Majority Voting Policy for Directors in Uncontested Elections

On December 2, 2011, Swift Energy Company (the “Company”) amended its Principles for Corporate Governance to include a new policy which provides for majority voting for directors in uncontested elections (the “Policy”). Pursuant to the Policy, all nominees of the Board standing for election or re-election shall tender an irrevocable resignation that will become effective upon both a director’s failure to receive a majority of the votes cast in such election and Board acceptance of such resignation. Upon the failure of a director to receive a majority of votes cast, the Policy provides for the Corporate Governance Committee to promptly consider, and make a recommendation to the Board regarding, whether to accept or reject the tendered resignation, or whether other action should be taken. The Board must act on the tendered resignation, and publicly disclose its decision and the rationale behind it, within 90 days from the date of the certification of the election results.

The Policy also provides for independent directors to make determinations as to director resignations, sets out a range of remedies in the event of a majority withhold vote, and provides for a summary of such Policy to be included in all proxy statements related to election of directors.

This description of the Policy is qualified in its entirety by reference to the actual policy, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K.
