INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Hasbro, Inc. Retirement Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the Hasbro, Inc. Retirement Savings Plan (the "Plan") as of December 31, 2001 and 2000, and the related statement of changes in net assets available for benefits for the years ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with accounting principles generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in net assets available for benefits for the years ended December 31, 2001 and 2000 in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(1) Description of Plan

The following brief description of the Hasbro, Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

(a) General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) feature is available to substantially all domestic employees of Hasbro, Inc. (the Company). Participation in the Plan is voluntary and eligibility provisions apply.

Effective August 16, 2000, the Wizards of the Coast 401(k) Profit Sharing Plan and Trust (WOTC Plan) was merged into the Plan. On July 1, 2000, participants of the WOTC Plan were eligible to make contributions to the Plan.

(b) Contributions

Eligible employees may contribute up to 18% of their gross pay, limited to an annual maximum of \$10,500 in 2001 and 2000. Contributions may be limited to less than 18% to enable the Company to meet IRS discrimination regulations. The Company makes a matching contribution, except for Milton Bradley union employees, of 200% of the first 2% of participants' contributions, plus a 50% match of the next 4% of participants' contributions up to 6% of their gross pay.

Edgar Filing: HASBRO INC - Form 11-K

Effective January 31, 2000 for Milton Bradley union employees the Company makes a 25% matching contribution of the participants' contributions up to 6% of their gross pay. During January 2000 for Milton Bradley union employees the Company made a matching contribution of 15% of participants' contributions up to 6% of their gross pay.

(c) Benefits

All participants currently employed by the Company own, or are vested in, 100% of the total value of their plan account, including the Company's 401(k) matching contribution to the Plan except for Milton Bradley union employees who become 100% vested in Company contributions on January 1 following one year of service. For those participants who retired or left the Company prior to January 1, 2000 (July 1, 2000 for Wizards of the Coast), vesting is determined by the Plan document in effect at that time. A participant's entire vested account will be paid upon retirement, disability, or termination of employment. The account balance will be paid to a beneficiary upon death of the participant.

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

Participants of the Plan have the option of receiving their account either in a lump sum or in periodic installments. Participants, except for terminated participants, may also make in-service withdrawals from their Pre-Tax Savings Contribution Account in the event of a demonstrated severe financial hardship as defined by the IRS Safe Harbor rules. Participants who have reached age 59 1/2 may make in-service withdrawals from their vested accounts in the Plan for any reason.

(d) Participant Loans

The maximum loan available to each participant is the lesser of (1) \$50,000 reduced by the highest outstanding loan balance due from the participant during the preceding twelve months, or (2) 50% of the participant's vested account balance, reduced by the current outstanding loan balance due from the participant. The minimum loan amount available to participants is \$500. Each loan shall bear a fixed interest rate based on the prime rate published in the Wall Street Journal. Repayment of the loan must be made over a period not to exceed five years, unless it is for the purchase of a primary residence then the loan period cannot exceed ten years.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Edgar Filing: HASBRO INC - Form 11-K

The accompanying financial statements are presented on the accrual basis of accounting. Benefits payable at year end are not accrued for as they are considered to be a component of the net assets available for plan benefits.

(b) Investments

Investments are stated at fair value. Company stock held in the Hasbro Stock Fund is valued at the composite closing price of the New York Stock Exchange. The fair value for all other investments is determined daily by the trustee on a per share basis using security prices quoted on national exchanges, and amortized cost in the case of any short-term and money market securities held. Participant notes receivable are valued at cost, which approximates fair value.

Security transactions received prior to 4:00 pm Eastern time by Fidelity are recognized on that business day. Transactions received after 4:00 pm Eastern time are valued as of the next business day. Interest income is recorded on the accrual basis and dividend income is recorded on the ex-dividend date.

HASBRO, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses.

(c) Contributions

Contributions from employees are accounted for when such contributions are deducted from wages. The Company's matching contributions are accrued at the time the employee's contributions are deducted.

(d) Payments of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

The Plan bears all costs and general expenses incurred with regard to legal and communication fees, independent fund managers and the purchase and sale of investments. The Company bears the administrative expenses, principally payroll costs of Plan administration.

(6) Federal Income Taxes
