Item 1.01. Entry into a Material Definitive Agreement.

On September 21, 2010, Swift Energy Company and its wholly-owned subsidiary, Swift Energy Operating, LLC (collectively referred to herein as “Swift Energy” or the “Company”), entered into the Second Amended and Restated Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, BNP Paribas and Wells Fargo Bank, N.A., as Co-Syndication Agents, Bank of Scotland plc and Société Générale, as Co-Documentation Agents, and the lenders party thereto (the “Credit Agreement”). The Credit Agreement replaces the Company’s existing credit agreement in its entirety and provides for a revolving credit facility (the “Facility”) of up to \$500 million, which may be increased up to \$700 million by Swift Energy upon the satisfaction of certain requirements. The Facility’s initial borrowing base is set at \$300 million. The Company intends, generally, to use the proceeds of the Facility to finance the exploration, development and/or acquisitions of oil and gas properties, and for any other corporate purpose not prohibited under the Credit Agreement.

The Credit Agreement also establishes Eurodollar Rate borrowing margins at escalating rates of between 200 and 300 basis points and the Alternative Base Rate borrowing margins at escalating rates of between 100 and 200 basis points. The Commitment Fee associated with the unfunded portion of the borrowing base was set at 50 basis points.

This description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of such agreement, a copy of which is filed as Exhibit 10.1 to this current report on Form 8-K and is incorporated herein by reference.
