REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

FREMONT GENERAL CORPORATION AND AFFILIATED COMPANIES INVESTMENT INCENTIVE PLAN

We have audited the accompanying statements of net assets available for benefits of the Fremont General Corporation and Affiliated Companies Investment Incentive Plan (the "Plan") as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in its net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2003, and reportable transactions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

FREMONT GENERAL CORPORATION AND AFFILIATED COMPANIES
INVESTMENT INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2003 AND 2002

1. DESCRIPTION OF THE PLAN

The following description of the Fremont General Corporation and Affiliated Companies Investment Incentive Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. In the case of any inconsistency between this document and the Plan document, the Plan document shall prevail.

GENERAL

The Plan is a defined contribution 401(k) plan that commenced on February 1, 1986, and covers eligible employees of Fremont General Corporation ("FGC") and subsidiaries (collectively, the "Company"). An eligible employee who is employed by the Company may elect to make salary deferral 401(k) contributions as soon as administratively feasible following his or her employment date.

CONTRIBUTIONS

Eligible employees may contribute up to 15% of their pretax eligible compensation. Effective January 1, 2003, the Company began matching 100% of the first 6% of eligible compensation contributed by the participant. During 2002, the comparable matching contribution was 85%. Officers participate in the Plan on the same basis as all other employees. The Company also may elect to make an additional discretionary contribution. Discretionary employer contributions are

Edgar Filing: FREMONT GENERAL CORP - Form 11-K

allocated to participants in proportion to their compensation. No discretionary employer contributions were made in 2003 and 2002.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses. Allocations are based on participants' eligible compensation or, in the case of investment earnings or losses, account balances. Forfeited balances of nonvested accounts are used to reduce the Company's matching contributions in future periods.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants' salary deferral 401(k) contributions and allocated earnings or losses thereon are 100% vested at all times. Effective January 1, 2003, all Company matching and discretionary contributions became fully vested to participants that were active employees on or after January 1, 2003. Inactive participants as of January 1, 2003 were subject to the vesting schedule in effect at December 31, 2002.

DISTRIBUTIONS

Distributions of account balances may be made to participants under the following circumstances; termination of employment, attainment of age 59 1/2, retirement, as required for minimum distribution or pursuant to court order, or, to the designated beneficiary following a participant's death. Participants may make withdrawals from their account balances in the event of hardship for the following circumstances: expenses to avoid eviction or foreclosure of their principal residence, extraordinary uninsured medical expenses for the participants or their dependents, tuition and related educational expenses for post-secondary education for the following 12 months for the participants or their dependents, and costs relating to the purchase of a principal residence.

PARTICIPANTS' LOANS

Participants may borrow from their account balance based on the balance at the close of business of the prior day. Interest is fixed for the term of the loan. An approved loan must be repaid fully within a minimum of 12 months to a maximum of 60 months. A transaction fee of \$40 is required from the participant upon loan issuance.

AMENDMENT AND/OR TERMINATION

Although it has not expressed any intent to do so, the Company has the right to

Edgar Filing: FREMONT GENERAL CORP - Form 11-K

terminate the Plan at any time for any reason. The Company also reserves the right to amend the Plan at any time for any reason with or without advance notice (unless required by law) in accordance with the procedures set forth in the Plan document.

2. SUMMARY OF ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

VALUATION OF INVESTMENTS

All assets of the Plan are held by Merrill Lynch Trust Company, FSB ("Merrill Lynch").

Investments in mutual funds are stated at current net asset value, which approximates fair value. The funds' net asset values are determined by Merrill Lynch. FGC Common Stock is stated at current market value as determined by the Plan Administrator based on the closing price on the New York Stock Exchange. The closing price of FGC Common Stock on December 31, 2003, was \$16.91 per share (\$4.49 per share at December 31, 2002).

INVESTMENT INCOME

Interest and dividends are recorded on the accrual basis.

Realized investment gains and losses are determined using the specific-identification basis.

INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service dated January 8, 2002, stating that the Plan is qualified, in form, under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended subsequent to receiving the determination letter. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.
