ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 24, 2005, the Board of Directors of Fremont General Corporation ("Fremont" or the "Company") approved the following actions of the Compensation Committee of the Board of Directors (the "Committee") with regard to the compensation of the executive officers of the Company:

2005 ANNUAL INCENTIVE COMPENSATION: On March 24, 2005, the Committee established pretax earnings targets for 2005 bonuses payable in 2006, upon achievement of the targets, to executive officers of the Company under the Company's Executive Officer Annual Bonus Plan (the "Plan"). The Plan was approved by the Company's stockholders on May 20, 2004 and filed as Exhibit A to Fremont's 2004 Definitive Proxy Statement filed April 14, 2004 (the "2004 Proxy Statement"), and is incorporated herein by this reference.

The Plan's current performance period runs from January 1 through December 31, 2005 (the "2005 Plan") and relates to all executive officers. The Committee approved minimum, target and maximum bonus award levels, as a percent of salary, for the executive officers under the 2005 Plan based upon achievement of 80% to 120% of the pre-established pretax earnings targets for 2005. Salary levels at year end are used to calculate bonuses. Executive officer, James A. McIntyre, Chairman of the Board, elected not to participate in the 2005 Plan. The following table sets forth information regarding the award levels for the cash component of the bonuses under the 2005 Plan for the executive officers named in the Summary Compensation Table included in the 2004 Proxy Statement (the "Named Executive Officers"):

NAMED EXECUTIVE OFFICER	CURRENT BASE SALARY	CASH INCENTIVE AWARD A PERCENTAGE OF BASE S		
		MINIMUM	TARGET	M
Louis J. Rampino President and Chief Executive Officer	\$ 800,000	25	50	
Wayne R. Bailey Executive Vice President and Chief Operating Officer	700,000	25	50	
Raymond G. Meyers Senior Vice President and Chief Administrative Officer	325,000	20	40	
Alan W. Faigin Secretary, General Counsel and Chief Legal Officer	300,000	20	40	
Murray L. Zoota President and Chief Executive Officer Fremont Investment & Loan	475,000	25	50	

Edgar Filing: FREMONT GENERAL CORP - Form 8-K

At the end of the one-year performance period, the Committee will determine whether, and the extent to which, the 2005 pretax earnings target has been achieved, and if achieved, will authorize payouts to the executive officers under the 2005 Plan. The bonuses will be paid in cash at 100% of the earned cash bonus amount plus an award of shares of restricted common stock equal to 100% of the earned cash bonus amount. The number of shares of restricted stock will be determined by dividing 100% of the cash bonus earned under the 2005 Plan by the fair market value of Fremont's common stock. The grant of restricted stock will be made pursuant to the terms of Fremont's 1997 Stock Plan and the terms of a Restricted Stock Agreement, a copy of which was previously filed as Exhibit 10.10 to Fremont's Quarterly Report on Form 10-Q for the period ended June 30, 1997 (the "1997 Stock Plan"), and is incorporated herein by reference. The term of the restricted stock award will be set by the Committee on the date bonus payouts are authorized, but generally restrictions are released in one-third

increments beginning on January 1st of the year following the award date. Shares of restricted stock awarded under the 1997 Stock Plan include dividend rights.

2005 LONG TERM INCENTIVE COMPENSATION: On March 24, 2005, the Committee established the cumulative pretax earnings target under the Company's Executive Officer Long Term Incentive Compensation Plan (the "Long Term Plan") for bonuses payable in 2008, upon achievement of the target, to executive officers of the Company. The Long Term Plan was approved by the Company's stockholders on May 20, 2004 and filed as Exhibit B to the 2004 Proxy Statement, and is incorporated herein by this reference.

The current performance period under the Long Term Plan is the three-year period January 1, 2005 through December 31, 2007 (the "2005 Long Term Plan"). Bonus opportunities under the Long Term Plan are dependent upon the Company achieving a predetermined cumulative pretax earnings target during the three-year period as a function of an executive's base salary for the period. An average of the executive's salary at year end for each of the three years is used in the bonus calculation. The Committee approved minimum, target and maximum cash bonus award levels under the 2005 Long Term Plan based upon achievement of 80% to 120% of the pre-established three-year cumulative pretax earnings target. Mr. McIntyre elected not to participate in the 2005 Long Term Plan. The following table sets forth information regarding the award levels for the cash component of the bonuses under the 2005 Long Term Plan for the Named Executive Officers:

NAMED EXECUTIVE OFFICER	CURRENT BASE SALARY	CASH INCENTIVE AWARD A PERCENTAGE OF BASE S	
		MINIMUM	TARGET
Louis J. Rampino President and Chief Executive Officer	\$ 800,000	60	100

**Edgar Filing: FREMONT GENERAL CORP - Form 8-K**

Wayne R. Bailey .....	700,000	60	100
Executive Vice President and Chief Operating Officer			
Raymond G. Meyers .....	325,000	60	100
Senior Vice President and Chief Administrative Officer			
Alan W. Faigin .....	300,000	60	100
Secretary, General Counsel and Chief Legal Officer			
Murray L. Zoota .....	475,000	60	100
President and Chief Executive Officer Fremont Investment & Loan			

At the conclusion of the three-year performance period, the Committee will determine whether, and the extent to which the cumulative three-year pretax earnings target has been achieved, and if achieved, will authorize payout of bonuses to the executive officers under the 2005 Long Term Plan. The bonuses will be paid in cash equal to 100% of the earned cash bonus amount and may also include an award of shares of restricted common stock of up to 100% of the earned cash bonus. The number of shares of restricted stock received will be determined by dividing up to 100% of the cash bonus earned under the 2005 Long Term Plan by the fair market value of Fremont's common stock. The grant of restricted stock will be made under the 1997 Stock Plan or a successor plan. The term of the restricted stock award will be set by the Committee on the date bonus payouts are authorized, but generally the restrictions will be released in one-third increments beginning on January 1st of the year following the award date.
