Amendment of Compensatory Arrangement – Base Salary Increase

On February 16, 2010, the Human Resources and Compensation Committee of the Board (i) removed the base salary freeze it had approved, at management's request, in February 2009 for Kurt A. Tjaden – Vice President and Chief Financial Officer, HNI Corporation; Bradley D. Determan – Executive Vice President, HNI Corporation and President, Hearth & Home Technologies Inc.; Jerald K. Dittmer – Executive Vice President, HNI Corporation and President, The HON Company; and Marco V. Molinari – Executive Vice President, HNI Corporation and President, HNI International Inc., and (ii) approved a change in (a) Mr. Dittmer's annual base salary from \$355,000 to \$390,500 effective March 7, 2010, and (b) Mr. Molinari's annual base salary from \$332,300 to \$343,931 effective April 18, 2010. With the exception of the restricted stock unit ("RSU") grant to both Messrs. Dittmer and Molinari and the special stock option grant to Mr. Dittmer discussed below, all other material terms and conditions of Messrs. Dittmer's and Molinari's employment and compensation packages with the Corporation remained the same.

Amendment of Compensatory Arrangement – CEO Compensation

On February 17, 2010, the Board (i) restored the annual base salary of Stan A. Askren – Chairman, President and Chief Executive Officer, HNI Corporation, from \$661,504 to \$735,004, which was his annual base salary prior to the 10 percent reduction requested by Mr. Askren and approved by the Board on April 3, 2009, (ii) approved a change in Mr. Askren's annual base salary from \$735,004 to \$780,000, effective February 22, 2010, and (iii) approved a change in Mr. Askren's long-term incentive compensation award target from 200 percent to 300 percent of his annual base salary. The effective date of the change to Mr. Askren's long-term incentive compensation award target was February 17, 2010, and consequently, the change applies to Mr. Askren's long-term incentive compensation award for the Corporation's 2010 fiscal year. With the exception of the RSU grant discussed below, all other material terms and conditions of Mr. Askren's employment and compensation packages with the Corporation remained the same.

For a more detailed discussion of the elements of the Corporation's compensation program, including base salary, annual incentive compensation and long-term incentive compensation, please see pages 17-26 of the 2009 Proxy Statement.

Amendment of Compensatory Arrangement – Long-Term Incentive Compensation

On February 17, 2010, the Board approved the grant of time-based RSUs under the Compensation Plan in lieu of awards traditionally granted under the Performance Plan for each of Messrs. Askren, Tjaden, Determan, Dittmer and Molinari (collectively, the "Officers"). Each of the Officers received the

following number of RSUs: Mr. Askren – 19,508; Mr. Tjaden – 4,127; Mr. Determan – 4,127; Mr. Dittmer – 4,439; and Mr. Molinari – 4,155. The RSUs cliff-vest three years from the date of grant and represent 20 percent of each of the Officers' long-term incentive compensation award for the Corporation's 2010 fiscal year. Early termination of employment other than due to death, disability or a change in control of the Corporation will result in forfeiture of unvested RSUs.

Stock options comprise the remaining 80 percent of each of the Officers' long-term incentive compensation award for the Corporation's 2010 fiscal year. The Board, on February 17, 2010, approved the grant of the following number of stock options for each of the Officers: Mr. Askren – 226,909; Mr. Tjaden – 48,000; Mr. Determan – 48,000; Mr. Dittmer – 51,636; and Mr. Molinari – 48,335. The stock options were granted under the Compensation Plan, have an exercise price equal to the closing price of a share of Common Stock on the date of grant and cliff-vest four years and expire ten years from the date of grant. Early termination of employment other than due to death, disability, retirement or a change in control of the Corporation will result in forfeiture of unvested stock options.

None of the Officers received payouts under the Performance Plan for the 2007-2009 performance period, nor will they receive payouts for the 2008-2010 performance period. In 2009, the Corporation also granted RSUs under the Compensation Plan for each of the Officers in lieu of awards traditionally granted under the Performance Plan.

Amendment of Compensatory Arrangement – Special Option Award

On February 17, 2010, the Board approved a special grant of 36,364 stock options to Mr. Dittmer under the Compensation Plan. The stock options have an exercise price equal to the closing price of a share of Common Stock on the date of grant and cliff-vest four years and expire ten years from the date of grant. Early termination of employment other than due to death, disability, retirement or a change in control of the Corporation will result in forfeiture of unvested stock options. These stock options represent a special award and are in addition to the stock options granted to Mr. Dittmer as a part of his standard long-term incentive compensation award for the Corporation's 2010 fiscal year discussed above.
