes its total compensation package is in line with compensation packages offered by other companies within the Corporation's peer group of bank holding companies with total consolidated assets of one to three billion dollars. This peer group is not the peer group used to construct the performance graph contained in this proxy statement.

Bonuses to executive officers are computed under the senior management incentive plan, which is open to all senior executives. The bonuses for the executive officers are based on earnings per share and return on assets of the Corporation.

The number of stock options granted is also determined under the terms of the senior management incentive plan and issued under the Option Plan. The number of stock options granted to each executive officer is based on earnings per share and return on assets of the Corporation. Upon approval by the Compensation Committee, stock options may also be issued to senior executives for management retention purposes. All options granted to executive officers during 2004 were management retention options. Mr. Little was awarded additional management retention options in 2004 in recognition of his first joining the Corporation as an executive officer in 2003.

The salary of Jean R. Hale, the Chief Executive Officer, was not tied to stock performance in 2004. The Compensation Committee believes the compensation of the Chief Executive Officer is in line with the chief executive officer compensation of other companies in the peer group of bank holding companies with total consolidated assets

of one to three billion dollars. Ms. Hale's bonus and number of stock options were determined based on the criteria applicable to all other executive officers as described above.

OBRA Deductibility Limitation. The Omnibus Budget Reconciliation Act of 1994 ("OBRA") prohibits the tax deduction by public companies of compensation of certain executive officers in excess of \$1 million, unless certain criteria are met. The Corporation has determined not to take any action at this time with respect to its compensation plans to seek to meet these criteria.

During 2004, there were no interlocking relationships between any executive officers of the Corporation and any entity whose directors or executive officers serve on the Board of Directors' Compensation Committee.

I. AUTHORITY AND MEMBERSHIP

Membership. The members of the Audit and Asset Quality Committee (the "Committee") are appointed annually by the Board of Directors of Community Trust Bancorp, Inc. (the "Board") on the recommendation of the Nominating and Corporate Governance Committee. The members will serve until their successors are duly elected and qualified by the Board. The qualifications of each member of the Committee will be reviewed annually.

The Board determines the number of members in the Committee from time to time, but the number will not be less than the minimum number prescribed by applicable law, the Community Trust Bancorp, Inc. (the "Corporation") Bylaws, or by requirements of the NASDAQ National Market System or such other exchange or system on which the Corporation's securities are listed, quoted, and/or traded ("Listing Requirements"). In no event will the number of members be less than three (3).

Committee members must fully satisfy independence and experience requirements as prescribed in Listing Requirements, Section 10A of the Securities Exchange Act of 1934 (the "Exchange Act"), the rules and regulations of the Securities and Exchange Commission ("SEC"), and the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and applicable rules and regulations thereunder.

At least one member of the Committee must be a "financial expert" as defined by the rules of the SEC and meet the "financial sophistication" experience or background standards contained in the Listing Requirements. All members of the Committee must be able to read and understand fundamental financial statements at the time of their appointment to the Committee. Committee members are encouraged to participate in continuing training and education programs and sessions in order to improve oversight skills and financial literacy, with such participation being considered in the annual assessment of the Committee's performance.

No member of the Committee may be an "affiliated person" of the Corporation or any of its subsidiaries (as defined under federal securities laws) nor may any member of the Committee simultaneously serve on the audit committee of more than two other public companies. Fees for service as a director (and as a committee member or committee chair) are the only compensation that a Committee member may receive directly or indirectly from or on behalf of the Corporation.

Committee Chair and Secretary. The Board will appoint one of the members of the Committee to serve as Committee Chair. The Committee may also appoint a secretary, who need not be a director.

Legal, Accounting and Other Advisors. The Committee has the authority, as it deems necessary or appropriate, to retain independent legal, accounting, or other advisors. The Committee also has the authority, as it deems necessary or appropriate, to ask the Corporation to provide the Committee with the support of one or more Corporation employees to assist it in carrying out its duties. The Corporation will provide for appropriate funding, as determined solely by the Committee, for payment of compensation to the independent auditors for the purpose of rendering or issuing an audit report and to any other advisors employed by the Committee. The Committee may request any officer or employee of

the Corporation or the Corporation's outside counsel, independent auditors, or other advisors to attend a meeting of the Committee or to meet with any members of, or advisor to, the Committee.

The Committee is directly and solely responsible for the appointment, compensation, and oversight of the work of the independent auditor (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditors will report directly to the Committee.

II. PURPOSE OF THE COMMITTEE

The Committee's primary purpose is to:

- Provide assistance to the Board by monitoring:

With respect to joint sessions of the Committee:

- (a) The Committee may meet simultaneously as a committee of the Corporation and any subsidiary of the Corporation that does not have its own audit committee, though it should hold separate sessions, if necessary, to address issues that are relevant to one entity but not the other(s) or to consider transactions between the entities or other matters where the Corporation and one or more subsidiaries may have different interests; and
- (b) The Committee should consult with internal or outside counsel if, in the opinion of the Committee, any matter under consideration by the Committee has the potential for any conflict between the interests of the Corporation and those of the Corporation's subsidiaries in order to ensure that appropriate procedures are established for addressing any such potential conflict and for ensuring compliance with the Corporation's policies regarding Sections 23A and 23B of the Federal Reserve Act.

The Committee's role is one of oversight as set forth in this charter. It is not the duty of the Committee to prepare the Corporation's financial statements, to plan or conduct audits, or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles ("GAAP").
